ARTICLE 2: Vacation

Section 1:

In accordance with N.J.S.A. 11A:6-3, employees shall be granted vacation leave, pursuant to the following schedule, based upon length of service:

<u>Length of Service</u>	<u>Vacation</u>
Less than 1 year	1 day for each month worked during the first year of employment
From 1st anniversary to 6th anniversary	12 days
From 6th anniversary to 12th anniversary	15 days
From 12th anniversary to 18th anniversary	18 days
From 18th anniversary to 24th anniversary	21 days
After 24th anniversary	25 days

Section 2:

The vacation period for employees shall begin January 1 of each year and continue in effect until December 31 of each year. Annual leave shall be taken subject to the needs of the service, during the current vacation period.

Section 3:

In any vacation period, annual vacation or any portion thereof, which is not taken or granted by reason of the pressure of work shall be accumulated to the next calendar year. Accumulations after one (1) calendar year shall not be permitted. Extended annual vacation may be granted in accordance with the schedule above, at the convenience of the County. The County will consider the needs of the employee and carried vacation time.

Section 4:

Annual vacation shall be granted only with prior approval of the Supervisor and Department Head who may require six (6) weeks prior notice in writing of extended vacation. In scheduling vacations, management will consider seniority of employees involved and the orderly flow of work within the work unit.

Section 5:

An employee who during the calendar year returns from a continuous period of absence of more than six (6) months due to a disability, leave of absence or layoff, shall not be eligible to a vacation in that year until the employee has completed six (6) months in the performance of duty after returning from such absence. These six (6) months in performance of duty need not be continuous but period of absence of eight (8) days or more shall not be credited in computing the required six (6) months. This section shall not deprive an employee of any justly earned vacation time or compensation thereof.

Section 6:

Upon termination of employment, an employee will be credited with annual vacation for only those months of the calendar year worked on the prorated basis of the existing vacation schedule. An employee who has pro rata, used more annual vacation than entitled to at the time of termination, shall have an amount equal to his/her daily rate of pay deducted from his/her final pay, for each day of annual vacation taken in excess of the number to which he/she was entitled. Vacation shall be prorated in accordance with the schedule above.

Section 7:

In the event an employee is on vacation and becomes ill and is under a doctor's care or is hospitalized, his/her vacation shall be terminated and he/she shall be put on sick leave, if same is available, at the employee's option, provided the employee promptly notifies the County.

ARTICLE 3: Holidays

Section 1:

Employees shall be granted the following paid holidays:

- | | |
|----------------------------------|----------------------|
| 1. New Year's Day | 8. Labor Day |
| 2. Martin Luther King's Birthday | 9. Columbus Day |
| 3. Lincoln's Birthday | 10. Election Day |
| 4. Washington's Birthday | 11. Veteran's Day |
| 5. Good Friday | 12. Thanksgiving Day |
| 6. Memorial Day | 13. Christmas Day |
| 7. Independence Day | |

In addition, at the discretion of the County, employees may be granted any other days declared to be holidays by proclamation of the President or Governor.

Floating Holidays

The County, at its sole discretion and upon appropriate notice to the union, may convert the observance of Lincoln's Birthday and Election Day (paid holidays enumerated in this section) into "floating holidays" for the current year. Upon six months prior notice, the County may elect to exchange any single floating holiday for another day in the same calendar year which shall be recognized as a holiday, as defined by the terms of this Article.

Section 2:

To be eligible for a paid holiday, an employee must have worked the last scheduled day before and after the holiday, unless on authorized leave.

Section 3:

Whenever any of the holidays enumerated above fall on a Sunday, the following Monday shall be observed as the official holiday. Whenever any of the holidays described above fall on a Saturday, the Friday immediately preceding shall be observed as the official holiday.

Section 4:

If an employee is required to work on any one of the holidays designated under Section 1 of this Article, he/she shall be granted one (1) day's compensatory time off for each such holiday worked.

Section 5:

The Friday after Thanksgiving shall be granted as an approved leave day off with pay.

Section 6:

The County may change the observance of any one of the holidays enumerated under Section 1 above at its option at the time the annual holiday schedule is determined for a given year.

