- 3:2.2 If a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in irreparable harm to the aggrieved, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted before the end of the school year or as soon thereafter as is practicable.

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered by the Board within the time limits specified in Level Three, he may, within five (5) school days after a decision by the Board or the expiration of the applicable time limit for issuance of the Board's decision, whichever is sooner, request in writing that the Chairperson of the PR&R Committee submit the grievance to arbitration. - 11:3.2 **Procedure:** Maternity leave without pay shall be granted by the Board of Education in accordance with the following procedure:
- a. All initial applications for, and applications for extensions or reduction of, maternity leave shall be made in writing to the Superintendent.
 - b. The employee shall request maternity leave of the Superintendent of Schools in writing at least sixty (60) days before the date she wishes her leave to begin. Such written request shall specify the date when the employee wishes her leave to begin and to end.
 - c. The requested date of commencement or termination of the maternity leave may be changed within a semester by the Superintendent if he finds that the grant of a leave for

those dates would substantially interfere with the administration of the school, provided that such change is not contrary to what is medically advisable.

- d. Following the grant of such leave, the employee may request a reduction of maternity leave. Such request shall be in writing to the Superintendent. The Board may grant such proposed reduction. The Board may require the employee to produce a certificate from her physician stating that she is physically able to work effectively at her assigned duties.
- e. The Board may require an employee during her pregnancy to produce certificates from her physician stating that she may continue working effectively at the duty to which she has been assigned.
- f. In the event of any question as to the condition of the pregnant employee, a conference shall be arranged between the Board's physician and the attending physician.
- g. Nothing stated herein is intended to restrict the right of the Board to remove any pregnant employee from her duties if it should determine that her performance has substantially decreased from the time immediately prior to her pregnancy or for any other just cause.
- h. Any employee shall be granted maternity leave for the entire academic school year in which the maternity leave began.
- i. Any employee under tenure or who has received a tenure-year contract shall, upon timely request made in her original application, or by March 1, be granted maternity leave for an additional academic school year. An employee on such maternity leave shall notify the Board in writing by March 1 of the school year proceeding the school year in which she is scheduled to return to active employment of her intention not to return to active employment. Such notification, or failure to begin active employment when due to return, shall be deemed a resignation from the District.
- j. Employees on maternity leave shall not accept full-time employment in any other teaching, secretarial, custodial or maintenance staff position. This does not prevent such employees from accepting employment as *per diem* substitutes in other school districts.
- k. Any employee on maternity leave may place her name on the substitute list and shall receive the substitute's per diem rate for which she is qualified, provided that she produces a certificate from her physician showing that she is physically able to perform such duties.
- l. Subject to any law, an employee may not apply accumulated sick leave to any period of disability arising after a voluntary maternity leave has begun.
- m. Time spent on maternity leaves of absence shall not count toward salary guide placement experience, seniority or sick leave accumulation, etc.

11:3.3 **Adoption Leave:** Any employee may apply for a leave in the case of adoption by such employee of a child four (4) years of age or younger under the same terms as the maternity or child care leave above; except that the sixty (60) day notice in 10:3.2b hereinabove shall be an intent notice, and actual notice shall be presented when the employee has notice of the actual adoption. If the child is more than four (4) years of age, such leave may be granted at the sole discretion of the

Board. Adoption leaves shall begin upon the employee's receiving *de facto* custody of the infant child, or earlier if necessary to fulfill the requirements for the adoption.

11:4 **Child Rearing Leave Procedure**

15.4 There shall be a second half-day (four (4) hours of student instruction) for teachers each year. This half- day shall immediately precede the Christmas break or the Easter break. The decision on when to utilize this half-day shall be made jointly by the Board and the Association prior to the adoption of the school calendar for the year.

