The deduction shall commence for each employee who elects not to become a member of the Union during the month following written notice from the Union of the amount of the fair share fee. The fair share fee shall be calculated in accordance with law but shall not exceed 85% of the regular dues, fees, and assessments of the Union. Pursuant to law, no individual employee authorization is required for the deduction of the fair share fee. The Employer shall be indemnified, in all circumstances if an employee contests the fair share deduction.

The regular bus driver shall be given preference to work these hours and shall be paid at his/her regular hourly rate. These added hours shall not be deducted from the regularly scheduled 19 hour work week. The bus driver has an annual cap of 1035 hours to be calculated on actual hours worked.

However, during the ninety (90) calendar day probationary period, the employee shall receive at least one (1) evaluation, after forty-five (45) days which shall indicate the employee's progress and identify any areas which need improvement, along with the recommendations as to how to improve. The failure to provide this evaluation shall be subject to the grievance procedure.

Effective August 15, 2006 or thereafter, the Borough shall substitute the Aetna Patriot V with 90% prescription reimbursement for the existing Group Hospital Medical Plan currently in effect.
- B) Employees shall contribute a maximum of 1.5% of their base salary, as mandated by state law, towards their health insurance premiums, through payroll deductions. These payments shall be made on a pre-tax basis pursuant to an IRS Section 125, Salary Reduction Premium Only Plan, in accordance with the Borough's regular payroll practices. These payments shall be inclusive of any additional payments required by state law or mandate.

- D) The Employer shall provide disability insurance for its employees.
- E) Each year the Employer shall pay for one optical exam for each employee. Employees shall first be required to utilize their insurance coverage for optical examinations. The Borough of Pine Hill shall cover the full cost of employees' prescription eyewear up to \$200 per year. A receipt will be turned in to the Finance Office for reimbursement.
- F) All full-time, and part-time employees working a minimum of twenty (20) hours per week, shall receive all insurance coverage.
- G) There shall be no change in the in-house prescription reimbursement plan, except that the annual limit of eight hundred (\$800.00) dollars per family is increased to one thousand (\$1,000.00) dollars per year as of 2006. Employees seeking to utilize this benefit shall be required to submit original receipts and a fully executed requisition. For reimbursement, prescriptions must be eligible for reimbursement under the employee's selected health insurance plan. Employees must first submit prescriptions to their insurance program prior to seeking reimbursement from the Borough.

Under the 90% Aetna Patriot V prescription reimbursement plan, unless the employee purchases prescriptions through Shop Rite or another provider, as described in Section G below, which enables a participant to obtain prescriptions by paying 10% of the prescription cost, the employee must pay the entire cost of the prescription up front and is then reimbursed 90% of that cost by the insurance company. The 10% prescription co-pay paid by the employee and not reimbursed under the plan may be submitted to the Borough for reimbursement under the above in-house prescription reimbursement fund.

- H) In conjunction with the Aetna Patriot V prescription reimbursement program, the Borough has entered an agreement with a local Shop Rite pharmacy which will enable participants to obtain prescriptions by paying 10% of the prescription cost to the pharmacy, rather than paying 100% and then getting reimbursed 90% through the insurance provider. The existence or continuation of the arrangement with this particular provider cannot be guaranteed. However, the Borough will make every reasonable effort to ensure that at least one provider is available to offer this benefit. Employees utilizing this option are not entitled to the 90% prescription reimbursement payments sent to them by the insurance company and therefore must endorse and turn in the 90% prescription reimbursement checks to the Borough within ten days of receipt of any such check. Employees shall not knowingly cash, deposit, or endorse the reimbursement check to third parties other than to the Borough.

Employee co-payments shall be reimbursed under the Borough's in-house prescription reimbursement fund as provided in Section F as to the 10% prescription co-pay referred to here.

Employees desiring to use this option shall agree, in writing, that failure to turn in the insurance company reimbursement check may result in future loss of this option to the employee or deduction of such amounts from the employee's paycheck. Upon request, employees shall sign such documents as may be appropriate and reasonable to establish the Borough's ability to deduct

unaccounted reimbursements from wages. The parties will cooperate in seeking to add additional participating pharmacies.

- I) The Borough will make available to each employee, upon request, a \$300.00 non-interest loan to assist employees in utilizing the prescription reimbursement program. The loan must be repaid by the employee upon his/her departure from employment, no matter the reason. Employees authorize payroll deduction repayment of the loan from any monies owed to the employee and will sign such documents as may be requested by the Borough prior to the receipt of funds, and from time to time thereafter, as may be helpful to document the loan and effectuate repayment.
