ARTICLE I

Section 1. P.B.A. Dues.

A. The Employer agrees to deduct from the salary of each employee who is a member of the P.B.A. under this Agreement, dues for the Patrolmen's Benevolent Association, Correction Officers of Union County, Local No. 199, Inc., when authorized in writing to do so by each P.B.A. member. Individual authorization forms shall be filed by the P.B.A. with the appropriate business office of the Employer.

B. The amount of monthly P.B.A. membership dues will be certified by the president of the P.B.A. in writing to the Employer and the amount so certified will be uniform, for all members of the P.B.A.

C. Any member may resign from the P.B.A. effective January 1st or July 1st, pursuant to and in accordance with the requirements of N.J.S.A. 52:14-15.9e. In the event the member fails to notify the Employer on January 1st or July 1st of any year to cease dues deductions, such deduction shall continue for six (6) month periods thereafter. Notice of withdrawal must be submitted by the employee in writing to the Employer and to the P.B.A.

D. In accordance with the applicable provisions of N.J.S.A. 52:14-15.9e, the rights and benefits herein set forth shall apply and be extended to the PBA (which is the duly certified majority representative) solely and exclusively and shall not be afforded to any other employee organization.

Section 2. Representation Fee

A. Effective thirty (30) days after the parties' ratification of the successor labor agreement, all eligible non-member employees of the bargaining unit will be required to pay to the P.B.A. as majority representative. Nothing herein shall be deemed to require any employee to become a member of the P.B.A. After verification by the Employer that an employee must pay the representation fee, the Employer will deduct the fee for all eligible employees in accordance with this Section.

The mechanics of the deduction of the representation fee and the transmission of such fee to the P.B.A. will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the P.B.A.

The Employer shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this bargaining unit.

B. The representation fee in lieu of dues shall be available to the P.B.A. only if the procedures hereinafter are maintained by the P.B.A. Any non-union employee who pays a representation fee to the P.B.A. in lieu of dues shall have the right to demand and receive from the P.B.A. a return of any part of the representation fee paid by the employee which represents the employee's additional pro-rata share of expenditures by the P.B.A. that is either in aid of activities or causes of a partisan, Political or ideological nature only incidentally related to the term, and conditions of employment, or applied toward the cost of any other benefit available only to members of the P.B.A.

The employee shall be entitled to a review of the amount of the representation fee by requesting the P.B.A. to substantiate the amount charged for the representation fee. This review shall be accorded in conformity with the internal steps and procedures established by the P.B.A. and contained in paragraph C of this Article.

The P.B.A. shall submit a copy of the review system to the County. The deduction of the representation fee shall be available only if the P.B.A. establishes and maintains this review system. Pursuant to N.J.S.A. 34:13A-5-5. the P.B.A.'s Executive Board, or subcommittee thereof, which shall hold a hearing on such claims. At such hearing, the P.B.A.'s Executive Board, or subcommittee thereof, shall receive evidence pertaining to expenditures by the P.B.A. to which the employee objects or which are deemed to be an aid of activities or causes of a partisan, political or ideological nature. The amount subject to refund shall not, however, reflect the cost of supporting lobbying activities designed to foster the P.B.A.'s objectives in collective bargaining negotiations and contract administration which secure for employees represented by the P.B.A. advantages in wages, hours, terms and conditions of employment in addition to those secured through collective negotiations with the County.

The P.B.A. shall provide advance written notice of the amount of the fair share fee assessment to the Public Employment Relations Commission, the Employer and to all employees in the bargaining unit. Any challenge by an employee to an assessment shall be in writing to the Public Employment Relations Commission, the County and the P.B.A. within thirty (30) days after receipt of written notice by the employee. All challenges shall specify those portions of the assessment challenged and the reasons therefore, but the burden of proof relating to the amount of the fair share fee shall be on the P.B.A.

In the event that the employee is dissatisfied with the decision of the P.B.A. Executive Board, or the subcommittee thereof, the employee shall have the right to file for an appeal to the board consisting of three (3) members appointed by the Governor pursuant to N.J.S.A. 34:13A-5.4 and pursuant to the rules and regulations as promulgated by the Public Employment Relations Commission.

Section 3.

Authorization for the deduction of P.B.A. membership dues or the deduction of the representation fee in lieu of membership dues shall be terminated automatically when an employee is removed from employment. Where an employee takes a leave of absence without pay for one (1) month or more during any payroll deduction period, there shall be no obligation on the part of the Employer to collect funds from his/her salary in accordance with the payroll deduction program agreed upon by the parties under this Article.

