THIS AGREEMENT is entered into as of the First day of July 2012, by and between the **Board of Education of the Borough of South Bound Brook, New Jersey**, hereinafter called the “Board,” and the **South Bound Brook Education Association, Inc.**, hereinafter called the “Association” and is effective from July 1, 2012 through June 30, 2015.

ARTICLE I

RECOGNITION

A. The Board hereby recognizes the Association as the exclusive representative for collective negotiations, as required by N.J.S.A. 34:13A-5.1 et seq., for District personnel regularly employed in the following positions:

1) Classroom teachers who are under contract in positions requiring certification, including the school nurse, librarian, learning disabilities specialist, social worker, psychologist, guidance counselor, and other specialists; and

2) Secretaries and Receptionists/Clerks of Robert Morris School, and Child Study Team Secretary, excluding administrative and supervisory, Board/Central Office, confidential, managerial, and all other personnel employed by the Board of Education.

B. Definition of Teacher: Unless otherwise indicated, the term “Teachers” when used hereinafter in this Agreement, shall refer to all professional employees represented by the Association in the negotiations unit as above defined in paragraph A.1, and references to male teachers shall include female teachers.

C. As used in this Agreement, the term “employee(s)” refers to all District personnel within the collective negotiations unit defined in paragraphs A.1 and A.2 above, and the term “secretary” or “secretaries” refers to the non-certificated employees within the negotiations unit as defined in paragraph A.2 above.

ARTICLE II

NEGOTIATION PROCEDURE

A. The parties agree to enter into collective negotiation over a successor agreement in accordance with N.J.S.A. 34:13A-5.1 et seq. in a good-faith effort to reach agreement on all matters concerning employees’ terms and conditions of employment. Such negotiations shall begin not later than January 15 of the calendar year in which this Agreement expires. When an agreement is reached by the negotiating parties, ratified by the Association, and adopted by the Board, it shall then be reduced to writing and signed by the Board and the Association.

B. The parties agree that proposals for a successor agreement shall be simultaneously exchanged no later than February 1st of each school year in which the Agreement expires.

C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be vested with all necessary power and authority to make proposals in the course of negotiations.

D. The Board agrees that any changes or modifications in terms and conditions of employment are to be made only through negotiations with the Association.

The Board and the Association agree that, unless otherwise provided in this Agreement and under provisions of N.J.S.A. 34:13A-5.1 et seq., the final decision making authority in respect to the selection or rejection, implementation or abandonment, scope or intensity of any educational structure, change, or innovation rests with the Board of Education.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

1) A “grievance” is a claim by an employee or the Association that there has been a misinterpretation, misapplication, or violation of this Agreement, Board policies, or administrative decisions affecting terms and conditions of employment.

2) An “aggrieved person” is a person or persons making the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, starting informally with the immediate supervisor of the employee, equitable solutions to problems which may, from time to time, arise adversely affecting employees. The parties hereto agree that these proceedings should be kept as informal and confidential as may be appropriate at every level of this procedure.

C. Conditions and Time Limits

1) A grievance to be considered under this procedure must be initiated by the aggrieved within twenty (20) calendar days from the date when the grievant knew or should have known of its occurrence.

2) The number of days indicated at each level shall be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement of the parties hereto in writing.

3) Failure to process a grievance to the next step of the procedure within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.

4) Failure to communicate the decision in writing on a grievance within the specified time limit shall permit the aggrieved to proceed to the next step.

5) It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

6) In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

D. Formal Procedure

1) **Level One - Building Principal or Immediate Supervisor.** An employee with a grievance, who after first discussing same with his immediate supervisor, and is dissatisfied with the informal disposition of same, shall, either directly or through the Association's designated representative submit same in writing on the appropriate form, to the Building Principal. The Building Principal shall render a written decision within fifteen (15) calendar days after the grievance is presented.

2) **Level Two - Superintendent of Schools.** If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within fifteen (15) calendar days after submission at Level One, he may present it in writing on the appropriate form to the Superintendent of Schools within ten (10) calendar days thereafter.

3) **Level Three - Board of Education.** If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within fifteen (15) calendar days after the grievance was delivered to the Superintendent of Schools, he, the grievant, may, within ten (10) calendar days thereafter, request in writing that the Association submit the grievance to the Board of Education and unless submitted by the Association to the Board within five (5) calendar days thereafter, no further action on such grievance shall be taken.

