THIS AGREEMENT, entered into this 18 day of May, 2010 by and between the CITY OF JERSEY CITY, in the County of Hudson, New Jersey, a Municipal Corporation of the State of New Jersey, (hereinafter called "The City"), and the JERSEY CITY FIRE OFFICERS ASSOCIATION, LOCAL 1064, I.A.F.F., AFL-CIO, CLC, (hereinafter called "the Union"), represents the complete and final understanding on all bargainable issues between the City and the Union. The terms "Fire Officer" and "Employee" shall be used interchangeably in this Agreement, and the term "male" shall refer to male and female as well. In addition, the term "Association" and "Union" shall be used interchangeably in this Agreement.

WITNESSETH:

WHEREAS, that for the purpose of mutual understanding and in order that a harmonious relationship may exist between the City and the Association to the end that continuous and efficient service will be rendered to and by both parties, for the benefit of both;

NOW, THEREFORE, it is agreed as follows:

ARTICLE 1
UNION RECOGNITION

A. The City hereby recognizes the Union as the sole and exclusive representative of all uniformed employees above the rank of Fire Fighter, in the Department of Fire, except for Chief and Chief of Fire Prevention, for the purposes of bargaining with respect to hours, wages and other terms and conditions of employment under Chapter 303 of the laws of 1968.

B. It is agreed that the titles of Chief, and Chief of Fire Prevention will no longer be included within the bargaining unit as set forth above. The Unit will consist of the ranks of Captain, Deputy Chief, Battalion Chief and Supervisor of Apparatus only.

C. The City agrees not to enter into any other Agreement or contract with its employees, as defined in Article 1 covered by this Agreement, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement.

ARTICLE 2
MAINTENANCE AND MODIFICATIONS OF WORK RULES

A. All conditions of employment relating to wages, hours of work, and general working conditions contained in the rules and regulations of the Fire Department, Ordinances or Resolutions of the City pertaining to Fire Officers, or written directives from the office of the Fire Chief, or Director of Fire, which are of universal application within the Fire Department, currently in effect, will be maintained for the life of this Agreement.

B. Proposed new rules or modifications of existing rules governing working conditions, as set forth above, which are not exclusively within the discretion of management, will be negotiated with the majority representative prior to implementation.

C. It is understood that Fire Officers are solely responsible for the cost of all communal meals and that they are required by the City to pay for those meals in the firehouses whether or not the individual chooses to eat the meals.

D. The change in the language of this Article from the language as it existed in the agreement for the period January 1, 1988 through December 31, 1990 will not be used by either party to this contract in any grievance or dispute that is pending as of February 10, 1993 and will not be interpreted to allow the City to change the current system of computing terminal leave under Article 26 of this contract.

ARTICLE 3
UNION PRIVILEGES

A. Authorized representatives of the Union, not to exceed three (3) at one time, shall be allowed to visit the Fire Headquarters, Fire Stations, Training School, and Director of Fire and Safety Service's Office, for the purpose of ascertaining whether or not this Agreement is being violated. This right shall be exercised reasonably. Upon entering the premises, the authorized representative(s) shall notify the Department Head, or in his/her absence, his/her authorized representative. He/she shall not interfere with normal conduct of work within the Department.

B. The President of the Union or his/her designee(s) shall be granted flexible time arrangements on a staff schedule (otherwise referred to as: "flex time"), in accordance with the provisions of Article 9(E), in performing his/her assigned Union duties and functions, and except in emergencies shall be entitled to administer the provisions of this Agreement. At the request of the Fire Director, the Union President or his/her designees shall supply the Fire Director with the hours worked. Fire Officers, not to exceed five (5), who are elected officers, delegates, trustees and/or alternates of the Union, shall be granted time off to attend conventions that are authorized by State law, providing Department operations are not impeded by the granting of such request. In addition to the foregoing, Fire Officers, not to exceed four (4), who are elected officers, delegates, trustees and/or alternates of the Association, upon approval of the Director of Fire and Safety Services, or his/her designee, shall be given time off to attend seminars which, in the discretion of the Director of Fire and Safety Services are of value to the Department or the Association. The request shall not be arbitrarily or unreasonably denied.

