2. Requests for meetings from the Association will be made to the Superintendent and the President of the Board of Education.
3. Requests for meetings from the Superintendent or the Board will be made to the President of the Association or her/his designee.
4. When a request for a meeting has been made by either party, a mutually convenient date, time and place shall be set within one (1) work day of the date of request, such meeting to take place within seven (7) work days.
5. Nothing in this Article shall preclude the parties from scheduling meetings in such manner and at such times as may be otherwise mutually agreed upon by the parties.
6. Every effort shall be made in the negotiations meetings to work toward agreement.
7. The location at which all regular and special meetings are held shall be determined at the time of the request for a meeting.
8. Employees (not to exceed seven in number) who, upon request of the Association, are excused by

the Superintendent or the Board Secretary, where applicable, from their regular assignments for the purpose of attending and/or participating in negotiations meetings with representatives of the Board, shall suffer no loss of pay and benefits.

B. Submission of Proposals for Negotiations

All proposals and counterproposals submitted by either party in the course of negotiations shall be in writing.

C. Conduct of Negotiations

1. Each party shall, upon reasonable request, furnish to the other party any available, pertinent non-confidential reports, statistics and general information concerning the District.
2. Competent professional and lay representatives or consultants may be used in negotiations by either party.
3. During negotiations, the Board and the Association will present relevant non-confidential data, exchange points of view, and make proposals and counterproposals.
4. Negotiations shall be conducted in closed sessions unless both parties agree to the contrary.
5. Nothing herein shall be construed to prevent a school district official from meeting with an employee organization for the purpose of hearing the views and requests of members of such organization so long as the Association is informed of the meeting and provided that any changes or modifications in terms and conditions of employment are made only through negotiations with the Association.
6. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

D. Agreement

1. If a tentative Agreement is rejected by the Association, negotiations shall be reopened.
2. If a tentative Agreement is rejected by the Board, negotiations shall be reopened.
3. Once a written Agreement is adopted by the Association and the Board, it shall constitute a binding, legal and moral commitment on the part of both parties to do everything within their power to secure the implementation of the provisions of the Agreement.
4. Except as this Agreement shall hereinafter provide, all terms and conditions of employment applicable on the effective date of this Agreement shall remain in full force and effect, except that new rules or modifications of existing rules governing terms and conditions of employment shall be negotiated with the Association before

they are established.

5. Employees shall comply with all existing rules which are not in conflict with the terms of this Agreement, provided the rules are uniformly applied. Any claims involving discrimination in the application of new or existing rules shall be resolved through the grievance procedure.

ARTICLE III GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions or to any matter as to which the Board is without authority to act.
2. Non-tenured employees shall not have recourse to the grievance procedure regarding non-renewal in a tenurable position.
3. For purposes of this Article, the term "employee" shall also mean a group of employees having the same grievance, or the Association. However, in the case of a substitute teacher, the decision of the Board shall be final.
4. A grievance to be considered must be initiated by the employee within thirty (30) calendar days of its known occurrence, unless during summer recess, in which case it is to be initiated by September 15 or within thirty (30) calendar days of its known occurrence, whichever comes later.

B. Procedure

1. An employee with a grievance shall first discuss it with her/his immediate supervisor either directly or through the Association's designated representative with the objective of resolving the matter informally.
2. If the aggrieved employee is not satisfied with the disposition of her/his grievance after having discussed it with her/his immediate supervisor, or if no decision has been rendered within five (5) school days after presentation of the grievance, s/he may file the grievance in writing with the Association. The Association may submit the grievance to the Superintendent of Schools or the Board Secretary, where applicable, within five (5) school days. No grievance may be processed under this procedure at this level, or at any higher level, without the written approval of the Association.
3. If the aggrieved employee is not satisfied with the disposition of her/his grievance by the Superintendent or the Board Secretary or if no decision has been rendered within ten (10) school

days after the grievance was delivered to the Superintendent or the Board Secretary, s/he may request in writing that the Association submit the grievance to the Board within fifteen (15) school days. The Board or a committee thereof shall review the grievance and shall hold a hearing with the employee and render a decision in writing within fifteen (15) calendar days of receipt of the grievance by the Board or the date of the hearing with the employee, whichever comes later.

4. If the aggrieved employee is not satisfied with the decision of the Board, the Association may appeal the decision to binding arbitration. Notice of a demand for binding arbitration shall be filed with the Public Employment Relations Commission within thirty (30) calendar days of the last appropriate date for a decision to be rendered by the Board with copy of such notice to be sent to the Board.
 - a. The parties will arrange to have arbitration meetings held at times which will not interfere with normal operation of schools.
 - b. The arbitrator shall be without power or authority to make awards contrary to or inconsistent with the terms of the Agreement or of applicable law, rules or regulations having the force and effect of law.
 - c. The award of the arbitrator shall be binding. Only the Board, the aggrieved employee and the Association shall be given copies of the arbitrator's report of findings and award. This shall be accomplished within thirty (30) calendar days of the completion of the arbitration hearings.
 - d. The arbitrator's fee shall be shared equally by the Board and the Association.
 - e. The Board agrees that it will apply to all substantially similar situations the decision of the arbitrator.
 - f. The Association agrees that it will not bring or continue any grievance which is substantially similar to a grievance denied by the arbitrator.
5. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions for the duration of this Agreement. The Association accordingly agrees, for the duration of this Agreement, that it will not, nor will any person acting in its behalf, cause, authorize, or support, nor will any of its members take part in any strike, i.e. the concerted failure to report for duty, or willful absence of any employee of the Woodbridge Township Board of Education from his position, or stoppage of work or abstinence in

whole or in part, from the full, faithful and proper performance of the employee's duties of employment for any purpose whatsoever.