4) No claim by a grievant shall go beyond Level Three if it pertains to a) any matter for which a detailed method of review is prescribed by law; or b) any rule or regulation of the State Commissioner of Education or State Board of Education; or c) any existing by-laws of the Board of Education; or d) any matter which according to law is beyond the scope of Board authority or limited to unilateral action of the Board; or e) the non-renewal of an employee at the end of a limited term contract.

5) **Level Four - Binding Arbitration.**

a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered thereon within thirty (30) calendar days after the grievance was delivered to the Board of Education, and in the event the subject of the grievance pertains to an alleged violation of this Agreement as to terms and conditions of employment, the Association may submit the grievance to an impartial arbitrator pursuant to the Rules of the Public Employment Relations Commission within twenty (20) calendar days following receipt of the Board's decision or expiration of the decision rendering period.

b. The decision of the arbitrator shall be in writing and shall set forth his or her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by or violative of any law, or which is violative of the terms of this Agreement. The arbitrator shall have no power or authority to add to nor to subtract from or to modify any of the terms of the Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be binding on all parties.

c. The cost for the services of an arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

E. Employee Representation Rights

1) Employees and Association. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2) Reprisals. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

F. Miscellaneous

1) Group Grievance. If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2) Written Decisions. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the Association.

3) Separate Grievance File. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4) Forms. Forms for filing grievances, serving notices, taking appeals, making reports, and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

5) All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this ARTICLE.

ARTICLE IV

EMPLOYEE RIGHTS

A. Required Meetings or Hearings

Whenever any employee is required to appear before the Superintendent or his designee, the Board, or any committee member, representative, or agent thereof concerning any matter which could adversely affect the continuation of that employee in his office, position or employment or the salary or any increments pertaining thereto, then such employee shall be given prior written notice of the reasons for such meeting, or interview, and shall be entitled to have a representative of the Association present to advise and represent the employee during such meeting or interview. Any suspension of an employee pending charges shall be without pay; and if and when cleared of the charges, the employee shall be reimbursed for lost salary.

B. Personnel Files

1) Any employee shall have the right, upon request, to review the contents of his/her personnel file. Every five (5) years, an employee shall have the right to indicate those documents and/or other materials in his/her file which he/she believes to be obsolete or otherwise inappropriate to retain. Said documents shall be reviewed by the Superintendent or his/her designee every five (5) years and if, in fact, they are obsolete or otherwise inappropriate to retain, they shall be destroyed.

2) No material derogatory to an employee's conduct, service, character, or personality, shall be placed in his personnel file unless the employee has had the opportunity to review such material. The employee shall acknowledge that he has had the opportunity to review such material by affixing his signature to the copy to be filed with the express understanding that such a signature in no way indicates agreement with the contents thereof. The employee shall also have the right to submit a written answer to such material and his answer shall be reviewed by the Superintendent or his designee and attached to the file copy.

3) The Board shall not establish any separate personnel file which is not available for the employee's inspection.

4) Any complaints regarding an employee made to any member of the Administration by any parent, student, or other person which are used in any manner in evaluating an employee shall be promptly investigated and called to the attention of the employee. The employee shall be given the opportunity to respond to such complaints.

5) Final evaluations of an employee upon termination of his/her employment shall be conducted prior to severance. A terminated employee will receive written notice, sent via certified mail, within seven (7) days of the placement of any documents and/or other materials in his/her personnel file.

ARTICLE V

TEACHING HOURS AND TEACHING LOAD

A.

1) As professionals, teachers are expected to devote to their assignments the time necessary to meet their responsibilities, but they shall not be required to “clock in” or “clock out” by hours and minutes. Teachers shall indicate their presence for duty by placing their initials in the appropriate column on the faculty “sign-in roster.”

2) Teaching staff members are required to report to work ten (10) minutes before the scheduled pupil arrival time in the morning, and may leave twenty (20) minutes after pupil departure time in the afternoon. On PTA nights, class nights, special meetings nights, Fridays, and the day before a holiday, teachers may leave five (5) minutes after pupil dismissal. Teachers in all school buildings shall begin work at the same time with the exception of the Librarian and Child Study Team, whose work day shall be consistent with the Agreement. For the 2003-2004 school year, the teacher in-school work day is defined as six (6) hours, fifty-two (52) minutes. The regular student instructional day is six (6) hours, twenty-two (22) minutes. Effective July 1, 2004, the teacher in-school work day shall be defined as seven (7) hours four (4) minutes, and the regular student instructional day shall be six (6) hours thirty-four (34) minutes.

