WHEREAS, the Board has an obligation, pursuant to Chapter 123, Public Laws of 1974 to negotiate with the Association as the representative of employees hereinafter designated with respect to the terms and conditions of employment, and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement, be it

RESOLVED, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I
RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning grievances and terms and conditions of employment for the following employees:
1. Full-time professional and certified personnel (teachers and nurses).
 2. Full-time custodial employees.
 3. Full-time clerical employees. Excluding all aides, part-time employees, supervisors (including the head custodian), managerial executives, confidential employees and administrative employees.
- B. Reference to male teachers shall include female teachers.

ARTICLE II
NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiation over a successor Agreement in accordance with Chapter 123, Public Laws of 1974 in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin not later than December 1 of the calendar year preceding the calendar year in which this agreement expires. Any Agreement so negotiated shall apply to all teachers, secretaries and custodians, as may be applicable, be reduced in writing, be signed by the Board and the Association, and be adopted by the Board.
- B. The Board agrees to inform the Association, within five (5) days of notification, of the availability of state and/or federal funds, and to consult with the Association concerning the most beneficial implementation of these funds in the North Wildwood School District. It is understood by the Association that final determination in the expenditure of these funds shall rest with the Board.
- C. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definitions

A "grievance" is a dispute or difference between the Board and the Association, or the employees represented by the Association, which affects the terms and conditions of employment of an employee or group of employees with respect to the interpretation, application or violation of policies of this Agreement or administrative decisions. Matters which are not within this definition and matters for which a statutory remedy is provided, including the Board's failure to retain a non-tenure teacher, shall not be a grievance as that term is used in this Agreement.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time, arise affecting the terms and conditions of employment of teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its view.

C. Procedure

1. Since it is important that the grievances be processed as rapidly as possible, the number of days indicated at such level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One

A teacher with a grievance shall first discuss it with the Superintendent, either directly or through the Association's designated representative, with the objective of resolving the matter informally. Any teacher or teachers having a grievance, or the Association, must institute the proceedings at this level within twenty-one (21) days after the teacher, teachers or the Association knew or should have known of the grievance.

4. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, he may file the grievance in writing with the Chairman of the Association's Committee on Professional Rights and Responsibilities (hereinafter referred to as the PR and R Committee), within

five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairman of the PR & R Committee shall refer it to the Superintendent of Schools.

5. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) days after the grievance was delivered to the Superintendent, he may within five (5) school days after a decision by the Superintendent or fifteen (15) days after the grievance was delivered to the Superintendent or whichever is sooner, request in writing that the Chairman of the PR & R Committee submit his grievance for review by the Board of Education. The Board shall review the case; shall hold a hearing with the employee, if requested by the employee; and shall render a decision in writing within twenty-one (21) calendar days of receipt of the grievance. Copies of the decision of the Board of Education shall be sent to the aggrieved, to the Superintendent, and the Chairman of the PR & R Committee.

6. Level Four

a. A grievance which remains unresolved to the satisfaction of the employee, after a decision has been rendered by the Board, may be submitted to arbitration within ten (10) school days.

b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the PR & R Committee shall proceed to select an arbitrator in accordance with the rules of the American Arbitration Association. The conduct of the arbitration shall be in

accordance with the rules and procedures of the American Arbitration Association.

c. The arbitrator so selected shall confer with the representatives of the Board and the PR & R Committee and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings, or if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Teachers to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. No reprisals of any kind shall be taken by the Board of by any member of the Administration against any party in interest, any building representative, or any member of the PR & R Committee or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. If, in the judgment of the PR & R Committee, a grievance affects a group or class of teachers, the PR & R Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The PR & R Committee may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the Chairman of the PR & R Committee. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C, paragraph six (6) of this Article.

3. All teachers, including a teacher who has filed a grievance under this Agreement, shall continue to work in accordance with the directions of the Superintendent, notwithstanding that grievances may be pending.

4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

5. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in the Article.

F. The same terms and conditions of the teachers' Grievance Procedure shall apply to the Custodial and Clerical employees with the following exceptions:

1. The arbitration step referred to in the teachers' Grievance Procedure shall not be binding, but rather shall be advisory only.

2. The first step of the Grievance Procedure for Custodial employees shall involve the Supervisor of Building Services with the Superintendent being the second step.

ARTICLE IV
EMPLOYEE RIGHTS

A. In accordance with existing laws the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly selected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Chapter 123, Public Laws of 1974 or other laws of the New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment, by reason of his membership in the Association and its affiliates, his participation in any activities of the Association to its affiliates, collective negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Nothing contained herein shall be construed to deny or restrict to any employee such rights as he may have under New Jersey School laws or other applicable laws and regulations. The rights granted to the employees hereunder shall be deemed to be in addition to those provided elsewhere.

C. Subject to law, no employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or

representative thereof, shall be subject to the grievance procedure herein set forth.

D. 1. When any non-tenure employee is directed to appear before the Board or any committee, member, representative, or agent thereof concerning any matter which could adversely affect the continuation of that employee in his office, position or employment or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such a meeting or interview and shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview. Any suspension of an employee shall be with pay until formal charges are preferred by the Board.