The above language is interpreted to mean that the Association will not sanction any "wild-cat" strikes, and the Association will immediately disavow the strike and notify the strikers to return to work.

C. Miscellaneous

1. Any aggrieved employee may be represented at all levels of the grievance procedure by her/himself or, at her/his option, by a representative selected or approved by the Association, except that this provision shall be limited by Section B.2, Section B.4, and Section C.2 of this Article.
2. When an employee is not represented by the Association, the Association shall be notified of the time, date and place of any meeting with the Superintendent or Board Secretary, where applicable, or hearing with the Board at least seventy-two (72) hours prior to the meeting or hearing, have an opportunity to be present and, at its option, present its views or appeal the disposition of the grievance.
3. A notice of meetings with the Superintendent or Board Secretary, where applicable, or hearings with the Board and a copy of the written decision at each step shall be mailed to the administrators involved and to the Association.
4. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend.
5. When hearings are during school hours, all such employees who are present at the hearing shall be excused for that purpose with pay and benefits.
6. The fact that a grievance is raised by an employee shall not be recorded in the employee's personnel file or in any file or record utilized in the promotion process; nor shall such fact be used in any recommendations for job placement; nor shall an employee be placed in jeopardy or be the subject of reprisal or discrimination for having followed this grievance procedure.

ARTICLE IV RIGHTS OF EMPLOYEES

A. Representation

As provided in N.J.S.A. 34:13A-1 et seq. the Board hereby agrees that all employees shall have the right to join with and support the Association for the purpose of engaging in all matters of representation

pertaining to terms and conditions of employment with the Board. The Board recognizes the right of employees to belong or not belong to organizations of their choice.

B. Statutory Savings Clause

Nothing contained in this Agreement shall be construed to deny or restrict to any employee such rights as s/he may have under New Jersey Statutes or Regulations of the Commissioner of Education or applicable laws and regulations.

C. Nondiscrimination

1. The Board agrees not to discriminate against any employee on the basis of race, creed, color, national origin, sex, or marital status, or membership in or association with the activities of the Association.
2. The Association agrees to admit persons to membership without discrimination on the basis of race, creed, color, national origin, sex, or marital status, or membership in any other organization.

D. Discipline

1. Disciplinary action may be imposed upon any employee for just cause.
2. If the employer has reason to reprimand an employee, it shall be done privately and fairly.
3. Where legally permissible, disciplinary action may be processed as a grievance through the procedure identified in this Agreement.

E. Discharge

1. The employer shall not discharge any non-certified employee without just cause. If the employer feels there is just cause for discharge of a non-certified, non-tenured employee, the employee involved may be suspended for five (5) days. The employee and the Association will be immediately notified in writing of the action being taken and that the employee is subject to discharge. The Association shall have the right to take up the suspension and/or discharge as a grievance at the second step of the grievance procedure. Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other terms and conditions of employment, minus any salaries earned outside the District during the period in question.
2. Discharge of a tenured employee by the Board shall be processed in accordance with Title 18A.

ARTICLE V RIGHTS, RESPONSIBILITIES AND DUTIES OF THE ASSOCIATION

A. Information

1. The names and addresses of all newly hired employees shall be made available to the Association by the Personnel Office within seven (7) work days after they are hired.
2. Two copies of the agenda shall be mailed to the Association office within five (5) work days of the public Board meeting and two copies of the official minutes shall be mailed when prepared.

B. Association Conferences

1. The Board agrees to allow a designated, regular staff member of the Association or an off duty Association Representative to visit the schools on Association matters, providing such representative shall, in no way, interfere with the operation of the school or the function of staff member(s) or the instructional program.
2. Upon arrival, the representative shall notify the school administrator or her/his designee that s/he is visiting the school building.

C. Association Meetings

The Board agrees to provide release time to Association Representatives whose work day extends beyond 3:30 p.m. in order to attend up to five (5) meetings per year of the Representative Council of the Association. The Association shall provide the Board with a list of Association Representatives and a calendar of such meetings at the beginning of each school year.

D. Use of Schools for Association Meetings

Association Representatives may schedule regular and special meetings in the school buildings at such times as mutually agreed upon by the Association and the Administration. The principal of the building will assign the area to be used and approve the date and time. Permission shall not be arbitrarily withheld.

E. Use of School Facilities

The Board encourages the use of school facilities by the Association for the promotion of staff welfare as long as it does not interfere with the educational program and the rules of the Board for the use of school facilities are enforced.

