THIS AGREEMENT made and effective January 1, 2015, by and between THE TOWNSHIP OF CLARK, a Municipal Corporation of the State of New Jersey (hereinafter known and designated as the Employer) and UNION COUNCIL NO. 8, I.F.P.T.E., AFL-CIO (hereinafter known and designated as the Association).

WITNESSETH:

WHEREAS, it is the purpose of this Agreement to prescribe the legitimate rights of those Municipal Employees recognized as being represented by the Association and to provide orderly and peaceful procedures for presenting employee grievances and proposals, and to protect the rights of the public in the Township of Clark;

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

ARTICLE 1

RECOGNITION

The Employer hereby recognizes Union Council No. 8, I.F.P.T.E., AFL-CIO as the exclusive representative for clerical and secretarial employees, sanitary inspector, building maintenance employees, working within the Township Offices' and the Police Department, of the Township of Clark, but excluding all managerial executives, confidential employees, tax collector, supervisory employees within the meaning of the Act, police officers, craft employees, secretary to the mayor and secretary to the Business Administrator, all division and department heads, and all other employees employed by the Township of Clark.

ARTICLE 2

REPRESENTATION FEE

a. Notice and Amount of Fee

If an employee in the bargaining unit is not a member of the Association during the term of this Agreement, and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Association during such term of period. The purpose of the representation fee is to provide for payment to the Association of a fee in lieu of dues for services rendered by the Association, and thereby to offset the cost of services rendered by the Association as majority representative. In order to adequately offset the cost of services rendered by the Association, the representation fee shall be 85% of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members.

The Employer shall submit an up-to-date list of all employees in the unit to the Association at least once each month. The Employer shall advise the Association of any new hires within fourteen (14) days of said employee's hiring. The Association shall submit to the Employer a list of those employees in the unit who are not members of the Association. The Employer shall deduct from the salary of such employee in accordance with "b" below, the full amount of the representation fee and shall transmit promptly the amount so deducted to the Association. The Association shall notify the Employer in writing of any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction made.

b. Payroll Deduction Schedule

The Employer shall deduct a representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the membership

period fixed by the Association. The deductions will begin with the first paycheck paid ten days after the receipt of the aforesaid list by the Employer (or 30 (thirty) days after the employee begins his/her employment in the bargaining unit position) and every pay check thereafter except where the employee is continued in the employ of the Employer in a non-bargaining unit position or is on layoff, in which event the deductions will begin with the first paycheck paid 10 (ten) days after the resumption of the employee's employment in a bargaining unit position. Except as otherwise provided herein, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the Association by payroll deduction.

c. Purpose of Article

The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey or any amendments thereto, and anything herein, which may be inconsistent with said law, shall be deemed to be changed to conform to said law. The Association has represented that it has established a "demand and return" system pursuant to the foregoing law, which is available to employees who pay the representation fee.

ARTICLE 3

ASSOCIATION BUSINESS

Section 1. The Association shall advise the Employer in writing of the names of its representatives.

Section 2. The Association shall neither solicit members nor conduct any business on Employer's property during Employer assigned working schedules of either the representatives of the Association or the employee involved, except for the following:

- a. Collective bargaining
- b. Time spent conferring with management or employees on specific grievances as specified in the Grievance Procedure, provided that there shall be no unreasonable interference with work assignments and in the event of a conflict the work assignment shall have priority.

- a. Arrange with his/her supervisor to leave work;
- b. Notify the supervisor of any employee facility or job location visited on arrival;

- d. Record his time out and time in with his/her supervisor upon leaving and returning to the job.

ARTICLE 4

MANAGEMENT RIGHTS

The Association recognizes that there are certain functions, responsibilities and management rights exclusively reserved to the Employer. All of the rights, powers, prerogatives and authority possessed by the Employer prior to the signing of this Agreement are retained exclusively by the Employer subject only to such limitations as specifically provided in this Agreement.

ARTICLE 14

SICK LEAVE, LEAVE OF ABSENCE AND OTHER LEAVE

Section 1

Sick leave is hereby defined to mean absence from post-of-duty of an employee solely in the event of illness, accident, exposure to contagious disease, attendance upon a member of the employee's immediate family who is seriously ill requiring the care of such Employee. A certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave of absence of the employee or the need of the employee's attendance upon a member of the employee's immediate family. In case of leave of absence due to contagious disease, a certificate from the Department of Health shall be required prior to return to duty. The term "immediate family" is limited to the employee's spouse, children, step-children, grandchildren, parents, grandparents, brothers, sisters or a relative who is part of the household.

Employees are entitled to one day sick leave with pay for each month of service from the date of appointment to December 31 of each year. Thereafter, 15 days of sick leave are granted in each calendar year, or a total of 105 hours. Any employee whose employment has terminated shall have their sick leave prorated in the year of termination at the rate of one day per month, not to exceed 15 days.

