## ARTICLE 1

### RECOGNITION

The Town recognizes the Union as the sole and exclusive representative for the collective negotiations unit which consists of all full-time and regularly employed part-time blue collar and white collar employees employed by the Town of Westfield, including the supervisor of buildings and maintenance, but excluding all managerial executives, confidential employees, supervisory employees within the meaning of the act, Police and Fire officers, craft employees and all divisional and departmental heads, Assistant Director of Recreation, Town

Clerk, Municipal Court Administrator, Department of Public Works Employees, Crossing Guards and all other employees employed by the Town of Westfield.

If the Employer adds new or amended titles to the units that are clearly not managerial, supervisory or confidential, it agrees that within thirty (30) days, it will:

- (1) Notify the Union;
- (2) Give a copy of any job specification for the new or amended title to the Union;
- (3) Advise the Union of the proposed hours of work, wages and other terms and conditions of employment established for the title.

The Employer further agrees, if requested by the Union within thirty (30) days after notification to the Union as provided above, to schedule a meeting to review whether or not the new or amended title should be included in the unit, and if it is so included, to negotiate any disputes which may exist concerning such negotiable issues as appropriate wage rates. It is the intention of the parties to reach mutual agreement on inclusion of new or amended titles that appropriately belong in the unit without the necessity of instituting proceedings at PERC, and it is their further intention to use wage scales for existing titles as a basis to determine the appropriateness of the wage rate established for such new or amended titles.

## ARTICLE 2

Upon receipt of a lawfully executed written authorization from an employee, the Town agrees to deduct the regular monthly Union dues of said employee from his/her paycheck. This deduction will be submitted to a Union official so designated in writing to receive such

The Town shall have the right to take disciplinary action including discharge against any employee participating in a violation of the provisions of this Article. Step 1: The aggrieved employee or employees must present the grievance in writing to the immediate supervisor through the shop steward within 15 working days after knowledge of the grievance or the reason for the grievance has occurred, except that no time limit shall apply in case of violation of wage provisions of this agreement. The grievance shall state the claim, the sections of the contract allegedly violated and the relief sought. The supervisor shall submit an answer in writing within 5 working days of receipt of the grievance. If a satisfactory

settlement is not reached with the immediate supervisor or if no answer is provided, the grievance may be appealed to Step 2 within 5 days from the date of the supervisor's answer or from the date the answer was due.

Step 2: The aggrieved employee or employees must present the written grievance to the Department Head or Board of Health where appropriate, through the shop steward within 5 working days from the answer in Step 1, and the Department Head shall submit an answer in writing within 5 working days. In cases where the Town Administrator is the Department Head, the Administrator shall designate a person to hear the grievance at Step 2. If a satisfactory settlement is not reached with the Department Head, the grievance may be appealed to Step 3 within 5 working days from the date of the Department Head answer or from the date the answer was due.

The Union shall have the right to examine the non-confidential records pertaining to a specific grievance. A copy of such record can be requested and such request shall not be unreasonably denied. A decision shall be made within 5 working days.

Step 4: Arbitration. The Union may request that the grievance be submitted to arbitration if the grievance is not satisfactorily settled at the Step 3 level, except that discipline

that involves warnings or suspensions of 5 days or less shall not be subject to arbitration. The Union may, however, submit a disciplinary suspension of 5 days or less to arbitration where the employee has received suspensions that total six (6) days or more in the period of twelve months from the date of the first suspension. The Union shall notify the Town of its decision to submit the matter to binding arbitration within thirty (30) calendar days of the transmittal of the written answer by the Town Administrator or his designee.

The grievance may be submitted to the Public Employment Relations Commission for the appointment of an impartial arbitrator in accordance with its rules and regulations. The arbitrator shall have the authority to hear and determine the grievance, and the decision of the arbitrator shall be final and binding on the parties. The arbitrator shall have no right to vary or modify the terms and conditions of this agreement and shall decide the dispute within 30 days after the hearing has been closed. The expense of the arbitrator shall be borne equally by the parties. Only the Town or the Union shall have the right to submit a grievance to arbitration.

Section 2. The time limits specified in the grievance procedure shall be construed as maximums. These time limits may be extended upon mutual agreement which must be in writing.

Section 3. Any grievance not presented under the grievance procedures described herein within 15 working days of the occurrence of the condition giving rise to the grievance shall not thereafter be considered a grievance under this agreement unless reasons satisfactory to the Town are given and an explanation of the failure to present the grievance within such time limit.

Section 4. Upon mutual consent of the parties a grievance may be initiated by the Union at a Step where the relief sought can be granted.