ARTICLE 4. Sick Leave

Section 1:

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease or attendance upon a member of the employee's immediate family seriously ill requiring the care or attendance of such employee.

Immediate family means father, mother, spouse, child, foster child, sister or brother of the employee. It shall also include relatives of the employee residing in the employee's household.

Section 2:

Each employee shall be entitled to sick leave credits at the rate of one day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he/she shall have an amount equal to his/her daily rate of pay deducted from his/her final pay, for each day of sick leave taken in excess of the number to which he/she was entitled.

Each employee shall be credited with 15 days sick leave annually for each succeeding calendar year of full time employment which is accumulative. Sick leave cannot be used as terminal leave when leaving the employ of the County. If upon termination after a year's service an employee has used more sick leave than that to which he/she is entitled, he/she shall have deducted from his/her final pay an amount equal to his/her daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he/she is entitled. Sick leave benefits shall be available to both temporary and permanent employees in accordance with law and existing practices.

Section 3:

Notice of absence is required as follows:

Each employee is required to notify his/her supervisor by one-half (1/2) hour before starting time on each day of absence, giving the specific reason for the absence, provided, however that shift personnel are required to call in two (2) hours before starting time. Should the employee be unable to reach the supervisor, then the Personnel Office should be notified. Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five consecutive business days shall constitute a resignation pursuant to Civil Service Rules and Regulations.

Section 4:

A certificate from a reputable physician in attendance shall be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. Where an employee is absent from duty due to illness less than five days at one time, the County may not require production of the physician's certificate. However, in the event of absence from duty due to illness for four (4) work days or more at one

time, the employee shall be required to submit a physician's certificate to his/her supervisor to justify payment of sick leave.

An accumulation of ten (10) sick days, the days having been taken at various times, except as noted above, may be approved without a physician's certificate. All sick time in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay.

In the instance of leave of absence due to contagious disease, a certificate from the Department of Health shall be required.

Section 5 - Sick Leave Conversion Option:

1. Employees may, at their own option, "sell back" two (2) accumulated sick days to the County in exchange for one (1) personal day on a calendar year basis.
2. Employees wishing to "sell back" two (2) accumulated sick days to the County in exchange for one (1) personal day must make such an election no later than May 1 of the calendar year. An election once made cannot be revoked.
3. The option to "sell back" two (2) accumulated sick days to the County in exchange for one (1) personal day cannot be accumulated from year to year. If the option is not exercised in a given calendar year it is lost. Under no circumstances may an employee "sell back" more than two (2) accumulated sick days in a given calendar year, or receive more than one (1) personal day in exchange for accumulated sick time that is "sold back."
4. Employees wishing to "sell back" two (2) accumulated sick days to the County in exchange for one (1) personal day must submit a written request form to the County Director of Personnel indicating their desire to do so. The form, mutually agreed upon by the Union and the County, shall state that the employee wishes to "sell back" two (2) accumulated sick days to the County in exchange for one (1) personal day pursuant to the collective negotiations agreement between the County and the Union, and that the employee is doing so voluntarily and without duress or coercion.
5. Upon timely receipt of a written request form, the employee's accumulated sick leave shall be reduced by two (2) days, and his/her personal day entitlement for the year shall be increased by one (1). Personal days granted under this provision shall be subject to the provisions of Article 9, Section 6, ("Personal Leave"), of the parties' collective negotiations agreement.
6. In the event any portion of this Sick Leave Conversion Option provision is deemed unlawful or not enforceable, this provision shall be deemed voided, and the parties shall meet immediately to negotiate a replacement.

Section 6:

Any employee who retires on or after January 1, 1998 shall be reimbursed for accumulated sick time based on the schedule below:

Thirty (30) percent of the value of sick time at time of retirement to a maximum of ten-thousand five-hundred dollars (\$10,500).

Eligibility for retirement shall be determined based upon receipt of State Pension benefits or Social Security retirement benefits.

