ARTICLE XIII
INSURANCE, HEALTH AND WELFARE

A. Hospitalization, Medical Care, Prescription Drug Benefits.

1. The Borough agrees to provide hospitalization insurance through the New Jersey State Health Benefits Plan, as it exists or as modified by the New Jersey State Health Benefit Plan (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the New Jersey State Health Benefit Plan, for all employees and eligible dependents covered by this Agreement. The Borough shall also provide a Co-Pay Prescription Plan for employees and dependents through the New Jersey State Health Benefits Plan. The co-payment shall be determined by the New Jersey State Health Benefits Plan and may be subject to future changes to reflect the then applicable NJSHBP Plan prescription co-pays. Effective October 1, 2017, or as soon thereafter as is practicable, the Borough provides the NJSHBP Direct 15/25 Plan for employees and their eligible dependents. An

employee may select coverage of another Plan offered by the NJSHBP and in the event the selected plan costs more than the Direct 15/25 Plan then the employee shall be responsible for paying the costs of the increased premium for the selected coverage as well as any tax that may be incurred pursuant to the Affordable Care Act. Payment shall be made by equal payroll deductions.

In lieu of the NJSHBP Direct 15/25 Plan, the Borough, at its option, may provide for an alternate plan with higher co-payments and/or deductibles. In that event, the Borough will provide employees with a Health Care Reimbursement Card that would cover the costs of any increase in in-network, out of pocket, co-payments and/or deductibles. All employees shall pay a cost contribution for Health Insurance Plan coverages in accordance with P.L. 2011, Chapter 78, Pension and Health Benefits Reform Law adopted June 28, 2011 or, if hired after January 1, 2011, three (3%) percent of their base wages, whichever is greater. Payments shall be made by way of withholdings from each employee's payroll checks. The required employee payments will be made in equal bi-weekly payroll deductions. The Borough shall establish and adopt a Section 125 Plan so that said contribution would be "pre-tax".

2. The Borough may, at its option, change any of the existing insurance plans or carriers or may self-insure so long as substantially similar benefits are provided.

3. Effective January 1, 2016, the Borough shall no longer provide a \$15,000 life insurance policy to active employees or any employee retiring on or after January 1, 2016.

4. Dental and Vision Benefits.

The Borough shall continue to provide Dental and Vision coverage in accordance with the Exhibits annexed hereto and made a part hereof by reference as if fully set forth herein except that the calendar year maximum Dental payments effective January 1, 2011 going forward shall be:

\$600 per employee only
\$1200 per employee and one dependent
\$2000 per employee and two or more dependents
and

the calendar year maximum Vision payment shall be:
\$100 per participant for contact lenses or glasses

The Borough, at its sole discretion, retains the right to select and change the providers of its Dental Plan and Vision Plan during the term of this Agreement, so long as the benefits provided are substantially similar to the current coverage. Selection of the providers is a managerial prerogative not subject to the terms of this collective bargaining agreement.

B. Insurance Upon Retirement

1. Effective November 2, 2017, upon retirement from the Borough and under the Police and Fireman's Pension System with 25 years of creditable service in PERS, and after twenty-five (25) years of service with the Borough, the Borough shall provide the retiring

employee and his/her family with all insurance coverage listed in Section A of this Article, until the retiree reaches Medicare age, subject to the provisions of Article VI, Section C and Section D, and in accordance with the provisions of N.J.S.A. 40A:10-23 as well as P.L. 2011, Chapter 78, Pension and Health Benefits Reform Law adopted June 28, 2011. Employees retiring on a state disability pension or retiring at age 62 or older with at least fifteen (15) years of service with the Borough shall also be eligible for retiree health benefits under this article.

- a) Definition of Twenty-Five Years of Service with the Borough. Twenty-five years of service with the Borough shall mean that service of the employee, in any position within the Borough, shall count as years of service for the purposes of satisfying the twenty-five year requirement. For example, if an employee has served in another department in the Borough, such as public works, or as a Special Law Enforcement Officer, those years of service shall count toward the requirement that the employee have twenty-five years of service with the Borough.
 - b) Exception to Requirement of Twenty-Five Years of Service with the Borough. Those employees not needing twenty-five years of service with the Borough shall only be those employees, who, at the time of the ratification of this Agreement, have purchased time or have had additional time recognized in PFRS which was earned through law enforcement service with another employer. Those employees and those employees only shall not be required to serve twenty-five years with the Borough in order to be eligible for post retirement health benefits provided that they are able to retire with twenty five (25) years of creditable service under PFRS. All other officers, current and those to be hired in the future, shall be required to have 25 years of service with the Borough, as that is defined in paragraph (a) above, in order to be eligible for retiree health benefits.
2. Effective November 2, 2017, Retirees and their eligible dependents shall receive the same coverage in effect for current employees, not the benefits in effect at the time of retirement.
 3. Dependent's covered in retirement shall be specific to the individual covered at the time of retirement and an employee is prohibited from adding additional dependents after his/her retirement. For example, if a retiree retires with coverage for himself and his spouse and, subsequently, the spouse dies, the retiree will then only receive individual coverage, even if the retiree re-marries. In that event, the retiree shall not be permitted to add on his new spouse. In addition, any children so covered by a retiree as dependents shall not be able to be placed back on the insurance once removed and no new children may be added.
 4. Effective November 2, 2017, any employee who retires and is eligible for post-retirement health benefits from the Borough of Wildwood Crest who, after retirement, secures employment with any local, State, county or federal government agency or entity, including but not limited to, law enforcement entities where, by virtue of the employment, New Jersey State Health Benefits Plan is offered, or who is otherwise

eligible to receive health insurance coverage through their employment shall be required to accept coverage for health insurance through their current employer and shall cease to be covered by the Borough of Wildwood Crest.

5. Effective November 2, 2017, upon the retired officer becoming eligible for Medicare, or, in the event of his/her death prior to that event, upon the date on which he/she would have become eligible for Medicare, retirees and any spouses/dependents shall no longer be eligible for any Borough provided health benefits including, but not limited to, any Medicare "wrap around" pay or Medicare reimbursement or dental insurance.
6. Death/Disablement of Officer shall be in accordance with the current PBA Local #59 (all employees below the rank of Lieutenant) and the Borough of Wildwood Crest Collective Bargaining Agreement for the term of January 1, 2020 through December 31, 2023.

ARTICLE XIV CLOTHING ALLOWANCE

The cost of the service of an arbitrator shall be borne equally by the Borough and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.
