PREAMBLE

This Agreement entered into this twenty-fourth day of June, 1991 by and between the Phillipsburg Board of Education, Phillipsburg, New Jersey, hereinafter called the "Board" and the Phillipsburg Educational Secretarial Association, hereinafter called the "Association".

ARTICLE I

RECOGNITION

A. The Board hereby recognizes the Association as the exclusive representative for collective negotiation concerning the terms and conditions of employment for all secretarial and clerical personnel, under contract, but excluding the Secretary to the Superintendent of Schools, the Secretary to the Board Secretary/School Business Administrator, and the Secretary to the Assistant Superintendent.

B. Unless otherwise indicated, the term "employee" when used hereinafter in this contract shall refer to the personnel represented by the Association in the negotiating unit as defined above. Any reference by pronoun contained herein shall be of the form "he/she", "him/her", etc.

ARTICLE II

NEGOTIATION OF A SUCCESSOR AGREEMENT

A. Not later than December of the last school year covered by this agreement, the Board agrees to enter into negotiations with the Association over a successor agreement. By the same date, the Association agrees to present to the Board its proposals for the successor agreement. Any agreement negotiated shall apply to all members of the negotiating unit, shall be reduced to writing, ratified by the Association and the Board and signed by both parties.

B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counterproposals. The Board shall make available to the Association for inspection at reasonable times that information which is available to the public.

C. Proposed terms and conditions of employment shall be negotiated with the majority representative before they are established.

D. This Agreement incorporates the entire understanding of the parties on all matters which were, or could have been, the subject of negotiations.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definition:

1. A "grievance" shall mean a claim in writing by an employee or group of employees that there has been to her or them misinterpretation, misapplication or a violation of any of the provisions of this Agreement or of written Board policy affecting terms and conditions of employment or of an administrative decision affecting her or them.

A grievance to be considered under this procedure must be initiated by the employee within thirty (30) calendar days of the time that the employee knows or should know of its occurrence; otherwise the same shall not include the following:

(a) Matters which according to law are beyond the scope of Board authority or which, by law, are limited to unilateral action by the Board alone.

(b) The failure or refusal of the Board to renew a contract of a non-tenure employee.

(c) A complaint by an employee occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.

2. A "Party" is a person or persons claiming the grievance and any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

B. Procedure:

1. It is agreed by both parties that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall...Permit the agrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

4. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. All time periods contained in this grievance procedure may be extended by mutual agreement of the parties in writing.

5. Any party may be represented at all stages of the grievance procedure by herself and/or a representative.

C. Level One:

Any employee who has a grievance shall discuss it first with her immediate superior in an attempt to resolve the matter informally at that level. The employee will state clearly that the matter may be considered a grievance.

Level Two:

If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) working days, she shall set forth within said five (5) working day period her grievance in writing to her immediate superior on the grievance forms provided in the administration manual. The immediate superior shall communicate his decision to the employee in writing with reasons within five (5) working days of receipt of the written grievance.

Level Three:

The employee shall, no later than five (5) working days after receipt of the immediate superior's decision (if same is not satisfactory) appeal the same to the Superintendent of Schools. The appeal to the Superintendent must be made in writing with carbon copy to the immediate superior setting forth the matter submitted to the immediate superior as specified above and the reasons for her dissatisfaction with the decision previously rendered. The Superintendent shall attempt to resolve that matter as quickly as possible within a period not to exceed ten (10) working days. The Superintendent shall communicate his decision in writing to the employee and immediate superior.

Level Four:

If the grievance is not resolved to the employee's satisfaction, she, no later than five (5) working days after receipt of the Superintendent's decision, may request a review and hearing by the Board of Education. The request shall be submitted in writing to the Board, care of the Board Secretary, with a copy to the Superintendent. The Board may consider the appeal on the written record submitted to it or the Board may, on its own election, conduct a hearing; and it may request the submission of additional written material. Where additional written materials are requested by the Board, copies thereof shall be served upon the adverse parties who shall have the right to reply thereto. If the Board elects to conduct a hearing, it shall be held within twenty-one (21) working days of the receipt of the grievance appeal by the Board. The Board shall make a determination within twenty (20) working days from the receipt of the grievance appeal, or from the receipt of the requested additional materials, or from the date of the hearing, whichever is later, and shall in writing notify all interested parties through the Superintendent of Schools of its determination.

Level Five:

(a) In any event any party is dissatisfied with the disposition of the grievance at Level Four and wishes review by a third party and the claim pertains exclusively to misinterpretation, misapplication or a violation of any of the provisions of this Agreement, she shall within five (5) working days after the decision by the Board, request in writing that the grievance be submitted to arbitration. Such request shall be accompanied by the written recommendation for such action by the Association.

(b) Within ten (10) working days after such written notice of request for submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. Having agreed to arbitrate, if the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator. The decision of the arbitrator shall be advisory only.

(c) The rules and procedures of the American Arbitration Association shall be followed by the arbitrator. The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by or violative of any law, or which is violative of the terms of this Agreement; and he shall have no power to add to or subtract from or modify any of the terms of this Agreement nor shall he in any case have power to rule on any issue or dispute excepted from this grievance procedure by any other provision of this Agreement, including any decision which may be under discretionary provisions of this Agreement.