Section 4.

Section 2.

The purpose of this Article is to provide for the expeditious and mutually satisfactory settlement of grievances. Any grievance shall be initiated at the lowest level where the relief requested by the grievant can be rendered. The procedures to be followed are as set forth herein:

Step 1. An employee with a grievance shall first discuss it with the designee of the Director, Department of Corrections either directly or through the P.B.A.'s designated representative for the purpose of resolving the matter informally. A grievance must be presented at Step 1 within seven (7) working days of the occurrence of the condition giving rise to the grievance. All disciplinary penalties shall be implemented following the outcome of the third step and prior to Arbitration.

Step 4. Arbitration

If the grievance is not satisfactorily resolved in Step 3 and does not involve a matter which is subject to Department of Personnel review, and if the Executive Board of the P.B.A. determines that the grievance as filed is meritorious, then the P.B.A. may request arbitration in writing within ten (10) working days after receipt of the decision of the County Manager or within ten (10) working days from the date the County Manager's decision should have been given, whichever is sooner. The PBA may file a written request for arbitration with the Public Employment Relations Commission at 495 West State Street, Trenton, New Jersey.

All overtime shall be paid in the employee's next regularly scheduled pay or in accordance with the County's policy governing overtime pay.

Section 2.

Overtime must be authorized and approved by the Employer and shall be awarded on a rotating seniority basis to employees who possess the required ability, skills and training to perform the overtime assignment as herein set forth:

A. Projected overtime shall first be offered to the employees whose names appear at the top of the overtime seniority list. Upon being offered an overtime assignment, consisting of the day, shift, post assignment and facility involved the employee's name shall go to the bottom of the list regardless of whether or not the officer works the overtime assignment. In order for an officer to be eligible for projected overtime, the officer must:

Officers refusing forced overtime will be subject to progressive discipline in accordance with the Division's existing overtime policy as of February 21, 2006.

C. Documentation.

All procedures regarding the calling of overtime will be documented on an incident report to include the Officers' name, disposition, dates worked, shifts and posts. The names of the officers working the overtime, the number of hours to be worked and the reasons will be placed on the overtime sheet. The name of the officer working the overtime will be placed on the schedule in the appropriate slot where the overtime is being worked.

The Employer agrees that overtime consisting of time and (1-1/2) of straight time pay shall be paid to all employees covered by this Agreement for time worked in excess of forty (40) hours of work per week or the number of hours of work regularly scheduled per week, whichever is greater; provided, however, the fifth (5th) day sick leave policy heretofore in effect shall be modified so that the County may require proof of illness of an employee on sick leave. Participation in assigned training programs over and above regular working hours shall be compensated at the overtime rate. Participation in volunteer training programs shall not be considered part of the work day and shall not be compensated.

E. If an employee works less than thirty (30) minutes beyond his or her regular scheduled shift because a replacement is late, he or she shall receive straight time and not overtime for such work, and the employee reporting late shall receive an appropriate deduction from his or her pay. If an employee works beyond thirty (30) minutes after his or her regular scheduled shift irrespective of the cause he or she will receive time and one-half (1-1/2) of his or

her regular rate of pay for all time worked beyond the regular shift. Effective 01/01/97, thirty (30) minutes shall be changed to twenty (20) minutes provided "muster time" is implemented at that time.

F. If an officer accepts a partial overtime shift lasting less than 6 hours, such assignment shall not affect the officer's position on the regular rotational overtime list. If an officer accepts or works a partial overtime shift of 6 hours or more, the officer will be charged with an overtime acceptance.

G. If an officer is off for three (3) days or less due to a vacation, personal or compensation days the officer will not be eligible for an overtime assignment on those days and will not be charged an overtime acceptance if the officer is inadvertently called for overtime.

H. If an officer is off for more than three days for any reason other than sick leave, the officer will be removed from the overtime seniority list for the duration of such period. It is the responsibility of the officer to contact the appropriate people at the facility (i.e. shift commander and scheduling supervisor or scheduling officer) to be properly reinstated on the overtime seniority list.

If an officer requests and is granted more than the contractually provided time off for death in the family, such officer will be removed from the overtime seniority list, and it shall be that officer's responsibility to contact the appropriate people at the facility to be properly reinstated on the list.

N. There will be only one (1) paper list.

O. There will be no dropping down or filling openings of other overtime slots, except under special conditions and as approved by the shift commander. The action will be properly documented by the shift commander listing the officer's name plus the date and reason for such action.