ARTICLE 5: Storm Days and Emergencies

Section 1:

All employees may be required to work for storm days and emergencies. In the event that the employee cannot report to work because of a storm condition, the time lost from work will be charged against accumulated vacation time. In the event that no vacation time is accumulated, the time lost from work will be charged as time off without pay. If an employee is unable to report for work, the employee must follow the same procedure as that outlined for reporting an absence due to illness.

Section 2:

In the event of extreme weather conditions or other general emergencies necessitating the closing of County departments and agencies, an announcement of this closing shall be made over radios stations WRAN, WDHA, and WMTR between 6:30 and 8:30 a.m. All affected employees will then receive a day off work with pay. This shall be entitled "Storm or General Emergency Leave". Employees not affected, who must report to work, are Emergency Personnel who are responsible for the health or safety of the public, or for the protection of County property or the property of the general public.

If because of extreme weather conditions or other weather emergencies, County departments or agencies are closed before the end of the work shifts, all affected employees will receive time off work with pay, also entitled "Storm or General Emergency Leave".

ARTICLE 6: Working Hours and Work Week

The current practice and policy regarding work week, hours of work and overtime will remain in effect except as otherwise specifically set forth herein.

The dollar value of the 2007 deduction shall remain unchanged until a successor Agreement is negotiated.

(c) An employee who is currently covered by the Medallion Plan and enrolls in the Employer's Medical Plan or the HMO option shall not be permitted to be enrolled back into the Medallion Plan unless there has been a change in the employee's spousal medical coverage or a change in the employee's family status.

(d) In the event that the enrollment of the employees covered by this agreement in the Medallion Plan falls below five employees, the Medallion Plan shall no longer be offered as an option. The remaining employee enrollment in the Medallion Plan shall be enrolled in either the Employer's Medical Plan or HMO, at the employee's option.

Section 4:

The employer will offer a plan by which employees may set aside a portion of their salaries in the form of flexible spending accounts, pursuant to Section 125 of the Internal Revenue Code, for payments of unreimbursable eligible medical or dependent care expenses.

Section 5:

(a) Employees enrolled in medical and prescription plans may elect to waive their coverage provided proof of coverage through another source can be demonstrated. Employees who waive their medical and prescription coverages shall receive a monthly payment in lieu of insurance depending upon the type of coverage for which they are eligible, as follows:

Employee Only Coverage: \$75.00 per month
Parent/Child Coverage: \$140.00 per month
Family Coverage: \$200.00 per month

Employees who have previously waived their medical and prescription plan coverage and elect to continue to waive this coverage shall be entitled to the monthly payments listed above.

(b) In the event that coverage through another source is eliminated, the employee may re-enroll in the County medical and prescription plans (Base Hospital Wrap Around, Major Medical, or HMO option). In such event, re-enrollment in the Medallion Plan will be permitted only if there has been a change in spousal medical coverage or change in family status.

Section 6:

The County of Morris shall pay the premium cost for an employee coverage dental insurance plan only to a maximum of \$9.83 per month (\$118.00 maximum annual or prorated for

The provided benefit plan will include an option for the employee to elect dependent coverage providing the same level of benefit as provided for the employee. The total cost of the premium charged for the dependent coverage shall be paid by the employee. The employees' contribution shall be deducted in equal periodic amounts from their paychecks.

Section 7:

It is understood and agreed that subsequent to the initial selection of the insurance carrier, the County retains the unilateral right to select the insurance carrier or to be self-insured. Notwithstanding any such changes the level of benefits and administrative procedures shall remain substantially the same.

Section 8:

The Hospital, Surgical, Major Medical Plan and Prescription Drug Plan and the HMO Option shall be made available to new employees within three (3) months of the date of employment.

Additional days may be approved by the supervisor and charged against sick leave.

The County shall provide one working day's bereavement leave with pay in the case of death of a relative of the second degree, that is uncle, aunt, niece, nephew, cousin, sister-in-law or brother-in-law. Such leave day is not chargeable against sick leave.

As soon as possible, an employee shall notify his/her supervisor of a death in his/her family, and of his/her need for leave. Notification must be given as in the case of illness under Article 4, Sick Leave, Section 3. Proof of death may be required by the County Director of Personnel.

