1.2.2 "Teachers" shall refer to all employees required to have a New Jersey Department of Education certificate;

1.2.3 "Para-professional employees" shall exclude teaching personnel and all custodians and maintenance employees;

1.2.4 "Custodial employees" or "custodians" shall be limited to all custodians and maintenance employees.

1.3 Unless specifically stated otherwise, the term "employee" when used hereafter in the Agreement shall refer to all employees represented by the Association in the negotiation unit as above defined.

ARTICLE II NEGOTIATIONS PROCEDURE

2.1 The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws of 1974 in a good faith effort to reach agreement on all matters concerning the terms and conditions of employment. The Association shall submit to the Board, on or about January of the year of the expiration date of this Agreement, its complete list of demands. On or about February 15th, the Board and the Association shall begin negotiations on

a successor agreement during the interim period. Association Officers shall be available to meet with the Board, the Superintendent, or the Supervisor of Human Resources, as needed, for the purpose of clarification of demands. Any Agreement so negotiated shall apply to all employees within the Bargaining Unit, be reduced to writing, be signed by the Board and the Association, and be submitted to the Board for adoption after ratification by the Association.

2.2 The Board agrees not to negotiate said employees in the negotiating unit with any organization other than the Association for the duration of this Agreement. The Board and the Association also agree that all negotiations be conducted in private and that strict confidentiality be maintained by both parties. Nothing herein is to preclude either party from communicating with their respective members as to the progress and status of negotiations.

2.3 This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

2.4 Incident to negotiations, the Board will make available that information which is in the public domain and which is requested after reasonable notice by the Association.

ARTICLE III GRIEVANCE PROCEDURE

3.1 Definition

A grievance is a claim by an employee that he/she has suffered harm by the interpretation, application, or violation of policies, agreements or administrative decisions affecting him/her.

3.2 Procedure

A grievance to be considered under this procedure must be initiated in writing within the following time limits:

3.2.1 A grievance to be considered under this procedure must be filed with a Board representative in writing twenty (20) calendar days from the time when the grievant knew or should have known of its occurrence.

3.2.2 The number of days indicated at each level should be considered as maximum. The time limits specified may, however, be extended by mutual agreement in writing.

3.2.3 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.

3.2.4 Any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

3.2.5 The Association may initiate a grievance on behalf of a group of employees. If the grievance concerns a matter over which the Building Principal exercises control, the grievance shall be initiated on the Principal's level; otherwise, it may be initiated at the Superintendent's level. For grievances initiated for custodial employees, the grievance shall be first initiated at the Principal's level; otherwise, it may be initiated on the Assistant Superintendent of Operations' level.

3.2.6 Any grievant may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by the Association or a representative selected or approved by the Association.

3.2.7 When a grievant is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance, be notified by the Superintendent or the Supervisor of Human Resources, as the case may be, that the grievance is in existence. The Association shall have the right to be present and heard at any grievance hearing and may present its point of view in writing, to be attached to the grievance papers. (If the Association alleges the settlement to be a violation of the Agreement, It may, within ten (10) school days grieve the settlement.

3.3 When an employee has a responsibility to a Supervisor, he/she shall first discuss the grievance with such Supervisor, in an attempt to resolve the matter informally at that level. In any event, the Supervisor shall have five (5) school days within which to respond. If the grievant is dissatisfied with the response, he/she shall, within three (3) school days, arrange to meet as soon as possible with the Principal to discuss the grievance. When an employee has a responsibility to a Principal, he/she shall first discuss the grievance with the Principal.

3.3.1 The employee grievant, no later than six (6) school days after receipt of the decision of his/her Principal, may appeal the decision to the Superintendent. For custodial employees, a grievant may appeal the decision of the Building Principal, as the case may be, to the Director of Human Resources in accordance with the time provisions stated above. The appeal must be made in writing with a copy to the appropriate authority specifying:

- a. The nature of the grievance which will include a statement of the harm suffered by the grievant and the identity of the known individuals so harmed; and
- b. The remedy sought.

All grievances submitted also shall include a copy of the original grievance and any previously received written answers.

For all employees, the Supervisor of Human Resources shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the appeal. The Supervisor of Human Resources shall communicate his/her decision in writing to the employee grievant and the Association.

3.3.2 If the grievant is a non-tenured teacher and the grievance has arisen by reason of the non-tenured teacher not being re-employed, the meeting with the Board is the terminal step in

the grievance procedure, and the Board's decision shall be final and binding.

3.4 If the grievance is not resolved to the grievant's satisfaction, he/she, no later than five (5) school days after receipt of the Superintendent's or the Director of Human Resources' decision, may request a review by the Board. The request shall be submitted, in writing, through the Superintendent or Assistant Superintendent for Human Resources, as the case may be, who shall attach all related papers and forward the request to the Board. The Board or a committee thereof shall review the grievance and shall hold a meeting with the employee grievant and/or representative(s) and render a decision in writing and forward copies thereof to the grievant and the Association within thirty (30) calendar days of the hearing. The hearing shall be scheduled within the month that the request for review was received. The hearings will be held in Executive Session provided the request for review is received by the Board and/or before the first day of that month. Any request for review received after the first of the month shall cause the hearing to occur in the succeeding month. The Board retains the prerogative to set reasonable limits as to time and manner of presentation.

3.5 If the decision of the Board does not resolve the grievance to the satisfaction of the employee grievant and he/she wishes to have a review by a third party, and if the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent or the Director of Human Resources as the case may be, within twenty (20) calendar days of the receipt of the Board's decision; however, the Board's decision shall be final and binding on the grievance concerning:

3.5.1 Any matter for which a specific method of review is prescribed by law or any rule or regulation of the State Commissioner of Education.

3.5.2 A complaint of a non-tenured teacher which arises by reason of his/her not being re-employed or of being discharged during the school year.

3.6 If the grievance is not resolved by the decision of the Board, the Association shall have the right to seek arbitration under the rules of the New Jersey Public Employment Relations Commission. An arbitrator so appointed shall outline his/her findings of fact, conclusions and any award in a written opinion, which shall be issued within thirty(30) days from the close of the hearing: An arbitrator's failure to act within the said thirty (30) day period shall not void his/her award. All pertinent documents shall be exchanged within fourteen (14) calendar days before the first scheduled hearing dates.

3.7 The arbitrator shall limit themselves to the issue(s) submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The award of the arbitrator shall be binding.

3.8 The costs for the service of the arbitrator, including per diem expenses if any, actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

3.9 In the event a grievance by a ten month employee is brought up for consideration at the

end of a school year and if the Principal, as the case may require, is not available after the closing of school for procedures outlined in 3.3, the grievant may proceed directly to the procedure specified in paragraph 3.3.1 and "school days" shall read "calendar days", in which event Saturdays, Sundays and holidays shall not be counted in computing time.

3.10 All documents, communications, and records dealing with the processing of the grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3.11 All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives.

Any such action asserted by the Board or any agent or representative thereof shall be subject to the grievance procedure herein set forth, except that this provision shall not apply to the dismissal or termination of tenured staff members according to statute. the Opt Out entitlement once the Board discontinues the employee's Health Insurance coverage.

16.6.4 If administratively possible, a Flexible Savings Account (FSA) shall be available to all employees regardless of whether or not they choose to "opt out" of the insurance plans.

The Board's obligation for the cash option shall be prorated for the employee subject to a change in status. If the district's health plan does not accept the employee, the district will find a comparable plan and pay the premium up to the current amount paid for the employees in the district's plan. Additional costs above the current cost incurred will be the responsibility of the employee. The employee will be re-enrolled in the district's plan at the first permissible date.