3) A teacher shall be considered tardy who fails to report to his/her assigned area at the designated reporting time. A teacher who is tardy must indicate to the principal the reason(s) for his/her tardiness in writing and leave the written explanation with the principal’s secretary. A record of the teacher’s tardiness will be kept in the Principal’s office. A teacher tardy three (3) times within the school year shall be given a written notice by the principal. A teacher tardy six (6) times within any school year will receive written notification from the Superintendent that any additional tardiness may result in the loss of one-half (1/2) of a day’s salary.

B.

1) Teachers are required to attend such general and grade level meetings as may be called by the Administration. It is agreed that the Administration may call staff meetings not more frequently than two (2) Mondays per month, except in cases of emergency, with meetings not to exceed sixty (60) minutes from the end of the teacher school day.

2) The notice of an agenda for any meetings shall be given to the teachers involved at least two (2) days prior to the meeting whenever possible, except in an emergency. Teachers shall have the opportunity to suggest items for the agenda.

3) Once each month, the Building Principal and/or the Superintendent of Schools may require teachers to attend one (1) meeting commencing at 8:00 a.m. On those days when meetings are scheduled for 8:00 a.m., teachers shall be permitted to depart with the students at the end of the student day.

C. Teacher participation in field trip activities which extend beyond the teacher’s in-school work day, and overnight or weekend trips, shall be voluntary.

D. Teacher participation in extracurricular activities which extend beyond the regularly scheduled in-school day shall be compensated. Such compensation shall be negotiated by the Board and the Association.

E.

1) Teachers shall receive no less than 210 minutes of preparation time per regular work week wherever practicable. The Board reserves the right to reassign teachers to other duties during preparation periods in the event of an emergency.

2) It is agreed that the teachers' in-school work year shall be 185 days with half days for teachers prior to Thanksgiving and Christmas recesses, three (3) full-day workshops for teachers during the school year, the first two (2) student days shall be minimum days, and dismissal time for minimum days shall be 12:38 p.m., and one (1) half-day consultation day to be held, if practicable, on a day no later than the end of the first marking period, when students are not in attendance. The consultation day may be used for curriculum articulation, teacher interaction, development of collaborative teaching techniques, or any other activities which would enhance teachers' abilities to effectively implement the educational program.

3) The teacher in-school work year also includes attendance at parent-teacher conferences on two (2) evenings and one (1) day scheduled for such conferences each school year.

4) All teachers shall have a forty-two (42) minute lunch period, unless assigned to supervisory duty, in which case there will be a twenty-one (21) minute minimum lunch period for the teacher.

5) Teachers shall have one duty period per week, without additional compensation. Teachers shall be assigned to lunch duty supervision no more than once per week; provided, however, that the Administration may assign teachers to additional lunch duty supervision whenever necessary to ensure coverage on an emergency basis. Such additional assignments shall be rotated among all teachers.

For the 2003-2004 school year, teachers shall be compensated at the rate of Five (\$5.00) Dollars for each 21 minute lunch supervisory duty performed. The District may issue payment for such duty on a quarterly basis. Effective July 1, 2004, this compensation shall cease.

F. When a teacher who is scheduled for a prep period is instead assigned by the District to substitute for an absent teacher, the assigned teacher shall receive Thirteen (\$13.00) Dollars for each forty-two (42) minute prep period missed due to such assignment. Teachers shall submit the request for such reimbursement on official District vouchers. The District may require a teacher to accumulate the lesser of the equivalent of one day's pay or five (5) months of such assignments before submitting the voucher for payment.

Additionally, any secretary currently eligible for health insurance coverage whose weekly hours are reduced to less than twenty-eight (28) hours per week but more than twenty (20) hours per week shall continue to be eligible for health insurance coverage. All secretaries meeting that requirement will have the option of enrolling in either SEHBP New Jersey Direct 15 Plan or SEHBP New Jersey Direct 10 Plan. Employees shall have the ability to submit reimbursement claims for prescription expenses through the major medical insurance provided under the SEHBP, subject to the provisions of such plan.

3) When a payday falls on or during a school holiday, vacation or weekend, employees shall receive their pay checks on the last previous working day.