Employees are expected to return to regular duties within six (6) months from the commencement of the leave unless an extension of time has been requested and approved prior to the expiration of the six (6) months. Continued absence will be cause for termination of employment.

(e) The employee's accumulated sick leave and vacation leave may be used during the period of absence to the extent it is available, if the employee desires.

Section 5: Other Leaves

Time off, other than sick leave, vacations, holidays, bereavement or military leave, may be honored when warranted by the County of Morris. For a leave without pay, the employee shall submit a written request to the Supervisor at least 30 days in advance stating the reason for the request, and the time required. Section 2: Purpose

The purpose of the grievance procedure is to secure equitable solution to the problems which may arise affecting the terms and conditions of employment. Whether a grievance has been presented under the correct grievance procedure shall be determined by the grievance definition set forth herein, which definition shall govern and limit the scope of contractual and non-contractual grievances.

The parties agree that disputes should be resolved at the lowest possible administrative level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his immediate superior and only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

Section 3: Procedure

An aggrieved employee must file his grievance in writing with his immediate superior within ten (10) calendar days of the occurrence of the matter complained of, or within ten (10) calendar days after he would have reasonably been expected to know of its occurrence. Failure to act within said time period shall constitute an abandonment of the grievance.

Step 1:

Once timely filed, the aggrieved employee shall discuss the grievance with his immediate superior. If the grievance is not resolved satisfactorily or if no resolution is made within three (3) work days by the immediate superior, the employee must present his grievance to his Department Head. The procedure and the time limits for resolution at that level shall be the same as that discussed above for the immediate superior.

Step 2:

In the event there is not a satisfactory resolution of the grievance at Step 1 or an answer given within the time period, the aggrieved employee may present his grievance to the County Director of Labor Relations within five (5) work days thereafter. Upon receipt of the grievance, the Director of Labor Relations shall investigate the grievance and shall render a decision thereon within ten (10) work days.

Step 3:

If the grievance is not settled through Step 2, the same shall be presented in writing by the employee and the employee's Association representative, who is the Shop Steward or Local Association representative, to the County Administrator within ten (10) working days of the written response from Step 2. The County Administrator or his/her designee shall review the decisions at the previous steps together with the disputed areas submitted by the grievant. The grievant and/or Association representative may request a hearing before the County Administrator or his/her designee.

If the grievant and/or Association representative requests a hearing before the County Administrator or his/her designee, such party shall be heard on work time. The County Administrator will render his/her decision within ten (10) working days after the meeting at which the matter has been reviewed. If the County Administrator does not issue a decision within ten (10) working days after the meeting at which the matter has been reviewed the Association may move a contractual grievance to step 4.

Step 4:

In the event a contractual grievance is not resolved at Step 3, or a decision rendered by the County Administrator within the time provided above, the aggrieved party may submit the contractual grievance to final and binding arbitration as provided in Rule 19:12-14 of the Rules and Regulations and Statement of Procedure of the New Jersey Public Employment Relations Commission.

The Arbitrator selected in accordance with the procedure outlined above shall conduct a hearing within a reasonable time after designation by the Public Employment Relations Commission. There shall be no appeal from the arbitrator's decision as each such decision shall be final and binding on the Association and its members, the employee or employees involved, and the County of Morris. The arbitrator shall make his judgment based on the express terms of this agreement, and shall not be authorized to add to or subtract from any of the terms of this agreement. Expenses for the arbitrator shall be shared equally by the County of Morris and the Association.

Copies of the award of the arbitrator, made in accordance with his jurisdictional authorization as set forth above, shall be furnished to both parties within thirty (30) days of the hearing.

In the presentation of a grievance, an employee shall have the right to present his own appeal or to designate a representative to appear with him at any step in his appeal.

Whenever the employee appears with a representative, the Board shall have the right to designate a representative to participate at any stage of the grievance procedure.

If the established minimum for the title is more than ten percent (10%), the employee will receive the established minimum for the title.

Section 3: General Guidelines Applicable to All Employees

The County shall evaluate each bargaining unit member in accordance with the Morris County Performance Appraisal Form for Supervisors. Every evaluation shall be conducted by the employee's immediate supervisor and reviewed by the applicable division head. Final approval shall be made by the department head. The employee will be given the opportunity to comment upon the evaluation.