F. Bulletin Boards and Mail Facilities

1. The rights delineated in this paragraph shall be granted exclusively to the Association.
 - a. The use of one (1) bulletin board in each faculty room. The Administration will make a reasonable effort to provide for a second bulletin board where, in the opinion of the Administration, it may practically do so.
 - b. The use of school mailboxes, where assigned.
 - c. The use of inter-school mail service in accordance with established District procedures and to the extent legally permissible.
 - d. Association Representatives shall have the right to distribute Association materials to employees providing that said distribution shall in no way interfere with the operation of the school. The Association agrees that the representatives making such distribution shall do so only on the free time of the employee, i.e. unassigned time or lunch-time for teachers and break-time or lunch time for other employees.
2. Nothing contained in Section F.1 above and its subparts shall preclude or restrict the Board and Administration in their rights to use the facilities therein described.

G. Orientation

The Association shall be the only employee organization to participate in the presentation of the annual new teacher orientation.

H. Building Meetings

Upon prior request, the Association shall be given a place on the agenda of all faculty meetings called by the building principal.

I. Substitute Teacher List

In September, the Board shall supply the Association with a complete copy of the authorized substitute teacher list. Additions to the list shall be forwarded to the Association within ten (10) work days of Board approval of these additions.

J. Exclusivity

The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the employees covered by this Agreement and to no other organizations.

**ARTICLE VI
BOARD RIGHTS**

The Association agrees and recognizes that the Board reserves to itself sole jurisdiction and right, in compliance with the laws of the State of New Jersey and the rulings of the Commissioner of Education, to hire, assign, promote, transfer and direct employees covered by this Agreement or to take disciplinary action against said employees (up to and including discharge), to direct school operations, and to take whatever other actions may be necessary to accomplish the mission of the Woodbridge Township School District except as may be specifically provided by the language of this Agreement.

**ARTICLE VII
ASSIGNMENT AND PROMOTION**

A. Notification

Prior to June 15 of each year, teachers and teacher aides and assistants shall be notified of their assignment(s) for the ensuing year. In addition, teachers shall be notified of the levels, subjects and special conditions of the classes to which they are assigned for the ensuing year. Where changes in such assignments are required, written notice to that effect shall be given forthwith.

B. Anticipated Vacancies

Lists of anticipated teacher vacancies shall be posted by May 1 of the school year preceding the year in which the vacancies are anticipated.

C. New Employees

Newly hired employees shall receive their assignment(s) from the Director of Personnel Services or the Board Secretary, where applicable.

D. Vacancies

1. The Administration shall post notices of all vacancies in each school and send two (2) copies of such notice to the Association. Such notices shall be posted for at least ten (10) work days prior to the deadline for filing applications and shall include all pertinent data regarding the position, including the appropriate job description, qualifications, salary range, shift, location and hours. However, in the event that a vacancy occurs during the summer recess, said vacancy shall be posted only in those schools which are

**ARTICLE VIII
EMPLOYEE FILES**

open and two (2) copies of the notice shall be sent to the Association.

2. In the case of non-certified employees, if selection for such vacancy is not of the most senior applicant, a liaison conference including the applicant, an Association Representative and the Superintendent and/or his/her designee, or the Board Secretary and/or his/her designee, where applicable, shall be arranged to discuss the matter.

E. Voluntary Transfers

1. Non-certified employees desiring to be transferred to another school or assignment may apply for a transfer at any time during the work year. Teacher requests for transfer shall be made by May 15 of the school year immediately preceding the year for which the transfer is requested.
2. An employee desiring a transfer may indicate up to four assignments/schools in the order of preference on a transfer application form to be provided by the Personnel Office. Provisions shall be made to indicate receipt of the form by the Personnel Office.
3. Any employee being transferred shall be notified of such anticipated transfer at least ten (10) days prior to the Board rendering a final decision regarding the transfer. In those situations requiring immediate transfer, the ten (10) day notice shall be waived.

F. Promotions

1. Promotional vacancies shall mean an opening in any position which would result in a higher rate of pay for the employee applicant.
2. When promotional vacancies occur during the summer months, notices of such vacancies shall be sent to the Association, posted in the schools and publicized in the Sunday editions of the New York Times and/or the Newark Star Ledger.
3. All applications for promotion shall be acknowledged. It is incumbent upon the applicant to have all credentials on file or submitted prior to the deadline for filing applications. In the event that an applicant does not possess appropriate credentials, s/he shall be so notified before any interviews are scheduled.
4. The Board will make every effort to interview all in-district candidates for promotion who have the necessary qualifications and certification.
5. After the selected candidate has been appointed by the Board, a letter confirming the appointment shall be sent to all applicants. Unsuccessful candidates may arrange an appointment(s) with the Director of Personnel Services or Board Secretary, where applicable, to discuss the matter.

