ARTICLE 2: EMPLOYER RIGHTS AND RESPONSIBILITIES

Section 1:

In order to effectively administer the affairs of the Employer and to properly serve the public, the Employer hereby reserves and retains unto itself, as public employer, all the powers, rights, authority, duties and responsibilities conferred upon and vested in it by law including, but not limited to the rights enumerated below:

1. To manage and administer the affairs and operations of the Employer.
2. To direct its working forces and operations.
3. To hire, promote and assign employees in accordance with law.
4. To demote, suspend, discharge or otherwise take disciplinary action in accordance with law.
5. To promulgate reasonable rules and regulations from time to time, which may affect the orderly and efficient administration of the Employer.

Section 2:

The Employer's use and enjoyment of its powers, rights, authority, duties and responsibilities, the adoption of its policies and practices or the promulgation of rules and regulations in furtherance thereof, and the exercise of discretion pursuant thereto, shall be limited only by the terms of this Agreement and to the extent same conform to law of New Jersey and of the United States.

Section 3:

Nothing contained in this Agreement shall operate to deny or restrict the Employer in the exercise of its rights, responsibilities and authority pursuant to the laws of this state or of the United States.

ARTICLE 3: GRIEVANCE PROCEDURE

A. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance, to discuss the matter informally with any appropriate member of Administration, and having the grievance adjusted without the intervention of the Union.

B. Definitions:

The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance;" or

2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Employer, which shall be processed up to and including the County Administrator or his/her designee, and shall hereinafter be referred to as a "non-contractual grievance."

C. Presentation of a Grievance:

The Employer agrees that in the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and one Union representative throughout the grievance procedure. It is understood and agreed that if available, private space shall be provided by the Employer for the prior discussion of a grievance.

D. Steps of the Grievance Procedure:

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement:

Step 1

A. The grievant shall institute action under the provisions thereof in writing, signed and delivered to the Division Head or his/her designee within ten (10) working days of the occurrence complained of, or within ten (10) working days after he/she would reasonably be expected to know of its occurrence. Failure to act within said ten (10) days shall be deemed to constitute an

abandonment of the grievance. Once timely filed, the aggrieved employee shall discuss the grievance with the Division Head. If the grievance is not resolved satisfactory or if no resolution is made within three (3) work days by the Division Head, the employee must present his/her grievance to the Department Head. The procedure and time limits for resolution at that level shall be the same as discussed above for the Division Head.

B. It is understood and agreed that a Supervisor cannot act in the capacity of Supervisor and Shop Steward in Step 1 of the grievance procedure.

C. All class action grievances shall be initiated with the Department Director.

Step 2

A. In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his/her complaint with the Director of Labor Relations within five (5) working days following the determination at step 1. The grievant shall be represented by one Union representative designated by the Union.

B. The Director of Labor Relations, or his/her designee, shall render his/her decision within ten (10) working days after the receipt of the complaint.

Step 3

If the grievance is not settled through Step 2, the same shall be presented in writing by the employee and the employee's representative to the County Administrator or his/her designee within five (5) working days of the written response from Step 2. The County Administrator or his/her designee shall meet with the Union and grievant to discuss the grievance issues and review the decisions at the previous steps together with the disputed areas submitted by the grievant. The grievant and Union representative may request a hearing before the County Administrator or his/her designee.

If the grievant and Union representative requests a hearing before the County Administrator or his/her designee, such party shall be heard on work time. The County Administrator will render his/her decision within thirty (30) working days after the meeting at which the matter has been reviewed. If the County Administrator does not issue a decision within thirty (30) working days after the meeting at which the matter has been reviewed the Union may move a contractual grievance to Step 4.

The grievant shall be represented by a Union representative designated by the Union. A Minority organization shall not present or process grievances.

Step 4

A. Any unresolved contractual grievance (as defined in B.1., Definitions above) except matters involving appointment, promotion, or assignment or matters within the exclusive province of Civil Service, may be appealed to arbitration only by the Union. The Union must file the request for arbitration within thirty (30) calendar days after receipt of the County Administrator's decision.

B. Nothing in this Agreement shall be construed as compelling to the Union to submit a grievance to arbitration or to represent an employee before Civil Service. The Union's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

C. Where the grievance involves an alleged violation of individual rights specified in Civil Service Law and rules for which a specific appeal to Civil Service is available the individual shall present his/her complaint to Civil Service directly, except where there is a right under the law to elect between Civil Service appeal and the grievance procedure, the grievant may make such an election.

