The Board of Education reserves to itself sole jurisdiction and right, in compliance with the laws of the State of New Jersey and the rulings of the State Commissioner of Education, to hire, assign, promote and direct employees covered by this Agreement or to take disciplinary action against said employees (up to and including discharge) for just cause, to manage school operations, and to take whatever actions may be necessary to accomplish the missions of the school district except as may be specifically provided by the language of this Agreement.

ARTICLE XXVI

NO-STRIKE PLEDGE

A. It is recognized that the need for continued and uninterrupted operation of the School District is of paramount importance and that there should be no interference with such operation.

B. The Association covenants and agrees that, during the term of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize, or support, any strike (i.e., the concerted failure to report for duty, or willful absence in whole or in part from the proper performance of the employees' duties of employment), work stoppage, slow-down, walk-out, or other job action. The Association agrees that such action would constitute a material breach of this Agreement.

**ARTICLE XXVII**  
**REPRESENTATION FEE**

**A. Purpose of Fee**

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

**B. Amount of Fee**

1. Notification - Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be determined by the Association in accordance with the law.

2. Legal Maximum - In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee may set up to 85% of that amount as the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

**C. Deduction and Transmission of Fee**

1. Notification - Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph B below, the full amount of the representation fee and promptly will transmit the amount to the Association.

2. Payroll Deduction Schedule - The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- (a) ten (10) days after receipt of the aforesaid list by the Board, or
- (b) thirty (30) days after the employee begins his or her employment in a bargaining unit position unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment - If an employee who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics - Except as otherwise provided in this Article, the mechanics for the deduction of the representation fees and the transmittal of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. Changes - The Association will notify the Board in writing of any changes in the list provided for in Paragraph 1 above and/or the amount of the representation fees, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

6. New Employees - On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and dates of employment for all such employees.

D. Indemnification and Save Harmless Provision

1. Liability

The Association agrees to indemnify and hold the Board harmless against any and all claims, demands, suits and other forms of liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that the Board give the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph.

2. Exception

It is expressly understood that paragraph 1 above will not apply to any claim, demand, suit, or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's imperfect execution of the obligations imposed upon it by this Article.
