ARTICLE IV APPEAL PROCEDURE

A. PURPOSE

1. To establish the procedure by which persons represented by the Administrators' Association of the Caldwell-West Caldwell Public Schools (hereinafter referred to as Administrators) may appeal the interpretation, application, or alleged violation of policies, agreements, or administrative decisions affecting them.
2. To secure, at the lowest possible organizational level, equitable solutions to the problems which may arise affecting the terms and conditions of employment of Administrators.

B. PROCEDURE

1. The processing of an appeal is to be as informal and confidential at each level of this procedure as may be appropriate. Each Administrator shall have the right to make an appeal in accordance with this procedure informally with any appropriate member of the administration and have the matter adjusted without intervention of the Association, provided the adjustment is not inconsistent with agreements between the Board and the Association or established policy affecting the terms and conditions of employment of Administrators.
2. In the event that a matter being appealed is not resolved to the satisfaction of the Administrator making the appeal at the informal level, said Administrator may request representation by the Association in which case the Association may, within ten (10) school days of having been informed of the matter being appealed, submit the appeal, in writing, to the Superintendent of Schools who shall be requested to meet with the Administrator who initiated the appeal and the Association representative to attempt to arrive at a mutually satisfactory solution.
3. The Superintendent shall, within ten (10) school days after meeting with the Administrator and the Association representative, render a written decision to the Administrator who initiated the appeal and to the Association.
4. In the event that the matter in dispute pertains to established Board policy or to matters of agreement between the Board and the Association and should the Administrator who initiated the appeal be unsatisfied by the decision of the Superintendent, the Association may, within ten (10) school days after the written decision of the Superintendent has been rendered, appeal the matter to the Board of Education.

APPEAL PROCEDURE – CONTINUED

5. Within fifteen (15) school days after receipt of written notice of appeal from the Association, a committee of the Board shall meet with the parties involved in the unresolved matter in dispute for the purpose of hearing the appeal and reviewing the decisions rendered on the matter.
6. Within ten (10) school days after the meeting described in section 5 above or within ten (10) school days after any formal meeting of the Board which may be required in the case of appeal, the Board shall render a written decision to the Administrator initiating the appeal with a copy to the Association.
7. Should both the Board and the Association be willing, appeals to the Board made in accordance with this procedure may be presented to a neutral party agreeable to both parties for purposes of attempting to obtain settlement by the parties. Decisions or recommendations made by the neutral party shall not be binding on either the Board or the Association. The fees and expenses of this neutral party will be shared equally by the Board and the Association.

ARTICLE V

MANAGEMENT RIGHTS

Nothing in the Agreement shall be construed to diminish or remove from the Board the authority vested in it by the New Jersey Statutes Title 18A.

ARTICLE VI

PERSONAL ILLNESS

- A. Each employee covered by this Agreement will be allowed 14 days absence in any school year for personal illness without deduction of pay. The number of unused days in any year shall accumulate from year to year so long as employment is continuous.
- B. The purpose of personal illness benefits is solely to provide relief in case of personal sickness, personal accident, and quarantine.
- C. The Superintendent of Schools or Secretary-Business Administrator may request certification by a properly licensed doctor for consecutive illness, if absence exceeds five days or more.

PERSONAL ILLNESS – CONTINUED

- D. Administrators will be notified, on or about September 15, 2008, September 14, 2009, and September 15, 2010 of their accumulated personal illness days, which notification shall include the personal illness days allowed for the 2008-2009, 2009-2010, and 2010-2011 school years respectively.
- E. Effective July 1, 2008, an administrator, upon service retirement or disability retirement, in accordance with the pension fund, shall be reimbursed for unused accumulated sick leave in a lump sum payment at the rate of \$150 per day up to and not to exceed 150 days. All sick leave reimbursement will be made in accordance with applicable New Jersey State law (N.J.S.A. 18A: 30-3.5 or other applicable statute). This shall apply to retirement from active service. Deferred retirement is not eligible.