P. An officer who accepts an overtime assignment on a specific post can switch with any other officer with the approval of the Shift Commander. Such approval may be granted for requested exchanges where both officers are willing to switch straight time posts or both are willing to switch overtime posts or both are willing to switch an overtime post for a straight time post on the same shift. All officers switching must complete a switching slip. The slip requires signatures from both officers and the approval of the supervisor. The slips will be kept and accounted for by the scheduling unit.

An officer may also request an upgrade in which case the scheduling unit will offer the officer's post with other open posts and if the officer's post is selected that officer may then pick an open post. An officer will be called to work overtime and given a choice of posts. Thereafter,

the officer either accepts or declines. There will be no call-backs or stand-bys. A senior officer may be upgraded to an open post when volunteers are needed to fill the next shift and volunteers will be offered the remaining posts. Specialized posts can only be filled with qualified officers and if a specialized post is open and no qualified officer is on the board, then a qualified officer working the shift may be upgraded to specialized post. Any such switching and upgrading and all documentation relating thereto must be accomplished at the beginning of the shift or during the muster whichever is applicable. The shift commander may reassign an officer on overtime from the specific post assigned to another position provided such reassignment is not arbitrary and where the efficient operation of the facility is involved. This right of reassignment shall be administered with the following guidelines which shall be documented on an official jail report:

- i. Filling of the open post shall first be attempted by calling in seniority rotation.
- ii. If no officer accepts the post, the junior qualified officer on straight time shall be reassigned.
- iii. If there is no officer on straight time qualified to work the post, then the junior qualified officer on overtime will be reassigned.

Q. Grievances concerning the scheduling of overtime shall be submitted directly to expedited arbitration. The arbitrator shall have the authority to issue "bench" decisions that are binding on the parties.

R. An officer may use a beeper number, car telephone number and residence number for the purpose of receiving overtime or emergency calls.

S. An officer cannot be forced to work a double shift on a regularly scheduled day off unless a state of emergency exists which shall be properly documented.

T. If overtime is called and no post is filled, all those refusing overtime and thereby helping to short the shift will have their tag turned down.

U. All openings of four hours or more will be filled by overtime consistent with the current overtime scheduling needs. This does not preclude a shift supervisor from filling an opening for less than four hours if the situation warrants it. Management will determine the scheduling needs to insure the safety, security and orderly running of both correctional facilities.

V. Procedures For Volunteering For An Eight Hour Shift Of Overtime.

i. Eligibility

a. All officers that have their tags up will be afforded the opportunity to volunteer first by seniority.

b. If there is no officer up that elects to volunteer, then an officer that is not up, will be given the opportunity to select an overtime by seniority off of a volunteer list.

c. To be considered for a volunteer off of a volunteer list, it will be the responsibility of any officer who wants to work the next shift to call the overtime caller and inform him by no later than 2:00 P.M.- on the day shift, 10:00 P.M.- on the 4-12 shift and 6:00 A.M.- on the 12-8 shift.

ii. Volunteer List:

a. Every Monday morning a volunteer list will be compiled with every officer up by seniority. This list will be utilized through the week. The last caller to utilize the existing list will be the Sunday 12-8 caller who will use it for volunteers needed on the 8-4 shift.

b. An officer who receives an overtime off of the volunteer list will be flipped and his/her name will be taken off of the volunteer list and remain so through the week.

c. In the event that no officer up on the volunteer list elects to volunteer, then an officer who wants to work but who has been flipped off the volunteer list will be given the opportunity to select an overtime.

d. In the event that a post is open that requires special training and no officer is up on the volunteer list that is qualified, but there are officers

who are up and want to work, the caller is to try to find someone on the schedule for that shift that is qualified and the caller will request that officer to fill the specialized post. If this can be done, then the spot which opens will be offered to the next officer up on the volunteer list.

W. Procedures For Volunteering For Less Than Six Hours of Overtime.

i. Eligibility

a. If there is no officer up that elects to volunteer, then an officer that is not up will be given the opportunity select a partial shift by seniority off of a volunteer list.

b. To be considered for a volunteer of a partial shift, less then 6 hours, it will be the responsibility of the officer wishing to work to call the overtime caller no later than 9:00.A.M. on the day shift, 5:00 P.M. on the 4-12 shift and 1:00 A.M. on the 12-8 shift.

b. An officer who receives an overtime off of the volunteer list will then be flipped off of the volunteer list and remain so through the week.

c. In the event that no officer up on the volunteer list elects to volunteer, then an officer who wants to work but has been flipped off the volunteer list will be given the opportunity to select an overtime.

