#### AGENCY SHOP

#### 1. Representation Fee

The Township agrees to deduct the fair share representation fees from the earnings of those employees who elect not to become a member of the Association and transmit the representation fee to the majority representative after written notice of the amount of the fair share assessment is furnished to the Township of Pemberton and the New Jersey Public Employment Relations Commission.

#### 2. Computation of Fair Share Representation Fee

- a. The fair share representation fee for services rendered by the majority representative shall be in an amount equal to the regular membership dues, initiation fees and assessments of the majority representative, less the cost of benefits financed through the dues and available only to members of the majority representative, but in no event shall the fees exceed 85% of the regular membership dues, fees and assessment. Such sum representing a fair share representation fee shall not reflect the costs of financial support of political causes or candidates except to the extent that it is necessary for the majority representative to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration and to secure for the employees it represents advances in wages, hours, and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.
- b. The majority bargaining representative shall provide, sixty (60) days prior to January 1 and July 31 of each year, advance written notice to the Public Employment Relations Commission, the Township and to all employees within the unit, as shall be determined by a list of such employees and furnished by the Township, the information necessary to compute the fair share representation fee for services enumerated above.
- c. - a. No fees shall be deducted by an employee sooner than:
- i. The thirtieth (30<sup>th</sup>) day following the notice of the amount of the fair share fee;
