In its place, the base pay of all employees was increased effective 01/01/2001 to reflect said pay for holidays, and has been included in the members' base pay; however, the inclusion of holiday pay shall not affect the salary rates that are used for the computation of overtime and terminal leave.

ARTICLE XV
MILITARY LEAVE

Military leave shall be granted pursuant to Federal and State Law.

ARTICLE XVI
GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. A "grievance" shall be any difference of opinion, controversy or dispute arising between the parties hereto relating to the alleged violation of, interpretation or application of any of the provisions of this Agreement.

Section 2. A grievance to be considered in this procedure must be initiated by the employee within thirty (30) working days from the time the employee knew or should have known of its occurrence.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

Section 3. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Town until such grievance has been fully determined.

STEP ONE:

The grievance shall be discussed with the employee involved and the Association representative with the Chief of Police designated by the Town. The answer shall be in writing and made within three (3) days by the Chief of Police to the Association.

STEP TWO:

If the grievance is not settled through Step One, the same shall, within five (5) working days, be reduced to writing by the Association and submitted to the Chairman, Police Committee, or any person designated by him, and the answer to such grievance shall be made in writing, with a copy to the Association within five (5) days of submission.

STEP THREE:

If the grievance is not settled at Step Two, then the Association shall have the right within five (5) working days of the receipt of the answer at Step Two to submit such grievance to the Mayor. A written answer to such grievance shall be served upon the individual and the Association within seven (7) calendar days after submission.

STEP FOUR:

If the grievance is not settled through Step Three, then the aggrieved shall have the right within five (5) working days to pursue all legal remedies afforded by the provisions of the Civil Service Act.

If the grievance is not settled at Step Three and the aggrieved does not elect to pursue his claim under the provisions of the Civil Service Act, then the Association shall have the right within five (5) working days to submit such grievance to an Arbitrator. Mr. James W. Mastriani, Martin Scheinman Esq., and Joel Weisblatt, Esq. shall serve as Arbitrator on a rotating case basis for the duration of this Agreement. If no member of the panel is able to serve, the Arbitrator shall be selected in accordance with the rules of the Public Employment Relations Commission. The Arbitrator shall have full power to hear the dispute and make a final determination, which shall be binding on both parties. The Arbitrator does not have the right to add to, subtract from or modify this Agreement in any manner. Each party shall bear its own costs of the arbitration but the costs of the Arbitrator shall be borne by the Town and the Association equally. The Arbitrator shall be selected in the rotation of assignment for the panel as set by Interest Arbitration Award. The Association President, or his authorized representative, may report an impending grievance to the Mayor in an effort to forestall its occurrence.

Section 4. Nothing herein shall prevent any employee from processing his own grievance, provided an Association representative may be present at the Association's discretion as observer at any hearing on the individual's grievance.

Section 5. WORK STOPPAGES: Since adequate grievance procedures are provided in this Agreement and since binding arbitration has been agreed to, the Association agrees that it will not engage in, encourage, sanction, or suggest strikes, slow-downs, mass resignations, mass absenteeism, or any other similar action which would involve a work stoppage that may disturb or interfere with the orderly operation of the Town's facilities.

Section 6. Investigation and processing grievances by officially designated representatives which have been formalized and submitted in writing, providing that such time shall be reasonable and limited to one (1) hour and provided there is no interruption of work activities. In emergency situations these limitations may be extended. The representative shall provide reasonable notification to the Chief of Police or to the appropriate authority whenever he wishes to handle such activity. Permission will not be unreasonably withheld. It is further understood that the Chief of Police has the right to seek adjustment of appointments when the work situation warrants this.

The Association shall designate to the Town the names of the representatives who shall have the authority under this Article.

Section 7. The employer shall process disciplinary charges in accordance with Civil Service rules and regulations. Minor discipline may be appealed to arbitration.

Section 3. An employee, at his or her option, may have his/her paycheck directly deposited into the bank account of that employee's choice.

Section 4. The rate to be charged to outside parties for the use of police officers for extra-duty assignments shall be as set forth in Town Ordinance 1337, as amended by Town Ordinance 1343, and as shall be further amended by Town Ordinance after negotiation and on thirty (30) days' notice to the Association.

Section 5. The hourly rate of compensation for all employees shall be calculated based upon the dollar amount determined by dividing the annual creditable compensation (for pension purposes) by 2,080, and all overtime shall be paid at time-and-a-half of that rate.