X. Procedures For Calling Off

When officers call off just minutes before they are required to, the following procedures will be followed:

The overtime caller must call five (5) names off of the eligible overtime list before giving it up for volunteers. The overtime caller may call after the hour in order to complete calling five names off the eligible overtime list. Any officer called after the hour who thinks that he/she may be late, must inform the overtime caller so that he/she can notify the shift commander so the

officer is not marked late. Any officer coming in late in order not to be marked late must report no later than two (2) hours from the time that he/she was contacted. The overtime caller must document the time the officer was contacted if after the two (2) hours.

In order to prevent this procedure from being activated, all officers are encouraged to call off of their regular shift or their overtime shift one hour and fifteen minutes before their shift begins.

Y. Officers can accumulate up to thirty-two (32) hours of compensatory time.

Z. An officer shall be credited with a forced overtime if he remains at least 2 hours and the post is able to be filled by the scheduling department.

Section 3.

Any Officer who is inadvertently skipped on the OT list will be placed at the top of the OT list for the next seventy-two (72) hours and shall be eligible for pre-determined OT. If no pre-determined OT is available during that seventy-two (72) hour period, the officer shall be eligible to select the next available pre-determined OT. If an Officer is skipped and then is out on vacation or leave, he/she shall be placed at the top of the list upon return to work.

Employees who are employed less than one (1) year may be granted up to three (3) days off for personal business as hereinafter defined or for religious reasons in accordance with the schedule hereinafter set forth. Employees who have been employed for more than one (1) year may be granted up to three (3) days per year without reference to any schedule. Employees must

make application for such personal business or religious leave stating the reason for the requested leave as far in advance as possible.

The request by the employee shall be directed to the Department Head. The leave may only be taken if the Department Head approves and grants said leave, and if for business reasons, the applicant must demonstrate that the business purpose could not be scheduled after working hours. The following schedule shall only apply to employees with less than one (1) year of employment.

- A. One (1) day after four (4) months of employment.
- B. One (1) additional day after eight (8) months of employment.

As in Section 1 of this Article, the request by the employee shall be directed to the Department Head. The leave may only be taken if the Department Head approves and grants said leave, in his/her sole discretion, and if the applicant demonstrates that the business purpose of the requested leave could not be scheduled before or after working hours. Such request may also be denied when granting the leave would cause the County to exceed the maximum number of officers allowed off from work per this Agreement and thereby necessitate calling in another employee for overtime.

Effective January 1, 2016, officers shall be permitted to utilize 1/8 Of a vacation day (one hour increments) up to eight time per year.

Officers may utilize vacation time in half day increments (four hour increments) without limitation to the extent of their available vacation allotment.

A shift commander may approve requests for any partial vacation time as noted above, beyond eight times per year, in appropriate circumstances. Denial of such a request shall not be subject to the grievance or arbitration process.

said period in either case no charge shall be made to the employee's sick leave accumulation provided, however, it is understood and agreed that when an employee receives a compensation check for temporary disability benefits, he or she shall turn over to the County any checks received from the County's Workers' Compensation Insurance carrier.

C. After the first one year or ninety (90) calendar days from the date of the injury, or illness, as hereinabove defined, the employee shall have the option to retain his/her temporary disability Workmen's compensation check and not receive any additional monies from the County and not have any charge made to his/her sick leave accumulation, or if the employee wishes to receive full pay and charge his/her sick leave accumulation he/she shall be permitted to do the same provided he/she turns over to the county any temporary disability check or checks received from the County Workmen's Compensation Insurance carrier.

D. Failure to turn over temporary disability checks shall cause the employee's sick leave to be charged and shall further result in the County taking such disciplinary action as it deems appropriate to recover said monies.

E. If any employee is absent from work for seven (7) days or less, arising out of an injury or illness, attributable to his/her employment so that the said employee is not entitled to receive temporary disability benefits, the said employee shall not have any charge made against his/her sick leave accumulation so long as the employee substantially proves that his illness or injury arose out of his/her employment.

RETIREE HEALTH BENEFITS

(Employees Hired Prior to December 31, 2009)

SCHEDULE C

Effective April 1, 2006, there shall be a health insurance plan for employees covered by the recognition clause of the collective bargaining agreement, subject to the following terms and conditions:

1. **Eligibility.** Employees must have been actively employed with the County of Union (the "County") on or before December 31, 2009; and must retire on either a disability pension or retire having 25 years or more of service credit in the Police and Firemen's Retirement System ("PFRS") and at least 10 years of service with the County, or retire and reach the age of 62 years or older with at least 15 years of service with the County. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have health insurance coverage provided hereunder, and eligible retirees shall cooperate in good faith with the County to verify that they are not eligible to receive such substantially equivalent or better health insurance coverage.

