WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement, be it

RESOLVED, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I RECOGNITION STATEMENT

A. Unit

Pursuant to Chapter 303, Laws of the State of New Jersey, known as the Employer-Employee Act of 1968, the Board hereby recognizes the Upper Freehold Regional Education Association as the majority representative with all the exclusive rights granted by the laws of the State of New Jersey, for purposes of collective negotiations concerning the terms and conditions of employment for all certified personnel under contract with the Board (excluding Superintendent, Assistant Superintendent, Directors, Principals and Vice Principals).

B. Definition

Unless otherwise indicated, the term "members" when used hereinafter in the Agreement shall refer to all professional employees represented by the Association in the negotiating unit as above defined (all certified personnel under contract with the Board of Education excluding the Superintendent, Assistant Superintendent, Directors, Principals and Vice Principals) and reference to male members shall include female members.

ARTICLE II NEGOTIATION OF SUCCESSOR AGREEMENT

A. Deadline Date

The parties agree to enter into collective negotiation over a successor agreement in accordance with Chapter 303, Public Laws 1968 in good faith effort to reach agreement on all matters concerning the term and conditions of members' employment. Such negotiations shall begin not later than October 1 of the calendar year preceding the calendar year in which this Agreement expires. Any agreement so negotiated shall apply to all members, be reduced to writing, and be signed by the Board and the Association.

B. Modification

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III GRIEVANCE PROCEDURE

A. Definitions

1. Grievance - A grievance is a claim by a member of the Association based upon the interpretation, application or violation of this Agreement affecting a member or a group of members. The formal grievance must be submitted no later than twenty-five (25) school days from the occurrence of the alleged contractual violation.

2. Aggrieved Person - An aggrieved person is the person or persons or the Association making the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One - Principal

A member with a grievance shall simultaneously present it in writing and discuss it with his principal and immediate supervisor, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

4. Level Two - Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level one, or if no decision has been rendered within five (5) school days after the presentation of the grievance, the member may file the grievance in writing with the Association within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools.

5. Level Three - Board of Education

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within seven (7) school days after the grievance was delivered to the Superintendent, the member may, within five (5) school days after a decision by the Superintendent, or twelve (12) school days after the grievance was delivered to the Superintendent, whichever is sooner, request in writing that the Association refer it to the President of the Board of Education.

6. Level Four - Arbitration

(a) If the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the President of the Board of Education, the member may, within five (5) school days after a decision by the Board of Education or fifteen (15) school days after the grievance was delivered to the President of the Board of Education, whichever is sooner, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration with fifteen (15) school days after receipt of a request by the aggrieved person.

(b) Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

(c) The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, than from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement or Title 18. The decision of the arbitrator shall be submitted to the Association President and shall be final and binding on the parties.

(d) In the event that arbitrability of a grievance is at issue between the parties, jurisdiction to resolve the issue shall rest solely with the arbitrator selected in accordance with the provisions of Section C.6(b) of this Article.

(e) The cost for the services of the arbitrator, including per diem expenses, if any and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Members to Representation

1. Member and Association

Any aggrieved person must be present and may be represented at all stages of the grievance procedure by themselves or at their option, by a representative selected or approved by the Association. The Association shall have the right to be present and to state its views at all stages of the grievance procedure. Representation at Levels One and Two will be from the local association. Representation at Levels Three and Four would allow outside representation to be accepted by the Association.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class of members, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two.

2. Written Decisions

All decisions will be rendered in writing on a form to be developed and attached to this contract.

3. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

For each month of service the member shall receive 10% of his/her annual ten month salary. For months when a member works less days than those listed on the school calendar the following formula shall be used:

$$\text{Pay for those days shall be computed} = \frac{\text{Annual Salary}}{186} \times \text{The Actual Number of days worked}$$

Pursuant to the foregoing, the in-school work year shall consist of 186 days. These days are delineated in the district's official school calendar as follows:

184 scheduled student days plus two (2) days (186 days) prior to the start of the student school year. **In addition, all newly hired teaching staff will be required to attend two(3) additional days of in-service orientation at the beginning of his/her first year of service, for a total of 189 days.**

B 2- Emergency Evacuation-

In the event of one or more bomb threats which result in a school building evacuation, up to one additional day may be added to the calendar to make up for any loss in instructional time for the affected school at the discretion of the Board of Education, if the loss of time reduces the day to fewer than four hours.