5) Part time employees' salaries will be prorated based on the number of days employed.

6)

An employee who elects a deferred retirement benefit shall not be eligible for the retirement payment.

2) Notice of intention to claim the benefits provided herein must be made in writing to the Board on or before November 1st prior to the year in which the retirement becomes effective. In the event an employee fails to give notice by November 1st for the reason that such employee has not at that time determined to retire, but subsequently, due to some unforeseen reason such employee is compelled to retire, the employee shall give notice of the condition causing the retirement as soon as possible. In the event such employee demonstrates valid reason to waive the November 1st notice date, he or she will receive the benefit provided for. The Board, however, may defer payment of all or part of the benefit to the year following the retirement.

ARTICLE VII

4) Criteria for Assignment. In the determination of requests for voluntary reassignment and/or transfer, the wishes of the individual teacher shall be honored to the extent that the transfer does not conflict with the instructional requirements and best interests of the school system.

B.

1) Notice of an involuntary transfer or reassignment shall be given to teachers as soon as practicable, but not later than two weeks prior to the opening of school except in cases of emergency.

2) An involuntary transfer or reassignment shall be made only after a meeting between the teacher involved and the Superintendent, at which time the teacher shall be notified of the reason therefor.

All applicants will be notified of the decision. Home teaching openings shall be posted as they occur. In the event a position occurs that would result in a change of title, released time from classroom duties, or added compensation, each teacher will be informed as soon as is practicable. The position title, duties, rate of compensation, and date before which reply must be made, will also be made known at that time.

ARTICLE IX

TEACHER EVALUATIONS AND OBSERVATIONS

A. Method of Data Collection

- 1) Observation
- 2) Analysis of Anecdotal Records
- 3) Review of Personnel File
- 4) Measures of Student Progress
- 5) Review of Professional Planning

B. Observation Procedure

1) The teaching staff member being evaluated should be a partner in the evaluation process. In order to foster the development of mutual trust, confidence and respect that is essential for the purposes of evaluation to be realized, the evaluator and the teaching staff member shall meet for a pre-observation conference prior to the outset of the first observation. At this conference, the evaluator will provide and discuss with the teaching staff member a written statement of (1) the observation procedure, (2) the evaluative criteria, and (3) the data collection methods to be followed in evaluating his/her performance.

2) All non-tenured teaching staff members will be observed a minimum of three (3) times in each school year, but not less than once during each semester. All tenured teaching staff members will be observed at least once a year. For non-tenured teachers, the first observation shall occur no later than February 1 and a second observation no later than April 15; provided further, that in the first year of a teacher's employment all three observations shall be completed prior to April 30. For tenured teachers, the observation shall occur no later than April 15. Electronic devices may be used to facilitate data collection with the consent of the teaching staff member.

4) Before any observation report is finalized, submitted to the Central Administration, or placed in the personnel file, such report should be discussed at a post-observation conference with the teaching staff member and the observer. At least one (1) day prior to the post-observation

conference the teaching staff member shall be given a copy of the written report of his/her performance. The teaching staff member shall have the right to submit a written response to any material included in the report within fifteen (15) days of the post conference. 5) Observation reports will be addressed to the teaching staff member with copies forwarded to the Superintendent of Schools and kept by the observing administrator. Every observation report shall be signed by both the observer and the teaching staff member observed. The teaching staff member's signature, however, shall not be interpreted as an assent to the contents signed. In no event shall anyone be asked to sign an incomplete observation report. Public disclosure of the contents of the observation or of the response comments, if any, shall be governed by relevant statute, rule and policy.

C. Evaluation Procedure

1) The evaluator shall synthesize the results of the observation(s) and any other applicable performance data in an annual written evaluation or annual written performance report in accordance with the provisions of N.J.A.C. 6:3-4.1 or 4.3, or any successor regulation.

2) Prior to filing the annual written evaluation or performance report, the evaluator shall hold an annual summary conference with the teaching staff member. The conference shall include a review of the items specified in either N.J.A.C. 6:3-4.1 (applicable to non-tenured teachers) or 4.3 (for tenured teachers).

6) On or before March 1, a teacher granted leave under this provision shall indicate to the Board of Education in writing his/her intention to return to teaching the following September. \$26.58 per hour for each enrichment course taught, to a maximum stipend of \$132.90.
