ARTICLE III
GRIEVANCE PROCEDURE

- A. Definition: A “grievance” is a claim by an employee or the Association on behalf of an employee or group of employees based upon an alleged misinterpretation, misapplication, or violation of this Agreement, Board policies, or administrative decisions rendered there-under affecting the terms and conditions of employment.
- B. Purpose: The purpose of this procedure is to secure, at the lowest possible level, a resolution to differences concerning the rights of the Parties regarding terms and conditions of employment. Both Parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

The Association agrees that those items which are expressly related to the Ridgefield Park decision of the New Jersey Supreme Court will not be subject to the Grievance Procedure.

- C. In the following procedure it is understood that the employee has the option to proceed either directly or to be accompanied by a representative of the Association:
1. The Parties agree to follow the procedures outlined in this Agreement and to use no other channels to resolve any questions or proposal until the procedures in the Agreement are fully exhausted. A grievant who does not meet the timelines as prescribed automatically waives the right to further appeal, and the grievance shall automatically be considered null and void.
 2. Any Board of Education employee who has a grievance (as heretofore defined) shall within thirty (30) school days following the occurrence of the alleged happenstance present it first to the Professional Rights and Responsibilities Committee of the Hackettstown Education Association to decide the worth of the grievance. The P.R. & R. Committee shall make a decision within ten (10) school days. If the employee is dissatisfied with the decision of the P.R. & R. Committee, the employee has the right, within seven (7) school days to continue the grievance by discussing it with the Supervising Principal (or the Immediate Superior, if applicable) in an attempt to resolve the matter at that level.
 3. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee, the employee shall, within four (4) school days, set forth the grievance in writing to the Principal. To be timely and effective the written grievance must set forth in reasonable detail the underlying facts, the contract violations, and the remedy sought. The Principal shall communicate the decision on the matter to the employee in writing within four (4) school days of the receipt of the written grievance. Carbon copy to go to the Principal and Superintendent.

4. The employee may appeal the Principal's decision within seven (7) school days to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth the grounds upon which the grievance is based. The Superintendent shall arrive at a decision within seven (7) school days of receipt of the written appeal. The Superintendent shall communicate the decision on the matter in writing, along with supporting reasons, to the employee. Carbon copies to the Principal, Superintendent, and the Board.
5. If dissatisfied with the action taken by the Superintendent of Schools, the employee may request, within seven (7) days, that a committee of the particular employee organization such as the Hackettstown Education Association's Professional Rights and Responsibilities Committee, which includes employees of the Hackettstown School System, review the grievance. The Committee will use its best influence to eliminate grievances which in its opinion are not worthy of further consideration. If the matter is not resolved within fourteen (14) school days, the Committee shall drop the matter from further consideration.
6. If after all preceding steps as stipulated heretofore have been utilized and a grievance alleges misinterpretation, misapplication or violation of the Agreement, the employee shall refer the grievance through the Superintendent's office to the Board of Education, within four (4) school days of the determination of the H.E.A.'s P. R. & R. Committee. The appeal to the Board must be in writing and must set forth the grounds upon which the grievance is based. The Board shall hear the employee at its next conference and shall inform the employee of its determination in writing within eight (8) days after the conference. Carbon copies shall go to the Principal, Superintendent, and the Board.
7. If the grievance involves misinterpretation, misapplication or violation of the written Agreement, the employee shall have the right within ten (10) school days following the decision of the Board, to request binding arbitration pursuant to rules and regulations established by the American Arbitration Association under the provisions of New Jersey Law. The arbitrator's opinion and award shall be in writing and shall contain detailed findings and conclusions. The arbitrator shall be without authority to add to, modify or delete any of the provisions of this Agreement. The recommendation for settlement made by the Arbitrator will be binding on both Parties. The cost of the Arbitrator's services, if any, shall be paid by the losing party and each of the Parties shall bear their own costs.
8. If the grievance alleges misinterpretation, misapplication or violation of Board policies or administrative decisions involving the interpretation or application of Board policies, the grievance may be referred through the Superintendent's office to the Board of Education within four (4) school days of the determination of the H.E.A.'s P. R. & R. Committee. The appeal to the Board must be in writing and must set forth the grounds upon which the grievance is based. The Board shall hear the employee at its next conference and shall inform the employee of its determination in writing within eight (8) days after the conference. Carbon copies shall go to the Principal, Superintendent and Board. Said grievance shall not be subject to binding arbitration.

9. No claim by an aggrieved party shall constitute an arbitrable grievance beyond Board level or be processed beyond Board level if it pertains to:
 - a. any matter for which a detailed method of review is prescribed by law, or
 - b. any rule or regulation of the State Commissioner of Education, or
 - c. any existing by-laws of the Board of Education, or
 - d. any matter which, according to law, is beyond the scope of Board authority or limited to unilateral action of the Board alone, or
 - e. any complaint of a non-tenured teacher which arises by reason of not being reemployed.

10. When it is determined by the H.E.A. that a court appeal shall be undertaken following an arbitrator's decision, the following conditions shall prevail. If the court rules in favor of the Association, the Board of Education will compensate the Association up to a maximum of \$1,000 for attorney fees and court costs in conjunction with all court proceedings. On the other hand, if the court rules in favor of the Board, the Association will compensate the Board up to a maximum of \$1,000 for attorney fees and court costs in conjunction with all court proceedings. In no event, however, will either Party be liable to pay in excess of \$2,000 within the existence of the negotiated Agreement for such costs.

ARTICLE IV

- A. The Board hereby agrees that every employee shall have the right to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations or to refrain from any such activity. Nothing contained herein shall be construed to deny or restrict to any employee such rights as may be granted under New Jersey School Laws or other applicable laws and regulations.

The Board and the Association agree that there shall be no disciplinary action, reprimand or deprivation of any employee's rights without just cause; further, the Board agrees that no employee will be reduced in rank or compensation or any employment advantage without just cause. Any employee granted this leave shall be required to notify the Board of intent to return or not to return to work by April 1st, for the following school year.

In extreme case of hardship, a forty-five day notice of intent to return to work is required prior to the originally agreed upon return date.

However, in order to provide maximum opportunity for all qualified employees to be reimbursed, no payments shall be made until the end of each school year. Then, if total monies for reimbursement set forth in paragraph D have not been exceeded, each employee shall be reimbursed to the maximum allowable above; provided all of the requirements have been met. However, it is not the purpose of the Board of Education to subsidize payment for college work leading toward attainment of a baccalaureate degree. Rather, it is the intent of the Board to have courses approved by the Superintendent only when, in the Superintendent's judgment, they will be of specific benefit to the District through enhancement of the employee's work in the employee's particular position.
- D. The maximum liability to the Board shall not exceed \$30,000 for 2008-2009, \$35,000 for 2009-20010, and \$38,000 for 20010-20011.

This appeal must be submitted, in writing, to the Secretary of the Board within fifteen (15) calendar days of notification of dismissal. Further, it shall be the responsibility of the School Business Administrator to make certain that adequate procedures exist to inform a custodian in writing that his/her performance does not meet standards required by the District. Any custodian beyond the probationary period must receive written notification from the School Business Administrator that a recommendation of dismissal is being made to the Superintendent and that termination of employment could result. This notification shall be accompanied by reasons, also in writing, as to why said recommendation is being made.

None of the above is to be construed as waiving the authority of the Superintendent to suspend any employee, professional or non-professional. (Such right is established by law.)