ARTICLE VII TEACHING HOURS AND TEACHING LOAD

Reversion of IBS- The Board, in its sole discretion, may discontinue the Intensive Block Scheduling. In the event this occurs, there will be a reversion to the contract language extant in the collective bargaining agreement which expired June 30, 1996 as written in Appendix E; In particular the language as modified in Articles VII, VIII, and X.

A. Teaching Hours

1. Teacher Day

Members are expected to devote to their assignments, in meeting the needs of the young people, the time necessary to meet their responsibilities, but they shall not be required to clock in or clock out by hours and minutes but to check in and out on a sheet so designated by their building principals.

2. Length of Day - Full Time Employees

The numerator of such fraction shall be the number of hours worked per week by the less than full time employee; the denominator shall be thirty-seven and one-half hours. All partial days will be rounded to the nearest half day.

It is understood and agreed that certain benefits cannot be pro-rated because they are non-divisible (vis, health insurance, dental insurance, prescription). To qualify for the aforementioned non-divisible benefits, during the term of this agreement, the less than full time personnel must work no less than $\frac{5}{8}$ of the total hours per week. Teachers employed to work two(2) scheduled blocks pursuant to the IBS shall receive $\frac{5}{8}$ of the salary of a teacher working a full time schedule and will continue to be eligible for and entitled to insurance coverage. Teachers employed to work one scheduled shall be paid at a rate of $\frac{3}{8}$ of the salary determined by their step on guide and will not be entitled to health, dental or prescription coverage.

Appendix E- Reversion Language. Should Block scheduling be abandoned by the Board, the contract will revert to the following language.

ARTICLE VII TEACHING HOURS AND TEACHING LOAD

A. Teaching Hours

1. Teacher Day

Members are expected to devote to their assignments, in meeting the needs of the young people, the time necessary to meet their responsibilities, but they shall not be required to clock in or clock out by hours and minutes but to check in and out on a sheet so designated by their building principals.

2. Length of Day - Full Time Employees

The total in-school workday of all teachers in the system shall consist of a minimum of seven hours and a maximum of seven and one-half hours in accordance with the requirements of the particular building needs. This time shall also include a duty free lunch period.

3. Less Than Full Time Employees

Any employee who is employed less than full time shall be entitled to a pro-rated share of those divisible benefits available to full time personnel (vis, sick days, professional days, personal days, lunch periods, preparation periods). The pro-rating shall be accomplished by applying a fraction to the total benefit available to full time personnel. The numerator of such fraction shall be the number of hours worked per week by the less than full time employee; the denominator shall be thirty-seven and one-half hours. All partial days will be rounded to the nearest half day.

It is understood and agreed that certain benefits cannot be pro-rated because they are non-divisible (vis, health insurance, dental insurance, prescription). To qualify for the aforementioned non-divisible benefits, during the term of this agreement, the less than full time personnel must work no less than twenty (20) hours per week. Teachers who work twenty (20) hours per week shall be paid one-half (1/2) of the salary determined by their step on guide and will continue to be eligible for and entitled to insurance coverage.

Less than full time teachers shall have, without division, all other rights and privileges guaranteed to full time teachers including, but not limited to, compensation for co-curricular positions, class coverage, and tuition reimbursement.

4. Arrival and Dismissal Time

Except as might be required because of duty needs, no High School teacher shall be required to report for work earlier than fifteen minutes before the opening of the pupils' school day, and shall be permitted to leave twenty minutes after the close of the pupils' school day. No Elementary School teacher shall be required to report more than ten minutes before the opening of the pupils' day. They shall not be required to stay for more than twenty minutes after the pupils' dismissal time on Tuesday through Friday. On Monday, they will be required to stay for 45 minutes after student dismissal for purposes of planning. On half-days, teachers who leave for lunch must be back at their assigned stations no later than 1:15 p.m.