Section 6. In partial consideration for the increased work hours from implementation of the 12-hour shift, salary increases shall be as follows, as reflected in the salaries in Section 1 above:

Section 1: In addition to wages, members shall receive longevity as follows:

After three years:	Two (2%) percent
After five years:	Four (4%) percent
After ten years:	Six (6%) percent

Section 2. Longevity will be paid in weekly salaries.

Section 3. The longevity pay provisions shall be amended for new hires (anyone hired on or after February 1, 2017) to provide for no (zero) longevity pay. Thus, the longevity pay provisions in effect for current members shall be discontinued for said new hires.

ARTICLE XIX
WORK DAY

In recognition for the work day for all members of the bargaining unit having been increased in the past by fifteen (15) minutes per day (Muster Time), all members have received and continue to receive compensation for this as an annual stipend of \$1,000 (Muster Pay), payable in the following June from the year that it is earned. An employee who works only part of a year shall receive a pro rata payment of Muster Pay.

ARTICLE XX

Members of the Police Department who are required to attend Court and/or other agencies on Police Department business shall receive pay for a minimum of four (4) hours at the overtime rate for said Court or agency appearance.

ARTICLE XXI
ASSIGNMENT OF PERSONNEL

Section 1. All acting assignments shall be filled at the discretion of the Police Chairman.

Section 2. In the event a vacancy in any position within the Police Department may exist or is anticipated, the Police Chairman shall notify all members. Members interested in a transfer to the vacancy posted may indicate, in writing, to the Police Chairman within five (5) days of such notice being posted.

Section 3. The Acting Assignments terms shall be amended to provide for 2 types of acting assignments: Short Term (where the vacancy is expected to last, at the estimation of the Chief, 30 calendar days or less), and Long Term (where the vacancy is expected to last, at the estimation of the Chief, more than 30 days). Both Short Term and Long Term employees shall receive an hourly pay differential, non-pensionable, based upon the difference between the annual maximum base pay (including firearms and protective equipment and maintenance stipend) for the respective ranks. Only Long Term employees shall be eligible for overtime

time-and-a-half pay.

The hourly differential shall be calculated by the Parties by taking the difference between the Step 2 Sergeant and Step 1 Lieutenant base pay from Article XVII, Section 1(C) above (both including the 2% firearm stipend but excluding longevity and all other compensation) and dividing same by 2,080.

For over-time pay for Long Term employees, the hourly differential shall be multiplied by 1.5.

Differential pay for acting assignments shall be paid monthly (e.g., differential pay for September shall be paid in the first pay of October).

ARTICLE XXII NON-DISCRIMINATION CLAUSE

Neither the Town nor the Association shall discriminate against any police officer on the basis of race, creed, color, politics, ancestry, religion, national origin, or membership or non-membership in a labor organization.

ARTICLE XXIII CHANGES, SUPPLEMENTS OR ALTERATIONS

No change in this Agreement shall be effective unless in writing and signed by the parties.

ARTICLE XXIV SAVINGS AND SEPARABILITY CLAUSES

ARTICLE XXV WORKING HOURS

Section 1. If an employee is recalled for any reason, he shall receive a four (4) hour minimum guarantee at his overtime rate of pay.

Section 2. 12-Hour Shift. On or before March 1, 2017, the Chief shall implement a 12-hour shift schedule, whereby every patrol officer will work some combination of fourteen (14) 12-hour days in a twenty-eight (28) day cycle for 168 scheduled hours in a cycle and 2,190 scheduled work hours in a year (a "Pitman" schedule, or some variant that meets the foregoing parameters). The initial deployment of shifts, subject to change by management, shall be 0600 to 1800 for the "day" tours, and 1800 to 0600 for the "night" tours. Labor and management will agree upon the number of 30-minute early patrol units to incorporate an overlap. The patrol officers will remain "on the road" and available for calls until the completion of their tour. The Chief reserves the right to adjust the hours of the shifts based on the needs of the community upon 30 days written notice to labor. There will be a five-minute prep time for each shift. Police officers will be held accountable for a full workday. Patrol officers must be fully dressed and equipped and ready to go at line-up at 0600 hours or 1800 hours. The department may assign police officers to work training days for mandated training,

