Section 4.02

In order to safeguard fundamental rights for law enforcement officers employed by the City of Trenton, it is agreed that:

1. Except when on duty or acting in his official capacity as a law enforcement

officer, no law enforcement officer shall be prohibited from engaging in political activity, provided his position as a law enforcement officer is not used in any way whether directly or indirectly, while engaging in said political activities. As employed herein, the term "law enforcement officer" shall mean any member of the Trenton Police Division whose primary duties and responsibilities are the enforcement of the laws and regulations of the State of New Jersey and the protection of the life, peace and property of its citizens; and is empowered by State statute to act for the arrest, detention and conviction of persons violating the laws. It is understood that a police officer, shall not engage in any political activity or hold any public office which would violate the statutory or common law of New Jersey.

2. Whenever a law enforcement officer has received notice that he is under normal investigation after receipt of a filed Notification of Complaint for alleged malfeasance, misfeasance, nonfeasance of official duty with a view to possible disciplinary action, demotion, dismissal, or criminal charges, the following minimum standards shall apply:

- a. Any formal interrogation of a law enforcement officer whether as a subject of the investigation or as a witness, shall take place at the location designated by the investigatory officer, except it shall not be conducted at the law enforcement officer's home unless the home is specifically involved in the complaint, and preferably when the employee is on duty. A member of the Division shall be compensated for lost time occurring from investigations in accordance with existing Division Policy. The questioning of an officer shall be conducted at reasonable hour in a non-coercive manner, without threat or

promise of reward. The questioning shall be of a reasonable duration and rest periods allowed. Time shall be provided for personal necessities, meals and telephone calls as are reasonably necessary. The law enforcement officer shall be entitled to the presence of his counsel or any other one person of his choice at any interrogation in connection with the investigation.

b. The law enforcement officer being investigated shall be informed at the commencement of any interrogation of the nature of the investigation including whether the officer is a target of the investigation, if known, the statute rule or regulation allegedly violated, if known, the names and addresses of the complainant, and the identity and the authority of those conducting the investigation. This shall not preclude the employer from subsequently modifying, amending or changing the statute, rule or regulation under which the charges are brought. Also at the commencement of any interrogation of such officer in connection with any such investigation, the officer shall be informed of the identity of all persons present during such interrogation. All questions asked in any such interrogation, whenever practicable, shall be asked by or through a single interrogator.

c. No formal hearing by means of which a law enforcement officer may be disciplined or penalized may be brought except upon charges signed by the persons making those charges.

d. The interrogation of the employee concerned shall be recorded mechanically or by written form. "Off the record" questions shall not be permitted. Any recesses called during the interrogation shall be recorded.

- e. If an officer is placed under arrest or is likely to be placed under arrest for a criminal offense, he shall be afforded all constitutional rights and, in addition, he shall be given the following warning prior to the commencement of any interrogation:

You are entitled to all the rights and privileges guaranteed by the laws of the State of New Jersey, the Constitution of this State and the Constitution of the United States, including the right not to be compelled to incriminate yourself and the right to have legal counsel present at each and every stage of this investigation. I further advise you that if you refuse to testify or to answer questions relating to the performance of your official duties, you will be subject to Departmental charges which could result in your dismissal from the Police Division. If you do answer questions, neither your statements nor any information or evidence which is gained by reason of such statements can be used against you in any subsequent criminal proceedings. However, these statements may be used against you in relation to subsequent Departmental charges."

- f. It is understood that the provisions of paragraph two above shall not preclude initial or preliminary inquiries by the employer and shall only apply upon the commencement of a formal investigation or the filing of a complaint.
3. All investigations against law enforcement officers shall be conducted expeditiously. At least every two months after the commencement of such investigation, as determined by the date that the notification of complaint is

served upon the officer, the officer, if he so requests, is to be informed of the status of the pending investigation. If charges are to be brought against the officer, they should be brought as promptly as possible to ensure that no unnecessary delay occurs which might prejudice the officer's defense and unless unusual circumstances exist, no officer should be prosecuted by the department for the alleged infraction of any rule if more than 90 days transpire between the date the Chief, Deputy Chief or appropriate Captain had knowledge of the alleged infraction by virtue of information that is normally transmitted to him by routine administrative process and the service of the preliminary notice of disciplinary action.