D. Two (2) members of the Union shall be granted time off to attend State Legislative sessions when bills affecting the welfare of the Union are on the agenda. Any employee attending such meeting or Legislative session shall provide written proof of attendance upon his/her return to work.

F. The Association shall be provided with bulletin boards in each station or facility and departmental headquarters for the posting of Association notices or other appropriate materials. Such bulletin boards shall be identified with the name of the Association, and the Association may designate persons responsible therefor. A copy of all such notices or other materials shall at the time of its posting be sent to the

Director of Fire or his/her designee, and he/she shall retain the right to have such notices or other materials which are detrimental to the good order of the Department removed.

G. I.A.F.F. Local 1064 shall be permitted to maintain offices at 139 South Street. However, if the City deems it necessary to sell or utilize said building for other purposes, I.A.F.F. Local 1064 shall be provided with comparable office space.

H. The Jersey City Firemen's Federal Credit Union shall be permitted to maintain offices at 666 Summit Avenue. However, if the City deems it necessary to sell or utilize said building for other purposes, the Jersey City Firemen's Federal Credit Union shall be provided with comparable office space.

ARTICLE 4 LEAVES OF ABSENCE

A. A leave of absence, without pay, for up to six (6) months may be granted for good cause to any Fire Officer who has been employed for a period of one (1) year. Said leave will be granted at the discretion of the City. The leave will be extended for up to an additional six (6) months. Such leave will not be arbitrarily withheld.

B. The Union will be notified immediately of the leaves of absence of any of the Fire Officers within the bargaining unit, also any extensions.

C. Fire Officers on leave of absence will not earn vacation time during such leave. Fire Officers' annual vacation leave will be pro-rated on a monthly basis.

D. The annual vacation leave, in accordance with Article 10, will be pro-rated, based upon the months actually worked.

E. Fire Officers on leave of absence will not receive paid or compensatory holidays during such leave. Holiday time granted pursuant to Article 20 will be reduced by the percentage of the year during which the Fire Officer was on leave. Both compensatory and paid days will be reduced pro-rata to effect the total reduction.

F. Any controversy involving a Fire Officer requesting or participating in a leave of absence shall be grieved in accordance with the grievance procedures set forth in Article 24 of this Agreement.

ARTICLE 5 DUES DEDUCTION

A. The City agrees to deduct from the salaries of its Fire Officers subject to this Agreement dues for the Union. Such deduction will be made in accordance with Chapter 310, Public Laws of 1967, N.J.S.A., 52:14-15.9(e), as amended. Said monies, together with the records of any corrections, will be transmitted to the Union office by the fifteenth (15th) of each month following the monthly pay period in which the deductions were made.

B. If, during the life of this Agreement, there will be any change in the rate of Fire Officers' dues, the Union will furnish to the City written notice thirty (30) days prior to the effective date of such change.

C. The Union will provide the necessary check-off authorization forms and deliver the signed forms to the Fire Department office. The Union will indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that will arise out of or by reason of action taken by the City in accordance with the instructions of the Union pursuant to this Article.

D. Pursuant to Chapter 295 of the Laws of 1977, the City will not deduct dues from the salaries of any Fire Officers in the negotiating unit for an organization other than the Union. Further, the City agrees to terminate all existing dues deductions from unit Fire Officers for organizations other than the Union on July 1 following a request to do so by the Union.

E. The City will deduct from Union member's salaries any assessments or additional dues deductions authorized by the Union's Executive Board following a written request from the Union.

F. Should the Union request the City take out additional dues during either both or one (1) of the non-pension pay periods they will be granted such a request provided a written request signed by the President of the Union with at least a forty-five (45) day notice.