Official employee files shall be maintained in accordance with the following procedures:

- A. No derogatory material related to an employee's conduct, service, character or personality shall be placed in the file unless it is signed by the person submitting the information and the employee has had an opportunity to review the material. Any such material shall be removed from the file no later than five (5) years following the date on which it is placed in the file, except for formal observation reports or evaluations which shall not be removed from the file. However, the request for removal must be initiated by the employee. In addition, no material required for an active grievance or disciplinary action will be removed until completion of those proceedings is effected.
- B. The employee shall be given the opportunity to acknowledge that s/he has read such material by affixing her/his signature on the actual copy to be filed with the understanding that such signature merely signifies that s/he has read the material to be filed and does not necessarily indicate agreement with its contents.
- C. An employee's refusal to sign will be noted by an administrator and a witness.
- D. The employee shall have the right to submit a written answer to any material filed and her/his answer shall be attached to the file copy.
- E. Employees will have the right, upon request, to review the contents of their personnel files and to make copies of any documents in it at their expense. An employee will be entitled to have an Association Representative accompany her/him during such review. An administrator shall be present during such review.
- F. Reasonable arrangements for the purpose of examining personnel files shall be made mutually by the Administration and the Association so that the Administration will not be overwhelmed by a deluge of employees seeking simultaneously to examine their files.
- G. The employee shall indicate in a writing to be placed in her/his file that s/he has examined same.
- H. Only those persons who have an official right and reason for doing so may inspect an employee's file.
- I. Administrators shall place in employees' files information of a positive nature indicating competencies and achievements. Any such material received from concerned, responsible outside sources shall also be included in the employee's file.
- J. The employee shall have the right to add to her/his file any additional information and material. The administrator shall be given the opportunity to acknowledge that s/he has read such materials by affixing her/his signature on the actual copy to be filed with the understanding

that such signature merely signifies that s/he has read the material to be filed and does not necessarily indicate agreement with its contents.

- K. In the event that the Board or Administration wishes to use materials such as written memos or notes which are not a part of the official personnel file in making decisions concerning the promotion of an employee, the employee shall, upon request, be shown these materials and have one week in which to make verbal and/or written comments about them. Letters in response to requests for references shall not be covered by this section.

ARTICLE IX SICK LEAVE

A. Sequence of Use

Each employee will receive, without loss of pay, twelve (12) days leave per year for personal illness which are accumulative and twenty (20) days leave per year for personal illness which are non-accumulative. For example, if an employee has been continuously employed in the school system for five (5) years and had accumulated fifty (50) days leave without pay deduction for personal illness, and now such employee becomes ill for one hundred (100) days, the employee's sick leave days shall be used in the following manner and sequence:

1. The twelve (12) accumulative sick leave days allowed for the current school year shall be used;
2. The fifty (50) sick leave days which had been previously accumulated shall be used; and
3. The twenty (20) non-accumulative sick leave days allowed for the current school year shall be used at which point the employee is no longer entitled to sick leave days without pay deduction. However, the employee may then request the Board to pay such employee each day's salary less the pay of a substitute in accordance with the provisions of N.J.S.A. 18A:30-6. The decision as to whether such request will be granted and the extent of any such grant shall be at the sole discretion of the Board.

B. Accumulative

The total number of sick leave days without loss of pay for personal illness which may be accumulated by an employee while continuously employed in the Woodbridge Township School District is unlimited, except that not more than twelve (12) sick leave days may be accumulated in any one year. For example, if a continuously employed employee is absent from employment due to personal illness for three (3) days in a given year, nine (9) days sick leave only will be added for that year to such employee's accumulated sick leave days.

C. Less than Full-Time Employment

Employees who are continuously employed, but whose employment is for fewer hours daily or for fewer days per week than would be required for full-time employment, shall be entitled to prorated leave of absence benefits as described in Part One, Articles IX, X, and XI.

D. Rate of Supplemental Compensation

Each certified employee who retires under a state administered retirement system with at least twenty (20) years of pension credit, and each non-certified employee who retires under a state administered retirement system with at least ten (10) years of pension credit shall be entitled upon retirement to supplemental compensation for accumulated sick leave days credited to such employee as of the last day of employment. Supplemental compensation shall be payable to eligible employees in a lump sum as follows:

1. A retiring employee with up to ninety-nine (99) days of accumulated sick leave at the time of retirement shall be entitled to payment of supplemental compensation equal to fifteen (15) percent of his/her daily salary rate for each day of accumulated sick leave.
2. A retiring employee with at least one hundred (100) but not more than one hundred forty-nine (149) days of accumulated sick leave at the time of retirement shall be entitled to payment of supplemental compensation equal to thirty (30) percent of his/her daily salary rate for each day of accumulated sick leave.
3. A retiring employee with at least one hundred fifty (150) but not more than one hundred ninety-nine (199) days of accumulated sick leave at the time of retirement shall be entitled to payment of supplemental compensation equal to forty-five (45) percent of his/her daily salary rate for each day of accumulated sick leave.
4. A retiring employee with two hundred (200) but not more than two hundred forty nine (249) days of accumulated sick leave at the time of retirement shall be entitled to payment of supplemental compensation equal to sixty (60) percent of her/his daily salary rate for each day of accumulated sick leave.
5. A retiring employee with at least two hundred fifty (250) but not more than two hundred ninety-nine (299) days of accumulated sick leave at the time of retirement shall be entitled to payment of supplemental compensation equal to seventy-five (75) percent of his/her daily salary rate for each day of accumulated sick leave.
6. A retiring employee with three hundred (300) or more days of accumulated sick leave at the time of retirement shall be entitled to one hundred (100) percent of his/her daily salary rate for each day of accumulated sick leave.