4. The Internal Affairs Unit, or other Police investigation agencies shall remove from his personnel file all papers, files, reports, notes and copies thereof relating to an investigation of a police officer when the investigation does not result in any disciplinary action or when the officer is exonerated. These items, if retained, shall be maintained separate and apart from the personnel file. The officer may on proper notice inspect these materials at the discretion of the Chief of Police.
5. No law enforcement officer shall be required to disclose, for the purpose of promotion or assignment, any information concerning his property, income, assets, debts, or expenditures or those of any member of such officer's household, except where such information relates directly to the officer's assignment or duties.
6. There shall be no penalty nor threat of any penalty for the exercise by law-enforcement officer of his rights under the Bill of Rights.

ARTICLE V

PAY TREATMENT FOR EXTENDED ILLNESS

Section 5.01

The Employer agrees to pay employees at their regular rate of pay during periods of disability due to illness, injury or recuperation therefrom for a maximum period of one year from the date of such disability, provided such employee is incapable of performing his duties as a police officer and that such disability is established by a competent physician.

Section 5.02

The Employer may require at any time during the period of such extended disability as described in Section 5.01 above, that the employee be examined by a physician selected by the Employer for such purpose.

Section 5.03

The Employer retains the right to extend this period payment for disability due to illness or injury beyond one year at its own discretion.

Section 5.04

In the event a disagreement arises with respect to the existence or extent of the disability, such issue shall be determined by a physician agreed to by and between both of the parties to this agreement, i.e., the Employer and Association.

Section 5.05

A permanent employee who enters retirement pursuant to the provisions of a State administered or approved retirement system and has to his credit any earned and unused accumulated sick leave, shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave.

The supplemental compensation to be paid shall be computed at the rate of one-half of the eligible employee's daily rate or pay for each day of earned and unused accumulated sick leave, based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such supplemental compensation payment shall exceed \$12,000.00 for employees retiring in 1993, or \$15,000 for employees retiring in 1994 and increasing to \$18,000, effective January 1, 1996. Effective July 1, 1999, the supplemental compensation payment at retirement shall be increased to \$20,000.

This supplemental compensation shall be paid in a lump sum after the effective date of retirement or death, or as may be elected by the employee deferred for one (1) year.

Because of the past performance of the person retiring taking time off in his final year, a clause was built in to prevent this and as follows:

In the 12 months prior to retirement the following will prevail:

1st 15 sick days no penalty

16 to 45 days 50% of daily rate will be deducted from buy back

46 to 60 days 75% of daily rate will be deducted from buy back

61. +days 100% of daily rate will be deducted from buy back

For the purpose of calculating accrued sick time, employees will be deemed to have earned 12 sick days for the first year of service and 15 days per year thereafter. Usage will be based on Police Division records.

Section 5.06

Sick leave verification shall be required after three days' use of sick leave and the "three instances-rule" shall be abolished.

Employees may utilize up to three (3) single use sick days during the course of a calendar year.

Section 5.07

Officers on Workers Compensation shall receive their full salaries, minus normal payroll deductions, and shall sign over their Workers' Compensation checks to the City.

Section 5.08

The City may, during the term of this agreement, substitute a disability insurance program for the extended illness benefit provided for in Article V as long as the benefits provided are substantially equal. The disability insurance program will provide that, an employee shall receive full pay from the insurance company for a period of up to one year under the terms of the policy. The disability payments will be done in a manner so as not to affect the employee's pension contributions.

ARTICLE VI

UNION SECURITY - CHECK-OFF

Section 6.01

Insofar as permitted by law, the Employer agrees to deduct from the pay of all employees of the Division of Police who are members of the Association initiation fees, dues and assessments as required by the Association constitution and By-Laws and other Association rules and regulations duly enacted. All such deductions shall be paid over to the properly designated Association official monthly on a regularly recurring basis.

The Union shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of any action taken or not taken by the Employer in conformance with this provision. The Union shall intervene in and defend any administrative or court litigation concerning this provision.

Section 6.02

Any employee in the Bargaining Unit on the effective date of this Agreement who does not join the Union within thirty (30) days thereafter, any new employee who does not join within ninety (90) days of initial employment within the Unit, and any employee previously employed within the Unit who does not join within ten (10) days of reentry into employment within the Unit shall, as a condition of employment, pay a representation fee to the Union by automatic payroll deduction. The representation fee shall be in an amount equal to eighty-five percent (85%) of the regular union membership dues, fees, and assessments as certified to the Employer by the Union. The Union may revise its certification of the amount of the representation fee at any time to reflect changes in the regular union membership dues, fees, and assessments. The Union's entitlement to the representation fee shall continue beyond the termination date of this agreement so long as the Union remains the majority representative of the employees in the Unit, provided that no modification is made in this provision by a successor agreement between the Union and the Employer. For the purposes of this provision, employees employed on a ten (10) month basis or who are reappointed from year to year shall be considered to be in continuous employment.