ARTICLE 6 REPRESENTATION FEE

A. Purpose of Fee. If a Fire Officer does not become a member of the Union during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said Fire Officer will be required to pay a representation fee to the Union for that membership year. The purpose of this fee will be to offset the Fire Officer's per capita cost of services rendered by the Union as a majority representative.

B. Amount of Fee.

1. Notification. Prior to the beginning of each membership year, the Union will notify the City in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

2. Legal Maximum. In Order to adequately offset the per capita cost of services rendered by the Union as majority representative, the representative fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Union to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Union membership year immediately following the effective date of the change.

C. Deduction and Transmission of Fee.

1. Notification. Once during each membership year covered in whole or in part by this Agreement, the Union will submit to the City a list of those Fire Officers who have not become members of the Union for the then current membership year. The City will deduct from the salaries of such Fire Officers, in accordance with paragraph 2 below, the full amount of the representation fee, and promptly will transmit the amount as deducted to the Union.

2. Payroll Deduction Schedule. The City will deduct the representation fee in equal installments, as neatly as possible, from the paychecks paid to each Fire Officer on the aforesaid list during the remainder of one membership year in question. The deductions will begin with the first paycheck paid:

(a) 10 days after receipt of the aforesaid list by the City

or

(b) 30 days after the Fire Officer begins his/her employment in a bargaining unit position, unless the Fire Officer previously served in a bargaining unit position and continued in the employ of the City in a non-bargaining unit position, or was on layoff, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the Fire Officer's employment in a bargaining unit position, whichever is later.

3. Termination of Employment. If a Fire Officer who is required to pay a representation fee terminates his/her employment with the City before the Union has received the full amount of the representation fee to which it is entitled under this Article, the City will deduct the unpaid portion of the fee from the last paycheck paid to said Fire Officer during the membership year in question.

4. Mechanics. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

5. Changes. The Union will notify the City in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any notice.

6. Indemnification. The Union will indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that will arise out of or by reason of action taken by the City in accordance with the instructions of the Union pursuant to this Article.

ARTICLE 7 NON-DISCRIMINATION

A. Neither the City nor the Union will discriminate against any Fire Officer due to that employee's membership, non-membership, participation, lack of participation, or his/her refraining from activity on behalf of the Union.

B. The City will have the right to take disciplinary action in accordance with City policy, the Rules and Regulations of the Department, and Civil Service Rules, for just cause. This paragraph shall only apply to disciplinary action which is not reviewable by appeal to the State of New Jersey, Department of Personnel.

ARTICLE 8 MANAGEMENT RIGHTS

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the City, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith will be limited only to the specific and express terms of this Agreement, and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of New Jersey and of the United States.

C. The City will publish a Book of Rules after consultation with the Jersey City Fire Officers Association, Local 1064, I.A.F.F., AFL-CIO, CLC, and distribute copies to all Fire Officers, who shall sign receipts for their copy and be responsible for its content. Upon severance for any reason, the Fire Officer shall return the Book of Rules. Failure to return the Book will result in withholding of any payments due the Fire Officer.

D. The appearance, length and style of hair of Fire Officers under the jurisdiction of this Agreement will be that as described in Fire Department General Orders and as may be amended from time to time after consultation, with the Union.

3. A Fire Officer assigned to this work week schedule shall be entitled to one (1) forty-five (45) minute lunch period during his/her eight (8) hour shift. This lunch period shall be scheduled on a staggered basis during the middle of the work day.

4. Special assignment Fire Officers (detail personnel) shall be subject to temporary reassignment-as line Fire Officers with a temporary change in work schedule to that of line Fire Officers upon seventy-two (72) hours notice provided that any such temporary reassignment and change in work schedule shall be for a period of no less than one (1) eight (8) week cycle and provided that any such temporary reassignment shall not be used as part of a disciplinary action.

D. Fire Officers will be entitled to up to ninety (90) minutes early relief upon the arrival of his/her relief, provided no claim for overtime compensation results from his/her relief.