B. Teaching Load

1. Grades 9-12

Realizing the absolute necessity of providing proper conditions for professional personnel, but subject to the Board's right to maintain the efficiency of the school district operations entrusted to it, no secondary teacher, except in cases of emergency shall have a work schedule exceeding five (5) student instruction periods, one (1) preparation period as provided hereinafter (E.1), and one (1) additional student contact period, exclusive of limited supervisory duties before and after school, as well as student activity periods scheduled during the school day. The High School Athletic Director shall have a maximum of three (3) student instruction periods and one (1) additional student contact period. This can only be changed by emergency conditions such as a change in school hours. (Note: ATP language deleted as per agreement)

In the absence of volunteers, a teacher may be assigned to serve as a substitute. Volunteers and assigned teachers shall be paid at the rate as listed in schedule D.

1. Volunteer Assistants

Every effort will be made to initiate a program whereby volunteer assistants will assist elementary teachers in supervising the cafeteria and playground during lunch periods.

2. Cafeteria Supervision

ARTICLE IV HOURS OF WORK

A. Subject to the provisions below, all full-time Assistants shall work eight (8) hours per day, inclusive of one-half hour duty free lunch period. The parties agree that there is a need for flexibility in scheduling the hours in the work day. Accordingly, the Building Principal, in his discretion, may schedule the eight-hour work day between 7:30 a.m. and 3:30 p.m., or 7:45 a.m. and 3:45 p.m., or 8:00 a.m. and 4:00 p.m., or 8:15 a.m. and 4:15 p.m., or 8:30 a.m. and 4:30 p.m., or 8:45 a.m. and 4:45 p.m., or 9:00 a.m. and 5:00 p.m.

B. The work day on Friday and days preceding holidays shall be reduced by thirty (30) minutes.

C. All half-time Assistants shall work four (4) hours per day. The working hours for said half-time personnel shall be scheduled by the Building Principal of all building personnel and by the Superintendent of Schools for all other personnel. Any half-time personnel required to work a full day shall receive a half-hour duty free lunch period.

D. Employees in the unit shall not be required to work on days which the schools are closed due to inclement weather.

E. Employees in the unit shall be entitled to one (1) uninterrupted rest period of fifteen (15) minutes during the morning and one (1) uninterrupted rest period of fifteen (15) minutes during the afternoon, at such time as shall be mutually agreed upon by the employee and the immediate supervisor.

F. Compensatory time shall be handled at the building level whereby the building head will be responsible for processing applications in connection with same and communicating decisions to the employee involved.

ARTICLE V SICK LEAVE

A. All ten-month employees shall be allowed, without deduction from salary twelve (12) sick days leave per year.

B. The aforementioned sick leave is cumulative. The total number of days of sick leave that may be used by an employee in any one year shall be the current annual sick leave allowance of twelve (12) plus the accumulated reserve.

C. No employee shall accumulate any sick leave while on an authorized leave of absence.

D. Sick leave time shall only be granted in the event the employee is ill. The utilization of sick leave by an employee in the event of illness in her immediate family or for any other purpose other than that expressed herein is prohibited.

E. Any member who retires/dies with at least fifteen (15) years of service in the Upper Freehold Regional School District and has accumulated at least 50% of their sick leave at the time of retirement/death, will be compensated for the accumulated sick leave in accordance with the following formula which is based upon the years of experience in the Upper Freehold Regional School District.

Formula for computing the accumulated sick leave/retirement/death benefit for **non-certificated staff members**.

- Step 1 Ascertain number of years of service and annual salary upon retirement
- Step 2 Using the teacher's guide for the step equal to the number of years of service of the individual retiring, locate the salary on the Bachelor's guide and that will give you the denominator of the fraction used in the calculation.
- Step 3 Using the chart* in the teacher's agreement to determine the numerator, which will be a number between \$2,000 and \$4,000. Divide by the teacher's salary which for the 1984-85 school year was between \$14,364 and \$31,598. That will yield a percent between 7.5% and 12.7%. That percentage shall be applied to the retiree's annual salary to yield retirement benefit.

