IV. GRIEVANCE PROCEDURE

1. PURPOSE.

- (a) The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment of Employees.
- (b) Nothing herein shall be construed as limiting the right of any Employee having a grievance, to discuss the matter informally with an appropriate representative of the Employer, within the presence of a PBA representative appointed by the President of the PBA, if requested by the Employee involved.

2. DEFINITION.

The term grievance as used herein means any dispute and/or controversy arising over the interpretation, application or alleged violation of the terms and conditions of this agreement or regarding employment of the application of any rules, regulations, policies and/or ordinance which effect a working condition or actual working conditions and may be raised by the Employee or PBA on behalf of an individual Employee, group of Employees or the PBA itself.
