5. Any matter for which a grievance has been filed under a special purpose grievance procedure provided by Board policy.
6. A complaint of a non-tenured employee which arises by reason of his/her not being re-employed;
7. A complaint by any non-certificated personnel occasioned by lack of appointment or lack of retention in any position for which tenure is either not possible or not required.

Further provided; that in order for a grievance to be considered under this procedure, Step One must be commenced by the grievant within thirty (30) calendar days, of either its occurrence or when the grievant could have or should have reasonably known of the occurrence. Failure to act shall constitute abandonment.

B. Procedure

Any employee who has a grievance shall discuss it first with his/her Immediate Supervisor in an attempt to resolve the matter informally.

Step One: If, as a result of the discussion with the immediate supervisor, the matter is not resolved to the satisfaction of the grievant, the grievant may set forth his/her grievance in writing to his/her immediate supervisor on the grievance forms provided. The grievant shall have the right to request a hearing before the immediate supervisor upon the grievance form provided. In the event that an informal hearing is not requested by the grievant, the immediate supervisor may conduct such a hearing to assist in the consideration of the grievance. The immediate supervisor shall communicate his/her decision to the grievant in writing, with reasons, not later than ten (10) school-days from the receipt of the written grievance or of the close of the hearing whichever is later.

Step Two: Not later than ten (10) school days after receipt of the Step One decision, the grievant may appeal the decision to the Superintendent or his/her designee. That appeal must be in writing upon grievance forms provided, specifying the nature of the grievance, the nature of the injury, loss or inconvenience claimed, the results of prior discussions with the immediate supervisor and the grievant's dissatisfaction with the decision previously rendered. On the grievance form, a hearing may be requested before the Superintendent or his/her designee by indicating this request in writing upon the grievance form provided. If a hearing is not requested by the grievant, the Superintendent or his/her designee may conduct such a hearing to assist in the consideration of the grievance. The Superintendent or his/her designee shall render a written decision not later than fifteen (15) school days from the receipt of the appeal. The written decision shall be sent, with reasons, to the grievant, immediate supervisor, and the president of the Association.

Step Three: If, as a result of Step Two, the matter is not resolved to the satisfaction of the grievant, said grievant may request a review by the Board of Education. This request shall be submitted on a grievance form provided through the Superintendent. All related papers shall be attached and forwarded to the Board Secretary. Any grievance appeal to the Board of Education must be filed with the Board Secretary not later than ten (10) school days or fourteen (14) calendar days; whichever is less, from the receipt of the Step Two decision. The grievant may request a hearing before the Board of Education on the form provided. The Board of Education shall render a written decision, with reasons, upon said appeal not later than sixty (60) calendar days following its receipt of the grievance. The Association may move the grievance to the arbitrator step after forty-five (45) days if the Board has not rendered a decision. Copies of the Board's written decision shall be forwarded to the aggrieved, the immediate supervisor and the president of the Association.

Step Four: Within five business days after receipt by the Association of a Step Three decision, either the Board or the Association may request that the grievance be submitted to binding arbitration by an Arbitrators selected from a permanent panel of Arbitrators named by prior agreement between the parties. The members of the panel initially shall be Mr. Robert M. Glasson, Mr. Frank A. Mason, and Mr. Jeffrey B. Tener. In the event a member of the panel resigned or becomes permanently unable to serve, the participants shall consult and agree in writing upon a replacement, so as to maintain a panel of three members.

An Arbitrator shall be selected from the panel by consecutive rotation alphabetically by last name, provided, however, that if the first settled Arbitrator shall be unable to commence the assignment for a period greater than twenty-one (21) calendar days after the date of the request for arbitration, the next available member of the panel may be selected by the requesting party. The parties may by agreement determine to submit a particular grievance to the entire panel. The costs of arbitration shall be borne equally by the parties, and the arbitration shall be conducted in the Board's

administrative building unless otherwise agreed.

Any arbitration conducted pursuant to this provision shall be guided by pertinent rules of the Public Employment Relations Commission and standards and practices generally accepted in the public sector. It is the intent of the parties that the Arbitrator shall be limited to a determination of the issues submitted by each party and consider only evidence relevant and material to such determination. It is further the intent of the parties that the Arbitrator be limited to interpreting this Agreement, and shall not add, subtract or modify any of its terms, unless the parties by mutual agreement seek the Arbitrator's advice in such regard. Unless otherwise agreed before the close of the arbitration hearing, the Arbitrator's determination shall be communicated in writing simultaneously to the parties. Within fifteen (15) business days of receipt of the Arbitrator's advisory determination, each party shall notify the other whether and to what extent it is willing to accept the terms of the determination as a final resolution of the grievance.
