A. The purpose of this procedure is to secure at the lowest possible level that any claim by a teacher or the Association that there has been a violation, misinterpretation, or misapplication of any provisions of this agreement or any rule, order, or regulation of the Board may be processed as a grievance as hereinafter provided. A grievance must be filed within thirty (30) days of its occurrence or such grievance will be deemed waived and no action will be taken. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Any teacher shall have the right to present his grievance through the process described in the following steps with assured freedom from any prejudicial action for himself or any other participant in presenting his appeal or thereafter. He shall have the right to present his own appeal or to designate representatives of the Association or another person of his own choosing to appear with him or for him at any step in the appeal.

STEP 1. A teacher or teachers with a grievance shall first discuss it with his principal or immediate supervisor, either directly or through the

Association, with the objective of resolving the matter informally.
