AGREEMENT

THIS AGREEMENT, entered into this _____ day of _____, 2017¹, by and between the **TOWNSHIP OF MONTVILLE**, in the County of Morris, a Municipal Corporation of the State of New Jersey, hereinafter called the “Township” and **POLICEMEN’S BENEVOLENT ASSOCIATION LOCAL 140**, hereinafter called the “Association.”

THIS AGREEMENT shall be binding upon all successors and/or assignees of the Township, by change of governing body or other method, and upon the Association, by affiliation, disaffiliation, or other method.

ARTICLE I

Recognition

I. The Township hereby recognizes the Association as the sole and exclusive negotiating agent and representative for all full-time patrolmen employed in the Township of Montville Police Department, but excluding all other personnel employed in the Township of Montville Police Department, and all other Township employees.

II. The titles “police officer” or “employee” shall be used interchangeably and shall be defined to include the plural as well as the singular, and to males and females, uniformed members and non-uniformed members assigned to plain clothes details.

ARTICLE II

Management Rights

I. The Township of Montville hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing rights:

A. The executive management and administrative control of the Township government and its properties and facilities and activities of its employees by utilizing personnel, methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.

B. To make rules of procedure and conduct, to use improved methods and equipment, to determine annual work schedules and shifts, to decide the number of employees needed for any particular time and to be in sole charge of the quality of the work required.

C. The right of management to make such reasonable rules and regulations as it may from time to time deem best for the purposes of maintaining order, safety and/or the effective operation of the Department after advance notice thereof to the employees, and, if required, negotiations with the Association.

D. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good and just cause according to law.

E. To lay off employees in the event of lack of work or funds or under conditions where continuation of such work would be inefficient and non-productive, so long as such lack of work or funds is bona fide.

II. The exercise of the foregoing powers, rights, authority, duties or responsibilities of the Township, the adoption of policies, rules, regulations and practices and furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement and then only to the extent such terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.

III. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under R.S. 11 or any other national laws or State statutes.

ARTICLE III

Discrimination

I. The Township and the Association agree that there shall be no discrimination against any employee because of race, creed, color, religion, sex, national original or political affiliation.

II. The Township and the Association agree that all employees covered under this Agreement have the right, without fear of penalty or reprisal, to form, join, and assist any police organization or to refrain from any such activity. There shall be no discrimination by the

Township or the Association against any employee because of the employee's membership or non-membership, activity or non-activity in the Association.

ARTICLE IV

Mutual Cooperation Pledge

I. The Association hereby covenants and agrees that during the terms of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty or willful absence of any employee from its position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out, or other illegal job action against the Township.

II. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in-law or in equity for injunction or damages, or both, in the event of a breach by the Association or its members.

ARTICLE V

Grievance Procedure

I. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

II. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

III. A. The term “grievance” as used herein means an appeal by an individual employee or the Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

B. No grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation, incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Three herein.

IV. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any Step is waived by mutual consent.

Step One: The aggrieved or the Association shall institute action under the provisions hereof within five (5) calendar days after the event giving rise to the grievance has occurred by presenting the grievance in writing to the Chief of Police or his designated representatives. The written grievance shall contain the relevant facts, the applicable Section of the contract violated, and the remedy requested by the grievant. Within seven calendar (7) days from the written submission of the grievance, the aggrieved or the Association and the Chief of Police or his designated representative shall meet, and an earnest effort shall be made to settle the differences

at this level. The Chief of Police or his designated representative will answer the grievance in writing within seven (7) calendardays after the meeting has occurred.

Step Two: If the Association wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Township Administrator within five (5) work days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Association and the Township Administrator shall meet within seven (7) calendar days of the written submission, and an earnest effort shall be made to resolve the grievance at this level. The Township Administrator shall respond in writing to the grievant within seven (7) calendar days of the submission.

Step Three: If the Association wishes to appeal the decision of the Township Administrator, such appeal shall be presented in writing to the Township Committee within five (5) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Association and the Township Committee shall meet within seven (7) calendar days of the written submission, and an earnest effort shall be made to resolve the grievance at this level. The Township Committee shall respond in writing to the grievant within ten (10) calendar days of the submission.

Step Four: If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission within fifteen (15) calendar of receipt of the decision from the Township Committee. The costs for the services of the arbitrator shall be borne equally by the Township and the Association. Any other expenses, including, but not limited to, the presentation of witnesses, shall be paid by the party incurring the expense.

V. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and shall be restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

VI. Upon prior notice to and authorization of the Township Administrator the designated Association representatives shall be permitted as members of the Grievance Committee to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Township of Montville Police Department or require the recall of off-duty employees.