Sick time usage is a benefit and is to be used as defined. Sick time is not to be abused, nor is it to be utilized for any other purpose.

The employee or a member of the employees' family must telephone their Department Head at least an hour before the employee's starting time to advise that the employee cannot report to work.

The employer may require proof of illness, whenever three (3) or more consecutive days are utilized as to "fitness for duty", or if an employee has a pattern of sick leave use. A pattern is defined as "absences that consistently occur". For example, before or after scheduled days off including holidays and vacations; the same day of the week or month, etc. The Department Head or his/her designee retains the discretion in determining what constitutes a pattern. Failure to provide proof of illness by the employee may result in disciplinary action.

Any employee expending a total of more than five (5) non-consecutive days of sick leave in any one year may be required to provide a doctor's note or submit to a physical examination by a medical doctor selected by the Business Administrator, and the net cost, if any, to the employee for that doctor visit shall be reimbursed by the employer. If such examination determines that no sickness is evident, the employee shall be subject to disciplinary action.

Sick time taken as part of a day shall require the approval of the Department Head to verify that the individual either has a doctor's appointment or is feeling suddenly ill.

TP (A-12)

An employee absent from work utilizing a day of Sick Leave must be at home during the hours scheduled to work for which Employee is being paid and reported off sick except to go to the doctor. The Township reserves the right to send a physician, visiting nurse or other appropriate official to **confirm the Employee's whereabouts** or to order the Employee to a physician of Township's choice to report on condition of the Employee. If such examination determines no sickness is evident, employee shall be subject to discipline. **No place of confinement visits or telephone calls shall take place after workday hours.**

During a period of disability, employees may elect, if they so desire, to first utilize all or any part of their accumulated sick leave. In the absence of such elections, leaves of absence provided by this Article will not affect in any manner whatsoever, the accumulated sick leave of the disabled employee.

Where a disability work-connected injury is sustained and causes an extended absence, the Township Council **will** adopt a resolution granting the injured employee up to one-year leave of absence with pay. If and when such action is taken, the employee shall not be charged with sick time beyond that charged at the time of the disability.

In the event of such action, the employee must agree in writing to reimburse the Township for payments they may receive as Workers' Compensation, insurance benefits or from any settlement or judgment paid to the employee by a person or corporation held responsible for such injury.

All full time employees hired subsequent to November 1, 1981 shall accumulate unused sick time leave to a maximum of \$ 7,500.00 which shall be redeemable upon retirement.

Section 2. - Maternity Leave

The employee shall provide medical certification of her condition in the event of a leave of absence due to pregnancy. The employee shall inform the employer, in writing, of the date

the employee will entitled to a maternity leave not to exceed six (6) months. The employee may request that such leave be with pay to the extent of accrued sick leave, otherwise, the time on leave shall be without pay.

Section 3. – Military Leave

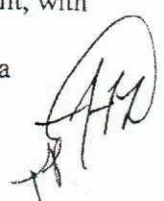

Any full-time employee, who is a member of the United States Armed Forces Reserve or the National Guard and is required to engage in field training, shall be granted a military leave of absence with pay for the duration of such service. Such paid leave of absence shall not affect vacation entitlement. The Township agrees to provide the following military leave benefits:

When a full-time employee has been called to active duty or inducted into the military forces of the United States, the employee shall be granted an indefinite leave of absence, for the duration of such military service. The first thirty (30) work days of the leave in any calendar year shall be with full pay. Any member of the National guard shall be granted a leave of absence without loss of pay for the first ninety(90) work days in the aggregate in any calendar year which in or she may be called to active duty or training. Each such employee must be reinstated, without loss of privileges or seniority, provided he/she reports for duty with the Township within ninety (90) days following the employee's honorable discharge from military service.

Section 5. – Leave Because of Death in the Family

Leave with pay, not exceeding five (5) days, shall be granted by the Department Head, with the approval of the Business Administrator, to any employee in the event of a death in his/her "immediate family". The term "immediate family" for all the purposes of this Section shall include only the employee's spouse, child, grandchild, mother or father.

Leave with pay, not exceeding three (3) days, shall be granted by the Department, with the approval of the Business Administrator, to any employee in the event of a death of a

grandparent, brother or sister; and in the event of a death of the parent or grandparent, brother or sister of his/her spouse, or other person who is a member of his/her household.

Section 6. – Leave Without Pay

Leave without pay shall be granted only when the employee has used his/her accumulated sick leave in the case of illness. In the event leave without pay is requested for reasons other than illness an employee must have used his/her vacation leave. Written request for leave without pay must be signed by the employee, endorsed by the Department Head, and approved by the Business Administrator before becoming effective.

