The Authority hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred and vested in it prior to the signing of this Agreement by the laws and Constitutions of the State of New Jersey and of the United States; including, but without limiting the generality of the foregoing, the following rights:
1. All management functions and responsibilities which the Authority has not expressly modified or restricted by specific provision of this Agreement.
 2. The right to establish and administer policies and procedures related to personnel matters, Authority control activities, training, operational functions, performance of services and maintenance of the facilities and equipment of the Authority.
 3. To reprimand, suspend, discharge or otherwise discipline employees.

4. To hire, promote, transfer, assign, reassign, lay-off, and recall employees to work.
5. To determine the number of employees and the duties to be performed.
6. To maintain the efficiency of employees; to establish, expand, reduce, alter, combine, consolidate, or abolish any job or job classification, department or operation or service.
7. To determine staffing patterns and areas worked, to control and regulate the use of facilities, supplies, equipment, materials and any other property of the Authority.
8. To determine the number, location and operation of divisions, departments, work sections, and all other work units of the Authority, the assignment of work, the qualifications required, the performance standards and the size and composition of the work force.
9. To subcontract for any existing or future services as

determined necessary by the Authority.

10. To make or change Authority rules, regulations, policies, and practices consistent with the specific terms and provisions of this Agreement.
 11. And otherwise to generally manage the affairs of the Authority, attain and maintain full operating efficiency and productivity and to direct the work force.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Authority shall only be limited by the express language of this agreement.
- C. In recognition of the rulings of the Courts of New Jersey the parties recognize that the exercise of managerial rights is a responsibility of the Authority on behalf of the taxpayers and that the Authority cannot bargain away or eliminate any of its managerial rights. Therefore, no grievance may be filed under this Agreement which in any way interferes with, undermines or restricts the exercise of any managerial right by the Authority or any of its authorized managerial executives or supervisory

personnel.

- D. The failure to exercise any of the foregoing rights, or any right deemed to be a management right by tradition, by agreement, by mutual acceptance, or by practice, shall not be deemed to be a waiver thereof; all management rights ever granted or exercised heretofore are specifically incorporated herein. Any act taken by the Authority not specifically prohibited by this Agreement shall be deemed a management right, and shall be considered such as if fully set forth herein.

ARTICLE 3

NO STRIKE PLEDGE

- A. It is recognized that the need for continued and uninterrupted operation of the Authority's departments is of paramount importance to the citizens of the community and that there should be no interference with such operations.

- B. The Union covenants and agrees that during the term of this Agreement neither the Union nor any members of the Union, nor any member of the bargaining unit, nor any person acting in its behalf will cause, authorize or support nor will any of its members take part in any strike (i.e. the concerned failure to report for duty or willful absence of any employee from his/her position or stoppage of work or abstinence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other job action against the Authority.

- C. The Union agrees that it will do everything in its power to actively discourage any strike, work stoppage, slowdown or other activity aforementioned, including, but not limited to publicly

disavowing such action, and directing all such members who participate in such activities to cease and desist from such activities immediately and to return to work along with such other steps as may be necessary under the circumstances, and to bring about compliance with its order. The Union agrees that it will undertake any necessary actions at its own expense to terminate any of the above activity on the part of its members of the bargaining unit.

- D. Any activity enumerated above on the part of a Union member or member of this bargaining unit will be deemed as appropriate grounds for the termination of employment from the Authority.
- E. Nothing contained in this Agreement shall be construed to limit or restrict the Authority in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for an injunction or damages, or both, in the event of such breach by the Union or any of its members.
- F. In the event of activity aforementioned, the Authority shall cease making deductions under the "dues deductions" clause herein.

ARTICLE 4

DUES CHECK-OFF

- A. The Authority agrees to deduct from the salaries of its employees covered by this Agreement dues which said employees individually and voluntarily authorize the Authority to deduct. All such deductions will be made in compliance with applicable law.

- B. If, during the life of this Agreement, there should be any change in the rate of membership dues, the Union shall furnish to the Authority written notice ninety (90) days prior to the effective date of such change.

- C. The Union will provide the necessary "check-off authorization" form and will secure the signatures of its members on the forms and deliver the signed forms to the Authority. The Union shall indemnify, defend and save the Authority harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Authority in reliance upon the salary deduction authorization forms submitted by the Union to the Authority. It is specifically

agreed that the Authority assumes no obligation, financial or otherwise, arising out of the provisions of this Article. Once the funds are remitted to the Union, their disposition shall be the sole and exclusive obligation and responsibility of the Union.