Example After 18 years of service a non-certificated employee is retiring. Her salary at the time of retirement is \$14,450. Article XIV of the teachers' contract for 15-19 years of service = \$2,000. Teacher's salary at step 18 = \$25,739.

$$\frac{2000}{25,739} = 7.8\%$$

7.8% x \$14,450 = \$1,127 accumulated sick leave retirement benefit.

1993 - 1996

Years of Service	Compensation
15	\$2,000
20	2,500
25	3,000
30	3,500
35	4,000

Written notice of intent to retire must be submitted to the Superintendent's Office ninety (90) days prior to the issuance of the accumulated sick leave retirement benefit.

ARTICLE VI PERSONAL LEAVES OF ABSENCE

A. A maximum of three (3) days of absence annually may be allowed with full pay. Such days will be granted without a reason being expressed by the application other than the day is being taken pursuant to this section. In the latter two situations the days shall only be granted after approval of the administration.

Other legitimate requests for emergency leave may be approved by the Superintendent. In order to obtain such leave, the applicant shall make a request and receive approval from the Superintendent in advance. Sick leave is defined as leave taken by a person steadily employed by the school district who is absent from the assigned post of duty because of personal disability due to illness or injury or because a member has been excluded from school by the school district's medical inspector as the result of contagious disease in the employee's immediate household.

2. The Board shall consider the application of any eligible employee for an extension of sick leave, pursuant to law, when the employee's own bank of accumulated sick leave is exhausted.

3. Twelve-month employees shall receive fifteen (15) sick leave days annually, all of which shall be accumulative. All ten-month employees shall receive twelve (12) sick leave days annually, all of which shall be accumulative.

4. Sick leave time shall only be granted in the event the employee is ill. The utilization of sick leave by an employee in the event of illness in her/his immediate family or for any other purpose other than that expressed herein is prohibited.

5. Any member who retires/dies with at least fifteen (15) years of service in the Upper Freehold Regional School District and has accumulated at least 50% of that member's sick leave at the time of retirement/death, will be compensated for the accumulated sick leave in accordance with the following formula which is based upon the years of experience in the Upper Freehold Regional School District.

a) Formula for computing the accumulated sick leave/retirement/death benefit for **non-certificated staff members.**

Step 1 - Ascertain number of years of service and annual salary upon retirement.

Step 2 - Using the teacher's guide for the step equal to the number of years of service of the individual retiring, locate the salary on the Bachelor's guide and that will give you the denominator of the fraction used in the calculation.

Step 3 - Use the chart* in the teacher's agreement to determine the numerator, which will be a number between \$2,000 and \$4,000. Divide by the teacher's salary which for the 1984-85 school year was between \$14,364 and \$31,598. That will yield a percent between 7.5% and 12.7%. That percentage shall be applied to the retiree's annual salary to yield retirement benefit.

Example: After 18 years of service a non-certificated employee is retiring. Her salary at the time of retirement is \$14,450. Article XIV of the Teacher's contract for 15-19 years of service = \$2,000. Teacher's salary at step 18 = \$25,739.

$$\frac{2000}{25,739} = 7.8\%$$

7.8% x \$14,450 = \$1,127 accumulated sick leave retirement benefit

*1986-1988	
Years of Service	Compensation
15	\$2,000
20	\$2,500
25	\$3,000
26	\$3,500
27	\$4,000

Written notice of intent to retire must be submitted to the Superintendent's Office ninety (90) days prior to the issuance of the accumulated sick leave retirement benefit.

ARTICLE XIII PERSONAL LEAVES OF ABSENCE

A-1. A maximum of three (3) days of absence annually may be allowed with full pay. Three (3) such days will be granted without giving reasons for same. On the latter two situations the days shall only be granted after approval of the administration.