Such leave, except for military leave without pay, shall not be approved for a period longer than six months at one time. The Business Administrator with the Department Head's consent may extend such leave for an additional six (6) months or any portion thereof. If any employee is on a Leave of Absence without Pay, such employee may maintain their Health Benefits and shall reimburse the Township for those benefits.

A request for any type of leave, except sick leave or because of a death in the family, shall be made ten (10) days in advance to permit engaging a substitute for the particular position held by the applicant.

ARTICLE 15

PART TIME EMPLOYEES

Section 1.

All part-time employees shall participate in all of the benefits accorded full-time employees on a pro rata basis, with the exception of health benefits as defined herein, unless otherwise required by Civil Service Law or other law. Part-time employees are eligible for medical coverage if the workweek is established at thirty (30) hours or more. Sick leave and vacation time shall follow the same schedule as allowed full-time employees, payment therefore

being at the same rate of time or pay, pro rata as to time, as provided in the employee's regular work schedule.

ARTICLE 16

MEDICAL / DENTAL BENEFIT PLANS

Section 1. The Township's medical benefits programs contracted through the State of New Jersey Division of Pension and Benefits commonly referred to as the "New Jersey State Health Benefits Program." There are a number of Plan Coverage Descriptions available to each employee upon entry within the contracting unit, and annually during open enrollment. These programs are offered to each member as they relate to their needs and their respective share of premium costs. It is incumbent on members to determine their needs. Employees shall contribute towards the cost of health benefits pursuant to the requirements of Chapter 78, P.L. 2011 for the term of this Agreement. Unless otherwise provided by law, premium contributions shall be subject to negotiations for the successor agreement. The parties agree further that if a new law is passed regarding premium contributions and it applies to this unit upon expiration of this Agreement the terms of that law shall be implemented. The Township has the right to change benefit providers as long as the benefits remain substantially the same.

Employees on paid leave of absence due to job related injury shall enjoy continued coverage until the employee is medically capable of returning to work. Employees on layoff or leave of absence without pay due to non-job related injuries and terminated employees shall be terminated from the plan, effective immediately following the employee's last day of work. Any changes will require action of the governing body. Employees who are recalled to employment will be reinstated to the plan.

Employees may elect to waive medical coverage and will be entitled to receive 25% of the amount of the savings to the Township from the waiver of coverage or \$ 5,000 whichever

TP 477

amount is less. Waiver incentives are only available if other coverage is through a non-State Health Benefit Plan. Waiver of coverage for less than the full calendar year will entitle an employee to a pro rata share of the waiver incentive payment for the period of the waiver.

Section 2.

- a. The Township shall continue dental coverage as agreed upon by the parties and the deductible of Twenty-five (\$25.00) dollars per person and seventy-five (\$75.00) dollars per family. The present Dental Insurance carrier is Delta Dental.
- b. The Township agrees to provide Group Setting for solicitation of eyeglass plans for employees', spouse, and dependents. Employee to pay all premiums.

Section 3.

The Prescription Insurance Benefits for active employees shall provide a co-pay of five (\$5.00) dollars for generic drugs and fifteen (\$15.00) dollars for brand name drugs.

Section 4.

The parties agree that employees covered hereunder shall continue to receive coverage for children to age twenty-six (26); the premium cost is to be paid by the employer.

ARTICLE 17

MEDICAL BENEFITS AND OTHER BENEFITS FOR RETIRED MEMBERS

Section 1.

An employee who retires from the Township in good standing, after twenty-five (25) years of credited service in the PERS and his/her eligible dependents shall receive the recognized Dental, Prescription, Major Medical and Life Insurance to be fully paid for by the employer, until the employee is Medicare eligible. Coverage for the employees' spouse (civil union/domestic partner) shall also continue until Medicare eligible and for dependent children

until age 26. Except as provided below, Medical/Dental plan for active employees will not change upon retirement. This benefit shall only apply to members and their eligible dependents at the time of retirement that retire after January 1, 1984 and shall not apply to any members previously retired. The Township has the right to change benefit providers for retirees as long as the benefits are substantially the same as those in effect on the last day that the retiree was an active employee. In addition, if SHBP changes its plan of benefits, those changes shall apply to retirees so long as those changes are substantially the same as those that were in effect on the last day that the retiree was an active employee. Retiree co-payments for prescriptions shall not increase in retirement.

Section 2. Upon reaching Medicare eligibility, a medical/Dental program will be provided to supplement Medicare/Medicaid with coverage equal to pre-retirement agreement.

Notwithstanding the foregoing, the Township has the right to change insurance providers so long as the benefits remain substantially the same as the township plan that was primary prior to Medicare eligibility.

Section 3.