- D. Payroll deductions of Union dues under the properly executed authorization for payroll deduction of Union dues form, shall become effective on the month following the time the form is signed by the employee, and shall be deducted and paid to the Union at least once each month.

- E. The Authority shall be relieved from making such "check-off" deductions upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) layoff from work, or (d) leave of absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law. Notwithstanding the foregoing, upon the return of an employee to work from any of the foregoing enumerated absences, the Authority will resume the obligation of making said deductions in accordance with Paragraph D hereof.

F. The Authority shall not be obliged to make dues deductions of any kind from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deductions.

ARTICLE 5

AGENCY FEE

- A. If a bargaining unit employee does not become a member of the Union during any calendar year which is covered in whole or in part by the Agreement, said employee will be required to pay a representation fee to the Union for that year. The purpose of this fee will be to offset the employee's per capita cost of service rendered by the Union as majority representative.
- B. Prior to the beginning of each calendar year, the Union will notify the Authority in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that calendar year. The representation fee to be paid by nonmembers will be equal to 85% of that amount. The Union shall indemnify, defend and save the Authority harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Authority in reliance upon the salary deduction of those on the agency fee list for these representation fees. It is specifically agreed that the Authority assumes no obligation, financial or otherwise, arising

out of the provisions of this article. Once the funds are remitted to the Union, their disposition shall be the sole and exclusive obligation and responsibility of the Union.

- C. 1. Once during each calendar year covered in whole or in part by this Agreement, the Union will submit to the Authority a list of those employees who have not become members of the Union for the then current membership year. The Authority will deduct from the salaries of such employees, in accordance with Paragraph C.2, below, the full amount of the representation fee and will transmit the amount so deducted to the Union.
2. The Authority will deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:
- a. Within thirty (30) days after receipt of the aforesaid list by the Authority; or
 - b. Thirty (30) days after the employee begins his/her employment in a bargaining unit position, unless the

employee previously served in a bargaining unit position and continued in the employ of the Authority in a nonbargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 30 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.
4. The Union will notify the Authority in writing of any changes in the list provided for in Paragraph 1, above, and/or reflected in any deductions made more than thirty (30) days after the Authority received said notice.
5. The Union agrees that it has established and shall maintain at all times a demand and return system as provided by N.J.S.A. 34:14-5(c) and 5.6, and membership in the Union

shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system or if membership is not so available, the Authority shall immediately cease making said deductions.

6. The Union shall make a copy of its Demand and Return System together with any revisions thereto available to the Authority prior to the institution of this Article.
-
- D. The Authority shall be relieved from making such representation fee deductions upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) layoff from work, or (d) leave of absence, or (e) revocation of the Union's agency fee list in accordance with its terms or with applicable law. Notwithstanding the foregoing upon the return of an employee to work from any of the foregoing enumerated absences, the Authority will resume the obligation of making said deductions in accordance with Paragraph C.2.
 - E. The Authority shall not be obliged to make Agency Fee deductions of any kind from any employee who, during any dues month

involved, shall have failed to receive sufficient wages to equal the deduction.

ARTICLE 6

GRIEVANCE PROCEDURE

A. DEFINITION

1. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the express terms of this Agreement, or policies or administrative decisions which affect terms and conditions of employment, and may be raised by an individual unit employee, a group of unit employees, or the Union on behalf of an individual unit employee or a group of individual unit employees.

B. PURPOSE

The purpose of this grievance procedure is to secure a solution to grievances as herein defined. The parties agree that grievances should be resolved at the lowest possible administrative level. Therefore, no grievance shall by-pass any step of the grievance procedure except as expressly provided herein and any failure to prosecute a grievance within the time periods provided shall constitute an absolute bar to relief and shall stop the grievant from prosecuting his/her grievance in any forum thereafter. However, time limits specified may be

extended in writing by mutual agreement. This grievance procedure constitutes the sole and exclusive methods for raising and disposing of controversies within the definition of the term.

