GRIEVANCE PROCEDURES

A. DEFINITIONS

The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of policies or administrative decision affecting the terms and conditions of employment or the express terms of this Agreement, and may be raised by an individual unit employee, a group of unit employees, or the Association, at the request of such individual or group (hereafter the "grievant").

B. PURPOSE

1. The purpose of this grievance procedure is to secure an equitable solution to grievances as herein defined. The parties agree that grievances should be resolved at the lowest possible administrative level. Therefore, no grievance shall bypass any step of the grievance procedure except as expressly provided herein and any failure to prosecute a grievance within the time period provided shall constitute an absolute bar to relief and shall stop the grievant from prosecuting his/her grievance in any forum thereafter. The instant grievance procedure constitutes the sole and exclusive method for raising and disposing of controversies within the definition of the term.

2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate management personnel.

C. PROCEDURE

1. Step One — Borough Administrator

a. A grievant must file his/her grievance in writing with the Borough

Administrator within ten (10) days of the occurrence of the matter complained of. A copy of same shall be provided to the Association Grievance Chairman and the Borough Council Chairman of Negotiations.

b. The written grievance must identify the grievant by name and be signed by him and the Association Grievance Chairman. It must set forth a statement of the facts constituting the grievance, the approximate time and place of occurrence of the facts leading to the grievance, the names of all Borough representatives whose action or failure to act forms the basis of the grievance, the specific contract provision, if any, forming the basis of the grievance, and must set forth the remedy sought by the grievant.

c. The Borough Administrator shall investigate and render a written response, which shall be given to the grievant within ten (10) working days from the receipt of the grievance.

2. Step Two - Mayor and Council

In the event the grievance is not resolved to the grievant's satisfaction at Step One, or in the event the Borough Administrator has not served a timely written response at Step One then within five (5) working days after the response date set forth in Step One the grievant may present the written grievance and any written response received at Step One to the Mayor and Council or its designee. Upon receipt of the grievance by the Mayor and Council or its designee, a meeting shall take place within thirty (30) days and the response shall be given within twenty (20) days thereafter.

3. Step Three

The parties agree that in the event the last step of this procedure is not satisfactorily resolved, the

Association may, within twenty (20) days, request that binding arbitration be instituted by serving said request upon the Borough and upon the New Jersey Public Employment Relations Commission. The parties agree to be bound by the Rules and Regulations of the Commission regarding grievance arbitration.

- a. The decision of the arbitrator shall be in writing and shall set forth reasons for such decision.
- b. The arbitrator shall decide only the single grievance submitted to him unless the parties, by mutual consent, have agreed to submit multiple grievances to the same arbitrator.
- c. The arbitrator's decision shall be final and binding upon all parties.
- d. The costs of the arbitrator shall be borne equally by both parties. Any other costs shall be borne by the party incurring the same.
- e. Should either party request a transcript of the hearing, the cost of same shall be borne by the requesting party. Should both parties agree to receive a copy of the transcript, then the cost shall be borne equally by the parties.

D. The time limits expressed herein shall be strictly adhered to. Any grievance which is not forwarded to the next step by the Association or individual within the specified time period shall be deemed abandoned. Any grievance which is not answered by the Borough or its agents within the specified time period shall be deemed denied and may proceed to the next step. Nothing contained herein shall prevent the parties from mutually agreeing to extend the time limits for processing the grievance at any step in the procedure.

E. Nothing contained herein shall prevent an employee from filing his/her own grievance and representing himself/herself at all internal steps within the grievance procedure. The Association must, however, be informed by the Borough of any such meeting and shall have the right to be present at said meeting in order to present the Association's position. At no time, however, shall any individual be permitted to process his/her own grievance to arbitration. This may be done only by the Association.

ARTICLE XXXII
INDEMNIFICATION

A. The Borough shall indemnify and save harmless all employees covered by the terms of this Agreement from and against any and all claims, actions, damages, liability, and expenses, including but not limited to attorney's fees and costs, which arise from the conduct, acts or omissions of those employees in the performance of their employment responsibilities, subject to the provisions hereinafter set forth. The Borough shall, at its own cost and expense, defend any and all claims, actions, suits and proceedings which may be brought against any employee with respect to the foregoing or in which they may be impleaded, commencing at the inception, of the claim, action, suit or proceeding. C. Since the Borough of Paramus prohibits harassment of its employees in any form, any individual charged with harassment in a civil action or by way of an administrative complaint shall be solely responsible for paying all costs of defense and/or any damages resulting therefrom which shall be awarded by a proper court of law or by an administrative hearing unless the Mayor and Council agree otherwise in writing.