Once the grievant makes the selection of procedure, such selection shall be deemed final and binding and constitute an absolute waiver of the procedure not selected. The election will be made in writing at the appropriate time on the grievance form.

D. The arbitrator shall be selected from a list by agreement between the parties on a case-by-case basis as follows:

(i) By selection from the panel of arbitrators maintained by the Public Employment Relations Commission, or

(ii) By selection from the panel of arbitrators maintained by the American Arbitration Association, in accordance with the selection procedures of the American Arbitration Association.

E. The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

F. The decision or award of the arbitrator shall be final and binding on the Employer, the Union and the grievant or grievants to the extent permitted by and in accordance with applicable law and this Agreement.

G. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with terms of this Agreement, except that he may not make an award which exceeds the Employer's authority.

The arbitrator shall not have authority to prescribe a monetary award as a penalty for violation of this Agreement.

H. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his/her decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not essential in reaching the determination.

I. The costs of the services of the arbitrator shall be borne equally by the Employer and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring same.

J. The cost of the transcript, if any will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.

K. The arbitrator shall hold a hearing at the time and place convenient to the parties as expeditiously as possible after his/her selection and shall issue his/her decision within thirty (30) days after the close of the hearing.

L. Grievance resolutions or decisions at Steps 1 through 4 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the authorized representatives of both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence, including such grievance resolution, as to the prior conduct of the other party.

ARTICLE 4: WORKING HOURS AND WORK WEEK

Section 1:

Any employee, given prior or emergency approval for overtime by his or her supervisor, shall be granted compensatory time on an hour-for-hour basis for hours worked between 35 and 40 hours.

An employee shall be paid time and one-half (1½) the employee's straight time hourly rate for each hour worked beyond 40 hours worked in the employee's normal work week, all as provided by law.

Section 2:

All employees will work thirty-five (35) hours during the normal work week.

Section 3:

All compensatory time must be taken within six (6) weeks of the date which it was earned, except that fourteen (14) hours or a portion thereof may be carried over to November 15, of that calendar year. If a date is not mutually agreed upon, then that employee shall be paid for the accumulated compensatory time by December 15 of that calendar year. Any compensatory time earned on November 15th through the end of that calendar year which cannot be processed as previously specified will be carried over or paid on the same basis in the following calendar year.

Section 4

The union acknowledges that the Employer may change the hours of employees from the current 2 schedules (8:30 a.m.- 4:30 p.m. and 9:00 a.m. - 5:00 p.m.) to one schedule (8:30 a.m. - 4:30 p.m.) upon 30 days written notice to the union. This provision shall not diminish the rights of the parties existing elsewhere in the Agreement or in Law.

ARTICLE 5: HOLIDAYS

Section 1:

Employees shall be granted the following paid holidays as publicly proclaimed:

New Year's Day	Labor Day
Martin Luther King's Birthday	Columbus Day

Christmas Day	

In addition (at the discretion of the Employer), employees may be granted any other days declared to be holidays by proclamation of the President or Governor or if the Board of Chosen Freeholders authorizes a holiday for all County employees.

Section 2:

To be eligible for a paid holiday, an employee must have worked the last scheduled work day before and the first scheduled work day after the holiday, unless on authorized leave with pay excluding educational leave.

Section 3:

Whenever any of the holidays enumerated above falls on a Sunday, the following Monday shall be observed as the official holiday and whenever such holiday falls on a Saturday it shall be observed on the preceding Friday.

Section 4:

If any employee is required to work on any one of the holidays designated under Section 1 of this Article, he shall be paid at the rate of time and one-half (1½) his/her regular rate of pay for each such hour worked and he shall be granted one day's compensatory time off for each such full holiday worked at his/her regular rate of pay, if eligible, subject to Section 2 above.

Section 5:

All employees must report in person to the office on the workday before and the work day after the holiday unless on authorized leave or an assignment by his/her immediate supervisor or administrator which precludes it.

ARTICLE 6: VACATIONS

Section 3:

Vacation leave shall be credited in advance at the beginning of the calendar year in anticipation of continued employment for the full year and may be used on the basis of and in accordance with established County policy.

A. All new employees shall be granted one (1) working day for each month of service or major fraction thereof during the remainder of calendar following date of employment.

C. Employees hired on October 1 thru December 31 will be credited vacation days in advance at the beginning of the second calendar year of employment in anticipation of continued employment.

