GRIEVANCE PROCEDURE

A. Definitions

1. A “grievance” is a claim by an administrator or the Association based upon interpretation, application or violation of this Agreement, policies or administrative decisions affecting an administrator or group of administrators.
2. An ‘aggrieved person” is an employee, employees, or the Association, directly affected by a grievance.
 - a. A “party in interest” is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting administrators. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any administrator having a grievance to discuss the matter informally with his immediate supervisor, and having a grievance adjusted without participation of the Association, provided the adjustment is not inconsistent with the terms of this agreement.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance may be exhausted prior to the end of the school year or as soon thereafter as practicable.
3. Level One – Immediate Supervisor

An administrator with a grievance shall first discuss it with his or her immediate supervisor, either directly or through the Association's designated representative, with the objective of resolving the matter informally. If after such discussion, the matter is not resolved to the satisfaction of the administrator within five (5) school days, he/she shall present his complaint in writing to the Superintendent. The Superintendent shall communicate his or her decision to the administrator in writing within five (5) school days after the receipt of the written complaint

4. Level Two – Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after written presentation of the grievance, he/she may file the grievance in writing with the Association within five (5) school days after the decision at Level

One or ten (10) school days after the grievance was first presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools. The appeal to the Superintendent shall be in writing and shall set forth the grounds upon which the grievance is based. The Superintendent shall meet with the aggrieved person within ten (10) school days of receipt of the appeal if the teacher so requests. The Superintendent shall render his decision within ten (10) school days after the conclusion of such conference or conferences or twenty (20) days after receipt of the written appeal, whichever is sooner. Such decision shall be in writing to the aggrieved person and the Immediate Supervisor.

5. Level Three – Board of Education

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within twenty (20) school days after the grievance was delivered to the Superintendent, he/she may, within five (5) school days after a decision by the Superintendent or twenty-five (25) school days after the grievance was delivered to the Superintendent, whichever is sooner, request a review by the Board, such review shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board. Within fifteen (15) days after receiving the request, the Board shall review the grievance, hold a hearing with the aggrieved person, if requested by the letter, and render its decision in writing to the administrator and to the Secretary of the Board of Education within ten (10) school days after the hearing, or fifteen (15) school days after receipt of the request for a review, whichever is sooner.

6. Level Four - Arbitration

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within fifteen (15) school days, after the grievance was delivered to the Board, he may, within five (5) school days, after a decision to the board or twenty (20) school days after the grievance was delivered to the Board whichever is sooner, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance within fifteen (15) school days after receipt of a request by the aggrieved person. If the Association determines that the grievance is not meritorious and should not be submitted to arbitration by the Association, the aggrieved person, individually, shall have the right to submit his grievance to arbitration within fifteen (15) days after receipt of notice from the Association that it will not pursue his grievance to arbitration. A copy of the Association's notice to the aggrieved person shall be served upon the Board. In the event the aggrieved person request arbitration without the Association's approval, the Association shall not be responsible for any costs incurred in pursuing the grievance.
- b. Within ten (10) school days after such written notice of submission to arbitration, the Association or the aggrieved person pursuing his grievance without Association approval shall petition the American Arbitration Association/PERC for a list of arbitrators. The parties shall then be bound by the rules and procedures of the American Arbitration Association/PERC in the selection of an arbitrator.
- c. The arbitrator so selected shall confer with the representative of the Board and the Association and shall hold hearings promptly and shall issue a decision. The arbitrator shall have the right to frame issues when either party cannot agree on the issues, and shall not issue awards which are in violation of law or public policy,

nor shall he issue awards which are outside the scope of the grievance definition contained herein, or which may violate the terms of this agreement. The determination of the arbitrator shall be binding. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of a hearing room, if any, shall be borne equally by the board and the Association. Any other expenses incurred shall be paid by the party incurring same.