C. PROCEDURE: STEP ONE

The aggrieved shall institute action in writing, under the provisions hereof, within seven (7) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and his/her next immediate superior who is not in any O.P.E.I.U. bargaining unit, for the purposes of resolving the matter informally. Failure to act within seven (7) calendar days shall be deemed to constitute an abandonment of the grievance. The immediate superior shall render a decision, in writing, within seven (7) calendar days after receipt of the grievance. The written grievance must identify the grievant by name(s) and be signed by him/her (them) and the Union. It must set forth a statement of the facts constituting the grievance, the approximate time and place of occurrence of the facts leading to the grievance, the names of all Employer representatives whose action or failure to act forms the basis of the grievance, the names of all witnesses the grievant

intends to present, and the specific contract provision(s), if any, forming the basis of the grievance, and must set forth the remedy sought by the grievant. Any written grievance failing to comport with the foregoing requirements shall be null and void, need not be processed by the Employer and shall constitute an abandonment of the grievance. The matters identified in the written grievance shall not be expanded upon subsequent to its filing.

STEP TWO

In the event that the grievance is not resolved to the satisfaction of the aggrieved at Step One above, the grievance may be filed in writing with the Division Director or his/her designee, if appropriate within seven (7) calendar days. The Division Director, or his/her designee, shall have seven (7) calendar days to respond to the grievance. If it is not appropriate to file at this level with the Division Director, the grievance should be filed in accordance with Step Three instead.

STEP THREE

In the event that the grievance is not resolved to the

satisfaction of the Union at Step Two above, the grievance may be filed in writing with the Director of Administration and Finance, or the Authority's designee, within seven (7) calendar days. The Director of Administration and Finance, or the Authority's designee, shall have seven (7) calendar days to respond to the grievance.

STEP FOUR

If the grievance is not resolved to the satisfaction of the Union at Step Three above, the Union shall, within seven (7) calendar days after the response from the Director of Administration and Finance, or the Authority's designee, submit the grievance to the Executive Director of the Authority, or his/her designee. The Executive Director, or his/her designee, shall hold a hearing on such grievance within fourteen (14) calendar days after submission, and shall have fourteen (14) calendar days thereafter to render his/her decision.

STEP FIVE (A)

With respect only to those grievances not involving the express terms of this Agreement, and in lieu of Step Five (B), if the grievance is not resolved to the satisfaction of the Union at

Step Four above, the Union shall within fourteen (14) calendar days after the response from the Executive Director, or his/her designee, submit the grievance to the Authority Commissioners. The Authority Commissioners may hold a hearing on such grievance within thirty (30) days and shall render a decision within fourteen (14) calendar days from the close of the hearing. If more time is needed, the Union shall be notified. The decision of the Authority Commissioners shall be final and binding upon the parties.

STEP FIVE (B)

- (1) With respect only to those grievances involving the express terms of this Agreement, and in lieu of Step Five (A), and in the event the grievance is not resolved to the Union's satisfaction at Step Four, or in the event the Executive Director has not served a timely written response at Step Four, then within fourteen (14) calendar days after the response date set forth in Step Four, the Union may notify the Executive Director in writing of the Union's intention to submit the grievance to binding arbitration, and shall request the Executive Director to join in the request for arbitration.

(2) Within seven (7) calendar days after receipt of the Union's notice and request as aforesaid, the Executive Director shall serve upon the Union written determination respecting such request. The Executive Director shall join in the submission to arbitration if he/she determines that the grievance: relates solely to a controversy involving the express terms of this Agreement; was timely filed and timely processed through the applicable internal steps of this grievance procedure; relates solely to subject matter(s) within the required scope of negotiations as determined by the Public Employment Relations Commission and the Courts; and by way of remedy does not seek a result inconsistent with statute, administrative regulation or decisional law, inconsistent with the Authority's management prerogatives set forth generally and specifically in the Management Rights Article of this Agreement, or which would significantly interfere with such management prerogatives.

(3) In the event the Executive Director determines to join the submission to binding arbitration, or in the event the Executive Director has not served a timely written

determination, then within seven (7) calendar days after the determination date set forth in Paragraph (2) above, the Union may invoke binding arbitration by submitting a written request therefor to the New Jersey State Board of Mediation, with a copy of such request to the Executive Director. Thereafter, binding arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the New Jersey State Board of Mediation, except as they may be expressly altered or modified herein.

- (4) The arbitrator shall be required to deliver to the parties a written award, coupled with a written opinion setting forth detailed reasons, findings of fact, and conclusions of law utilized in making his/her award, by no later than thirty (30) days from the date of closing the hearings, or if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The arbitrator expressly has no authority to modify, add to, subtract from, or in any way whatsoever alter the provisions of this Agreement, and shall be expressly bound by the considerations set forth in

Paragraph (2) above, notwithstanding any positions expressed thereon by the Executive Director, or his/her failure to respond with respect thereto.