D. The requests for above vacation days shall be made in writing to the Division Head. Vacation allowance must be taken during the current calendar year at such time as permitted by the Division Head unless he/she determines it cannot be taken because of pressure of work; except that an employee may request a maximum of one year of earned vacation allowance be carried forward into the next succeeding year only. This request shall be submitted to the Director in writing by December 1 of each year and may be approved for good reason. The employee must use such vacation allowance within the next succeeding year or such vacation allowance will be forfeited. Upon execution of Agreement, no employee shall have an accumulation on December 31st of any given year which exceeds the hours entitled to during the previous 18 months of employment. There will be no exceptions of extensions to this policy.

Section 4:

Annual vacation shall be granted with the approval of the Supervisor, Administrative Supervisor and the Director of Welfare. For vacations of five (5) days or less, a written request shall be presented to the Supervisor, except in the case of illness or emergency. For vacations of more than five (5) consecutive days but not more than ten (10) consecutive days, a written request shall be presented to the Supervisor and Director at least two (2) weeks prior to first date requested, except in the case of illness or emergency. Extended vacation shall include any carried over vacation taken with current year's vacation. In scheduling vacations (normal and extended) management will consider seniority of employees involved and the orderly flow of work within the work unit.

Section 5:

An employee who during the calendar year returns from a continuous period of absence of more than six (6) months due to disability, leave of absence or layoff, shall be eligible for a vacation after the employee has completed six (6) months in the performance of duty after returning from such absence. These six (6) months in performance of duty need not be continuous, but period of absence of eight (8) days or more shall not be credited in computing the required six (6) months. In case an employee becomes ill after having had his/her vacation schedule approved, the Employer will not expect the employee to cancel said vacation if it results in a financial hardship to the employee.

This section shall not deprive an employee of any justly earned vacation time or compensation thereof.

Section 6:

Upon termination of employment, an employee will be credited with annual vacation for only those months of the calendar year worked on a prorated basis for each month of actual service. An employee who has, pro rata, used more annual vacation than entitled to at the time of termination, shall have an amount equal to his/her daily rate of pay deducted from his/her final pay, for each day of annual vacation taken in excess of the number to which he was entitled.

Section 7:

ARTICLE 7: SICK LEAVE

Section 1:

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, injury, accident, exposure to contagious disease, pregnancy disability, or attendance upon a member of the employee's immediate family, seriously ill requiring the care or attendance of such employee. "Immediate family" means father, mother, step-parent, mother-in-law, father-in-law, daughter-in-law, son-in-law, grandmother, grandfather, grandchild, spouse, child, foster child, step-child, sister or brother, sister-in-law and brother-in-law of the employee. It shall also include relatives of the employee residing in the employee's household for at least three (3) consecutive months prior to the event giving rise to the request for leave.

Civil Service Rule N.J.S.A. 34:1-17.15 will apply to County employees. Though the aforesaid Rule does not define the term "short period," the Employer and Union agree that said term shall mean a period not exceeding five (5) working days.

Section 2:

Each employee shall be entitled to sick leave credits at the rate of one day per month or major fraction thereof from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he/she shall have an amount equal to his/her daily rate of pay deducted from his/her final pays, for each day of sick leave in excess of the number to which he was entitled.

Each employee will be credited with 15 days sick leave annually for each succeeding calendar year of full time employment, which is cumulative. Sick leave cannot be used as terminal leave. (There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the Employer). If upon termination after a year's service an employee has used more sick leave than that to which he/she is entitled, he/she shall have deducted from his/her final pays an amount equal to his/her daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he/she is entitled. Sick leave benefits shall be available to both provisional and permanent employees in accordance with law and existing practices.

Section 3:

A. Each employee is responsible to ensure that the Employer, in accordance with stated procedure, is notified via one phone call an hour prior to shift start time, on each day of absence giving the specific reason for the absence. Failure to give notification without valid reason as required may result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five consecutive business days shall constitute a resignation not in good standing pursuant to Civil Service Rules and Regulations.

B. Employees who will be out sick for more than a single day pursuant to a doctor's note that has been provided to the employer need not call in for each day of the absence authorized by the doctor's note.

Section 4:

A. A certificate from a licensed physician in attendance may be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. Where an employee is absent from duty due to illness less than five days at a time, the Employer may require production of the physician's certificate. However, in the event of absence from duty due to illness for five consecutive working days or more at one time, it may be required that the employee submit a physician's certificate to the Director of Welfare.

B. Employees, absent on sick leave for periods totaling fifteen (15) days in one calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year.

C. In the instance of leave of absence due to contagious disease, a certificate from the Department of Health shall be required.

Section 5:

Requests for sick time shall be utilized in one (1) hour increments.