In the event an employee who has completed at least twenty-five years of service dies prior to retirement, the Township shall provide the employee's spouse and dependents with the same health/hospitalization benefits as those which would have been provided had the employee retired. The cost of said benefits shall be borne totally by the Township, except as may otherwise be provided by law. Said coverage for the spouse shall continue until Medicare eligible and dependent coverage shall continue until age twenty-six (26).

Section4.

Any employee who retires as defined in section 1 shall receive sick, vacation, and personal time pro-rated on a monthly basis.

ARTICLE 18

INOCULATION

Section 1. The Employer shall provide, at its expense, inoculation against influenza or any epidemic, if declared as such by the State Department of Health. This precautionary measure shall be performed by a physician selected by the Administration.

ARTICLE 19

NON-DISCRIMINATION

The Employer agrees that it will not discriminate against an employee because of activities as a member of the Association. There shall be no discrimination against any employee because of race, color, religious creed, national origin, political affiliation, sex or Union affiliation. The Association, or any of its agents, shall not intimidate or coerce employees into membership.

ARTICLE 20

GRIEVANCE PROCEDURE

Section 1. A grievance within the meaning of this Agreement shall be limited to any controversy or dispute arising between the parties hereto relating to any matter of wages, hours, and working conditions or any dispute between the parties involving interpretation or application of any provisions of this Agreement, exclusively.

Section 2. The purpose of this Article is to provide for the expeditious and mutually satisfactory settlement of grievances, and to that end, the following procedures shall be followed:

Step 1. An employee with a grievance shall first discuss it with his Department Head and/or supervisor directly and in the presence of a local Association representative for the purpose of resolving the matter informally. A grievance must be presented under the Grievance Procedure described herein within five (5) working days of the time that the employee knew of

the occurrence of the condition giving rise to the grievance. It is understood that time off the job, be it with or without pay, shall be counted as "working days" under Step 1 of the Grievance Procedure. If it is not presented within the aforementioned time period, it shall not thereafter be considered a grievance under this Agreement, unless reason satisfactory to the Employer is given in explanation of the failure to present the grievance within such time.

Step 2. If the aggrieved party is not satisfied with the disposition of his grievance at Step 1, or if no decision has been rendered within three (3) working days after presentation of that grievance at Step 1, the employee may file a grievance appeal in writing to the Business Administrator. A hearing on the grievance shall be held between the Business Administrator and the Association's designated representative and the employee affected and any witnesses within seven (7) working days of the receipt of the grievance. The Business Administrator shall render a decision in writing within five (5) working days of the hearing.

If the decision at Step 2 fails to result in a satisfactory adjustment of the grievance, then in that event, the Association may within 30 days, request the New Jersey State Board of Mediation to appoint an arbitrator who shall have full power to hear and determine the dispute, and the arbitrator's decision shall be final and binding on all parties.

The arbitrator shall have no authority to change, modify or amend the provisions of this agreement.

ARTICLE 21

MAINTENANCE OF WORK OPERATIONS

There shall be no lockouts, strikes, work stoppages or slowdowns of any kind during the life of the Agreement. No officer or representative of the Association shall authorize, institute or condone any such activity. No employee shall participate in any such activity. The Employer

shall have the right to take disciplinary action, including discharge, against any employee participating in a violation of the provisions of this Article.

ARTICLE 22

SAVINGS CLAUSE

In the event that any Federal or State Legislation, Governmental Regulation or Court decisions cause invalidation of any article or section of this Agreement, all other activities and sections not so invalidated shall remain in full force and effect.

ARTICLE 23

RETENTION OF BENEFITS

The Township agrees that all benefits, terms and conditions of employment relating to the status of members in Union Council No. 8, I.F.P.T.E., AFL-CIO, not covered by this Agreement, shall be maintained at not less than the highest standards in effect at the time of the commencement of the collective negotiations leading to the execution of this Agreement and as provided for in this Agreement.

ARTICLE 24

CIVIL SERVICE RULES

The parties agree that all hiring, layoffs and separations shall be in accordance with the REVISED CIVIL SERVICE RULES FOR THE STATE OF NEW JERSEY as applicable to the Township and that the Civil Service Laws and rules shall be applicable to all employees.

ARTICLE 25

JOB VACANCY, EMPLOYMENT LEVELS

Section 1. In the event that a vacancy should occur in a bargaining unit position, the employer shall, when filling the vacancy, give preference to those employees on the payroll when the vacancy occurs.

Section 2. The employer desires to maintain employment as near to constant level as possible and in that regard it shall use its best efforts not to lay off any employees covered hereunder during the term of this Agreement by subcontracting or assignment of work performed by such employees to private, outside contractors. Both parties recognize, however, that the needs of the Employer and its effective operation may necessitate reassignment of personnel or the addition to or decrease from the workforce.