VII. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limited prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

VIII. In the event the aggrieved elects to pursue remedies available through New Jersey Civil Service Commission ("NJCSC"), the grievance shall be cancelled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Township Committee. In the event the grievant pursues his remedies through NJCSC, the arbitration hearing, if any, shall be cancelled and the filing fees and expenses incurred hereby shall be paid by the grievant or the Association.

IX. Disciplinary actions shall be deemed grievable and arbitrable except where prohibited by law.

ARTICLE VI

Dues Deduction and Agency Shop

I. The Township agrees to deduct from the salaries of its employees, subject to this Agreement, dues, fees and assessments for the Association. Such deductions shall be made in compliance with N.J.S.A. (R.S.) 52:14-15.9e, as amended.

II. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the Township Treasurer, during the month following the filing of such card with the Township.

III. If, during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish the Township written notice thirty (30) days prior to the effective date of such change and shall furnish the Township either new authorizations from its

members showing the authorized deductions for each employee, or an official notification on the letterhead of the Association and signed by the President of the Association advising of such changed deduction.

IV. The Association will provide the necessary "check-off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the Township Treasurer.

V. Any such written authorization may be withdrawn at any time by the filing of notice of such withdrawal with the Township Treasurer. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.

VI. The Township agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Association and transmit the fee to the majority representative.

VII. The deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.

VIII. The fair share fee for services rendered by the Association shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Association, less the cost of benefits financed through the dues and available only to members of the Association, but in no event shall the fee exceed eighty-five percent (85%) of the regular membership dues, fees and assessments.

IX. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.

X. Prior to January 1st and July 31st of each year, the Association shall provide advance written notice to the New Jersey Public Employment Relations Commission, the Township and to all employees within the unit, the information necessary to compute the fair share fee for services enumerated above.

XI. The Association shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Association. This appeal procedure shall in no way involve the Township or require the Township to take any action other than to hold the fee in escrow pending resolution of the appeal.

XII. The Association shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Association to the Township, or in reliance upon the official notification on the letterhead of the Association, and signed by the President of the Association, advising of such changed deductions.

Membership in the Association is separate, apart and distinct from the assumption by one of the equal obligations to the extent that he has received equal benefits. The Association is required under this Agreement to represent all of the employees in the bargaining unit, and not only members of the Association, and this Agreement has been executed by the Township after it had satisfied itself that the Association is a proper majority representative.

ARTICLE VII

Association Activities

- I. It is agreed that one (1) Association State P.B.A. delegate shall be entitled to attend one (1) monthly meeting of the State P.B.A. for one (1) day without loss of pay, provided the employee is scheduled for work within the twenty-four (24) hour period beginning 12:01 a.m. of the day on which the meeting is held and provided further that the employee shall not be required to report for duty during that twenty-four (24) hour period.

- II.
 - A. One (1) delegate and two (2) alternate delegates shall be given time off to attend the State P.B.A. Convention in accordance with State Statute N.J.S.A. 11A:6-10.

 - B. In such cases, employees who are permitted to attend the Annual State P.B.A. Convention will also receive the sum of one hundred fifty dollars (\$150.00) each.

ARTICLE VIII

Personnel Files

I. A personnel file shall be established and maintained for each employee covered by this Agreement. Such files are confidential records and shall be maintained in the office of the Chief and may be used for evaluation purposes by the Chief of Police, Mayor, governing body and Administrator.

II. Upon advance notice and at a reasonable time, any member of the Police Department may at any time review his personnel file. However, this appointment for review must be made through the Chief of Police or his designated representative.

III. Whenever a written complaint concerning an employee or his actions is to be placed in his personnel file, a copy shall be made available to him and he shall be given the opportunity to rebut it if he so desires and he shall be permitted to place said rebuttal in his file.

IV. All personnel files will be carefully maintained and safeguarded permanently and nothing placed in any files shall be removed therefrom. Removal of any material from a personnel file by any member of the Force shall subject that member to appropriate disciplinary action.