For example: Ten month employees shall have their daily rate computed by multiplying their final year's salary by 1/200th. Twelve month employees shall have their daily rate computed by multiplying their final year's salary by 1/240th. Therefore, if a ten-month employee, upon retirement, earned \$35,000 in the last year of employment and had accumulated 100 sick leave days, he/she would be entitled to a supplemental compensation of \$5,250.00, computed in the following manner:

- a. $\$35,000 \times 1/200\text{th} = \175.00 daily rate.
- b. $30\% \text{ of } \$175.00 = \52.50
- c. $\$52.50 \times 100 \text{ days} = \$5,250.00$

7. All employees hired on or after July 1, 1991 shall receive Supplemental Compensation benefits in accordance with the provisions above, except that the value of the days accumulated shall be based upon the rate of pay in effect for that employee in the year in which the sick days were accumulated. Further, for the purpose of establishing Supplemental Compensation, when accumulated sick days are used by employees hired on or after July 1, 1991, the days accumulated at the highest salary shall be deducted first.

E. Payment of Supplemental Compensation

1. The lump sum supplemental compensation payment will be made by the Board no later than August 1 of the school year subsequent to the school year in which the last day of employment was rendered, provided that notification of retirement is given to the Superintendent of Schools on or before December 1 of the school year in which the last day of employment is to be rendered. In the event that timely notice is not given, the lump sum supplemental compensation payment shall still be due and owing. If, however, payment of same presents a fiscal difficulty to the Board, then the Board may delay payment of the supplemental compensation, but in no event may payment be delayed later than August 1 of the year following the August 1 it would have been paid if timely notice had been given.
2. In the event of the death of an employee who meets the requirements for compensation provided by this Article, the estate of the deceased employee shall be entitled to the above benefits.
3. Any employee who is eligible for a disability retirement from either the Teacher's Pension and Annuity Fund or the Public Employees Retirement System and elects to retire prior to the exhaustion of accumulated sick leave shall receive compensation at the applicable rate in accordance with Section D of this Article for all accumulated sick leave based on his/her salary at the time of retirement in a lump sum immediately upon retirement.

F. Physician's Certificate

A physician's certificate must be filed following an absence of five or more successive school days because of personal illness. The Board may, if it has cause to believe there has been an abuse of the sick leave policy, require an examination by an independent physician. Such examination shall be at Board expense.

G. Absence Due to Illness

1. No reduction in pay shall be made for any accumulated sick days to which an employee is entitled, except as may be delineated elsewhere in this Agreement.
2. All employees shall have the right to notify the District of their use of sick leave by means of a tape machine until one (1) hour before their starting time.

H. Workers Compensation

1. An employee absent from school as a result of personal injury caused by an assault arising out of and in the course of her/his employment and compensable under New Jersey Workers' Compensation laws shall be paid her/his full salary for the period of such absence up to one (1) calendar year without having such absence charged to the annual sick leave or accumulated sick leave. Any amount of salary payable pursuant to this Section shall be reduced by the amount of any Workers' Compensation award for temporary disability due to the said assault or injury for the period for which such salary is paid. The Board shall have the right to have the employee examined by a physician designated by the Board for the purpose of establishing the length of time during which the employee is temporarily disabled from performing her/his duties; and, in the event that there is no adjudication in the appropriate Workers' Compensation proceeding for the period of temporary disability, the opinion of the said physician as to the said period shall control.
2. When absence arises out of or from such assault or injury, the employee shall not forfeit any sick leave or personal leave to the extent permissible by law.

I. Accounting of Accumulated Leave

The Board will make available to each employee an annual accounting of accumulated sick leave by September 30th, if at all possible, but no later than October 31.

J. Transfer of Sick Leave

Any newly hired teacher who has an unused accumulation of sick leave days from another school district in New Jersey shall be granted up to ten (10) days of sick leave credit, provided that proof for such accumulated sick leave is furnished to the Board within two (2) months of the date of employment.

ARTICLE X TEMPORARY LEAVES OF ABSENCE

A. Personal Days

1. Employees shall be entitled to three (3) personal days of absence without loss of pay during any one (1) school year for personal reasons under the following conditions:
 - a. No personal days shall be allowed, unless for religious holidays, when such days are taken during the first three (3) or last three (3) days of the school year, or the first day immediately preceding, or the first day immediately following, a school recess or vacation, except that the Superintendent may, in his discretion, allow a change in this provision. The decision of the Superintendent shall be final, however, and shall not be subject to a grievance.
 - b. Any employee desiring a personal day is to advise the principal of the building to which s/he is assigned at least two (2) school days in advance of the time that s/he will be absent.
 - c. In case of emergency, the two day notification requirement for a personal day is waived.
2. Employees requesting a personal day shall do so on a form designated for this purpose (See Appendix A). Copies of the request for a personal day shall be forwarded to the Director of Personnel Services or the Board Secretary, where applicable, and records of such requests shall be kept in each employee's central personnel file.
3. Employees may, on occasion, because of unanticipated events or emergencies, require the use of personal days beyond their three allocated personal days. In such cases, the employees involved may apply for additional unpaid personal days through the Director of Personnel Services or the Board Secretary, where applicable.