The Union shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of any action taken or not taken by the employer in conformance with this provision. The Union shall intervene in, and defend any administrative or court litigation concerning this provision.

ARTICLE VIIHOURS OF EMPLOYMENTSection 7.01

Normal hours of employment shall not exceed eight (8) consecutive hours in any one day, nor forty (40) hours in any one week, or six (6) days in any one week.

Section 7.02

a. (1) For the period January 1, 2015 through July 1, 2015, the work schedule for members the Patrol Division, Detectives assigned to the Criminal Investigations Bureau (CIB) (Personnel Classification Order CIB-DA-09-010), and for members assigned to Detention will be a schedule of four (4) consecutive days or nights of ten-hour shifts, and then four days off, according to the terms and conditions set forth below:

The times for the ten-hour shifts shall be 7:00 am to 5:00 pm, 11:30 am to 9:30 pm, 5:00 pm to 3:00AM, and 9:30 pm to 7:30 am. The City may revise existing starting times for shifts or establish new shifts within the four consecutive days/nights on, four consecutive days/nights off work schedule (five on, two off work schedule for administrative positions), provided that any such new shift is necessary to meet legitimate service needs or is determined by the City to be necessary for implementation of a full community policing strategy, and provided further that within any single four-day work cycle, the starting and ending times shall not vary by more than plus or minus one half-hour, and provided further that within any single four-day work cycle, the starting and ending time shall not be revised by more than plus or minus one-half hours from the existing shifts. The City shall provide the TSOA with 30 days advance notice of new or revised shifts, except in emergency situations. Other than start times, there shall be no change in the four on - four off patrol and five on - two off administrative work schedules.

(2) Effective July 1, 2015 Officers assigned to Patrol Division shall work steady shifts of twelve (12) hours each, in accordance with the Pittman Schedule (as generally described on the Attached Exhibit B). The Pittman schedule will start on Monday. There will be 3 Patrol Shifts, starting at 6:00 am, 3:00 pm and 6:00 pm. The Department may revise existing starting times for shifts or establish new shifts under the Pittman schedule, provided the new shifts start on Monday and the adjusted starting times are within one (1) hour and are for legitimate service needs.

(3). Each officer will be assigned a set shift, and will not be rotated through different shifts. The number of officers assigned to each shift will be at the City's discretion. For the initial assignment of members, and for reassignments as vacancies occur, consideration will be given to the shift preferences of individual members based on seniority to the extent practical, but the City will have the final authority to make such assignments to ensure the efficient and effective operation of the Department.

(4) Conditions Lieutenants may be assigned to the 4/4 schedule.

b. (1) Because the schedule in effect from January 1, 2015 through July 1, 2015, requires fewer weekly hours worked by members of the Patrol Division and does not provide sufficient manpower to allow training during normal work hours, members will be required to report for certain training outside normal working hours at no additional compensation. This training, on an annual basis, will consist of two days of firearms training and qualification, and up to 40 hours of other training mandated by the City, to be scheduled in blocks of not less than four hours, as ordered by the Police Director or his designee. It is anticipated that training for anyone not on the 4 on 4 off schedule will be on their tour of duty. For those on the 4 on 4 off schedule, training to the extent possible, will be on their tour of duty.

Training hours unused in one calendar year shall not be carried over into the next calendar year, unless a member misses scheduled training in a year due to illness or injury. Members will

be given no less than three days' notice of training sessions outside their normal work hours. Such training will not be scheduled while members are on approved vacation. K-9 training will be scheduled during work hours; K-9 officers not working days will be assigned to day shift, if necessary, for four consecutive days to complete training.

Members assigned to attend training seminars over a multiple day period, will be placed on a traditional steady-day schedule for the duration of such training. (Award 2009)

Effective July 1, 2015, all training will be done during employees' scheduled work hours and

(2). Effective with the implementation of the Pitman Schedule, One Hundred and Ten (110) hours of administrative time shall be given to each officer assigned to patrol, five (5) twelve (12) hour days off to be scheduled by the Department, and four (4) twelve (12) hour days to be scheduled in accordance with the Department's current vacation Scheduling procedures, provided (1) no overtime is created by way of use of such days, and (2) these days may not be carried over. It is the intent of the parties that each officer will be scheduled to work, after the application of administrative time a total of 2080 per year.

c. (1). For the period January 1, 2015 through July 1, 2015, both parties recognize that institution of this 4 on 4 off schedule results in a 204 -hour difference between those on the 4 on 4 off schedule and those on other schedules. To adjust for this inequity it is agreed that the Police Director has the authority to equitably adjust the schedule of those not on 4 on 4 off in an amount of 176 hours of administrative time to allow them to obtain some equality with those individuals on the 4 on 4 off schedule, in accordance with the provisions of paragraph e, below.

These adjustments will not result in the accruing of time or days for which the City of Trenton will be responsible for compensating individuals who are not on the 4 on 4 off schedule. The officers who may be subject to these adjustments do not have the ability to seek

compensation for the inequity in schedules from the City as the 4 on 4 off schedule was approved and negotiated with the understanding that differences in hours would exist. There is similarly no entitlement to this adjusted time at time of an officer's retirement, death or illness. The record, accounting and dispersal for such time are the sole responsibility of the City. If an individual transfers from being on the 4 on 4 off schedule to another schedule, the time will be prorated accordingly.

In return for implementation of this 4 on 4 off schedule and the agreed upon adjustment to be made by the Police Director, the union will not support a grievance by one of its members or file a grievance challenging the discrepancy in the hours between those on the 4 on 4 off schedule and any other schedules.

The adjustment provided in this sub-section will be deleted as of July 1, 2015.

(2). Effective July 1, 2015, Non-Patrol officers shall work steady day shifts of eight and one-half (8 ½) hours each, Monday through Friday. Non-patrol officers on administrative shifts would have the 13 City approved holidays off and will have two (2) eight and one-half (8 ½) hour days off to be scheduled in accordance with the Department's current vacation scheduling procedures, provided (1) no overtime is created by way of use of such days, and (2) these days may not be carried over. In return for implementation of the new administrative schedule and the agreed upon adjustment to be made, the union will not support a grievance by one of its members or file a grievance challenging any discrepancy in the hours between those on the new administrative schedule and any other schedule. (MOA 2015)

d. For the period January 1, 2015 through July 1, 2015, all officers working the 5-2 schedule and entitled to 176 hours of administrative time per year shall receive such time as follows effective January 1, 2009. The adjustment provided in this section will be deleted as of July 1, 2015.

i. Nine (9) days per year taken at the officer's choice, provided (1) no overtime is created by way of use of such days, and (2) at least one week's advance notice is provided except in emergent circumstances, and (3) one-half of the nine-day allotment is used before July 1st. These days may not be carried over. (Award 2009 and MOA 2015)

ii. Thirteen (13) days of administrative time shall be assigned by the Police Director or his designee in either full (8 hour) or one-half (4 hour) day allotments.

Section 7.03

The official of the Employer having charge of the Division of Police may, in the case of an emergency as defined by the applicable Statutes of the State of New Jersey, summon and keep on duty any and all officers of the Division as such emergency shall require. In such event the official having such authority shall first make a formal declaration of the nature and extent of the emergency and all officers of the Division thus summoned or kept on duty shall be entitled to receive overtime pay as hereinafter set forth for all time worked over the normal hours of employment as above defined.

Section 7.04

Whenever an officer of the Division of Police, as part of his duties, shall be required to appear before any grand jury or at any Municipal, County, State, Superior or State Supreme Court or any Federal Court proceeding, except as a witness in a civil action which does not arise from the performance of duty, the time during which he is so engaged shall be considered a time of assignment to, and performance of his regular assigned duty hours the time so spent (from the time of reporting at the Court until the time excused) shall be included as part of his hours of employment for that pay period and shall be deemed overtime.

In addition to compensation for the actual time of reporting to County, State or

Federal Court, and until the time excused from the said Courts as set forth in this section, a member of the Division of Police is entitled to an additional one hour of compensation, representing 1/2 hour prior to and 1/2 hour subsequent to the actual court time for the purpose of checking in and picking up evidence and reports at the Trenton Police Headquarters.

Section 7.05

Whenever an officer of the Division of Police, as part of his duties, shall be required to remain his normal tour of duty in order to complete a report, maintain traffic control at the scene of an emergency or disaster or in order to complete an investigation or to perform any other duty as required by his commanding officer or by the Rules and Regulations of the Division of Police, any such additional time shall, if authorized, ordered or approved by such member's commanding officer, be included as part of his hours of employment for that pay period and shall be deemed overtime.

Section 7.06

Whenever an officer of the Division of Police, as part of his duties, is summoned to return or report to duty other than for his normal tour of assignment, whether for emergency or otherwise, he shall be paid for not less than four (4) hours regardless of the actual time worked. In such event such four (4) hours (or more if he actually works longer) shall be included its part of his hours of employment for that pay period and shall be deemed overtime. The provision of this section shall not apply to a continuation of the regular tour of duty.

Section 7.07

Whenever a superior officer of the Division of Police, as part of his duties, is called to

appear as a witness at a police disciplinary hearing, either by the City or the defendant, he shall be paid for not less than four (4) hours regardless of the actual time spent at such a hearing in a manner consistent with the general provisions of Section 7.06 above. Police superior officers called to appear as witnesses at police disciplinary hearings shall be paid as long as they appear at the hearing at the designated time and date, whether or not they are subpoenaed to appear and whether or not they actually testify. It is expressly understood, however, that whereas all fact witnesses shall be paid, nor more than two character witnesses will be paid with respect to any one set of disciplinary charges. Every effort shall be made by the defendant to notify the Police Director of the names of all witnesses to be called by the defense at least ten (10) working days prior to the date of any disciplinary hearing. If due to unforeseen circumstances, a witness shall be unknown to the defense in time to forward his name to the Police Director at least ten (10) working days prior to the hearing date, as soon as the witness' name shall become known to the defense, that name shall be forwarded to the Director. In any event, such witness shall not be precluded from appearing at the hearing for the defense and shall be paid in a manner similar to any other defense witnesses pursuant to the aforesaid provisions.

Section 7.08

Whenever a superior officer of the Division of Police, as part of his duties, is called to appear as a defendant at a police disciplinary hearing, if said defendant is acquitted of charges relating to a particular date, he shall be paid for not less than four (4) hours regardless of the actual time spent at the hearing, in a manner consistent with the general provisions of Section 7.06 above. Those defendants who are found guilty of one or more specifications under any particular charge are not to be paid for any time related to any charge emanating from that particular date.

Every effort shall be made by both the City and defendant to ensure that, whenever possible, disciplinary hearings are scheduled at a time when a defendant would normally be on duty.

Section 7.09

Disciplinary action comprised of multiple charges which are totally unrelated either as to date, as to a continuing type of disciplinary problem or in some other manner to one another as pertains to a police officer will not be heard in one hearing. This will not, however, preclude the City from scheduling more than one hearing for a particular police officer in one day, or scheduling disciplinary action involving related charges against more than one officer in one hearing.

Section 7.10

No attendance at community and other meetings that fall outside assigned work hours shall be compensated unless the officer is directed by the Police Director to attend.

Section 7.11

The provisions of Section II of Special Order 2007-14, dated October 20, 2007, pertaining to Meal Break Policy and Procedure and implemented by way of settlement of the TSOA's grievance on meal periods, are hereby made permanent and are incorporated herein by reference.

Section 7.12

The parties agree that the Pittman schedule will be adopted on a one year trial basis. In the event that the parties agreed that the Pittman schedule will not continue past its one year trial period, the parties may agree that the Patrol Division will resume a four (4) on and four (4) off schedule with twelve (12) hour days, under the provisions of the current agreement. In the event

there is no agreement to abandon the Pittman schedule, it shall remain in effect.

ARTICLE VIII

If an employee shall be required, directed or authorized to work in excess of the number of consecutive hours in his regularly scheduled work day, he/she shall be paid overtime, at the rate of time and one-half (1 ½) of his regular pay rate (including benefits) for all such overtime. If an employee is required, directed or authorized to work for more than 84 hours in a pay period 85 hours for employees who work eight and one half (8 1/2) hour days), he/she shall be paid overtime for such excess time regardless of the number of days worked during that pay period, at the rate of time and one-half (1 ½) of his regular pay rate (including benefits) for all such overtime. Sick time will not be counted towards the 84 hours worked in any pay period, where the excess hours worked are the result of a voluntary overtime.