The Town and CWA agree to establish a performance evaluation program that is job related and will not only measure employee performance but will assist each employee in the development of the knowledge, skills and abilities needed to perform his/her assigned duties in a highly competent manner. The general provisions applicable to this performance evaluation program are outlined as follows:

- (1) All employees will have the same evaluation period which will be December 1 of the previous year through November 30 of the present year.
- (2) An interim performance evaluation will be completed on or about June 10 of each year and the final performance evaluation will be completed on or about December 10 of each year.
- (3) At the beginning of the rating period the supervisor and the employee will establish the assignments of the job and outline the objective and measurable standards by which the performance of those assignments will

be measured. If the supervisor and employee have unresolved differences concerning the assignments of the job, those differences will be reviewed and resolved by the Town Administrator. The Union shall be notified of any such unresolved differences and shall have the right to discuss the matter with the Town Administrator before such differences are resolved.

(4) A standard evaluation form will be used for all employees that will consist of the assignments for the job and a rating for the performance of those assignments. The employee will sign the completed standard evaluation form as well as the interim and final evaluations to indicate that the employee has seen the completed documents and a copy of each will be given to the employee.

(5) Performance ratings may be used as a factor in promotions.

(6) Rating categories:

There are two categories of rating for an employee which are set forth as follows:

(a) "Needs Improvement" this rating is only applicable if the employee consistently fails to meet quality standards in the performance of the assignments for his/her job, and there must be sufficient documentation showing a consistent failure to meet quality standards. Where the performance of an employee is less than satisfactory, there will be another interim evaluation not less than 90 days prior to the final evaluation

pursuant to which specific problems and necessary remedial action will be discussed.

An employee who receives a "Needs Improvement" will not receive a step increase in January. Such employee may appeal a "Needs Improvement" rating to the Union and if, after review of the appeal, the Union feels further review is justified it may discuss the matter with the Town Administrator. If the employee appeals the "Needs Improvement" rating but no change is made, or if the employee does not appeal the initial "Needs Improvement" rating, he/she shall be re-evaluated in three (3) months and if such employee is re-evaluated to satisfactory performance, he/she will receive the step increase at the end of that three-month period. If the employee is still rated as "Needs Improvement", there shall be a meeting between the supervisor, the Town Administrator the employee and the Union as soon as possible to determine the future course of action.

(b) "Satisfactory Performance" – this is the rating that will be given when an employee is performing satisfactorily and generally meets the quality standards of performance that are expected for his/her job. An employee receiving a satisfactory performance rating will also receive the appropriate step increase in the first pay period of January provided such step increase does not result in the salary of the employee being above the maximum for the range of that grade.

(7) Miscellaneous:

The grievance and arbitration procedure set for in the collective negotiations agreement between the parties shall not be applicable to the provision of the Performance Evaluation Program. Instead, the parties shall use the appeal procedure established in the Performance Evaluation Program. The parties also agree to review the Performance Evaluation Program at the end of each year, and if the Union factually demonstrates unfair treatment by the Town with respect to any appeals of "Needs Improvement" that may be filed, the parties agree to reopen the contract for the exclusive purpose of negotiating with respect to a solution of the appeals problem which would include negotiation concerning third party intervention.

Section 2. Payment under this Article will be made only to those employees on the payroll at the time of the formal execution of this agreement, or who retired on or after January 1, 2004.

**ARTICLE 25**

**UNIFORMS**

The following employees will be entitled to the following uniform allowance:

Pool Maintenance Supervisor	-	Rubberized Rain Suit, Steel Toe Shoes and Hat
Senior Sanitarian	-	Protective Smock, Lab Coat, Steel Toe Shoes
Sanitarian	-	Protective Smock, Lab Coat, Steel Toe Shoes

Effective January 1, 2009, Health Department employees currently receiving uniforms (Sanitation and Senior Sanitation) will continue to receive steel tipped shoes and in lieu of a

protective smock or lab coat these employees will receive an annual clothing allowance in the amount of \$300.00.

Building Maintenance Workers: The Town will continue to supply uniforms for building custodians that are equal to that supplied for the Public Works Department (including steel toe shoes.)

The Town of Westfield will continue to supply uniforms for dispatchers and traffic/parking enforcement officers. The Town will also continue to pay a maintenance allowance of \$150.00 per year to dispatchers and traffic/parking enforcement officers, and parking/traffic enforcement officers shall obtain work shoes at Ray's Sporting Goods or such other facility as may be designated by management if Ray's is not longer available on a voucher system with a maximum allowance of \$120.00 per year.