2. Any charge made against any employee of a Board of Education under tenure during good behavior and efficiency shall be filed with the secretary of the Board in writing, and a written statement of evidence under oath to support such charge shall be presented to the Board. The Board of Education shall forthwith provide such employee with a copy of the charge, a copy of the statement of the evidence and an opportunity to submit a written statement of position and a written statement of evidence under oath with respect thereto. After consideration of the charge, statement of position and statements of evidence presented to it, the Board shall determine by majority vote of its full membership whether there is probable cause to credit the evidence in support of the charge and whether such charge, if credited, is sufficient to warrant a dismissal or reduction of salary. The Board of Education shall forthwith notify the employee against whom the charge has been made of its determination, personally or by certified mail directed to his last known address. In the event the Board finds that probable cause exists and that the charge,

if credited, is sufficient to warrant a dismissal or reduction of salary, then it shall forward such written charge to the commissioner for a hearing pursuant to N.J.S.A. 18A:6-16, together with a certificate of such determination. Provided, however, that if the charge is inefficiency, prior to making its determination as to certification, the Board shall provide the employee with written notice of the alleged inefficiency, specifying the nature thereto, and allow at least ninety (90) days in which to correct and overcome the inefficiency. The consideration and actions of the Board as to any charge shall not take place at a public meeting.

a. Upon certification of any charge to the commissioner, the Board may suspend the person against whom such charge is made, with or without pay, but, if the determination of the charge by the Commissioner of Education is not made within one hundred and twenty (120) calendar days after certification of the charges, including all delays which are granted at the request of such person, then the full salary (except for said 120 days) of such person shall be paid beginning on the one hundred twenty-first (121) day until such determination is made. Should the charge be dismissed the person shall be reinstated immediately with full pay from the first day of such suspension. Should the charge be dismissed and the suspension be continued during an appeal therefrom, then the full pay or salary of such person shall continue until the determination of the appeal. However, the Board of Education shall deduct from said full pay or salary any sums received by such employee or officers by way of pay or salary from a substituted employment assumed during such period of suspension. Should the charge be sustained on the original hearing or an appeal therefrom, and

should such person appeal from the same, then the suspension may be continued unless and until such determination is reversed, in which event he shall be reinstated immediately with full pay as of the time of such suspension.

E. No employee shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.

F. The employee shall have initial responsibility to determine grades and other evaluations of the students within the grading policies of the North Wildwood School District. However, the ultimate determination of grades and other evaluations of students shall be that of the Administration.

1. No grades or evaluations shall be changed without first consulting with the employee involved.

G. Any question or criticism by a supervisor, administrator, or board member of an employee and that particular employee's instructional methodology shall be made in confidence and not in the presence of students, parents or other public gatherings.

Complaints, accusations and criticisms made at public board meetings regarding employees of the North Wildwood School District shall be referred to a closed session of the Board. All complaints regarding particular employees and their instructional methodology will be referred to the chief administrative officer and such complaints, accusations and criticisms will be discussed only at a regular meeting after failure of an administrative solution. E. An employee may make application to the Board for an infant child rearing leave of absence for a period of up to one year. Said application shall be made to the Superintendent at least ninety calendar days prior to the commencement of the child rearing leave. Upon return from leave granted according to Section A above, an employee shall be considered as if he/she were actively employed by the Board during the leave and shall be placed on the salary schedule at the level as he/she would have achieved if he/she had not been absent, provided, however, that time spent on such leaves shall not count toward fulfillment of time requirements for acquiring tenure. An employee shall not receive increment credit for time spent on granted under Sections E, F, G, and H above, nor shall such time count toward the fulfillment of the time requirements for acquiring tenure. Leave granted under A, shall count toward increment if the employee worked during that school year.

F. Mileage - Employees who may be required to use their own automobiles in the performance of their duties shall be reimbursed for all such travel at the rate per mile established by the Internal Revenue Service Regulations.

ARTICLE XXVIII
REPRESENTATION FEE

A. Purpose of Fee

If an employee does not become a member of the Association during any membership year (ie: from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employees will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

B. Amount of Fee

1. NOTIFICATION: Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

2. LEGAL MAXIMUM: In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members and the representation fee may be set up to 85% of that amount as the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

C. Deduction and Transmission of Fee

1. NOTIFICATION: Once during each membership year covered in whole or in part by this agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. PAYROLL DEDUCTION SCHEDULE: The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

a. ten (10) days after receipt of the aforesaid list by the Board; or

b. thirty (30) days after the employee begins his/her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. TERMINATION OF EMPLOYMENT: If an employee who is required to pay a representation fee terminates his employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct

the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. MECHANICS: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. CHANGES: The Association will notify the Board in writing of any changes in the list provided for in Paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than 10 days after the Board received said notice.

6. NEW EMPLOYEES: On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board and Association will prepare a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and dates of employment for all such employees.

ARTICLE XXIX
DURATION OF AGREEMENT

A. This Agreement shall be effective as of July 1, 1992 and shall continue in effect until June 30, 1994. This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated, unless it is extended in writing, This contract is retroactive in all respects to July 1, 1992.

B. IN WITNESS WHEREOF, the Association and the Board of Education have caused this Agreement to be signed by their respective Presidents and Secretaries and seals affixed, all on the day and year above written.