B. Death in Family

1. Up to five (5) work days absence with pay will be allowed for death in the immediate family. Immediate family shall mean: husband, wife,

children, mother, father, sister, brother, father-in-law, mother-in-law, and grandparent or any other relative residing in the same household.

2. Up to three (3) work days absence with pay will be allowed for death of a near relative.

C. Legal

Absence without loss of pay will be allowed when necessary to comply with a subpoena or summons.

D. Absence Without Leave

In cases of absence of any employee from duty without leave as provided above, such employee shall receive no pay during such absence. The deduction of such absence shall be calculated at one two-hundredths of the annual salary for ten-month employees and one two-hundred fortieth of the annual salary for twelve-month employees for each work day of such absence. It is recognized that this clause shall not be construed to be a limitation upon any other action which the Board/Administration may choose to take.

E. Association Days

A total of thirty (30) days per contract year without loss of pay shall be granted to the Association for use by any of its authorized representatives to attend conventions, institutes, educational conferences, hearings or meetings. Each year, the Association shall provide to the Director of Personnel Services or the Board Secretary, where applicable, a calendar of pre-scheduled events for which the use of Association days might be required and a list of representatives who might require use of Association days. Nothing herein will preclude the Association from seeking permission to use Association days for events which are not included in the calendar provided. No representative shall be permitted to use more than four (4) Association days. Use of Association days shall be subject to the approval of the Association President and the Director of Personnel Services or the Board Secretary, where applicable.

F. Summer School

1. Teachers intending to enroll in prior-approved summer school courses as defined below shall request permission of the Superintendent or his/her designee twenty (20) days before such enrollment. If such permission is granted, it shall be understood that the teacher shall be excused for not more than five (5) days during the last scheduled week of the school year to attend all sessions of the summer school.
2. For purposes of this section, a summer school course shall be defined as a District-approved

course of instruction in an approved institution of higher education which begins before the end of the District's school year and generates one or more course credits.

3. Teachers who have obtained prior approval for enrollment in summer school courses as defined above in Section F.1 and have obtained approval to be excused for no more than five (5) days during the last scheduled week of the school year, will be paid the difference between their regular pay and what is paid the substitute for each day of their absence.

G. Other Leaves

The Board may grant a leave of absence to any tenured employee.

ARTICLE XI EXTENDED LEAVES OF ABSENCE

A. President of the Association

The Board agrees to grant an unpaid leave of absence to the President of the Association or her/his designee for the purpose of performing duties for the Association. During this leave of absence, the President of the Association shall receive full salary guide credit and shall continue to accrue service in Woodbridge. The Board shall provide full family health benefits coverage to the President of the Association.

B. Anticipated Disability/Sick Leave of Absence

1. Any employee who will require an extended leave of absence due to an anticipated disability, such as pending surgery or other medical procedures, shall report that status to the Board as soon as said employee becomes aware of same. If the extended leave of absence is due to childbirth, the employee who becomes pregnant shall notify the Board at least 90 days prior to the anticipated date of delivery. At the time of notification, the employee shall submit a physician's certificate attesting to the pending disability.
2. Requests for disability/sick leave relating to anticipated disability shall include dates of onset and return from such leave.
3. An employee may request an unpaid leave of absence to prepare for an anticipated disabling event, which request must be submitted as soon as possible. Such unpaid leaves are subject to the provisions on unpaid personal leave as set forth below:
 - a. In the case of pregnancy, the employee, if she so desires, will be granted an unpaid leave to

prepare for the birth of her child.

- b. Employees whose expected date of onset of disability occurs during periods which would be disruptive to the continuity of the educational process, and who do not take unpaid personal leave prior to the disability, shall be subject to being transferred to alternative duty without loss of pay or benefits while so assigned until such time as the disability occurs.
4. The employee who anticipates a specific disabling event and who does not request unpaid leave of absence prior to the anticipated disabling event shall become entitled to applicable sick leave benefits. The Board may require certification of such disability.
5. Requests by employees for extension of sick leave benefits shall be governed by law under N.J.S.A. 18A:30-6.
6. If the anticipated disabling event is childbirth, the Board shall presume that the pregnant employee becomes disabled for work four (4) weeks before the anticipated date of childbirth at which time the pregnant employee shall become eligible for sick leave benefits if she does not present a certificate attesting to her ability to work during said four week period of time. This option is granted only to employees actively employed and not to those employees on unpaid personal leave. If, as a result of the pregnancy, the employee becomes disabled prior to this four week period, said employee may use any sick leave benefits to which she is entitled providing that the employee's physician provides the Board with a certificate attesting to her inability to continue working, and the Board reserves the right to verify the employee's inability to continue working.
7. The Board may require that an employee anticipating a disabling event may be placed on sick leave if the employee's physical condition leads to unsatisfactory performance of assigned duties, and/or the continued performance of those duties impairs the employee's health. Such incapacity must be established by the following:
 - a. The Board's physician and the employee's physician agree that the employee cannot continue working.
 - b. If there is a difference of medical opinion between the Board's physician and the employee's physician, then the two physicians shall agree in good faith on a third impartial physician, who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of physical capacity to continue working.
8. If the employee's disability is caused by childbirth and such employee is receiving disability/sick leave benefits, the employee is presumed to be disabled for a recuperative period of four weeks following childbirth, during which time such employee shall continue to receive sick leave pay

to which she is entitled under the sick leave policy. This applies only to those employed prior to childbirth and not to those employees who have been out on unpaid personal leave.

