ARTICLE II: NEGOTIATION OF A SUCCESSOR AGREEMENT

A. DEADLINE DATE

The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws 1974, in good faith effort to reach agreement on all matters concerning the negotiable terms and conditions of employment.

Negotiations shall begin according to the PERC guidelines, but not later than November 1 of the year preceeding the expiration of the contract. Any agreement so negotiated shall apply to all employees, be reduced to writing, be ratified and signed by the Board and the Association.

B. MODIFICATION

This Agreement shall not be modified wholly or in part at any time by the parties except by an instrument in writing duly executed by both parties.

C. NEGOTIATING TEAM AUTHORITY

Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be given all necessary power and authority to make proposals, consider proposals and make counterproposals in the course of negotiations. The full Board of Education and the Association retain the right to ratify or reject any agreements reached during negotiations.

ARTICLE III: GRIEVANCE PROCEDURE

A. DEFINITIONS

1. GRIEVANCE

A grievance is a claim or complaint by a member of the Association based upon an alleged misinterpretation or misapplication of this agreement, or of policies of the Board of Education related to terms and conditions of employment. Non-reappointment of non-tenured members of the teaching staff will not be a subject of a grievance.

2. GRIEVANT

A grievant is the person or persons or the Association making the claim.

3. PARTY IN INTEREST

A party in interest is the person or persons making the claim and any person including the Association or the Board who might be required to take action or against whom action may be taken in order to resolve the claim.

B. PURPOSE

The purpose of this procedure is to secure at the lowest possible level, equitable solutions to the grievance which may from time to time arise affecting the employees. Both parties agree that these proceedings will be kept informal and confidential.

C. PROCEDURE

1. TIME LIMITS

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Parties may agree whenever practicable to expedite grievances filed during the last 30 days of the school year.

2. LEVEL 1

A grievant shall first discuss the grievance with his principal or immediate superior within two weeks (14 calendar days) of the alleged act with the objective of resolving the matter informally. If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant, at the end of this time he shall set forth his complaint in writing within seven (7) school days to the principal or immediate superior. Said administrator shall communicate his decision to the grievant in writing within seven (7) school days of the receipt of the written complaint.

3. LEVEL 2

If the grievant is not satisfied with the disposition of his grievance at Level 1, or if no decision has been rendered within ten (10) school days thereafter, the grievant shall prepare a letter to simply and concisely state the grievance and contain a statement of the relief sought. The grievant or the Association shall refer said letter to the Board's chief school

administrator within ten (10) school days. The chief school administrator will attempt to resolve the grievance as expeditiously as possible, but within a period not to exceed ten (10) school days of receipt of said letter. The chief school administrator shall communicate his decision in writing along with supporting reasons, to the grievant and the principal.

4. LEVEL 3

If the grievant is not satisfied with the disposition of his grievance at Level 2, or if no decision has been reached within ten (10) school days, within fifteen (15) school days thereafter the grievance may be referred to the Board of Education, in writing, through their secretary, for further consideration. The Board shall review the case and shall hold an informal hearing with the grievant. If no satisfaction by mutual agreement is realized within forty (40) calendar days of the hearing, the grievance within twelve (12) school days may be submitted to advisory arbitration by the written request of the Association or the grievant. Copies of such requests shall be sent to all parties in interest.

5. LEVEL 4

a. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a

request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

b The arbitrator so selected shall issue his decision and award in compliance with the rules and regulations of the appointing agency. The arbitrator's decision shall be in writing and shall set forth his findings of fact and law, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decisions which require the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can add nothing nor subtract anything from the agreement between the two parties. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory only on the parties. However, if the Board rejects three (3) advisory arbitration awards in a row, the next arbitration award shall be binding.

c. The fees and all expenses of the arbitrator, including but not limited to the transcript, shall be shared equally by the Board and the Association.

D. RIGHTS OF MEMBERS TO REPRESENTATION

1. Any agrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by representative(s) selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its view at all stages of the grievance procedure.

2. No reprisals of any kind shall be taken by the Board, any member of the administration, the Association, or any representative of the Association, against any individual for participation or failure to participate in the grievance procedure.

E. MISCELLANEOUS

1. MEETINGS

All meetings under this procedure shall be conducted in private and shall include only the parties in interest and their representatives. At the request of either party, witnesses shall be segregated or sequestered.

2. TIME LIMIT

A grievance may not be initiated at any level after two weeks (14 days) of the alleged act.

3. TIME LOSS

If the parties mutually agree to schedule any step of the grievance procedure during school hours, there shall be no loss of pay or benefits to the individuals involved.

4. Failure of the Board or its agents to respond within the time limits set forth in this Article will give the agrieved

party the right to appeal the grievance to the next level within the established time limits. Failure of the grieved party to appeal a decision at any level within the time permitted shall constitute resolution of the grievance at that level.

ARTICLE IV: EMPLOYEE RIGHTS

A. No employee shall be discharged, disciplined, reprimanded, reduced in rank or compensation, or deprived of any advantage, or given an adverse evaluation of his professional services without a valid reason.

B. Required Meetings or Hearings

Whenever any person covered by this agreement is required to appear before the board or any committee, or member thereof concerning any matter which could adversely affect the continuation of that teaching staff member in his office, position, employment or salary increment he shall be given prior written notice of the reasons for such meeting or interviewed and shall be entitled to have a person of his own choosing present to advise him and represent him during such meeting or interview.

B. EXTENDED SICK LEAVE

During the period of the employee's medical disability accumulated sick leave benefits shall be paid until such benefits are exhausted or the medical disability has terminated, whichever is shorter.