ARTICLE IX

Hours of Work

I. The normal workweek will commence at 12:01 a.m. on Sunday and end at 12:00 midnight the following Saturday.

- II. A. Regular hours of work shall consist of either forty (40) or forty-eight (48) hours within this workweek with the specific work schedule for each employee to be determined by the Chief of Police or his designated representative.
- B. In the event that modifications are made in the work schedules referred to in Section II.A. of this Article, then only sections of this Agreement affected by such modifications may be reopened upon mutual consent of the parties of this Agreement to the extent same are mandatorily or permissively negotiable.
- C. Regular hours of work for officers assigned to the detective bureau shall consist of a forty (40) hour work week consisting of four (4) ten (10) hour shifts within this work week with the specific work schedule for each employee to be determined by the Chief of Police or his designated representative.
- D. The Chief of Police and PBA have agreed in order for this schedule to work smoothly, all vacation, personal and sick time must be converted to hours.
- III. A. Employees not assigned 4/4-12 hour shifts may be entitled to receive the difference in days off between days worked by the employee's squad and the minimum number of days worked by any squad subject to the same eligibility. This entitlement shall be known as Bank Days. Said payment shall be made, in time off or in cash, in the immediately succeeding year, provided notice is given by each employee prior to March 1st of the year in which the payment is to be made (e.g., payment made in 2000 for time earned in 1999).
- B. The request for utilizing a Bank Day must be submitted prior to posting of the schedule for the week in which the day off is requested unless otherwise authorized by

the Chief or his designated representative. Posting of such a day off shall be within the discretion of the Chief of Police and such request may be denied if overtime would be created by granting such time off.

IV. A. Employees assigned to 4/4-12 hour schedule shall be governed by Article XIX.

V. After posting of schedules, reasonable changes can be made to accommodate Police Department operations. The Chief of Police or his designee will post the squad assignments for the following calendar year on or about December 1 of each year.

VI. At the discretion of the Chief of Police, an officer working the 4/4-12 hour schedule may temporarily be placed on a 5/2-8 hour schedule for training purposes when said training exceeds a four (4) day period.

ARTICLE X

Formation of Schedule

I. The Chief of Police and the P.B.A. have jointly developed a 4/4-12 hour schedule for all officers assigned to regular patrol squads that rotate around the clock. This schedule will only affect D.A.R.E. officers while they are attached to a squad and not while they teach. This schedule consists of four (4) consecutive 12-hour days on duty followed by four (4) consecutive days off. Said schedule also consists of rotating shifts after three (3) cycles of each shift. The method of frequency of rotation may be modified upon mutual written agreement of the parties.

II. The Chief of Police shall determine the manning levels for each of the two shifts and the four (4) squads that are necessary for the 4/4-12 hour schedule. In addition, the Chief of Police shall have the managerial right to alter said manning levels, from time to time, as he deems appropriate and necessary to insure the efficient operation of the Department and/or where said adjustments shall be in the best interest of the Department.

III. The Chief of Police and P.B.A. have agreed that in order for this schedule to work smoothly, all vacation, personal and sick time must be converted to hours. Both parties are aware that under the 4/4-12 hour schedule, an officer will be scheduled to work more than the present 2,080 hours per year. This additional time above 2,080 hours will be called "Schedule Adjustment Time" (hereafter referred to as S.A.T.). Both parties are aware that the amount of S.A.T. may be different for each officer. Therefore, a record of each officer's S.A.T. will be kept by the Chief of Police. For the purpose of this Agreement, 116 hours has been chosen to illustrate an officer's S.A.T.

IV. Under the Department's existing work schedule and certain provisions of the existing collective bargaining Agreement, all sworn officers of the Department are scheduled to work a series of eight (8) hour workdays resulting in a total of 2,080 scheduled work hours per 52 week calendar year for which each officer received a contractually specified annual salary. Also within the collective bargaining Agreement are certain provisions which permit an officer to be absent from duty for varying numbers of eight (8) hour days which are credited as hours worked and included in the aforementioned 2,080 annual work hours.

V. Under the 4/4-12 hour schedule, officers will be scheduled to work 12 hour days as opposed to 8 hour days. If operational throughout an entire 52 week calendar year, said schedule

would result in approximately 116 scheduled work hours, per man, over the contractually established 2,080 annual scheduled work hours. This additional 116 scheduled work hours generated by the 4/4-12 hour schedule would pose a significant overtime liability to the Township. However, both the Township and the P.B.A. agree that overtime is based upon actual hours worked and not hours scheduled. Therefore, both the Township and the P.B.A. agree that an officer working said schedule shall only be entitled to overtime compensation for those additional scheduled work hours that said officer actually works over and above the 2,080 scheduled hours for the year. Furthermore, the Township and the P.B.A. agree that, in calculating the total number of hours worked within a 52 week calendar year, said calculations shall include only those non-overtime hours worked which are scheduled by the Chief of Police or otherwise provided for in this Addendum, and shall exclude all overtime hours worked and otherwise compensated as a result of various overtime provisions contained in the existing collective bargaining Agreement.

