ASSOCIATION SECURITY

Section 1:

If an employee does not become a member of the Association during any membership year (from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for the membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

- A. Notification. Prior to the beginning of each membership year, the Association will notify the Township in writing of the amount of the regular membership dues charged by the Association to its own members for that membership year. The representation fee, up to 85% of Association dues, to be paid by non-members will be determined by the Association in accordance with the law.
- B. Legal Maximum. In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues charged by the Association to its own members and the representation fee may be set at up to 85% of that amount as the maximum presently allowed by law.
- C. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Township a list of those employees who have not become members of the Association for the then current membership year. The Township will deduct from the salaries of such employees, in accordance with Section 2 below, the full amount of the representation fee and will promptly transmit the amount so deducted to the Association.

Section 2:

The Township will deduct the representation fee in equal installments, as nearly as possible, from the paycheck paid each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- (a) Ten (10) days after receipt of the aforesaid list by the Township; or
- (b) Thirty (30) days after the employee begins his or her employment in a bargaining

unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Township in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

Section 3:

If an employee who is required to pay a representation fee terminates his or her employment with the Township before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Township will deduct the unpaid portion of the fee from the last paycheck to said employee during the membership year in question.

Section 4:

Except as otherwise provided in this Article, the mechanics for the deduction of a representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

Section 5:

The Association will notify the Township in writing of any changes in the list provided for in Section 1 above and/or the amount of the representation fee and such charges will be reflected in any deductions made no more than ten (10) days after the Township received said notice.

Section 6:

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Township will submit to the Association a list of all employees who began their employment in a bargaining unit position during the proceeding thirty (30) day period. The list will include names, job titles and dates of employment for all such employees. The Township further agrees to notify the Association in the event dues for an employee cannot be deducted from the designated salary and the reason therefore.

Section 7:

The Association shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6, and membership in the Association shall be available to all employees in the unit on an equal basis at all times. In the event the Association fails to maintain such a system or if membership is not so available, the Township shall

immediately cease making said deductions.

Section 8:

The provisions for collection and transmittal of this fee shall be governed by Chapter 233, P.L. 1969 (N.J.S.A. 52:14-15.9c). The Township's compliance with this procedure shall release the Township from any further liabilities and the Township shall not be a party to any litigation resulting from an individuals challenge of this Article of the Agreement.