2. **Description.** This benefit shall consist of coverage under the Horizon PPO Health Insurance Plan. Prescription co-payments can be submitted to major medical for reimbursement subject to the limitations in the major medical plan. Subject to the vested material rights of employees covered under this Schedule C, the County reserves the right to change or modify the plan at any time, so long as the modified plan provides substantially equivalent or better coverage to that in effect for members of the bargaining unit at the time of their retirement

provided such coverage remains generally available in the insurance market at commercially reasonable rates.

3. Cessation of Subsidy. Upon implementation of the foregoing benefit, the County shall be obliged to pay the full cost of health insurance premiums for qualifying retirees hereunder. Members receiving benefits under this Schedule C shall be not eligible for or receive the subsidy provided in Schedule D.

4. Health Benefit Buyout Option. Any retiree eligible to receive benefits or then receiving benefits under this Exhibit C, with either Family or Husband/Wife coverage in any of the available health benefits plans, may voluntarily opt out of that plan providing their spouse has either Family or Husband/Wife coverage either through the County or through another employer. In return for opting out, the County shall pay to the eligible retiree the sum of \$5,000.00 annually, to be paid in 26 installments over the next year. The \$5,000.00 sum shall be reduced to \$2,500.00 per annum upon the eligible retiree's reaching Medicare eligibility. The payments will be prorated if less than one year of the benefit is available. Eligible retirees opting out shall retain the right to re-enter the County's health benefit plan (as set forth in this Exhibit C) on a monthly basis. Upon re-entering the plan, payments for opting out shall cease. This benefit shall be discontinued if the County becomes self-insured.

RETIREE HEALTH BENEFITS

(Employees hired on or after January 1, 2010)

SCHEDULE D

Effective January 1, 2009, there shall be a health insurance subsidy plan for employees, covered by the recognition clause of the collective bargaining agreement, subject to the following terms and conditions:

Employees who otherwise qualify for coverage but who retire before age 55 shall be entitled to receive coverage under this plan upon reaching age 55. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have health insurance coverage from another source, and eligible retirees shall cooperate in good faith with the County to verify that no other source of health insurance is provided for them.
2. **Description:** This benefit shall be applied to the Health Insurance Plan which is provided to members of the bargaining unit. The County reserves the right to change or modify plans at any time so long as the modified plan provides substantially similar coverage to that in effect for members of the bargaining unit.

UNION COUNTY CORRECTIONS

PROCEDURE FOR JOBS IN BLUE

- 1) **Definition.** Jobs in Blue, or off-duty pay jobs, are any opportunity for employment where an officer's services are sought by another law enforcement agency through its Chief Executive Officer or designee, to provide security or traffic management (if lawfully permitted and the officer obtains all required legal certifications).
- 2) **Scope of Employment.** Officers are expressly prohibited from working off-duty pay jobs in a law-enforcement capacity unless these assignments have been approved by the Director and payment for services rendered is processed through the County of Union.
- 3) **Assignment of Positions.** All jobs in blue will be assigned through the PBA President or his designee. Assignments will be made from a rotating list of officers who have expressed a desire to be placed on an off-duty pay job call list. Such list shall be maintained by PBA Local 199 and PBA199A and be subject to review by the Director or his designee upon request.
- 4) **Unforeseen Illnesses.** Officers who have accepted assignment to a Job in Blue and become ill before or during their assignment will contact the PBA President or his designee to seek qualified relief. The PBA President or his designee will contact the requesting jurisdiction.
- 5) **Jobs in Blue Eligibility.** Only sworn officers who are COTA graduates and authorized to carry a firearm and who maintain their firearms qualification are eligible to work off-duty pay job details.
- 6) **Duty Uniform.** All officers shall wear the Class A uniform while performing Jobs in Blue, unless the law enforcement agency has specifically requested that the services be performed in civilian or other attire.
- 7) **Work Orders.** Officers accepting a Job in Blue will retrieve a numbered Work Order from PBA 199/PBA199A. This Work Order will be completed by the officer and signed by a representative of the employing establishment. The original copy will be returned to the Director's office. A copy will be left with the vendor/employer and another with the PBA. The officer shall maintain a copy as his receipt.
- 8) **Payment Process.** Payment for services rendered will not be received by the officer until the County has received payment from the outside employer.