E. Eight (8) hours a day for five (5) consecutive days. In the event that the Jersey City Fire Department decides to change the work schedule for a Fire Officer assigned to the Arson Investigating Unit from one duty schedule to the other duty schedule, the Jersey City Fire Department will provide the Fire Officer in question, as well as the Union, thirty (30) days notice in advance of such change.

ARTICLE 10 VACATIONS

A. All current and future members shall receive twelve (12) twenty-four (24) hour tours of vacation annually. It is explicitly agreed that a Fire Fighter who is promoted into the Fire Superior Officers bargaining unit, shall have his/her vacation established at twelve (12) twenty-four (24) hour tours as per this paragraph even if doing so requires a reduction in that promoted Fire Fighters vacation.

B. On January 1, vacation time for each Fire Officer becomes vested for the ensuing year, except that, effective March 1, 1993, Fire Officers retiring or otherwise leaving the payroll before July 1, of any year shall receive 50% of the unused vacation time that accrued as of the January 1 of the final year of their employment. Fire Officers leaving the payroll on or after July 1, of any year shall receive 100% of the unused vacation time that accrued as of the January 1 of the final year of their employment.

C. 1. All vacations shall be drawn by lot. There shall be three (3) drawings for the order of choice. Effective with the vacation drawing, Fire Officers may request to defer two (2) or four (4) twenty-four (24) hour tours of vacation to the Spring (#1) or Fall (#3) vacation periods in lieu of the Summer (#2) vacation period. Such requests must be submitted to the Division Chief before any part of the vacation lottery begins.

2. One (1) additional vacation slot will be assigned during each off season vacation period for these vacations, namely, ten (10) in the Spring (#1) and five (5) in the Fall (#3).

3. These slots may be used only for this purpose.

D. In order to prevent the depletion of manpower below critical limits, the following shall apply:

1. For off season vacations, no more than one (1) Deputy Chief, City-wide, shall be on vacation at any one time. No more than one (1) Battalion Chief shall be off at any one time. Captains'

vacations shall be limited to the quotient of the number of Captains in a Battalion utilizing the vacation period divided by:

ten (10) in period #1
five (5) in period #2
six (6) in period #3

2. For summer vacations, selection of vacation shall commence with the higher ranks. Deputy Chiefs shall arrange their vacation schedule so that no more than one (1) Deputy Chief in the same group is off at the same time. Battalion Chiefs shall then pick their vacations at their Division Office. In drawing Battalion Chief vacations, due regard shall be given to the necessity for one (1) Battalion Chief in each Division being required to act as Deputy Chief. The necessity for replacement of Battalion Chiefs by Captains acting as Battalion Chiefs shall be considered in the drawing for Captains' vacations, and the absence of any Battalion Chief acting as Deputy Chief shall be offset by limiting of such periods available for selection by Captains.

3. Captains shall draw in their respective Battalions by groups and in their respective Battalion Chiefs presence. Summer vacations for Captains shall be limited to the quotient of Captains in the Battalion utilizing the vacation period divided by six (6).

4. Fire Officers on special assignment shall be entitled to the number of consecutive days to which line members are entitled.

5. After vacations have been selected, approved and submitted, they may not be exchanged, except for reasons classified as "extenuating circumstances" (including sick leaves) satisfactory to and approved by the Chief of Department.

6. Military leaves shall not interfere with vacations.

7. Vacations for Chief Officers without permanent assignments shall be handled through the Office of the Chief of Department.

8. Company Officers with temporary assignments shall pick in the Battalion draw as if the assignment were permanent.

9. Tabulations of vacation drawings shall be forwarded to the office of the Chief of Department.

E. Annual vacation for Detail Personnel and Fire Officers assigned to Central Office shall be adjusted to conform as closely as possible to equal the number of calendar days granted to line Fire Officers.

F. 1. Any Fire Officer beginning his/her tenth (10th) year of service will have the option of deferring his/her vacation to a maximum of eighteen (18) days.

2. Fire Officers may defer an entire vacation (12 days) to be accrued for retirement purposes, or they may elect to defer one (1) vacation period per year until a maximum of eighteen (18) days are deferred.