The performance appraisal forms shall be issued and the evaluation process shall begin upon execution of this agreement. It is the purpose of the County to evaluate all employees at least once per year. The purpose of the evaluation is to train and evaluate personnel so they can deliver work performance at the highest possible level.

- A. Notwithstanding the employee performance evaluation procedures set forth herein, all employees shall be formally evaluated at least once per year. It is recommended that the employee's immediate supervisor sit with the employees six (6) months prior to the date of evaluation to assess the employee's performance.
- B. The County reserves the right to discipline personnel in accordance with State law. Withholding of mid-year salary increase shall not be done for disciplinary reasons and shall not be considered disciplinary action under the terms of this Agreement.
- C. All personnel assigned the responsibility of evaluating other employees shall be required to make monthly notations of performance. The purpose of this monthly notation is to provide periodic counseling of employees by their evaluators and to ensure that the year-end evaluation has a continuous factual record. These notations may be reviewed by the employee.
- D. It shall be the responsibility of the employee's immediate supervisor to submit a written job performance evaluation on an approved Morris County Performance Appraisal form for Supervisor to the appropriate division head at least twenty (20) working days prior to the date of the mid-year salary increase. It shall be the responsibility of the supervisor to conduct the employee job performance evaluation. The job performance evaluation shall include a statement by the supervisor indicating whether or not the employee has performed in a satisfactory or unsatisfactory capacity. In the event of an unsatisfactory performance rating or lower, it shall be the responsibility of the supervisor to notify the division head of his/her determination.
- E. Upon the completion of an unsatisfactory employee job performance evaluation, the employee's supervisor shall submit his/her findings to the division head. Upon review by the department head, and finding the submitted evaluation of the employee to be unsatisfactory, remedial action shall be implemented.
- F. An employee receiving a satisfactory initial job performance evaluation at the conclusion of the anniversary period shall be subsequently evaluated on an annual basis prior to his/her anniversary date. The evaluation shall be administered by the supervisor at least twenty (20) working days prior to the anniversary date.

Section 4. Mid-year Salary Increase Procedure

Employees shall be subject to the following procedures in order to be paid a mid-year salary increase:

- A. Mid-year salary increases shall be granted only to employees who qualify for increases by virtue of their requisite one-year of service and whose performance is satisfactory as determined in accordance with the Morris County Performance Appraisal Form for Supervisors. An employee who is schedule for the mid-year increase will be notified in his/her January evaluation by his/her department head if there are any performance deficiencies that could lead the department head to recommend that the employee not receive the mid-year salary increase.
- B. In accordance with the performance evaluation process, if, in the determination of the department head, an employee's performance is unsatisfactory, the employee shall be advised in writing in the January evaluation of his/her performance deficiencies and will be provided with written recommendations as to how the employee may improve his or her performance. Upon receipt of such performance deficiencies, the employee shall be re-evaluated in the next succeeding April following the January evaluation. If the employee's performance subsequently improves and the employee receives a satisfactory evaluation in April, he/she will receive the mid-year salary increase.
- C. An employee who receives an unsatisfactory evaluation in his/her April evaluation (either because of failure to improve performance deficiencies noted in his/her January evaluation, or because of performance deficiencies since his/her January evaluation), will not receive a mid-year salary increase.
- D. An employee who is not eligible for the mid-year salary increase because of performance deficiencies may file a grievance concerning his/her own evaluation provided that any such grievance shall terminate at Step 3 (County Administrator's decision) and shall not be subject to arbitration. If an employee receives a consecutive second unsatisfactory evaluation in the subsequent evaluation in January, he/she may file a second grievance concerning this subsequent evaluation and that grievance will be subject to grievance arbitration. The standard to be applied by the arbitrator in rendering a decision concerning the employee's grievance concerning his/her evaluation shall require that the burden be upon the employee to prove that the County's evaluation was arbitrary and capricious. If the arbitrator sustains the grievance, the employee may be awarded a mid-year increase retroactive to the effective date of the preceding year in which the mid-year increase was denied.
- E. The County and union agree to establish a joint advisory Labor Management Committee to oversee the evaluation process. This Committee shall meet only on non-working time. It shall remain, however, the sole and exclusive authority of the County of Morris to evaluate its employees.