ARTICLE VII

DEATH IN THE IMMEDIATE FAMILY

An absence, not to exceed five working days in each instance, shall be allowed without loss of pay by the Superintendent in case of death in the immediate family. In general, immediate family shall be defined as mother, father, wife, husband, son, daughter, brother, sister, or a member of the employee's household, and such other person as may have a close family relationship to the employee and is approved by the Superintendent as falling within this category.

LEAVE OF ABSENCE WITH OR WITHOUT PAY

- A. An Administrator may apply for a leave of absence with or without pay. The leave shall be granted only by the Board of Education. The leave will be considered only upon a written application to the Superintendent of Schools setting forth the reasons for which the leave is sought. When an application for a leave is filed, the Superintendent of Schools will promptly submit a recommendation to the Board of Education approving or disapproving the application and setting forth:
 - (1) The results of his investigation of the facts set forth in the application;
 - (2) The number of other members of the school staff on leave;

LEAVE OF ABSENCE WITH OR WITHOUT PAY – CONTINUED

- (3) The reasons for his approval or disapproval of the application and a copy of these reasons forwarded to the applicant; and
 - (4) Whether the leave is to be with or without pay.
- B. All benefits to which an Administrator was entitled at the time his/her leave of absence commenced, including unused accumulated sick leave, shall be restored to him/her upon his/her return.

ARTICLE IX

SABBATICAL LEAVE

An Administrator may apply for a sabbatical leave of absence for a full contract year or half a contract year. Sabbatical leave may be granted to one Administrator at any one time. If granted for a full year, the applicant will receive one-half of his/her yearly contract salary. If granted for a half-year, the applicant will receive one-quarter of his/her yearly contract salary while on leave. Upon returning to duty for the remaining one-half year, he/she will receive one-half of his yearly contract salary paid in semi-monthly installments. Leave shall be granted only by the Board of Education.

Sabbatical leave may be granted for the purpose of study, travel, or educational activities that will enhance the professional improvement of the Administrator and benefit the school system.

Leave will be considered only upon written application to the Board of Education and Superintendent of Schools setting forth the reasons for which the leave is sought, and the use to which the leave is to be put. The applicant for leave shall agree in the application to (a) submit a written report upon termination of the leave showing the educational activities in which the applicant participated and their relationship to the work of the school; and (b) render two years of service to the school system after completion of leave, unless prevented by illness or excused by the Board of Education.

Such a leave of absence shall in no way be considered a termination or breach of contract of continuous employment. All tenure rights belonging to the applicant at the time the application is approved shall be retained, and the period of such leave shall be continued as regular service for purpose of retirement. Contributions to the New Jersey Pension and Annuity Fund shall be continued by the Board of Education and the appropriate amount deducted from the salary due the applicant. A staff member on sabbatical leave of absence shall be eligible for the normal salary increment upon the presentation of adequate written reports at the end of the leave.

ARTICLE X

MATERNITY LEAVE

- A. When an Administrator shall become aware of pregnancy, she shall then so notify the Superintendent of Schools. Arrangements will then be made for the Administrator's leave of absence.

A maternity leave of absence shall begin and be for a period of time designated by the Superintendent of Schools in consultation with the Administrator and with the written approval of the Administrator's physician.

Any Administrator who has been granted a maternity leave shall, before she is permitted to return to active duty, undergo examination by a physician of her choice certifying that she is able to perform her duties in a proper manner and that certification shall be forwarded to the Board of Education's physician for review. Following any difference of medical opinion between the Board's physician and the Administrator's physician, the two physicians shall mutually select a third physician who shall review and decide the matter.

- B. Any female Administrator adopting an infant child may receive a similar leave which shall commence upon her receiving de facto custody of said infant, or earlier, if necessary, to fulfill the requirements of the adoption.
- C. A male administrator may be granted one day's absence, with pay, at the time his wife gives birth to a child or a child is adopted.

Reimbursement for graduate courses will be at the course tuition rate of the institution attended up to the Rutgers University per credit tuition rate.