VI. Both the Township and P.B.A. recognize that within the existing collective bargaining Agreement are certain provisions which permit an officer to be absent from duty for varying numbers of eight (8) hour workdays (i.e., vacation and bereavement leave), which, if utilized, are credited as hours worked and included as such in the officer's 2,080 annual salaried work hours. The Township and P.B.A. also recognize that officers are working the 4/4-12 hour schedule as opposed to the eight (8) hour workdays. The Township and the P.B.A. agree, therefore, that, except as otherwise provided for in this Addendum, officers working the 4/4-12 hour schedule shall utilize such compensated leave days in 12 hour blocks as opposed to eight (8) hour blocks. The Township and P.B.A. further agree that when an officer utilizes such 12 hour leave day,

eight (8) hours of said leave day shall be credited as scheduled hours worked and included in the officer's 2,080 salaried contractual hours. The remaining four (4) hours utilized shall be debited from the total number of S.A.T. which that particular officer has in his "bank" of time. The parties further agree that sick leave shall accrue and be utilized based upon 12 hour days. Therefore, all annual entitlements and banked time shall be converted to 12 hour days and utilized accordingly. Payment upon separation in accordance with the current contract shall be calculated on an hourly basis for all accumulated and banked sick leave hours.

VII. The Township recognizes that as a result of managerial adjustments of an officer's work schedule as provided for in this Addendum, and officer work the 4/4-12 hour schedule may reach a period of time where said officer has an unused number of contractual compensated leave days and an insufficient number of S.A.T. to charge against the utilization of said unused leave. The Township, therefore, agrees that in the event of such a situation, the officer in question shall be permitted to utilize such unused compensated leave days in two (2) hour blocks without loss of compensation and irrespective of the fact that the utilization of said unused compensated leave days in four (4) hour blocks may result in an officer working less than 2,080 scheduled work hours within a 52 week calendar year.

The P.B.A. recognizes that as a result of manpower shortages or personal choice, an officer working the 4/4-12 hour schedule may work a 52 week calendar year without utilizing all his contractually compensation leave days which may result in said officer actually working a number of scheduled work hours in excess of 2,080 hours as generated by the 4/4-12 hour schedule. The P.B.A., therefore, agrees that should such a situation occur, the officer in question

shall be compensated for said excess hours worked at the rate of one hour straight compensatory time for each scheduled excess hour worked.

VIII. At the discretion of the Chief of Police, an officer working the 4/4-12 hour schedule, who is or shall be absent from duty for four (4) or more consecutive work days for reasons of serious illness, serious injury or military leave, may be temporarily placed on a 5/2-8 hour workweek schedule for the duration of said absence.

ARTICLE XI

Overtime

I. Overtime for any officer shall be defined as all work performed in excess of the scheduled workday (the 24 hour period beginning at the start of his tour) or all work performed in excess of the scheduled tour.

II. Overtime shall be paid at rate of one and one-half times an officer's base rate of pay when overtime is worked in connection with regular departmental assignments including court, school, crossing guard duty and official appearances.

III. The hourly rate shall be calculated by dividing the annual salary by 2,080.

IV. A Report Form File will be provided at Police Headquarters for the purpose of logging all overtime in excess of the assigned workday or work week. Whenever an employee shall work in excess of his regularly scheduled work week and has been authorized to do so, any such excess

hours shall be recorded on a Report Form as required by the Police Department Rules and Regulations and General Orders.

V. Employees who are required to work on a day or days which are scheduled days off shall be paid at the rate of one and one-half (1½) times their hourly rates of pay for all hours worked on said day. An employee may not receive overtime compensation for working a shift from which the employee has taken a sick day. An employee cannot work overtime resulting from an employee's request for time off.

VI. Compensation for all overtime shall be authorized by the Chief of Police or his designated representative.

VII. Overtime for detectives shall be authorized by the Detective Division Commander and shall be computed in accordance with Section I above.

VIII. There shall be a minimum overtime of three (3) hours for Court appearances and "call-outs", including detectives.

ARTICLE XII

Court Time

I. Employees shall be compensated at the rate of one and one-half (1½) times their hourly rate of pay, with a minimum of three (3) hours pay at paid rate, for all Criminal, Grand Jury, Juvenile Court, Municipal Court or any other Court appearance when called to testify by the Township, except that he shall receive no pay in cases involving disciplinary proceedings, whether instituted against him or fellow employees, unless subpoenaed as a witness by the Township.

II. Payment for Court appearance shall be made only in instances where the employee is off-duty. The Township will, at all times, attempt to schedule employees for Court appearances when they are on duty.