3. Any Fire Officer who has already served more than twenty-two (22) years and has deferred his/her vacations, will be allowed to apply these vacations toward the twenty-three (23) day maximum deferral for the year 2001, and eighteen (18) twenty-four (24) day maximum deferral for the year 2002 provided that vacations deferrals in years beyond 2002 shall be in accordance with section F.1 of this paragraph.

4. Fire Officers wishing to participate in this program must notify the Office of the Chief in writing during December of the year before they wish to start deferring vacations.

5. Fire Officers may convert two (2) or four (4) Summer vacation days into compensatory days. For the conversion of two (2) vacation days, one (1) additional terminal leave day will be granted. For the conversion of four (4) vacation days a total of two (2) terminal leave days will be granted. Fire Officers must file their request for such a conversion (vacation days to compensatory days) through the Office of the Chief of Department prior to vacation picks. Should any portion of the converted days not be utilized during the calendar year, they will be cashed in at the next calendar year compensatory time buy back.

Also, Fire Officers may request to convert two (2) twenty-four (24) hour tours of vacation from the Spring vacation period to compensatory days. Should any portion of the converted days not be utilized during the calendar year, they will be cashed in at the next calendar year compensatory time buy back.

6. The City will supply all Fire Officers a written record of all deferred vacations as of January 31st of each year.

ARTICLE 11 INSURANCE & BENEFITS

A. Whenever Fire Officers are required to use their personal vehicles in the scope of their employment, the City will provide liability insurance coverage on said personal vehicles, so that the Fire Officers will not suffer economic damage for having to use their cars in the scope of their employment. Any such use of personal vehicles shall be authorized in writing by the Director of Fire.

B. The City will supply to Fire Officers all necessary legal advice and counsel in the defense of or the settlement of claims for personal injury, death or property damage arising out of or in the course of their employment, and the City will pay and satisfy all judgments, except punitive damages, against the Fire Officers from such claims.

C. Hospitalization:

1. Commencing on the effective date of this Agreement, all new hires shall be entitled to the Direct Access Blue Cross/Blue Shield Plan, or one of the HMO Plans offered at the time of the effective date of this Agreement at the employees choosing, paid for by the City. All active employees shall be transferred to the currently offered Direct Access Blue Cross/Blue Shield Plan, or one of the HMO plans offered at the time of the effective date of this Agreement, at the employee's choosing, no later than July 1, 2010.

2. The City reserves its right to change the carrier with whom it contracts to provide these services for its employees. The level of benefits will be substantially equivalent to those provided on the date immediately preceding the effective date of any change. In the event the City decides to change insurance

carriers, it will provide notice of the change to the Union and a comparison of benefits at least thirty (30) days prior to the implementation of the change.

D. Life Insurance. The City will provide for life insurance in the amount of \$10,000.00 and additional accidental death and dismemberment insurance in the amount of \$10,000.00 for each Fire Officer. It is the intent of the City to provide each Fire Officer with a \$5,000.00 life insurance policy upon regular retirement, provided that this is not in conflict with State law.

E. The benefits and protection of N.J.S.A. 40A:14-16, as amended, are to be afforded Fire Officers as if set forth in full herein.

F. Optical. The maximum optical reimbursement will be \$125.00 per calendar year for each Fire Officer, spouse or dependent child.

G. Prescription Plan.

Effective July 1, 2010, the City will provide a prescription drug plan for active employees with the following co-pays that apply on a per prescription basis:

	RETAIL	MAIL ORDER
Generic Drugs	\$2.00 co-pay retail for prescriptions up to thirty (30) days supply.	\$1.50 mail order co-pay per thirty day supply prescription. Total ninety (90) day mail order would amount to \$4.50 in co-pay.
Brand Drugs	\$20.00 co-pay retail for prescriptions up to thirty (30) days supply.	\$13.00 mail order co-pay per thirty day supply prescription. Total ninety (90) day mail order would amount to \$39.00 in co-pay.

