No compensation shall be paid by the Board to the Association or any of its representatives in connection with such negotiations.

ARTICLE III - GRIEVANCE PROCEDURE

A. PURPOSE

The purpose of this procedure is to secure at the lowest possible level equitable solutions to the problem which may, from time to time, arise affecting employees as a result of the interpretation, application, or violation of this Agreement between the Board and the Association, written administrative decisions or Board of Education policies.

B. DEFINITIONS

1. A "grievance" shall mean a complaint by an Association member or members that there has been a violation, misinterpretation, or inequitable application of any of the provisions of this Agreement between the Board and the Association, written Administrative decisions or Board of Education policies.
2. An "aggrieved" employee is the Association member or members making a complaint.
3. For purposes of this grievance procedure, the "Immediate Administrative Supervisor" of the Association members assigned to the Senior and Junior High Schools shall be the Administrator from whom the member receives the majority of his/her work and may be the Principal, Vice-Principal, Directors of Athletics and Guidance or other similar Administrator; the "Immediate Administrative Supervisor" of each Association member assigned to an Elementary School shall be the Principal of that Elementary school; the "Immediate Administrative Supervisor" of Association members assigned to the Education Center shall be the Administrator from whom the member receives the majority of his/her work and may be one of the Assistant Superintendents, Directors, secretary to the Superintendent or other similar Administrator.

C. PROCEDURES

Step I

An aggrieved employee shall present the grievance, orally, to the Immediate Administrative Supervisor within ten (10) working days of the occurrence or knowledge of the event from which the grievance arises. The aggrieved employee shall identify to the Immediate Administrative Supervisor that a grievance is being instituted. The Immediate Administrative Supervisor shall, if possible, resolve the grievance informally to the satisfaction of the aggrieved employee within five (5) working days after initial discussion with the aggrieved employee.

Step II

If the grievance cannot be resolved informally in Step I to the satisfaction of the aggrieved employee within five (5) working days, then the aggrieved employee may, within five (5) working days thereafter, submit the grievance in writing to the Immediate Administrative Supervisor. The writing shall set forth the events giving rise to the grievance, the provision of the Agreement thought to have been violated, misinterpreted, or inequitably applied, and the desired remedy. The Immediate Administrative Supervisor shall re-evaluate his decision in Step I, and submit an answer in writing, within three (3) days after receipt of the written grievance. A copy of the written grievance and response shall be submitted by the Immediate Administrative Supervisor to the Assistant Superintendent for Business.

Step III

If the aggrieved employee is not satisfied with the answer received, or if an answer is not received in Step II, the grievance, in writing, accompanied by a signed letter indicating the desire of the aggrieved employee to move to Step III may be presented to the Assistant Superintendent for Business within five (5) working days from the expiration of the time period provided in Step II. The Assistant Superintendent for Business shall, within five (5) working days of the receipt of the written grievance, arrange a meeting with the aggrieved employee. The Assistant Superintendent for Business shall give to the aggrieved employee a written answer to the grievance within five (5) working days after the date of such meeting.

Step IV

If the aggrieved employee is not satisfied with the written answer resulting from Step III, or if no answer is received, the aggrieved employee may within five (5) working days following the expiration of the time provided in Step III, submit a written request to the Superintendent for a hearing of the grievance by the Board of Education at its next scheduled conference meeting following the receipt of the request or, any event, not later than fifteen (15) working days following the receipt of the request by the Superintendent. The Superintendent shall schedule a meeting for the hearing of the grievance and shall advise the aggrieved employee of the time, date and place of the meeting not less than five (5) working days prior to the scheduled meeting date. The President of the Board of Education shall, within ten (10) working days following the hearing, submit an answer to the aggrieved person.

Step V

a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Step IV, or if no decision has been rendered

within the period specified in Step IV, the aggrieved employee may, within five (5) working days after a decision by the Board of Education, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) working days after receipt of a request by the aggrieved person and shall, prior to submission of the grievance to arbitration, notify the Board of Education of such decision.

b. Within ten (10) working days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

c. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date of the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusion on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory.

d. The costs for the services of the arbitrator, including the per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. GENERAL PRINCIPLES

1. Saturdays, Sundays, and Holidays shall not be considered working days in the computing of the time provided for in the foregoing.
2. Any decision or answer to the grievance made at any step which is not appealed to the succeeding step within the time limits provided, or within such additional period of time as may be mutually agreed upon in writing shall be considered final settlement and binding on all parties involved in the grievance.