ARTICLE 16
TEACHING HOURS AND TEACHING LOAD

- 16:1.1 The total in-school regularly scheduled work day for teachers covered by this Agreement shall consist of a continuous 7 hours. Teachers shall be at the school to begin their in-school regularly scheduled workday at the time assigned by the Administration.
- 16:1.2 Any teacher, who for good and sufficient reason must leave school early, shall secure permission from the building principal. Such permission shall not be unreasonably withheld.
- 16:1.3 Nothing herein contained is intended to restrict the right of the Board to schedule a longer work day for any teacher than provided in 15:1.1, if necessitated by an emergency, natural or caused by riots, acts of violence or act of war, to protect the health and safety of the students.
- 16:2.1 Teachers may leave the building during their scheduled duty-free lunch period, provided they sign in and out. Teachers may leave the building during their preparation periods with the permission of the principal, which permission shall not be unreasonably withheld provided they sign in and out.
- 16:2.2 Certified Staff shall attend no more than 2 afterschool meetings per month when deemed necessary. Said meeting will last no more than twenty-five minutes beyond the certified staff's contracted work time. A schedule of meetings will be given at the start of the school year and any changes must be agreed upon between administration and SREA officers. Agendas of meetings will be given no later than three days before said meetings. When meetings are determined to be unnecessary, staff members will be released at the regular contracted time.
- 16:2.3 An Association representative may speak to the teachers, at any faculty meeting, at the conclusion of the meeting.
- 16:3 The practice of using a regular teacher as a substitute, thereby depriving him of his preparation period, is undesirable and shall be discouraged. In those cases where regular substitutes are not available, regular teachers may be used as substitutes during their non-teaching time. Assigned teachers shall be paid as specified in Schedule B-2. Such coverage shall be arranged by the building principal and shall be distributed as equitably as possible among the teachers in said school.

ARTICLE 17
CLASS SIZE

It is recognized by the Board that pupil-teacher ratio is an important aspect of an effective educational program. The Board agrees to continue its efforts to keep class sizes at an acceptable number as dictated by the financial condition of the district, the building facilities available, the availability of qualified teachers, and the best interests of the district as deemed administratively feasible.

ARTICLE 18
SPECIALISTS

- 18:1 The Board and the Association recognize that competent specialists are desirable in the operation of an effective educational program.
- 18:2 The areas in which specialists are to be used, and the need for such specialists, are recognized as legitimate topics for consideration by the Instructional Council, as constituted in Article 28 of this Agreement.

ARTICLE 19
NON-TEACHING DUTIES

- 19:1.1 The Board and the Association acknowledge that a teacher's primary responsibility is to teach and that his energies should, to the extent possible, be used to this end. Therefore, the Board agrees, within reasonable limits, to provide the necessary services so that teachers will be relieved on non-teaching duties which can be better performed by Professional Assistant or custodial personnel.
- 19:1.2 Teachers shall not be required to drive students to activities, which take place away from the school building. A teacher may do so voluntarily, however, with the advance approval of his principal. In such cases, the teacher shall be compensated at the current IRS rate for the use of his own automobile.
- 19:2 Employees covered by this Agreement shall be reimbursed for use of their own automobiles for school business at the prevailing State rate. The rate will be established July 1 of each year of this Agreement.
- 19:3.1 The Board and the Association agree that extracurricular activities listed in Schedules B-1 and B-2 are educationally worthwhile.
- 19:3.2 So long as there are enough capable volunteers, teacher participation in extracurricular activities, which extend beyond the regularly scheduled in-school day, shall be voluntary. All contracted positions that are held by non-SREA members will be posted each year. Members that apply for positions shall be given consideration for interview for said position.
- 19:3.3 Extracurricular assignments shall be compensated according to the rate of pay in Scheduled B-1 and B-2. If an employee designs and receives Board approval for a non-athletic extracurricular activity, that activity shall function as an unpaid volunteer activity for the first year. After one year the Board shall review the activity and, if the Board wishes to continue the activity, shall establish a stipend to be paid in subsequent years to the advisor.
- 19:3.4 Field trips shall be scheduled and implemented in a manner, which shall be mutually agreed upon by the teachers participating in them. Written permission for field trips shall be obtained from the principal and/or Superintendent.
- 19:3.5 Teachers who are assigned to chaperone extracurricular activities listed in Schedules B-1 and B-2, outside the regular in-school day, shall be paid at the rate approved in Schedule B-2.

ARTICLE 20

- 20:1 When possible and practicable, the Board agrees to hire only certificated teachers holding standard certificates issued by the New Jersey State Board of Examiners for every teaching assignment.
- 20:2 Teachers shall be notified of their contract status and, if known, salary status for the following year no later than April 30.