Total ninety (90) day mail order would amount to \$150.00 in co-pay.

It will be mandatory for all drugs that are defined as maintenance drugs by the United States Food and Drug Administration (FDA) to be bought through mail order (when available). However, the co-pay on the first two prescriptions filled on any maintenance drug, whether that drug is over one thousand dollars (\$1,000) in cost or not, will be at the retail co-pay rate for either a generic or brand drug following which the employee will be responsible for the mail order co-pays set forth above depending on the cost of the particular drug.

H. Retirees and their eligible dependents will be provided with the prescription coverage as set forth in Paragraph G above. In addition, retirees shall have an annual maximum out-of-pocket Cap of \$1,082.00 per person for prescription drug co-payments. Once a retiree or dependent has paid \$1,082.00 in co-payments in a

calendar year, that person is no longer required to pay any prescription drug co-payments for the remainder of that calendar year. Nothing in this section shall preclude the City from negotiating a change in the cap on prescription drug co-payments.

I. Dental Plan.

1. Active Employees: The City will continue to provide the currently effective dental benefit program with both open and closed dental plans. The dental benefit CAP for the open plan is two thousand dollars (\$2,000).

2. Retired Employees: The City shall offer retirees an option to enter the open dental plan, at the retiree's own expense. Retirees may enroll upon retiring or during the open enrollment period.

3. Any retiree who enrolled in the closed plan prior to the 1st of January, 2010, may continue in that plan upon renewal. However, this plan will no longer be made available to employees subsequent to the 1st of January, 2010. Any retiree who is in the closed plan may opt into the open plan during the open enrollment period. Should the insurance carrier at any time opt to terminate the closed plan, enrollees in the closed plan will have the option of moving into the open plan.

J. The City will pay the cost of health insurance for all retirees and their eligible dependents so long as the retiree has retired from the City on a disability pension or has retired from the City after twenty-five (25) or more years service credit in the Police and Fire Retirement System. The City and the Union may agree to permit a retiree who does not meet the above requirements to participate in the City's health insurance and prescription drug plan at his/her own cost.

K. Fire Officers must be on the payroll since the first pay of the month to be eligible to receive the benefits for that month.

L. The City may undertake to provide directly the benefits provided through the Funds. This option shall be available upon the condition that the benefits put forth by the City are equal to or better than those currently provided by the Fund, and is in the nature of an "open panel" program. The Union shall have the right to negotiate with the City as to the equality of the level of benefits. Should these negotiations reach an impasse, either party may submit the matter to arbitration in accordance with the grievance procedure set forth in Article 24.

M. The City and the Union agree to the continued existence of an Employee's Assistance Program. It is understood that the Employees' Assistance Program will provide a maximum of two (2) entries into the program with a maximum duration of forty-five (45) calendar days of in-patient care for each entry, except that entry into the EAP shall not prevent, hinder or delay the filing of appropriate disciplinary action against any Fire Officer. All other details of the program will be as agreed to by the Union and the City from time to time.

N. Uniforms.

(a) Effective January 1, 2010, Fire Officers will be provided with a sum of one thousand dollars (\$1,000) clothing maintenance. The sum of five hundred dollars (\$500) will be paid on the first Thursday after the Council meeting in January and the additional five hundred dollars (\$500) will be paid on the first Thursday after the Council meeting in July for the duration of this agreement.

(b) There will be negotiations prior to any uniform changes which involve the safety of Fire Officers.

(c) All protective equipment and three (3) sets of work station uniforms will be supplied by the City to each Fire Officer, including one (1) work jacket, one (1) baseball cap and one (1) pair of safety shoes and full protective equipment, including helmet, turnout coat, bunker pants, suspenders, boots, two (2) pairs of gloves, a PASS alert device and escape rope. Only to the extent there is any money unused by Fire Fighters will the Fire Officers be entitled to its use. Effective January 1, 2010, there will be an individual cap of Three Thousand Five Hundred Dollars (\$3,500.00) for each Fire Officer per calendar year.