The provisions of this Article 16 shall apply only to employees actively employed prior to July 1, 1990.

ARTICLE 17: Application of Benefits

The fact that provisional and part time employees are included under the terms of this agreement does not (unless otherwise expressly stated in this agreement) confer upon them the benefits that permanent, full time employees of the County of Morris are receiving or will receive under this Agreement.

Part time employees shall receive sick leave and vacation credits on a pro rata basis. The proration shall be computed based on the percentage of full time work the employee performs.

Further, the provisions of this Agreement shall not apply to any employee who has left the employ of the County of Morris prior to the date of signing of this Agreement by both parties, provided however, the salary article shall retroactively apply from January 1, 2004, through the date of retirement of any employee retiring prior to date of signing of the Agreement. Section 4:

All new employees will be informed of the existence of Association Agreement at the time of hire by the Personnel Department and furnished with a copy thereof by the Association representative at the time the employee authorizes dues deduction.

ARTICLE 21: Association Rights

It is recognized by the parties to this Agreement, that the responsibility of handling grievances, administering this contract, and disposing of disputes which may arise, is a duty of the Association. It may be necessary for certain officers and representatives of the Association to attend these matters during the County's hours of operation. The right to conduct business by these representatives on County time is recognized as follows:

A. The President of the Association shall be permitted approximately one (1) hour each working day, i.e. from 3:30 p.m. to 4:30 p.m., during which time he/she may conduct Association business via telephone at his/her duty station.

One of these representatives may be the President of the Association.

The County of Morris agrees that there shall be no discrimination, interference, restraint of coercion by the County or any of its agents against any employee because of his/her membership in the Association or because he/she is conducting within the limits prescribed above lawful activities on behalf of the Association.

The Association agrees it will not intimidate employees into membership or into conducting business of the Association on County time. The Association further agrees it will restrict the conduct of Association business by its members on County time to the times and circumstances set forth above.

Such approval shall not be unreasonably withheld.

ARTICLE 22: Expansion of Benefits

In the event the Board of Chosen Freeholders of Morris County should voluntarily grant major benefit improvements which normally would have uniform application among various groups of County employees or should voluntarily grant improved insurance benefits to any other group of County employees during the term of the Agreement, such benefits shall be granted on the same terms and conditions to employees covered by this Agreement without need for further negotiations. Improved insurance benefits shall include, but not be limited to, dental plans, optical plans prescription drug plans and the like, but shall not include the prescription drug purchase program presently being provided to the employees of Morris View which cannot, by law, be extended to County employees who are employed other than by Morris View.

The foregoing clause shall not apply to any benefits directed to be given by an arbitrator in Police and Fire Interest Arbitration applying to County employee groups including employees of boards and commissions of Morris County.

ARTICLE 23: Non-Discrimination

Neither the County nor the Association will discriminate against any employee because of race, creed, color, national origin, ancestry, age, marital status, sex, physical handicap, or inability for service in the Armed Forces of the United States.

Benefits would not be payable for a disability beginning before completion of the ninety (90) day "probationary period" when first employed. The average weekly wage would be calculated on the earnings in the eight calendar weeks immediately before the week in which the disability begins. The total wages earned during these weeks worked are divided by the number of weeks worked in the eight week period to obtain the average weekly wage. The benefit will be two thirds (2/3) of the average weekly wage. Morris County would remain as guarantor.

ARTICLE 25: Collective Negotiations Procedure

Section 1 Collective negotiations with respect to rate of pay, hours of work, or other conditions of employment shall be conducted by the duly authorized agent of each of the parties. Emergency Snow Removal:

If a Supervisor is assigned to work as a Supervisor in a snow removal operation, she/he will be paid the hourly rate of a Road Supervisor or his/her current hourly rate whichever is greater, for the period of time that she/he is functioning as a Supervisor in the snow removal operation.