D. Costs:

1. Each party shall bear the total cost incurred by it.
2. The fees and expenses of the arbitrator are the only costs which will be shared equally by both parties.

ARTICLE IV

EMPLOYEE RIGHTS AND PRIVILEGES

A. No employee shall be disciplined or have her compensation reduced without just cause. Any such action by the Board, or any agent or representative thereof, shall not be made public until formal action is taken by the Board and shall, at the option of the employee and/or Association, be subject to the grievance procedure herein set forth.

B. ARTICLE IX

In assigning overtime work, employees who are responsible for a particular project during their regular workday shall be assigned to any overtime work related to that project. If additional assistance is required, employees in the same work cluster shall be offered the opportunity to work overtime to provide that assistance. A "work cluster" means those jobs which share the same location in the district and which interact directly with the employee who has primary responsibility for the project. Such overtime work shall be offered to such employees only if they are capable of doing the work efficiently. Overtime shall be distributed according to seniority, starting with the most senior and going down the seniority list to the least senior, regardless of how many overtime assignments that takes until all employees in the cluster have been offered the opportunity, and then overtime shall again be offered to the most senior employee. "Seniority" is defined by the employees' consecutive years of experience in the district.

If current employees within the cluster are not capable of doing the overtime work efficiently, the administration has the right to utilize persons from outside the district to do the work.

Nothing in this section shall interfere with the right of the Board to hire temporary or per diem employees to work during the regular work day as needed.

ARTICLE X

SALARY AND EMPLOYMENT STATUS

A. Resignation:

An employee who wishes to resign from her position shall give two (2) weeks written notice to the Board. If proper notice has been given, such employee shall be paid for vacation earned in the school year of resignation according to the ratio that the number of full months worked in such school year bears to the number of months in the contract year.

B. Notification of Contract and Salary:

No later than June 15, employees shall be notified of their employment status for the following year and, if then known, of their salary status for the following year. Non-tenure employees shall notify the Superintendent of their acceptance of the position no later than five (5) days after receipt of such notice.

C. Increases on all guides shall be based on meritorious service. Favorable reports by the Superintendent and those charged with supervisory responsibility, and approval by the Board are a prerequisite to the granting of all increments in salary.

ARTICLE XI

VOLUNTARY TRANSFERS AND REASSIGNMENTS

(JOB POSTING)

A. All vacancies shall be posted by the Assistant Superintendent for a period of ten (10) calendar days. The job award will be posted within five (5) working days after being acted upon by the Board of Education at a place convenient to the Assistant Superintendent's office. It is understood that if there is no work available, the job award will be made to the successful bidder, but the employee will not be transferred to the new job until work is available. Management will advise the Association if there will be a delay in the transfer. In addition to seniority, the employee's ability to perform the posted job and qualifications for performance will be considered in making the award. In instances where ability would be relatively equal, seniority will govern. Ability will be determined by the Board or its duly authorized representatives. In the event of any disagreement, then the matter will be referred to the Superintendent of Schools and his decision shall be final. A successful bidder or employee awarded a job by transfer may not bid on another posted job for a period of six (6) months unless bidding for a higher rated job, in which case he or she may bid after three (3) months. After a job has been awarded to a successful bidder, he or she has to fulfill a probationary period of six (6) months during which time the Board or its authorized representative may re-assign or transfer the individual with or without his or her consent in the event the probationary period is not successful.

ARTICLE XII

Unused sick leave days shall be accumulated from year to year with no maximum limit.

B. Notification of Accumulation:

Daily pay is defined as seven (7) hours pay for 12-month secretaries and six (6) hours pay for 10-month secretaries.

Lacking such notice the absence will be considered unauthorized and the employee's pay will be deducted at a daily rate of 1/195 of the annual salary for 10-month employees and 1/260 of the annual salary for 12-month employees.

(2) Personal days will not be granted the day immediately preceding or following a vacation or holiday, except for appropriate reasons stipulated well in advance.

(3) The Superintendent of Schools, in the best interests of the school district, is empowered to deny any requests for the above days.

C. Up to five (5) days may be granted for death in the immediate family (husband, children and other members of the same home; father and mother; brothers and sisters; grandfather and grandmother; father-in-law and mother-in-law). The Superintendent may grant up to five (5) days when circumstances warrant.

D. Extensions to any temporary leaves of absence referred to in Sections A & B as outlined above may be amended at the discretion of the Superintendent of Schools.

E. Leaves taken pursuant to this Article shall be in addition to any sick leave to which the employee is entitled.

ARTICLE XV

EXTENDED LEAVES OF ABSENCE

MEMORANDUM

Reference: ARTICLE XIII - SICK LEAVE

The secretarial contract added a clause that states their conditions for unused sick leave upon retirement. Since non-certified personnel retire under different stipulations than certified staff in the State of New Jersey, the wording includes a phrase that suggests the fractional payment of unused days to be paid within a year and upon receipt of the employee's first retirement check. The language, in my opinion, provides a measure that verifies the employee's retirement. These initial retirement checks may take a minimum of three to four months and a maximum of twelve months to receive, with the former usually occurring if all paperwork is in order.