A-2. Other legitimate requests for emergency leave may be approved by the Superintendent. In order to obtain such leave, the applicant shall make a request and receive approval from the Superintendent in advance. A. Subject to the provisions below, all full-time secretarial personnel shall work eight (8) hours per day, inclusive of one-half hour duty-free lunch period. The parties agree that there is a need for flexibility in scheduling the hours in the work day. Accordingly, Building Principals in their discretion, may schedule the eight-hour work day between 7:30 a.m. and 3:30 p.m., or 7:45 a.m. and 3:45 p.m., or 8:00 a.m. and 4:00 p.m.

B. The work day on Friday and days preceding holidays shall be one-half hour shorter except during the summer period when the work day is shortened.

C. The work day during the summer period shall commence at 8:00 a.m. and conclude at 3:00 p.m., inclusive of one-half hour duty-free lunch period. The summer period is defined as commencing on July 1st and concluding on September 1st.

D. All half-time secretarial personnel shall work four (4) hours per day. The working hours for said half-time personnel shall be scheduled by the Building Principal of all building personnel and by the Superintendent of Schools for all other personnel. Any half-time personnel required to work a full day shall receive a half-hour duty free lunch period.

When school is dismissed early due to inclement weather, all secretaries, except the high school principal's secretary and the elementary principal's secretary, may leave when the teachers leave (i.e. 20 minutes after the students). The principals' secretaries shall remain 30 minutes longer.

F. Employees in the unit shall be entitled to one uninterrupted rest period of fifteen (15) minutes during the morning and one uninterrupted rest period of fifteen (15) minutes during the afternoon, at such times as shall be mutually agreed upon by the employee and the immediate supervisor.

ARTICLE V SICK LEAVE

A. All twelve-month employees shall be allowed, without deduction from salary, fifteen (15) sick days leave per year.

B. All ten-month employees shall be allowed, without deduction from salary, twelve (12) sick days per year.

C. The aforementioned sick leave is cumulative. The total number of days of sick leave that may be used by an employee in any one year shall be the current annual sick leave allowance of twelve (12) or fifteen (15) days, as the case may be, plus the accumulated reserve.

D. No employee shall accumulate any sick leave while on an authorized leave of absence.

E. Sick leave time shall only be granted in the event the employee is ill. The utilization of sick leave by an employee in the event of illness in her immediate family or for any other purpose other than that expressed herein is prohibited.

F. Any member who retires/dies with at least fifteen (15) years of service in the Upper Freehold Regional School District and has accumulated at least 50% of his/her sick leave at the time of retirement/death, will be compensated for the accumulated sick leave in accordance with the following formula which is based upon the years of experience in the Upper Freehold Regional School District.

Formula for computing the accumulated sick leave/retirement/death benefit for **non-certificated staff members.**

- Step 1 Ascertain number of years of service and annual salary upon retirement
- Step 2 Using the teacher's guide for the step equal to the number of years of service of the individual retiring, locate the salary on the Bachelor's guide and that will give you the denominator of the fraction used in the calculation.
- Step 3 Using the chart* in the teacher's agreement to determine the numerator, which will be a number between \$2,000 and \$4,000. Divide by the teacher's salary which for the 1984-85 school year was between \$14,364 and \$31,598. That will yield a percent between 7.5% and 12.7%. That percentage shall be applied to the retiree's annual salary to yield retirement benefit.

Example After 18 years of service a non-certificated employee is retiring. Her salary at the time of retirement is \$14,450. Article XIV of the teachers' contract for 15-19 years of service = \$2,000. Teacher's salary at step 18 = \$25,739.

$$\frac{2000}{25,739} = 7.8\%$$

7.8% x \$14,450 = \$1,127 accumulated sick leave retirement benefit.

Years of Service	Compensation
15	\$2,000
20	2,500
25	3,000
30	3,500
35	4,000

Written notice of intent to retire must be submitted to the Superintendent's Office ninety (90) days prior to the issuance of the accumulated sick leave retirement benefit.

ARTICLE VI PERSONAL LEAVES OF ABSENCE

A-1. A maximum of three (3) days of absence annually may be allowed with full pay.