Effective January 1, 2017, requests for sick time shall be utilized in quarter (1/4) day or one (1) hour increments.

Section 6:

Any employee who retires on or after January 1, 2003 shall be reimbursed for accumulated sick time based on the schedule below:

Thirty (30) percent of the value of sick time at time of retirement
to a maximum of ten thousand (\$10,000.00) dollars.

In order to receive this reimbursement, retirement shall be determined based upon receipt of New Jersey State Pension benefits or Social Security retirement benefits.

An employee who elects a deferred retirement benefit shall not be eligible for the above lump sum payment.

Section 7: Work Connected Injury

A. When an employee is injured or disabled as a result of, or arising out of, his/her employment so as to be physically unfit for normal duty, the Employer may grant a leave of absence with full pay for up to four (4) months. Such leave shall not be chargeable to sick leave.

B. A leave of absence for four (4) months without pay may be granted beyond the initial four (4) months leave. During this leave, payment for earned sick and vacation time may be granted upon written request from the employee.

C. The employee will be required to endorse and deliver to the Employer the full amount of workmen's compensation temporary disability benefits received during any period of leave for which payroll checks have been issued.

ARTICLE 8: PERSONAL LEAVE

Section 1:

A written request for such leave shall be given by the employee to his/her supervisor at least two (2) weeks in advance. When granted said leave, an employee shall receive the difference between the pay received for jury duty and the employee's wages for the leave period. When granted said leave, an employee shall give the jury pay to the Employer of Social Services and receive his/her regular pay check.

Section 2:

Military Leave - Military Leave shall be provided pursuant to N.J. Civil Service Personnel Manual (Local Jurisdiction) Part 17- 3, "Military Leave" and said part is hereby incorporated herein by reference.

Section 3:

The Employer shall provide non-cumulative bereavement leave with pay not to exceed three (3) days per incident in the case of the employee's spouse, child, step-child brother, sister, mother, father, mother-in-law, father-in-law, step-parent, grandmother, grandfather, grandchild, son-in-law, daughter-in-law or other relative residing in employee's household for at least three (3) consecutive months prior to the event giving rise to the request for leave. Additional days may be approved by the supervisor and charged against sick leave for members of the immediate family as defined by Civil Service regulations. One (1) working day per incident shall be provided for: aunt, uncle, niece, nephew, cousins, brother-in-law, sister-in-law and grandparents-in-law.

B. As soon as possible, an employee shall notify his/her supervisor of a death in his/her family and of his/her need for leave. Notification must be given as in the case of illness under Article VII, Sick Leave, Section 3. Proof of death may be required by the Division Head.

Section 4:

Education Leave - Education Leave may be granted by the Employer with or without stipend. Courses must be job related and within budgeting limitations. Posting of Educational Leave Committee Meeting will be made at least four (4) working days in advance of meeting.

It is understood that a Union representative will have the opportunity to make a presentation before the Educational Leave Committee on behalf of the employees who are requesting Educational Leave.

Section 5:

A) Prior to January 1, 2007:

- a) Each employee shall be granted one (1) administrative day.

A written request for administrative leave must be submitted to and approved by the Director of Welfare or designee. In case of illness or emergency the written request may be waived. Administrative leave is credited at the beginning of each calendar year and may be taken in one-quarter (1/4) day increments.

New employees hired October 1 through December 31 will not earn any administrative leave day in the first calendar year of employment. All new employees hired January 1 through September 30 shall be credited with one (1) administrative day on January 1 of the following calendar year. An administrative day shall be earned by new employees at the rate of one-quarter (1/4) of a day for each full month for the remainder of the calendar year in which said employee was hired.

Employees hired on October 1 through December 31 will be credited with one (1) administrative leave day on January 1 of the second full calendar year of employment – not January 1 following the hire date.

The administrative day is to be used as follows:

Applicable uses are as follows:

- B. Banking business (applying for loan, mortgage)

B) Effective January 1, 2007:

a) Each employee will be granted two (2) personal days without the requirement of any of the above stated reasons, provided the employee obtains prior approval.

b) Personal leave, as noted above, shall be non-cumulative.

c) Effective January 1, 2017, requests for personal time shall be utilized in quarter (1/4) day or one (1) hour increments.

Section 6:

B. Temporary and provisional employees may be granted authorized leave of absence without pay for a maximum of sixty (60) days for reasons deemed appropriate by the Employer and such leave may not be consecutively renewed or extended.

C. An employee on an approved leave without pay for a period of more than one month shall have the option of continuing health benefits at his/her own expense under the group rate for the succeeding nine (9) months.

Section 8:
