The negotiated Agreement shall apply only under conditions when members of the bargaining unit are engaged in the pursuit of their statutory duties, rules, regulations, policies and procedures of the Police Department in the service of the Employer.

It is further agreed that, implicit in the relationship between the Employer and the Association, no employee or applicant shall be discriminated against regardless of such individual's race, color, religion, sex, age or national origin in conformance with existing laws.
ARTICLE II

HOURS OF WORK

The normal work week shall commence at 12:01 A.M. on Monday and end at 12:00 Midnight the following Sunday.

Regular hours of work shall consist of forty (40) hours within this work week with the specific work schedule for each officer to be determined by the Chief of Police, or his designated representative.

The schedule shall be posted for the information of all officers at least two (2) weeks in advance. This posted schedule however, shall not prevent the Chief of Police or his appointed representative from making revisions in the schedule for reasons such as illness, accident, or other unexpected events which might require a modification of the schedule after posting.
ARTICLE III

OVERTIME

Section 1

The nature of police work is such that incidental overtime is required to close out reports or complete job assignments that are considered an integral part of police work. No extra compensation or compensating time off will be granted for the extra time worked in connection with these activities.

Section 2

On certain occasions officers may be required to work overtime. The following rules will apply:

A. Incidental overtime required to close out a scheduled tour of duty; compensation will be at time and one-half for all hours worked in excess of scheduled tour of duty.

B. Scheduled overtime will be compensated at the time and one-half rate for all hours assigned to be worked and worked. Scheduled overtime is extra work scheduled in advance.

C. Municipal Court Appearances: No extra compensation shall be paid to an officer performing municipal court duty while on a scheduled tour of duty.

Section 3

It is the intent of the Employer that community relations, teaching or assignments of a similar nature shall be handled, whenever possible, by superior officers of the Department; provided, however, that if this is not practical at any given time, an officer covered by this Agreement may be assigned to such duty. If such assignment is performed during the officer's scheduled tour of duty, no additional compensation shall be paid nor compensatory time off granted. If such assignment is performed outside the officer's scheduled tour of duty, he shall be compensated in the same manner and at the same rates that apply to other scheduled overtime as specified in this Article.

Section 4 - EMERGENCY RESPONSE CALL-OUT PROVISION.

In the event of a natural, civil or technological emergency or disaster occurring within the Township and requiring the presence of additional personnel, or in the event of a mutual aid call from a neighboring municipality requiring the response of additional
Hanover Township police officers, the Chief of Police or his designee is empowered to call in such police officers who are available for non-scheduled emergency duty.

Those officers reporting for emergency service shall be paid at the regular overtime rate for all such hours worked but not less than three hours.

For purposes of this provision, emergencies or disasters are defined as unforeseeable and unexpected conditions which effect the health, safety and welfare of the residents of Hanover Township and the public at large. Examples of emergencies or disasters requiring the call-out of additional police officers shall include but are not limited to the following: severe thunderstorms, hurricanes, snow and ice storms, floods, tornados, earthquakes, hazardous materials incidents, fires, explosions, vehicular or transportation accidents, aircraft related incidents, power failures, radiological incidents, civil disturbances, water supply failures, gas leaks and nuclear attack.

Section 5 - PRE-TOUR OF DUTY CALL-OUT.

Upon reporting for a scheduled tour of duty, but prior to the actual start of the tour, if a patrolman is directed by a Squad Sergeant and/or another superior officer to respond to an assignment, the responding officer shall be entitled to receive compensation.

The compensation shall be in the form of one-half hour increment payments and calculated at the overtime rate. If such assignment continues within the police officer's scheduled tour of duty, no additional compensation shall be paid or compensatory time off granted.

For purposes of this provision, an assignment is defined as a call received either in person or by telephone at Police Headquarters requiring the assistance of the Hanover Township Police Department. Examples of assignments include but are not limited to the following incidents: domestic-disputes, vehicular accidents, assaults, fires, car thefts, burglaries, shoplifting.

Section 6

Compensation for all overtime shall be authorized by the Chief of Police or his designated representative.
ARTICLE IV

GRIEVANCE PROCEDURE

Section 1

It is the intention of the parties to amicably and peacefully resolve all controversies without the need for the strife which attends controversies between employers and employees. Towards that end, the Association agrees not to engage in any strike or job action. In consideration thereof, the parties to this Agreement further agree that, in order to preserve harmony and insure the peaceful and rational resolution of differences, they will utilize the following grievance and arbitration procedure.