**ARTICLE 21
TEACHER ASSIGNMENT**

- 21:1 To assure that pupils are taught by teachers working within their areas of competence, teachers shall not be assigned outside the scope of their teacher certificates and/or their major or minor fields of study except in cases of emergency.
- 21:2 “Traveling Teacher” - reasonable effort will be made to arrange schedules of teachers who are assigned to more than one school so that where practicable no such teacher shall be required to engage in an unreasonable amount of inter-school travel. Such teachers shall be notified of any changes in their schedules as soon as possible.
- 21:3.1a The policy of assigning teachers to five (5) teaching periods, one (1) duty period, and two (2) duty-free preparation periods will prevail except as outlined below:

A teacher can be required to work a sixth class teaching assignment. However, should a teacher be required to work this sixth class assignment, said teacher will not be required to assume any additional duties. The extra class will be offered by seniority with senior teachers having the first right of refusal. If a teacher works this sixth class teaching assignment he/she will receive an additional compensation of \$6,720 (2013-14); \$6,855 (2014-15); \$6,990 (2015-16) to their base salary for each year he/she works the additional sixth teaching assignment. The total number of teachers that can be assigned a sixth teaching assignment cannot exceed 25 teachers.

The Association President shall be assigned four (4) teaching periods, one (1) duty-free lunch period and one (1) duty-free preparation period.

- 21.4 There will be a Middle School Advisory program. Advisory utilization shall be determined by the academic team/teacher. Advisory is not to be a traditional teaching period or additional preparation.

**ARTICLE 22
VOLUNTARY TRANSFERS AND REASSIGNMENTS**

Teachers who desire a change in grade and/or subject assignment, or who desire to transfer to another building, may file a written statement of such desire with the Supervisors, together with copies to the Principal and Superintendent not later than March 1. Such statements shall include the grade and/or subject to which the teacher desires to be assigned and the school or schools to which he desires to be transferred, in order of preference. Final decisions will be made by the Administration.

**ARTICLE 23
INVOLUNTARY TRANSFERS AND REASSIGNMENTS**

- 23:1 Notice of an involuntary transfer or reassignment to another building shall be given to teachers as soon as practicable and, except in cases of emergency, not later than June 1.
- 23:2 When an involuntary transfer or reassignment to another building is to be made, a teacher’s area of competence, major or minor field of study, length of service in the **SOUTHERN REGIONAL HIGH SCHOOL DISTRICT**, length of service in the particular school building, and other relevant factors, including, among other things, state and/or federal laws, rules, regulations or administrative directives, shall be considered in determining said transfer or reassignment. Such involuntary transfer or reassignment to another building shall be made only after a meeting

between the teacher and the building principal, if such meeting is desired by the teacher affected; at which time, the said teacher shall be notified of the reason therefore. If said teacher objects to the transfer or reassignment at this meeting, upon the request of said teacher, the Superintendent shall meet with him. The teacher may, at his option, have an Association representative present at such meeting. The final decision will be made by the Superintendent.

ARTICLE 24 PROMOTIONS

- 24:1.1 Whenever an administrative or supervisory vacancy occurs or is created a notice shall be posted in each building stating the vacancy, and requirements for said vacancy or promotion, and indicating the closing date for applications.
- 24:1.2 All qualified teachers currently employed in the **SOUTHERN REGIONAL HIGH SCHOOL DISTRICT**, who have submitted an application for the position, shall be interviewed; and applicants not being hired for the position shall be notified as soon as possible after the position is filled. Promotions shall be made from within the Southern Regional staff whenever practicable.
- 24:1.3 Teachers shall file their supervisory and administrative certificates with the Superintendent's office. In the event a new position is created or a vacancy occurs during the summer recess, the notice of such position or vacancy shall be posted on the District website and in the school buildings.
- 24:2 The qualifications set forth for a particular position shall not be changed when such future vacancies occur unless the Association has been notified in advance of such change.