3. Except at Step IV, all discussion and meetings shall, so far as is practicable, be conducted during the hours when both the Education Center and schools are open.
4. An aggrieved employee shall not lose pay for time spent during his/her regular working hours at the foregoing steps of the grievance procedure. In the event that it is necessary to require the attendance of other employees during any of the above steps, such employees shall not lose pay for such time.
5. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
6. The number of days indicated at each level of the grievance procedure shall be considered as a maximum and every effort should be made to expedite the process. However, stipulated times may at any step be extended by mutual agreement of the parties involved. Every effort will be made to expedite the resolution of grievance.
7. Nothing herein contained shall be construed as limiting the right of an aggrieved employee to discuss the matter informally with the Immediate Administrative Supervisor.
8. The aggrieved person may withdraw a grievance during or after any step in the grievance procedure. In that case, any representative of the aggrieved person may not continue to process the grievance further.
9. No meetings or hearing under this grievance procedure shall be conducted in public and shall include only such parties in interest, including witnesses, if any, and their designated or selected representation as herein above referred to. All parties to this Agreement do hereby solemnly covenant and agree to regard any grievance as confidential.
10. Decisions rendered at all levels of the grievance procedure, except Step I, shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the Association.
11. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

12. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any representative, any member of the Association, or any participant in the grievance procedure by reason of such participation.

ARTICLE IV - ASSOCIATION RIGHTS

- A. Such positions shall be announced in the Superintendent's Bulletin. In the event the Superintendent's Bulletin is not published or is discontinued, such positions shall be posted in each school office and in the Education Center to afford all interested personnel an opportunity to apply.

- F. The Assistant Superintendent for Business shall discuss the transfer with the employee and the Immediate Supervisor and shall make the final assignment in writing.
- G. The Board and the Association agree that there shall be no discrimination on the basis of race, creed, color, religion, national origin or sex and that all practices, procedures, and policies of the school system shall clearly exemplify that there is no such discrimination in the hiring, training, assignment, promotion, transfer, or discipline of employees or in the application or administration of this Agreement.

ARTICLE VII - EMPLOYEE EVALUATION

- A. At least once annually, each employee will be evaluated by the Principal/Immediate Supervisor.
 - 1. The annual evaluation will be formalized in an annual conference. The conference will consist of the Principal's/Immediate Supervisor's evaluation of work performance of the employee and any other matters which may be appropriate.
 - 2. Following the conference, an annual evaluation report shall be forwarded to the office of the Assistant Superintendent of Business. This report shall include the evaluation by the Principal/Immediate Supervisor and any other pertinent information resulting from the conference. Before the report is forwarded, it shall be signed by both the Principal/Immediate Supervisor and the employee. Signatures will mean only that a conference was held and that the items included were discussed. The employee shall receive a copy.
 - 3. If the employee desires to submit additional material concerning the annual evaluation, he/she shall submit a copy to the Principal/Immediate Supervisor and to the Assistant Superintendent for Business for attachment to the evaluation report within ten (10) working days of the annual evaluation conference. - D. Extra sick leave may be granted by the Board on a case-by-case basis for those employees who have exhausted their earned sick leave entitlement and who suffer a catastrophic illness of extended duration. In considering each case it shall be the intent of the Board to recognize, among other factors, the employee's years of service in the Millburn School District.

A secretary leaving the employ of the Millburn School Board who, at the time of separation, becomes officially retired under provisions of the retirement plan and commences at that time to receive retirement pension benefits under the plan will also receive reimbursement from the School Board for a fraction of unused sick days accumulated during the course of employment in the Millburn School District. The fraction of accumulated unused days is one-half. The total maximum number of days for which payment may be made in each case is fifty (50) for retirements which become effective during the July 1, 1982-June 30, 1983 Contract year and one hundred (100) for retirements which become effective during the July 1, 1983-June 30, 1984 Contract year. - E. One day per year of the personal absence time may be taken by each secretary on the day of that person's birth date. Should a person's birthday occur on a day when offices are closed or when that person is not otherwise required to be present, an alternate personal day may be mutually agreed upon by the employee and the Supervising Administrator.
- F. All employees are expected to recognize their primary obligation to students and the operation of the schools. In the event, however, an employee is obliged to serve as a juror, the Board of Education provides as follows:

 6. The Supervisor is to provide the employee with a copy of the policy and administrative procedures governing this type of leave following notification by the employee.
- B. In the event of a miscarriage, still birth, or other unfortunate event, the employee shall have the right to return to work. If the employee on leave has been replaced by a person under contract, sixty (60) days notice must be given to the Board of Education.
 - C. The Board of Education shall, at its expense, provide health plan benefits for employees on leave for reasons of maternity or adoption of an infant child consistent with regulations established by the State Health Benefits Commission and applicable insurance carriers. - F. When schools are open, if conditions make reporting to work impossible, the employee is to inform her Immediate Supervisor of this fact as soon as possible. Such absence may be charged against the employee's personal absence time subject to the Principal's or Supervisor's recommendations and the approval of the Assistant Superintendent for Business.

- F. The selection of vacation time requires the prior approval of the Immediate Supervisor, subject to the requirements of the work load. In the event of conflicting requests which would not permit the normal continuation of the work function, employment seniority of the employee will be considered.
- G. Forms for the selection and approval of vacations will be provided by the Personnel Office. All approved requests shall be returned to the Personnel Office by no later than May 31 of each year for the next year's vacation.

An employee will be continued on dues deduction from year to year unless he/she requests in writing to the Personnel Office, prior to July 1, that he/she be dropped from payroll dues deduction.