- a. If as a result of pregnancy an employee continues to be disabled after this four week period, said employee may use any sick leave benefits to which she is entitled providing that (1) the employee's physician provides the Board with a certificate attesting to her inability to resume working, and (2) the Board reserves the right to verify the employee's disability.
 - b. If the employee whose disability is caused by childbirth wishes to return to her duties prior to the expiration of the recuperative period, she must present medical certification of fitness to the Board. The Board reserves the right to verify her medical certification.
 - c. If the Board's physician and the employee's physician disagree as to the employee's fitness, then the two physicians shall agree in good faith on a third impartial physician who shall examine the employee, and whose medical opinion shall be conclusive and binding on the issue of the employee's fitness to return to her duties prior to the expiration of the recuperative period.
9. Upon termination of disability an employee is no longer entitled to receive sick leave benefits for that particular disability. Unpaid personal leave for the purposes of recovery following disability may be requested and shall be subject to the provisions on unpaid personal leave, as set forth therein under Section C below.
- a. Requests by tenured employees for personal leave prior to childbirth, following childbirth and/or adoption shall be granted for the duration of the school year in which these events occur, plus one (1) additional school year, if requested by the employee.
 - b. Employees returning from disability/sick leaves of absence shall be governed by Sections E.1 and E.2 of this Article.
10. In no event shall the Board be obligated to extend a non-tenured employee's unpaid leave of absence beyond the contract year for which the employee is employed.
11. If an employee on personal leave shall become pregnant before the expiration of her leave of absence, she shall be able to apply for a personal leave of absence for pregnancy. The same rules which apply to personal leaves for pregnancy shall apply to the new request for leave of absence for pregnancy.
12. If any employee who has been granted a leave of absence for pregnancy loses her baby by reason of miscarriage, stillbirth, or death of the infant before the expiration of her leave of absence, the employee shall be restored by the Board on her request, as soon as possible, to a position as

nearly the same as the position she held when her leave was granted.

C. Unpaid Personal Leave

1. The Board recognizes that certain personal situations occasionally occur where an employee seeks absence from work without pay. Where this is not inconsistent with the best interests of the educational process and continuity of instruction, the Board may grant individuals unpaid personal leave. Such leave will be granted within the following guidelines:
 - a. Employees may apply for unpaid personal leave for such purposes as preparation for, or recovery from, an employee's physical disability, unique family situations, or the achievement of personal growth goals.
 - b. Mere convenience or pleasure of the employee shall not be considered as valid reasons.
2. Requests for personal leave shall be addressed in writing to the employee's immediate supervisor.
3. The request shall be submitted a minimum of 60 days prior to the onset of the requested leave. In cases of emergency, as determined by the Board, such requests may be submitted less than 60 days prior to the onset of the requested leave. Requests for personal leave that grow from emergency situations shall be addressed directly to the Director of Personnel Services.
4. The request shall include the reason for the petition and supportive data in accordance with administrative procedure, as well as the time period for which it is being requested.
5. The Board reserves the right to grant personal leave so that the period of leave will coincide with the established schedule for affected educational activities and other educational concerns.
6. Requests for extension of personal leave received from employees already on leave, will be treated as new requests for new leaves and judged in accordance with this policy. Such requests shall be addressed directly to the Director of Personnel Services.

D. Military Leave

1. Military leave shall be granted to employees in accordance with the applicable laws of the State of New Jersey pertaining to the employees of school districts. Any employee who shall enter the active military service of the United States shall be granted a leave of absence without pay for the period of such service. Employees returning from such service shall be reemployed after termination of such leave of absence if such employee has been honorably discharged from service. Employees returning from military leave must notify the Personnel Office sixty (60) days

prior to discharge. For the purpose of determining the appropriate step on the salary schedule upon which such an individual is to be placed, service prior to the leave of absence and subsequent to her/his return to employment shall be considered as continuous service in Woodbridge as though the same had not been interrupted by military leave provided, however, that a maximum of four (4) years' credit for military service for the purpose of determining the appropriate step on the salary schedule shall be granted to any employee.

2. An employee's eligibility for benefits, including unused accumulated sick leave and credits toward sabbatical eligibility, shall not be affected by a military leave of absence as provided for in this Article. For this purpose, the employee's service prior to leave of absence and subsequent to her/his return to employment shall be continuous service in Woodbridge as though the same had not been interrupted by military leave.