- (5) Grievance and arbitration meetings and hearings shall be held at mutually acceptable times and places. The individual grievant shall have at his/her request a representative from the Union to assist in the resolution of the grievance at such meetings and hearings. Requests for such representatives and any witnesses shall be made to the appropriate Division Director or his/her designee, in writing by no later than three (3) days prior to the date of any meeting or hearing, and meeting or hearing dates shall be scheduled considering the availability of all parties and witnesses and the needs of the Authority.
- (6) Costs of the arbitrator shall be split between the parties.
- (7) Additional costs incurred shall be borne by the party incurring same.

ARTICLE 7

FULLY BARGAINED PROVISIONS

- A. The parties agree that they have fully bargained and agreed upon all terms and conditions of employment that were or could have been the subject of negotiations. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were or could have been the subject of negotiations. There shall be no new negotiations on any such matters during the term of this Agreement.

- B. The Authority and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waive all bargaining rights, and each agrees that the other shall not be obligated to bargain or negotiate with respect to any subject or matter referred to or covered in this Agreement, or with respect to any matter or subject not specifically referred to or covered in this Agreement.

- C. This Agreement shall not be modified in whole or in part by the

parties except by an instrument in writing only executed by both parties.

ARTICLE 8

NONDISCRIMINATION

The parties agree that they will comply with all State and Federal statutes regarding discrimination.

ARTICLE 9

EFFECT OF LEGISLATION - SEPARABILITY

It is understood and agreed that all agreements herein are subject to all applicable laws now or hereafter in effect, and to the lawful regulations, rulings and orders of regulatory commissions or agencies having jurisdiction. If any provision of this Agreement is in contravention of the laws or regulations of the United States or of the State of New Jersey, within thirty (30) days of discovery, the Authority and Union shall meet to negotiate new contract language to replace the particular clause(s) which was invalidated by Federal or State legislation. If no action is taken within thirty (30) days, such law or regulation, so long as same is in force and effect, will supersede the existing provision(s). All other provisions of this Agreement shall continue in full force and effect.

ARTICLE 10

PROBATIONARY PERIOD

- A. During the first one hundred eighty (180) days of continuous employment, an employee shall be considered a probationary employee, and the Authority may terminate his/her employment within that time without challenge, by either the employee or the Union, and without resort to any grievance procedures or any other hearing procedure.

- B. The Authority retains the sole right to establish a hiring rate.

- C. During the probationary period, the new employee will not accumulate or be able to use the following:
 - 1. Sick Time
 - 2. Vacation Leave
 - 3. Personal Time
 - 4. Medical Bank
 - 5. Promotions/Transfers

After a successful completion of the probation, the employee will begin to accumulate and be able to use the above benefits

as set forth by contract and/or Authority policy.

D. State benefits are not affected by this Article.

E. Seniority will begin on date of hire.

ARTICLE 11

LEAVE OF ABSENCE

- A. An official leave of absence may be granted by Resolution of the Authority.

- B. At the discretion of the Division Director and with the approval of the Executive Director and the Authority's Committee on Administration, any employee may be granted a leave of absence without pay.

- C. An employee on leave of absence without pay, except military leave, does not accrue annual leave, sick leave benefits, or any other benefits, with the exception of membership in the health benefit plan, which shall continue, and membership in the retirement system, which may be continued by forwarding a copy of the Authority's Resolution authorizing the leave of absence. However, no payments will be made by the Authority to the pension system during this leave of absence. The Authority will make available to an employee on leave necessary information to continue health coverage on his/her own.

- D. A leave of absence shall not exceed three (3) months in length, after which it may be reconsidered, and any requested extension shall either be granted or denied. In the case of leave for disability purposes, the original leave shall not exceed six (6) months. During such periods of disability leave, the Authority shall have the right to replace the employee on leave with a temporary employee for the duration of the leave.
- E. Employees are required to notify the Authority of the anticipated date of return, as soon as such date is known to the employee. Failure to return on such date without notice shall be considered a voluntary resignation.
- F. The Authority shall have the sole discretion in matters of leaves of absence and each decision made shall be on its own merits. In no event shall the decision whether or not to grant a leave be precedential as to any other decision regarding a leave.
- G. An employee on authorized leave of absence shall retain seniority for "length of service" purposes.

ARTICLE 12

UNION VISITATION RIGHTS

An officer or duly accredited representative of the Union may be permitted to visit the premises only after prior authorization from the Executive Director or his/her designee. Such visitation shall not interfere with the conduct of the Employer's business or with the duties of any of its employees.