Section 2

A grievance shall be defined as a difference of opinion, controversy or dispute arising between the Association or any of its members and the Employer relating to any matter concerning wages, hours or working conditions which involves the interpretation or application of any provision under this Agreement.

Section 3

The grievance shall be processed as follows:

STEP 1.

The officer and/or the Association shall be entitled to make a verbal complaint under this procedure within five (5) working days of the alleged complaint or infraction of the Agreement, or within five (5) working days in which such incident or infraction became known to the grievant. The grievance shall be presented verbally to a senior officer below the Chief of Police, who will discuss the matter with the officer and/or the Association representative at the earliest possible time. Every attempt shall be made by both parties to resolve the complaint or dispute at this level. If the dispute cannot be resolved satisfactorily at this level within ten (10) calendar days, then
STEP 2.

The officer and/or the Association representative shall present the grievance, in writing, stating in detail the nature of the complaint and the section of the Agreement allegedly violated and the relief sought. Such written grievance shall be presented to the Chief of Police only during normal office hours, that is, those hours when the Chief's office is usually open and then no later than five (5) working days after the discussion has been concluded at Step 1. For the purpose of this provision, working days shall be defined as only those days when the Chief's office is open.

If a grievance is not filed in writing within twenty (20) days after the grievant knew or should have known of its occurrence, then in that event, the grievance shall be determined to be abandoned by the grievant and he is precluded from processing the grievance through the grievance procedure under the collective negotiations agreement.

The Chief of Police shall review the grievance with the officer and/or the Association representative within two (2) working days of the receipt of the written grievance. If a mutually satisfactory settlement is not reached, he shall then reply to the written grievance within three (3) working days after the conclusion of discussion at this step. If the grievance is denied at this step, the officer and/or the Association representative may request the Chief of Police to forward the written grievance and his reply to the Township Committee.

STEP 3.

If such request is made, the Chief of Police shall forward the written grievance to the Township Committee. The Township Committee shall review such grievance with the officer and/or the Association representative. If a mutually satisfactory settlement is not reached, the Township Committee shall reply in writing within thirty (30) days of the receipt of the grievance.

STEP 4.

If the Association is dissatisfied with the decision of the Township Committee, the grievance in dispute shall be submitted to arbitration. It is understood that the right to arbitrate a grievance shall not infringe on any statutory or regulatory obligations of individual officers or place an unreasonable burden on the operation of the Police Department. Only the Employer or the Association shall have the right to submit a grievance to arbitration.

The request for arbitration shall be submitted in writing not more than thirty (30) days after the receipt of the Township Committee's reply.
In following the foregoing procedure, if extenuating circumstances arise for either party, the prescribed time limits specified above may be extended by mutual agreement of the parties.

The selection of an arbitrator shall be made from a mutually agreed panel of not more than five (5) or less than three (3) qualified arbitrators. This panel shall be selected by the Employer and the Association from a list of ten (10) names of qualified arbitrators obtained from the New Jersey Public Employment Relations Commission. Whenever feasible, arbitration shall be conducted by selected arbitrators on a rotating basis.

At the request of either party, a three-man panel of arbitrators may be used to be made up of one member selected by the Employer, one member selected by the Association and the third neutral member from the panel already named.

The power of the arbitrator or panel of arbitrators shall be strictly limited to rendering a decision as to the interpretation and/or application of any provision of this Agreement concerning wages, hours, or working conditions within the context of a grievance as defined in Section 2 of Article IV herein. The arbitrator or panel of arbitrators shall be limited to his or its review to the issue or issues submitted for arbitration by the parties to this Agreement and shall be without power or authority to make any decision:

1. Contrary to, inconsistent with, or modifying, varying, changing, altering, deleting or adding to in any way, the terms of this Agreement or of applicable law or rules and regulations that have the force and effect of law, including (but not by way of limitation), the Employer-Employee Relations Act, N.J.S.A. 34:13A-1, et seq.;

2. Involving Employer discretion or Employer policy under the provisions of this Agreement, under Employer by-laws, or under applicable law;

3. Limiting or interfering in any way with the powers, duties and responsibilities of the Employer under its by-laws, applicable law, and rules and regulations having the force and effect of law;

4. Involving a question of negotiability or any question of unfair labor practice.

The P.B.A. is permitted to have a representative meet with the grievant and management at each step of the grievance procedure. Representative as defined herein includes counsel.

The decision rendered by the arbitrator or majority of the three-man panel, if used, in accordance with this procedure shall be final and binding on both parties.