- 9) **Administrative Cost.** The County will deduct a ten percent (10%) administrative fee to cover the cost of Social Security payments and administrative processing.
- 10) **Duties and Responsibilities.** The officer, by accepting assignment to the off-duty Job in Blue, assures the County that he will perform his assigned tasks professionally and responsibly. Any failure to live up to this standard shall be deemed a Neglect of Duty and may subject the officer to disciplinary action.
- 11) **Indemnification.** The County shall not be responsible for any procedural errors in assigning officers to Jobs in Blue caused by the PBA or the requesting law enforcement agency and any such errors shall not be subject to the grievance and arbitration clauses of the PBA 199/PBA 199A collective bargaining agreements. In addition, the County shall not be held liable for any failure by the part of a requesting law enforcement agency to provide payment to an officer for a Job in Blue. It shall be the responsibility of the officer, or the PBA, at its option, to pursue any such matter.
- 12) **Overtime.** The assignment of Jobs in Blue shall not cause overtime. That is, an officer shall not be allowed to be assigned a Job in Blue during his regularly scheduled shift or any part thereof. This clause does not prohibit the payment of overtime for time spent in Court due to actions taken while assigned to a Job in Blue.
- 13) **Equipment.** Officers working Jobs in Blue shall be allowed to have on their person the following equipment provided the officer has qualified and is therefore eligible to carry said equipment:
 - a) **County issued or other authorized firearm;**
 - b) **OC spray;**
 - c) **Baton or similar device;**
 - d) **Handcuffs or similar device; and**
 - e) **Other equipment approved by the Director.**

In addition, officers shall be allowed to use County radios for use at Jobs in Blue that enable the officer to communicate, at a minimum, with Union County Police dispatch.

Horizon MyWay HSA – how a claim is paid

www.HorizonMyWay.com

Step 1:

Horizon MyWay HSA member visits the provider of his/her choice for care. In-network preventive care is covered according to the member's contract.

Step 2:

The provider submits the claim directly to Horizon Blue Cross Blue Shield of New Jersey as they would for a Direct Access or PPO product. Horizon BCBSNJ reviews the member's benefits and pays the claim accordingly.

If the member has met their deductible, a payment will be mailed to the provider.

Step 4:

Member payment options include:

- Horizon MyWay Visa/debit card
- Mail-in Personal Check
- Cash/Other Personal Check

Step 3:

If there is any remaining member liability, the provider sends a statement to the member outlining any outstanding balance. The member also receives an Explanation of Benefits (EOB) from Horizon BCBSNJ.

The member submits the appropriate payment as outlined in the EOB directly to the provider. If HSA funds are available, the member may pay from their Horizon MyWay account.

Please note: Horizon BCBSNJ will not pay providers directly from the member's HSA. This is the member's responsibility.

Under certain conditions, coverage may be extended for qualified dependents up to age 31.
Pre-Existing Conditions	Not applicable
Grandfathered	Not applicable
Prior Authorization	Some services/procedures require prior authorization. For a complete list, contact our customer service number at 1-800-355-BLUE (2513) or refer to our website at www.HorizonBlue.com .
24/7 Nurse Line	24/7 Nurse Line is a health information service that includes a toll free 24 hour health information line staffed by registered nurses. 24/7 Nurse Line nurses do not diagnose or recommend any treatment. Instead, they provide the member with the necessary health information needed to make informed medical decisions. This helps members determine if their health ailment requires a doctor's visit.

You can save money when you choose to receive care from providers that participate in the Horizon BCBSNJ networks. When you use participating hospitals or other medical facilities or doctors, you generally only pay your copayment and any applicable in-network coinsurance or deductible. Generally, if you have services performed at an out of network facility or by an out of network provider, your out of network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNJ's allowable reimbursement for that particular service and this may result in significant out of pocket costs. You will be responsible to pay for this amount directly to the non-participating hospital, ambulatory surgery center or provider. By using our Horizon-BCBSNJ network providers, you keep your health care costs down.

Please note that the benefit highlights are provided for informational purposes. Horizon BCBSNJ makes every effort to provide clear and accurate information pertaining to these benefit highlights. However, because Horizon BCBSNJ generally expects continued guidance from regulators on issues pertaining to Federal health care reform, the information that has been provided is subject to change. Horizon BCBSNJ will provide notice of such changes to members pursuant to State and Federal requirements.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply. Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.