ARTICLE 13

UNION BUSINESS

- A. The Employer's sole responsibility in the administration of all Union matters shall be with the Shop Steward. Wherever notice is required to the Union, and whenever official dealings with the Union are required, the Shop Steward shall be the designated representative of the Union for such matters which take place at the work place.

- B. Grievances are to be discussed by Shop Stewards on their own time only. In accordance with Paragraphs C and D, below, however, the Shop Steward shall be given an opportunity to engage in the adjustment of the grievances as provided for under the Grievance Procedure herein with the Employer's representatives, in those instances where the Authority deems it necessary that such discussions be held during the work day.

- C. The Shop Steward shall not leave his/her job without the permission of his/her Supervisor, and shall not contact another employee on Union business without prior permission of that employee's Supervisor and his/her own.

- D. Under no conditions shall the Shop Steward interfere with the performance of the work of others.
- E. The Authority shall supply and maintain an enclosed bulletin board specifically marked for Union notices, upon which the Union may post notices of Union meetings and activities. Only official notices may be posted which must be signed by a Union Official or Shop Steward.
- F. The Authority reserves the right to remove other postings or matters which it considers inflammatory or in poor taste.
- G. A total of twelve (12) aggregate days off from work for each contract year without pay will be granted to Shop Stewards of the Union for union business. This time shall not be accumulative. No one (1) Shop Steward may have more than four (4) unpaid days off from work under this article. Such leave shall include time off for Union meetings, conventions, and other Union functions. Such time off shall include time for negotiation sessions, mediation and fact finding sessions. The employee requesting such leave must submit a written request for said leave at least one week in advance of the commencement

of his/her leave. The leave shall not impede the Authority's operation and will only be granted with the Authority's permission.

ARTICLE 14

JURY DUTY

- A. Employees called for jury duty shall be granted leave with straight-time pay less any compensation (excluding travel expenses) they may receive for attending said Court proceeding for a maximum of two (2) weeks.

- B. If an employee is required to remain on jury duty for longer than the two (2) week period, then upon submission of a letter from the Judge presiding over the case expressing such requirement, the Authority shall grant up to one (1) additional week's leave.

- C. If employees are required to serve on jury duty, such employees shall be required to notify their immediate superiors in advance and report for their regularly assigned work on the calendar day immediately following their final discharge from jury duty. If discharged from jury duty more than three (3) hours prior to the end of a work day, employees shall report for work for the remainder of the work day.

- D. This Article applies to day shift employees only; however,

employees on the midnight shift who are required to serve on jury duty will be excused two (2) hours early with no loss of pay, and employees on the afternoon shift who are required to serve on jury duty may start their shift two (2) hours late with no loss in pay.

- E. For the purpose of this article, jury duty will include legal subpoena(s) which are served upon the employee which arise out of a third party action. No time will be granted under this article for subpoenas which are caused by the employee's action upon himself/herself, or against anyone else by the employee.
- F. The Authority reserves the right to reschedule any employee on jury duty to other shifts and/or weekends.

ARTICLE 15

JOB POSTING

- A. Notice of bargaining unit vacancies covered by this Agreement shall be posted on the bulletin boards with a copy submitted to the Shop Steward of the Union. Employees applying for such vacancies shall make a request in writing through their immediate supervisors to the Director of Administration.

- B. Employees covered by this Agreement shall be given priority in applying for job openings covered under this Agreement, provided that such employees are, in the discretion of the Authority, qualified and have satisfactory job performance.

- C. If two (2) or more qualified employees apply for such position or promotion, seniority will be considered along with qualifications in determining which employee shall be selected to fill the position before any new employee is hired. The Authority reserves the right to select the most qualified candidate to fill the position.

- D. Applicants may apply for positions only during the posting

period.

- E. In the event a candidate is out on authorized leave, the Shop Steward may apply for a position on his/her behalf; however, the candidate must reapply within two (2) days of his/her return to work. Failure to do so shall invalidate the application.

- F. If an employee who has applied for a job opening requests to know whether he/she has been given the job, the Authority will provide such information.

ARTICLE 16

SENIORITY

- A. It is hereby agreed that the parties hereto recognize and accept the principle of seniority in all cases of layoffs and recalls. In all cases, however, ability to perform the work in a satisfactory manner and qualifications will be a factor in designating the employee to be affected.

- B. The seniority of an employee is defined as the length of continuous uninterrupted service as an Authority employee dating back to the original date of hire.

- C. The parties hereto shall recognize the principle of Authority-wide seniority as follows:
 - 1.