certifications and/or on and off site re-certifications. A police officer's days off may be adjusted as warranted by the training schedules. Patrol officers assigned to the 12-hour shift shall receive seven (7) 12-hour schedule adjustment days ("Kelly" days) off in a calendar year. These Kelly days shall be used by the officers evenly throughout the work-year, but cannot be used if they will cause overtime. These Kelly days must be used in the year earned, cannot carry-over to subsequent years, and cannot be exchanged for compensation. The patrol officers will be scheduled to work 2,190 hours/year (182.5 x 12-hour days), but will be able to use the aforementioned seven (7) Kelly days (84 hours) per year to reduce same to 2,106 hours/year. Administrative personnel not assigned to the 12-hour shift shall receive no (zero) Kelly days. The administrative officers will be scheduled 1,984 hours/year (2,080 less 12 holidays (96 hours)), Monday – Friday, 8-hour days. The 12-hour shift schedule shall be evaluated bi-annually (approximately every 6 months) according to performance measures established by the Chief. Subject to the conditions below, the Town shall retain the right to revert to any of the previously-established schedules, with changes to the current schedule, the impact thereof, and adjustments to the salaries respective to said schedules to be agreed to by the Parties after negotiation, absent which the issue shall be settled by arbitration.

Section 3. The Chief shall schedule training for all members during non-work hours, well in advance of said training. The members shall receive 24 hours of compensatory time each calendar year as full and final compensation for said training, which compensatory days must be used in the year earned, may not cause overtime, cannot carry-over to subsequent years, and cannot be exchanged for compensation.

ARTICLE XXVI PERSONNEL FILES

Section 1. There shall be one (1) Harrison Police Department employee file maintained and the members shall have the right to examine their files at a reasonable time. Members shall have the further right to rebut any derogatory material included in their files. Members shall be limited to reviewing their files during regular office business hours.

Section 2. The contents of the personnel files shall be kept confidential. If a copy of any oral or written reprimand or derogatory material is entered into the member's file, a copy must be served on the member at the same time.

The companies authorized to offer these programs shall be mutually agreed to by the Town and the HPBA.

ARTICLE XXVIII
MAINTENANCE OF STANDARDS

All conditions not covered by this Agreement shall continue to be governed, controlled and interpreted by reference to the Town's ordinances, resolutions and the rules and regulations of the Police Department. Any and all present benefits which are enjoyed by employees covered by the Agreement, that have not been included in this Agreement, shall be continued, if legal.

ARTICLE XXIX
BILL OF RIGHTS

Section 1. Any employee who is being questioned by a Superior Officer on a matter, which could lead to the discipline of said employee, shall, at his/her request, have the right to have a union representative present during such questioning.

Section 2. Any employee who is or may be the subject of a criminal investigation or recipient of criminal charges shall be given all rights due to any other citizen under the same circumstances.

Section 3. The questioning of an employee shall be done at a reasonable hour, preferably when the employee is on duty. An employee who is called into work on his off-duty time or held over his regular work shift at the request or order of a Superior Officer in order to answer any sort of job-related questions, or to be present or participate in any sort of disciplinary proceedings, shall be compensated in accordance with the overtime provisions of this Agreement.

Section 4. If a verbatim record is being made of the questioning, either via stenographer, court reporter, or electronic recording device, the employee shall be so informed and shall be permitted, upon his request, to have a copy of said record.

Section 5. Nothing shall be placed in an employee's personnel file without the employee having been notified, having received a copy of said material, and having signed the original document to be so placed. Said signature does not represent the employee's agreement with the content thereof, but is merely indicative that this provision has been complied with prior to such placement. The employee shall have the right to attach and have become considered as part of the original document, such response or rebuttal as the employee may deem as necessary.

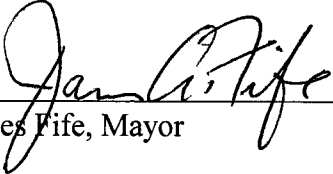

ARTICLE XXX
DURATION OF AGREEMENT

This Agreement shall remain in effect from January 1, 2016 through midnight December 31, 2019. In the event a successor Agreement has not yet been made by December 31, 2019, this contract shall remain in effect until the new Agreement is executed. Negotiations for a successor Agreement covering all sworn Superior members of the Harrison Police Department will commence in 2019 pursuant to the rules of the New Jersey Public Employment Relations Commission, but in no event later than September 15, 2019.