E. Other Provisions Pertaining to Leaves

1. Notices shall be sent to employees returning from leave on the first day of school in September at least sixty (60) days prior to the opening of school indicating the school's name and number. Where such notice is not possible or change becomes necessary, the employee shall be notified as soon as administratively possible.
2. An employee returning from a leave of absence shall receive the same salary increment as those employees within the system who have the same number of years of service credit in the District.

F. Other Leaves

The Board may grant a leave of absence to any tenured employee covered under the provisions of sections N.J.S.A. 18A:30-6 to 18A:30-7.

ARTICLE XII PROTECTION OF EMPLOYEES AND PROPERTY

A. Assault

Employees shall immediately report to their immediate supervisor in writing any and all allegations of assault suffered by them in connection with their employment. Such report shall be forwarded through the administration to the Board, which shall comply with any reasonable request from the employee for information in its possession, not privileged under law, which materially relates to the incident(s) or person(s) involved. (See Appendices B&C for informational purposes)

B. Disruptive Pupils

Employees shall inform the administration of any situation, condition or occurrence, including the behavior of disruptive pupils, which may require administrative action.

C. Indemnification

1. Employees shall be indemnified against civil actions brought against them in the course of their employment to the fullest extent provided by N.J.S.A. 18A:16-6 as may be amended. (See Appendix D for informational purposes)
2. Employees shall be indemnified against criminal actions brought against them in the course of their employment to the extent provided by N.J.S.A. 18A:16-6.1, as may be amended. (See Appendix E for informational purposes)

D. Personal Property

Where there is clear evidence that an employee's personal property has been vandalized during the work day, including extra-curricular assignments, the Board may reimburse the employee for such loss to the extent that it is not covered by the employee's personal insurance policies. There shall be no further recourse to the grievance procedure for any such claim which is denied by the Board.

ARTICLE XIII INSURANCE PROTECTION

A. Basic Total Health Insurance and HMO Option

1. The Board will pay for the full cost of Hospitalization, Medical Surgical and Major Medical Insurance for employees and their dependents, including laboratory and X-Ray exam benefits (unlimited X-Ray benefits), and a \$1,000,000 limit under the Major Medical coverage. Coverage includes the full cost of all hospital extras including anesthesiology. Under Major Medical coverage, there is a \$100 deductible after which reimbursement is at 80%. Employees covered by this basic health insurance coverage will not have to pay more than \$400 per year out-of-pocket under this Major Medical coverage. Once \$2,000 in eligible expenses is reached in any given year, Major Medical will reimburse at the rate of 100%.
2. Effective January 1, 1991, coverage for out-patient mental health care shall increase to thirty-five dollars (\$35.00) per session and one thousand five hundred dollars (\$1500) per year.

3. Employees shall have the option to join either a group practice HMO or an individual practice HMO. If the employee opts for HMO coverage for total health benefits, the Board contribution per employee shall be for no more than the cost of conventional coverage.
4. The Board will pay the full cost of all insurance benefits as described in Sections A, B, C and D of this Article for any employee who retires under a state administered retirement system after twenty (20) years of service in Woodbridge, Board payment of said insurance benefits shall be made only from the age of 55 until the age of 65 of the retiree, at which time s/he will have the right to maintain the same insurance coverage at her/his expense.
5. In the event a covered employee or covered retiree shall die, the Board shall continue to provide coverage for the surviving spouse. In the event, however, the surviving spouse shall remarry, no additional coverage shall be purchasable by the spouse. For example, if, upon the death of an employee or retiree the surviving spouse continues to be covered under a family coverage plan, that spouse may not purchase additional family coverage under any circumstances.
6. All coverages provided shall continue in force and effect, except to the extent that they are amended by the contract language set forth in this Article. This shall not, however, restrict modifications to contract benefits which are mandated by state or federal law. Any compliance with the requirements of state or federal law shall be implemented immediately without the necessity of negotiations between the parties.

B. Dental Plan

The Board will provide usual, customary and reasonable dental fees as per classification with no deductible for the individual employee and dependents.

C. Prescription Plan

The Board will provide a prescription plan for all employees and their dependents. Effective January 1, 1991, the co-payment for generic prescription drugs shall be one dollar (\$1.00) and the co-payment for brand name prescription drugs shall be three dollars (\$3.00).

D. Optical Plan

Appendix B Disorder and Disruption of Educational Program

It is the legal responsibility of the Woodbridge Township Board of Education to provide school facilities and to maintain an appropriate program of education for the school children of the community. It is the right of these children to attend these schools and to receive the best education possible. Any disruption of the schools or interference with their normal operation offends this right thereby violating the law, and this shall not be tolerated or condoned.

It is recognized that existing conditions may need improvement from time to time. Any student, or students, wishing to express themselves because of some disagreement has the right to express his/her feelings in a reasonable and orderly manner to his/her student representatives. Any disagreement not resolved by the elected student officers may be presented to the principal upon request in a reasonable and orderly manner. The principal will consider and evaluate grievance presented and will render a decision which in his/her professional judgment, is in the best interest of the student body.

If the students are not satisfied with the decision rendered, they then have the right, through the regular channels of communication, to appeal to the next higher authority in writing.