ARTICLE XIII

Exchange of Tours

I. Employees upon proper notice to and authorization of the Chief of Police, or his designated representative, may switch shifts with another employee of equal rank.

II. Said shift shall not be granted for among the following reasons:

A. Where said shift change would create overtime.

B. Where said shift change should create additional payment pursuant to the Fair Labor Standards Act.

III. When employees, pursuant to this Article, voluntarily switch schedules with other employees, such time work shall not be considered overtime compensation or call to duty.

ARTICLE XIV

Outside Duty

I. Police services provided to the public sector to fulfill a public safety need for business sales, contractors, private events, etc. shall be processed through the Township for agreement

and compensation. A security function that does not involve a public safety need, as determined by the Township Administrator, shall be excluded.

II. To aid and protect the community, it is often necessary for the private sector to employ off-duty Police Officers on a part-time basis to perform functions of traffic control, crowd control and other public safety services. These duties cannot always be filled by on-duty Police Officers during their normal work hours or tours. This policy will act as a guide to both sworn Officers and prospective employers, thus diminishing the probability of misunderstanding regarding this special function of the Police Department.

III. Definition of off-duty Officer – Employment where a full time sworn Montville Township Police Officer works as an employee of the Township of Montville serving another agency or private contractor, and is hired because of his or her police powers.

IV. A. Request for off-duty Officer:

All requests for Officers will be directed to the Chief of Policy or his designee in writing. Once the private employer has met the guidelines of this policy, similar employment by the same employer may be arranged by telephone with the approval of the Chief of Police or his designee.

B. Compensation:

1. All Police Officers working these details will be considered to be employees of the Township of Montville, acting as agents of the Township and responsible for all rules and regulations set forth through department SOP's.

2. The Township of Montville shall be compensated at an hourly rate for their expenses of regulating these details, at a rate to be established through negotiations between the Township of Montville and the private employer.
3. All regular Police Officers will be paid an hourly rate to be established through negotiations between the Township of Montville and the collective bargaining units of the PBA/SOA Local #140, N.J.S.P.B.A.
4. There shall be a four (4) hour minimum compensation requirement for all outside details unless unilaterally agreed upon prior to the start of the job by the contractor and the Township.
5. Officers working any detail over four (4) hours in length will be paid for a full eight (8) hour day, unless unilaterally agreed upon prior to the start of the job.
6. Officers will be notified of any cancellation a minimum of one (1) (or receive four (4) hours of pay) hour prior to the start of the scheduled employment.
7. Should the employer fail to provide one (1) hour notice of a cancellation to include cancellations upon Officer's arrival to the detail, the Officer shall receive four (4) hours of pay.
8. Any time worked over eight (8) hours will be paid at a rate of one and one half times the normal rate per hour.
9. Any work done on a National or State holiday will be paid at one and one half times the normal rate of pay. Time worked over eight (8) hours on a holiday will be paid at two and one half times the normal rate of pay.

10. Jobs requiring work on Saturdays or Sundays will be paid at one and one half the normal rate of pay. This will keep wages consistent with other employees on the job site.

11. Traffic Control-Hazardous Duty – Hours worked between 1800 hours and 0700 hours will be considered Hazardous Duty. Officers will be compensated an additional five dollars (\$5.00) per hour of each regular hour worked.

- V. A. All scheduling of employment will be addressed by the Chief of Police or his designee, who will be responsible for scheduling and keeping a record of job assignments.
- B. Unless specified otherwise, all scheduled work will commence rain or shine.
- C. Off duty employment will be open to all full time sworn Police Officers of the Township of Montville and will not be limited to a selected member or group of members of the Department.
- D. Off duty police employment that has been traditionally worked by regular Police Officers will not be assigned to SPECIAL POLICE OFFICERS unless the job cannot be filled due to manpower shortage. At no time will SPECIAL POLICE OFFICERS be assigned to a detail because of a difference in hourly wages or because of a request of the company or organization.
- E. Assignments where SPECIAL POLICE OFFICERS have been traditionally used may continue to use SPECIAL POLICE OFFICERS.
- F. Details will be posted in the Officer ready area located at Police Headquarters.

G. Details will be assigned on Wednesday at approximately 2:00 p.m. Should a question of fairness arise, nothing herein shall deny the Officer the right to seek relief through the normal grievance procedure as set forth by the collective bargaining units of the PBA/SOA, as defined in their respective contracts.

H. Switching of details will not be permitted.

I. Officers requesting to sign up for details should do so in person. Officers shall be permitted to sign up for details via telephone, provided the person signing up for the detail places his or her initials next to the name they sign.