All extended sick leave necessary beyond the employee's accumulated sick leave will be governed by the district's regular leave of absence policy.

C. The Board retains the right to place an employee on sick leave for any of the following reasons:

1. Whenever the employee's physical condition adversely affects ability to continue to provide effective service.

2. The physical condition or capacity is such that the employee's health would be impaired if permitted to continue working, and if:

- a. the employee fails to produce a certificate from a physician stating that said employee is medically able to continue work, or

b. the Board of Education's physician and the employee's physician agree that said employee cannot continue working, or

c. following any difference of medical opinion between the Board's physician and the employee's physician, the Board requests expert consultation in which case the Cape May County Health Officer shall appoint an impartial third physician who shall examine the employee. This physician's medical opinion shall be conclusive and binding on the issue of medical capacity to continue work. The expense of any examination by an impartial third physician under this paragraph shall be shared equally by the employee and the Board.

D. Upon an employee's return from sick leave, the Board may require said employee to produce a certificate from a physician showing that said employee is capable of working. If the Board's physician is in disagreement, that conflict of medical opinion shall be resolved in the same manner as is set out in paragraph D-2c, of this Article.

E. In charging an employee with sick leave the smallest unit to be considered will be a partial absence of up to one (1) hour either at the beginning or ending of the day, or during the work schedule. An accumulation of six of these partial absences will result in the loss of a sick day.

If an employee reports to work and becomes sick on the job he will be charged with half a sick day if he has already spent half of the time required for working a full day in his position.

If he works for less than half the time required for a full day in his position he will be charged with a full day's sick leave.

If the absence continues for more than one day notification must be given before 7:30 a.m. on each succeeding day, unless this procedure is waived by the principal.

2. On return, the staff member must contact the building principal or their immediate supervisor at the start of the work day.

G. Except in case of emergency, an employee who is absent (but not tardy) and does not notify the school by the time stipulated in F-1, shall forfeit pay for the day(s) missed.

M. Anyone employed after the regular starting date of his contract year shall be credited with sick leave on a pro-rata basis calculated at one day per month. The number of days credited shall be based only on whole months to be served in the contract. Such days will be available for use upon commencing employment.

N. Upon retirement in accordance with the pension plan or vesting under such plan, employees will receive a sum of money equal to one third (1/3) of their daily wages at the time of termination multiplied by the accumulated number of sick days. Daily rate will be figured in the following manner:

10 months - 1/200th

11 months - 1/220th

12 months - 1/240th

Retirement shall be defined as a formal application to the state pension fund for retirement allowance.

O. The sum of money paid under paragraph N above shall not exceed \$5,000.00 for any employee.

ARTICLE XII: EXTENDED LEAVES OF ABSENCE

A. UNPAID LEAVES OF ABSENCE

The Board of Education may at its discretion grant an unpaid leave of absence to an employee. The employee must request the leave, in writing, at least thirty (30) days in advance of the first day of the requested leave.

In the event that a leave of absence is granted, the Board agrees only to permit the employee to return to a position for which he is qualified in consideration for the promise to return to service in the district. Accrued seniority rights and/or benefits are not diminished by an employee's unpaid leave of absence, but no new rights are acquired. Time elapsed during unpaid leave of absence does not count toward accrual of tenure. An employee on unpaid leave of absence may not claim sick leave if a disability occurs during the period of the leave. The employee is entitled to return to the district at the end of the leave time but is not entitled to a position before that time. An employee who extends the leave of absence without express authorization of the Board is no longer on leave of absence but has abandoned his or her position.

The Board reserves the right to determine whether any employee on leave is using the time in accordance with the stated purpose of the leave. Violation of the terms of the leave shall be cause for terminating it.

The Board requires that an employee on unpaid leave of absence reaffirm the intention to return, in writing, at least sixty (60) days before the scheduled termination of the leave. Failure to do so will be grounds for termination of employment.

The Board shall not be required to continue the leave of absence of a non-tenure employee beyond the school year for which he was hired or to offer tenure or a new contract.

B. MATERNITY LEAVE

All leaves of absence requested or taken by employees for reasons associated with pregnancy or maternity shall be governed, as appropriate, by the sections of this contract on unpaid leaves of absence and sick leave.

During the month preceding and the month following child birth, when the employee is presumed to be disabled, she will be entitled to accumulated sick leave benefits. Should disability occur earlier in the pregnancy or continue for more than one month following birth, the employee may use additional accumulated sick leave benefits if she presents a physician's statement attesting to her continued disability.

Maternity leaves for periods where the employee is not disabled may be granted for up to six months at the Board's discretion in accordance with the regular unpaid leave policy.

No employee will be required to take unpaid leaves of absence for pregnancy. The Board may at its discretion require periodic physician certification of the employee's continued fitness to perform her duties. Upon request, a doctor's certificate will be needed during the one month periods prior to and following birth as the employee is presumed to be disabled during this time.

As the Board permits employees to work until they are disabled by pregnancy, should an employee choose to take an unpaid leave prior to any actual disability, she will not be able to receive sick leave benefits when disability does occur.

Persons beginning employment within the last three months of the school contract year shall be credited with one (1) personal day for that year.

B. BONUS DAYS

1. Each employee shall earn one bonus day for each eighteen (18) weeks of perfect weekly attendance. Perfect weekly attendance for the purpose of this article is defined as "being on the job and on time each day an employee would normally be required to work in a given week." Bonus days accumulated and not used beyond three (3) shall become accumulated sick time.

2. Bonus days and personal days shall not be used the day before or after a holiday; or when in the determination of the administration there would be an adverse effect upon the district; or if such usage would result in too many employees being absent on any one day; or at such times that would otherwise cause a hardship on the district.