The cost of the neutral arbitrator shall be borne equally by each of the contracting parties. All other expenses shall be borne by the parties themselves.
ARTICLE V

VACATIONS

For the purpose of this Article, a year shall be considered as the calendar year commencing January 1 and ending December 31. I. Vacations shall be taken during the calendar year and will not be considered cumulative.' If for valid reasons this cannot be done, at the request of the employee this requirement may be waived for a period of up to thirty (30) days after January 1 of the following calendar year by the Administrator on the recommendation of the Chief of Police. For any vacation granted under this waiver, the rate of vacation pay shall be the same as that prevailing during the calendar year the vacation was due.
In the event the Employer requests the officer to postpone his vacation from one calendar year to the next, vacation pay, when granted, shall be at the rate in effect at the time the officer's vacation is taken.

J. The selection of the vacation period for individual officers shall be based on a procedure to be determined by a committee consisting of the Chief of Police and/or his designated representative(s) and not more than three (3) members of the Association. In determining this procedure, the Chief of Police and/or his designated representative(s) shall have a vote equal to that of the Association, regardless of the number of Association representatives involved.

In the event of an impasse in determining the procedure, the Township Committee shall make the final decision. Such procedure shall be binding on all members of the bargaining unit. The procedure may be revised at any time by mutual agreement of the parties.

K. For the purpose of vacations, credited service is counted from the date of engagement. Officers who are re-engaged by the Employer will have all and prior service accumulated and credited after they have been employed continuously for a period of five (5) years. The Chief of Police will then determine and establish a new engagement date in order to determine the net credited service for vacation eligibility.

L. Officers whose period of vacation is increased in the course of a calendar year upon completion of a specified period of service listed above shall receive upon the completion of the required period of service the additional vacation to which they shall be entitled. The period when this additional vacation is taken shall depend on the conditions specified under the terms of this Article.

M. **Termination of Service: Proration.**

1. Whenever during the calendar year an employee shall resign, retire or be dismissed from the service of the Township, any vacation time shall be prorated and taken prior to severance from the service of the Township.

2. If during the calendar year an employee should resign, retire or be dismissed from the service of the Township and based upon certification of the appropriate department head all of his/her vacation time has been taken, it shall be the responsibility of that individual to reimburse the Township for vacation time taken but not yet earned or accrued. The Treasurer shall then be empowered to garnish the final paycheck of any employee in order to compensate
the Township to take whatever other appropriate action may be necessary to recover any monies due the Township.

3. It shall be the responsibility of the Township Administrator to calculate the amount of prorated vacation time which may be taken by any employee who is voluntarily or involuntarily severed from the service of the Township.

N. Notwithstanding the provisions of Section M herein, as an incentive to those Township police officers retiring pursuant to a regular service retirement under the terms prescribed by the Police and Firemen's Retirement System with twenty-five (25) or more years of service, the Township will not prorate the vacation days in the last year of service in recognition of that officer's meritorious service. B. In accordance with the job performance evaluation procedures set forth below, the Township Committee reserves the right to discipline personnel according to State law.

C. All personnel assigned the responsibility of evaluating other employees shall be required to make monthly notations of performance. It shall be the responsibility of the supervising officer to conduct the employee job performance evaluation. In the event of an unsatisfactory performance rating, it shall be the responsibility of the supervising officer to notify the Chief of Police of his/her determination.

E. Upon the submission of an unsatisfactory employee job performance evaluation, the respective supervising officer shall submit his/her findings to the Chief of Police. Upon review by the Chief of Police, and finding the
submitted evaluation of the employee to be unsatisfactory; remedial action as defined in Section 8 of this Article, will be implemented.

C. An employee hired at Step 1 or above does not receive an increment for a one-year period until the anniversary date is reached. Said employee is subject to an annual employee job performance evaluation, which evaluation shall be administered by the supervising officer at least twenty (20) working days prior to the anniversary date. Should the employee receive an unsatisfactory job performance evaluation it shall be the responsibility of the supervisory officer to report his/her findings to the Chief of Police. This list shall be prepared in the last quarter of the prior year and no later than November 30.
B. Based on the listing of the Chief of Police, supervising officers with employees who are classified at the maximum step shall administer an employee job performance evaluation immediately and no later than December 15 in the year prior to the effective date of any new salary ordinance. If an employee at the maximum step receives an unsatisfactory job performance evaluation, the respective supervising officer shall submit his/her findings to the Chief of Police. Upon review by the Chief of Police, and finding the submitted evaluation of the employee to be unsatisfactory, remediation as defined in Section 8 of this Article will be implemented.