ARTICLE 25 SUMMER SCHOOL PROGRAM

- 25:1 Priority for summer school positions shall be given to teachers currently employed by the Southern Regional Board of Education.
- 25:2 In the filling of summer school positions, the applicants will be considered based upon their prior quality of demonstrated teaching performance and attendance record. Preference will be given first to teachers who have taught the subject and/or grade level in question within the previous four years either during the regular school year or in a prior summer session. When other factors are substantially equal, the decision will be based upon length of service in the Southern Regional School District. When all qualified applicants have received an appointment to one session of summer school, then the above criteria will be used to fill the second session.
- 25:3 All the provisions of this Agreement shall apply to teachers holding positions in the summer school, except where clearly inapplicable.
- 25:4 Teachers who do not express interest in teaching summer school, at the time teachers are requested to declare their intentions to teach or not to teach, lose their rights under this Article for one year.
- 25:5 Where practicable, the session assigned shall be in accordance with the teacher's request. The administration shall make the final decision.

- 25:6 In areas of enrichment, the administration shall retain the right and the responsibility to engage persons of proven special competence where such are not available from within the staff.
- 25:7 The salary paid shall be as per Schedule B-2 (Non-Athletic Activities Salary Guide).

**ARTICLE 26
TEACHER EVALUATION**

- 26:1 The use of public address, cameras, audio systems and similar surveillance devices in connection with observation of the work performance of a teacher for evaluation purposes, without the consent of the teacher, is hereby not sanctioned.
- 26:2 The teachers' evaluations will be consistent with the Teacher Effectiveness and Accountability for the Children of New Jersey Act (TEACH NJ). N.J.S.A. 18A:6-117 et al and corresponding regulations codified in N.J.A.C. The teacher shall acknowledge that he has had the opportunity to examine the evaluation report by affixing his signature thereon, with the express understanding, however, that such signature in no way indicates agreement with the contents thereof. The teacher shall have the right to submit his written disclaimer of such evaluation at or following the conference. No teacher shall be required to sign a blank or incomplete evaluation form unless he is permitted to set forth the existence of the blanks or the claimed omissions rendering the form incomplete.
- 26:3 No SREA member will be observed or evaluated by another SREA member. All observations and evaluations shall be by a full time active administrator employed by the Southern Regional Board of Education.
- 26:4 Where an increment may be withheld from a teacher for teaching deficiencies, the Board agrees that written notice of deficiencies in performance shall be given to the teacher at least three (3) months before issuance of the Contract.
- 26:5 The Board agrees not to establish any official personnel file, which is not available for the teacher's inspection in accordance with the provisions of this Article.

**ARTICLE 27
FAIR DISMISSAL PROCEDURE**

- 27:1 Re-Employment of Nontenure Teaching Personnel:
- 27:1.1 Nontenure personnel shall be notified by the Superintendent of recommendation for re-employment before submission for consideration of the Board of Education.
- 27:1.2 Whenever possible, personnel not desiring re-employment should notify the Superintendent before March 15.
- 27:1.3 Any action or other matter which, in the administration's judgment, may result in the future dismissal or non-reemployment of an employee shall be brought promptly (within five (5) school days where possible and practicable) to the attention of the employee involved through a written notice and/or conference. Depending on the nature of said action or matter, a conference may be requested by any and all of the following individuals who may be present, at the request of either the administration or the employee:

- a. Superintendent
- b. Assistant Superintendent
- c. Principal
- d. Vice-Principal
- e. Secondary Supervisor
- f. SREA PR&R Committee Chairman