Recovery Time:

The parties recognize that at certain times during the year it is necessary to require employees to work extended hours due to weather conditions necessitating snow removal, sand and salt spreading of roads, etc. It is understood that in order to meet the needs of the County to ensure safe and proper conditions on the County roads that the supervisory personnel of Public Works be assigned to day and night shifts of 12 hours each. The day shift starts at 7:30 a.m. and continues through 7:30 p.m.

In the event that such employees are released from normal duty (7:30 a.m. - 4:00 p.m.) and instructed to return to work that same calendar day, they shall not receive less than eight (8) hours pay for the calendar day on which they were sent home, regardless of the number of hours worked on that calendar day.

Recuperation time shall be taken during the next normal work day (7:30 a.m. - 4:00 p.m.) following the day when the employee worked extended hours past midnight.

Day shift employees (7:30 a.m. - 7:30 p.m.) shall not be entitled to recuperation time unless they, as in the case of night shift employees, work past midnight on a continuous tour of duty.

It is understood also that recuperation time shall only be earned while an employee is participating in a general (or modified general) call out of personnel who are responding on an extended basis and are involved in emergency snow removal, salting and spreading operations, or under such other circumstances wherein the County determines it is necessary to employ a general call out of personnel, or modified general call out of personnel, to ensure safe and proper conditions on the County road systems and County property.

It is also understood that the County Public Works Director, or his designee, shall have the right to use a modified general call out procedure, whereby only the number of employees actually needed as determined by the emergency, will be called out. 1. County employees holding the following titles in the Division of Buildings and Grounds will not be involuntarily assigned to snow removal duties except under the circumstances described herein: Senior Carpenter, HVAC Mechanic, Supervising HVAC Mechanic, Senior Mason, Painter, Senior Painter, Supervising Plumber, Supervisor Building Services, Senior Clerk, Principal Clerk Typist, Security Guard, Carpenter, Electrical Specialist, Electrician, Mason, Plumber, Senior Electrician, Senior Plumber, Supervising Carpenter, and Supervising Painter.

2. Although employees holding the titles cited in paragraph 1, above, may not be involuntarily assigned to snow removal duties, the parties hereby agree to allow such employees to accept snow removal duties on a voluntary basis, in accordance with the terms set forth below:

a. The County reserves the right to obtain additional manpower to remove snow from any source, regardless of the number of employees who volunteer, in order to assure an adequate total staffing of its snow removal operation, provided, however, that all volunteers on the list have either been called in or have declined the offer of call-in.

b. Employees who volunteer shall have their names placed on a single list.

c. During a snow emergency, voluntary snow removal work shall be offered to the employees on the list, to the extent necessary for the County to meet its snow removal manpower needs.

d. Any employee volunteers absent from snow removal duties more than three (3) times in any winter season (November 15-April 15) may be subjected to progressive discipline.

e. Employees represented by Morris Council No. 6A who are lawfully assigned or who accept voluntary snow removal shall receive overtime compensation in accordance with the "Overtime" provisions of Schedule C.

f. The foregoing shall in no way prevent the County from assigning snow removal duties to any job title to which such duties may properly be assigned pursuant to the Final Administrative Action of the Commissioner of Personnel in the action, In the Matter of Morris County Snow Removal Policy, Docket No. 2003-1383, issued February 19, 2003. Nor shall the foregoing be interpreted to require the County to offer voluntary snow removal duty to any employee when, in the County's judgment, it already has sufficient manpower on hand. These terms are applicable only to the Division of Buildings and Grounds and shall in no way effect or impact upon the overtime or work assignment practices, including practices relating to snow removal, in any Department or Division of the County other than the Division of Buildings and Grounds.

g. Beginning with the winter season of 2004-2005 and continuing thereafter, the deadline for employees to volunteer for snow removal for the coming winter season will be September 30.

h. Anyone on the volunteer list who is on a scheduled vacation or legitimate sick leave shall not be penalized for not responding to snow removal duties.

3. When the County closes or has a delayed opening, all employees, volunteers and lawfully assigned, shall be paid time and one-half for the part of their regular work shifts during which they performed snow removal duties while the County was closed.