Section 5. Procedure for completion of evaluation form

A. Since the employee's job performance evaluation is directly related to an individual's anniversary date, the evaluation process must take place within a structured time frame. It shall be the responsibility of the supervising officer to complete and discuss the evaluation with the employee and, in the case of an unsatisfactory performance evaluation, to report his/her findings to the Chief of Police within twenty (20) working days prior to the anniversary date.

1. The evaluation form to be completed by the supervising officer and entitled "The Township of Hanover Police Department Employee Job Performance Evaluation" is attached hereto and made a part of this Agreement as if set forth in -full- for reference purposes. Please refer to Schedule "D".

2. The Employee Job Performance Evaluation Form shall be completed in the following manner. For each work performance standard or skill set forth on pages 2 and 3 of the Form, the supervising officer shall follow the instructions on page 1. Each standard or skill has been assigned a fixed "relative importance factor", 1, 2 or 3 listed under column "A". The supervising officer will then determine a patrolmen's level of performance for each standard or skill and place a rating number of 1, 2, 3 or 4 beside the standard under column "B". The fixed numerical rating in column "A" will then be multiplied by the rating number in column "B". The end product will then be inserted in column "C" as the weighted evaluation.

The supervising officer will total the fixed relative importance factors under column "A" arid the weighted ratings in column "C" and insert the figures in the appropriate boxes on page 3 at the top of
the Form which is entitled "Overall Ratings". The column "C" total is then to be divided by the column "A" total to obtain performance score.

B. The following definitions constitute the meaning of satisfactory and unsatisfactory performance.

1. Employees who receive an "Outstanding" score between 4.0 to 3.6 or a "Good" score between 3.5 to 2.5 have attained a "Satisfactory" rating. An employee receiving a "Satisfactory" performance rating means that the employee is making every attempt to do his/her best in performing the required job duties and responsibilities and who may also excel in superior performance in meeting or even exceeding the superior officer's expectations...

2. Employees who receive a "Needs Improvement" score between 2.4 to 1.6 or a "Poor" score between 1.5 to 1.0 have attained an "Unsatisfactory" rating. The "Needs Improvement" and "Poor" ratings equate to a level of performance which may be mediocre or consistently below the requirements of the position. Such a rating means that an employee is performing below adequate and minimum standards established by the Chief of Police.

3. The four (4) rating definitions under "Satisfactory" and "Unsatisfactory" are as follows:

   a. Outstanding: Employee's performance consistently exceeds the standard; no shortcomings exist; goals and objectives are always met.

   b. Good: Employee’s performance meets the standard; shortcomings may exist; goals and objectives are usually met.

   c. Needs Improvement: Employee's performance does not always meet the standard; significant shortcomings are evident; goals and objectives are not always met.

   d. Poor: Employee's performance consistently fails to meet the standard; major shortcomings exist; goals and objectives are not met.
C. **Attainment of an "Outstanding" rating:**

As an incentive to achieving an "Outstanding" Job Performance Evaluation, the Township shall grant a "Bonus Compensation Day" to any employee who receives an "Outstanding" rating on his/her annual anniversary date or maximum step Job Performance Evaluation. A "Bonus Compensation Day" is defined as a compensated work day which the employee is entitled to take off, and must be scheduled in advance and, with the prior approval of the Chief of Police or Captain of Police. "Bonus Compensation Days" are limited to one (1) in any calendar year.

Section 6. **Descriptive Evaluation - Supervisor and Employee Comments**

A. Supervising Officer's Comments. Utilizing the space provided on page 3 and 4 of the Employee Job Performance Evaluation Form, the supervising officer shall describe and assess the employee's strengths and weaknesses on the job, and what the employee can do to improve job performance and productivity. The evaluator shall utilize his/her monthly notations on the employee as a tool to complete this section.

B. On page 4 of the Employee Job Performance Evaluation Form, the employee shall have the option of offering written comments.

C. If the employee so desires, he/she should note any disagreement with regard to any of the supervising officer's ratings set forth on pages 2 and 3 of the Form.

D. At the top of page 4 of the Employee Job Performance Evaluation Form, the supervising officer shall complete that portion of the Form entitled "Overall Rating".
Section 7. Employee Review of Advancement Form and Completion of Form
Entitled "Advancement/Non-Advancement Certification Form".

A. After the performance evaluation is completed, the supervising officer shall discuss and review his/her evaluation with the employee. The employee shall be given sufficient time to review the completed form, comment and ask questions.

B. Following an employee/supervising officer conference and after the notation of any written comments, the employee shall have the option of signing and dating the Job Performance Evaluation Form at the bottom of page 4 on the form entitled "Advancement/Non-Advancement Certification Form".