- 27:1.4 A primary objective of all administrative and supervisory acts is the improvement of instruction. Whenever, in the professional judgment of an Administrator or Supervisor, the instruction given by a staff member shows deficiencies, it shall be the duty of the Administrator or Supervisor to point out these deficiencies to the staff member and, further, to give specific suggestions of way and means of improvement. A nontenured teacher encountering instruction difficulties which could possibly result in non-reemployment shall receive increased observation and supervision with the intent of relieving the difficulties.
- 27:1.5 The staff member shall be given sufficient time for improvement, except in extremely serious cases, as provided by law. If the improvement requires changes in such things as teaching methods, lesson preparation, or classroom control, the time from the start of the school year to the last Supervisor's evaluation report before the issuance of contracts would be considered sufficient.
- 27:1.6 At the time the second and third contracts are offered they will be accompanied by a covering letter making note of any subject matter deficiencies that are considered sufficient for the denial of the next succeeding or tenure contract.
- 27:1.7 Dismissal or non-reemployment of an employee shall be accompanied by a clear statement of deficiencies to the employee. Any statement of undesirable traits or practices shall be bona fide, verifiable, and based upon reports made by Supervisors and Administrators of the employee's ability to perform his duties. Any employee thus notified shall have a fair opportunity to explain his deficiencies through the channels of a hearing as outlined in 26:1.3.
- 27:1.8 Teachers under tenure shall be covered by procedures outlined in State law.
- 27:1.9 If the provisions of the above procedures have not been followed, the Association may forward a letter stating the omission to the Board, after having consulted with the Superintendent concerning the matter.
- 27:1.10 None of the provisions of this Article shall be subject to the Grievance Procedure. Non-renewal of a nontenured teacher's contract or failure to reappoint to a nontenured position shall not be subject to arbitration.

ARTICLE 28

INSTRUCTIONAL COUNCIL

- 28:1.1 An Instructional Council shall be established no later than one (1) month after the effective date of this Agreement. The purpose of the Council shall be to strengthen the educational program through recommendations, research, and evaluation by the Superintendent and the Association to best meet the needs of the students, the school and the community. The Council may consider and advise the Board and Administration on such matters as curriculum improvements, in-service training, pupil testing and evaluation, philosophy and educational goals of the District, research

and experimentation, educational specifications for buildings, and other related matters regarding the effective operation of Southern Regional High School District.

- 28:1.2 The Instructional Council membership shall be flexible in number, with teacher members at no time numbering fewer than a majority of the total membership. Members shall be chosen by the Assistant Superintendent (for Instruction) in consultation with the Building Principals and the Southern Regional Education Association President. The Assistant Superintendent (for Instruction) shall preside as Chairperson of the Instructional Council.
- 28:1.3 The Council shall meet at least six (6) times during the school year.
- 28:1.4 The Council shall establish its own rules of procedure for meetings.
- 28:2.1 The recommendations of the Council shall be submitted to the Superintendent for his consideration. The Superintendent shall meet with the Council to discuss such recommendations upon request of said Council.
- 28:2.2 Reports of the Council or any Study Committee established by the Council may include minority as well as majority views.

ARTICLE 29 SABBATICAL LEAVES

- 29:1 Sabbatical leave is a plan designed to help maintain instructional service at the highest level of quality and efficiency. While satisfactory service is its prerequisite, sabbatical leave is not a reward for past accomplishments. On the contrary, it is a privilege granted to employees for their professional advancement so they may better serve the local school district.
- 29:2 The policy of granting sabbatical leaves of absence is established solely to promote the more efficient conduct of the public schools. In no case, therefore, is an application for such leave recommended by the Superintendent or approved by the Board of Education unless in their considered judgment the professional competence of the staff member and the general efficiency of the school system will thereby be benefited.
- 29:3 The best criterion for judging a particular leave of absence procedure is whether in the long run it will contribute to the improvement of teaching.
- 29:4 **Eligibility**
 - 29:4.1 Any teacher who has completed seven (7) or more years of continuous satisfactory service in the **SOUTHERN REGIONAL HIGH SCHOOL DISTRICT**, may, upon recommendation of the Superintendent, provided such applicant shall not have reached his fifty-ninth (59th) birth date, be granted leave of absence for one (1) year for study on a full-time basis. Future leave will not be authorized unless and until one shall have re-established eligibility by serving another period of seven (7) continuous years of successful service.
 - 29:4.2 Half year sabbaticals may be granted if administratively feasible.
 - 29:4.3 No more than three (3) members of the teaching staff will be granted such leaves at any one time.

29:5 **Application for Leave**

29:5.1 Application for sabbatical leave shall be made on or before February 10th of any year. If approved, such leave shall officially begin on the first day of the first or second semester.

29:5.2 Application shall be made upon a regular blank form prescribed by the Superintendent and shall include a program to be followed by the teacher during the period of leave.

29:5.3 In recommending sabbatical leaves of absence, the Superintendent shall consider the use to be made of the requested leave, and seniority in service, as outlined below. Due consideration shall be given to the reasonable and equitable distribution of the applications among the different schools and departments.