## ARTICLE 26

### INSURANCE

Section 1. The Town will continue to provide health insurance for full time employees and eligible members of their family consisting of all present hospital, medical, surgical and major medical insurance presently provided through New Jersey Blue Cross/Blue Shield or substantial equivalent. The deductibles under the terms of the plan shall be \$250.00 per annum for the individual and \$400.00 per annum for family in accordance with the terms of the plan. Currently the two plans provided by the Town are a PPO and POS (the Traditional Plan was eliminated in 2005). Effective January 1, 2009 and thereafter employees who select the PPO

Plan instead of the POS will be required to pay a portion of the differential in cost of those two plans to the Town as follows:

Family Coverage	-	\$300.00
Parent/Child Coverage	-	\$200.00
Single Coverage	-	\$100.00

Effective January 1, 2010 all employees receiving health benefit coverage under the terms of this contract shall be required to contribute 1% of salary to the Town to offset a portion of the cost to provide that benefit.

Effective January 1, 2011 the annual contribution for health insurance shall be increased to 1.25% of salary.

All such payments and contributions to offset health insurance cost shall be made by way of payroll deduction as appropriate for each individual employee.

Section 2. The Town will continue to provide dental coverage under the New Jersey Dental Service Plan, Inc. (Program 111-A) or substantially equivalent coverage for the employee and spouse. A full family dental program with orthodontia coverage on a 50/50 basis to a maximum of \$1,000.00 will be included under the provisions of this Article. Employees will contribute to the cost of this benefit when costs exceed ten percent (10%) over the cost of the previous plan year.

Section 3. Eligible employees will continue to be included in the Town's wage continuation program.

Section 4. The Town will maintain the discount plan for mail-order prescriptions.

Section 5. Effective January 1, 2005, the Traditional Plan will be replaced by a PPO and the Traditional Plan will no longer be available.

**ARTICLE 27**

**SAFETY AND HEALTH**

Section 1. The Town shall provide safe and healthful working conditions and will provide employees with wearing apparel, tools or devices that may be reasonably necessary to insure their safety and health. Employees will abide by all applicable safety rules and will wear protective apparel that is provided by the Town, and failure to do so will subject such employee to disciplinary action.

Section 2. A Safety Committee has been established by the Town and the Union shall have the right to appoint a representative to that Committee.

**ARTICLE 28**

**PENSION**

Section 1. Each employee shall be enrolled for all benefit entitlement provided within the Public Employee Retirement System.

Section 2. Pension benefits shall be based on regular wages.

**ARTICLE 29**

**RETIREE BENEFITS**

Section 1. An employee on the payroll as of January 1, 1995 who retires thereafter shall be entitled to continue under the Town's Health Benefits Program (employee and eligible

dependent coverage applicable at the time of retirement) provided he/she has reached age fifty (50) with at least twenty-five (25) years of creditable service and said coverage shall terminate when such individual reaches age sixty-five (65) or becomes Medicare eligible whichever comes later, or upon death prior to age sixty-five (65). This shall not include coverage for employees who retire on disability or deferred retirement (commonly known as vesting). In the event the retiree dies prior to age sixty-five (65) and leaves a surviving spouse and/or eligible dependents, coverage will continue until the spouse reaches age sixty-five (65) or the dependents are no longer eligible for coverage.

Section 2. The benefits to retired employees as provided for in this Article are limited to the term of this Agreement and become a subject of negotiations.

### **ARTICLE 30**

#### **SEPARATION OF EMPLOYMENT**

Upon resignation in good standing, the Town shall pay all monies to the employee including vacation pay.

### **ARTICLE 31**

#### **TERMINAL LEAVE PAY**

Each full time and part time employee shall be entitled to terminal leave pay upon retirement in accordance with the following schedule:

1 month pay after 20 years of service

2 months pay after 25 years of service

**ARTICLE 32**

**SEVERABILITY**

Section 1. If any Article or Section or part thereof of this Agreement should be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Agreement, which shall remain in full force and effect; and to this end the provisions of the Agreement are hereby declared to be severable.

Section 2. If any Article or Section or part thereof is held invalid or enforcement of or compliance with which has been restrained, the parties shall enter into immediate negotiations after receipt of written notice of desired amendments by either the Town or the Union for the purpose of arriving at a mutually satisfactory replacement of such Article or Section or part thereof during the period of invalidity or restraint.

**ARTICLE 33**

**DURATION**

Section 1. This Agreement shall be in full force and effect from January 1, 2008 to and including December 31, 2011, and shall continue from year to year thereafter unless written notice of desire to cancel or terminate the Agreement is served by either party upon the other at least sixty (60) days prior to date of expiration.