29:5.4 Each applicant shall be notified promptly by the Superintendent in writing of the decision of the Board concerning his application.

29:6 **Seniority for Sabbatical Leave**

29:6.1 Seniority ratings at Southern Regional High School are based on a point system with the following provisions:

- a. An academic year of professional educational service at Southern Regional High School has a value of five (5) points.

11-20 years:	1/2 the daily rate of pay on the first step of the Departing Teacher's column minus \$10. for each accumulated sick day. This payment shall not exceed \$12,000.
6-10 years:	1/2 the daily rate of pay on the first step of the Departing Teacher's column minus \$20. for each accumulated sick day. This payment shall not exceed \$12,000.

SUPPORT STAFF

21 years or over:	\$30. for each accumulated day
11-20 years:	\$25. for each accumulated day
6-10 years:	\$20. for each accumulated day

Payment shall not exceed \$6,000.

Upon the death of an employee covered by this Agreement, payment for accumulated sick leave shall be paid to the employee's estate.

Except in unusual circumstances, an employee shall file a request indicating his intention to seek payment for accumulated sick leave by January 1 preceding the employee's termination of service with the school district. Such payment for sick leave will then occur effective July 1 of that year. If an employee fails to file such a request, it may be necessary, based on budgetary limitations, that the Board defers payment of the employee's accumulated sick leave to a time when budgetary limitations permit such payment; but in no event later than one year from the time the employee retires or terminates his service with the district.

The Board may opt to make non-salary reduction contributions under Sections 403(b)(3) of the Internal Revenue Code of 1986 on behalf of retiring employees. These contributions will be based on accumulated sick time and eligible incentives as outlined above. Should the Board elect to make these contributions, no individual employee will have the option of receiving equivalent amounts as compensation. These contributions will be made only to an approved provider and will not exceed the limits of Section 415(c)(3) of the Code and will not continue beyond the five (5) year period authorized under Section 403(b)(3) of the Code.

SICK DAY BANK

A Sick Day Bank shall be established. Each employee covered by this Agreement will be given the option of participating. The decision shall be binding for the remainder of one's time in the district.

Each participant may voluntarily contribute **ONE** of his sick days to the bank. Each employee covered by this Agreement will be given ninety (90) calendar days in which to decide to join or not. This will constitute a pool of days upon which a participant may draw, as explained below:

1. A participant who has exhausted his days due to a protracted and verifiable illness may apply to the committee.
2. The participant's record must show non-abuse of sick day usage, as determined by the committee.
3. Maternity related disability will generally not be considered by the Sick Day Bank.
4. The committee may or may not award the days and may do so in not more than thirty (30) day segments. Reapplication is necessary for each segment.

If the pool diminishes to the point whereby it is less than 30 per cent of whole days in relation to the number of participants at a given moment, an open enrollment period will be declared and all employees covered by this agreement shall have the opportunity to enroll in the Sick Day Bank. Should a participant at any time of replenishing opt **NOT** to re-enroll, such action will constitute a withdrawal from the bank, losing any days thus far contributed. Any participant, once having contributed a day (or more in cases of replenishment) may in no way retrieve any days thus far contributed.

The committee will be as follows:

1. Three members of the SREA as elected by the unit (or appointed by president)
2. The Superintendent (or his designee).
3. A member of the Board (or an administrator as so designated by the Board President).
4. The Board Business Official (or his designee).

If a tie vote occurs, up to thirty (30) days will be awarded, but not more, for a single incident or illness.

Also in cases of a tie and following the initial 30 day award, if a reapplication follows, and a second tie results an outside mediator will be used to make the final determination and the cost will be borne equally by the Board and the Association.

As of July 1, an employee covered by the terms of this agreement may elect, in writing, to donate to the Sick Day Bank any portion of the unexpended personal illness days from the preceding year's total to a maximum of seventeen (17) days per year. The Bank shall be credited day for day for such donation.

The Business Administrator shall provide for the employee a written accounting of the days thus provided as well as a statement of the employee's per diem compensation for the year from which the donation is drawn. This provision shall remain in effect for the term of the current agreement.
