The Union business agent and/or his representatives previously designated by the Union shall be admitted on the premises of the Employer for Union business, and can raise with the Employer any questions concerning the enforcement and applicability of this Agreement and all terms and conditions of employment. Seasonal or Part-time employees shall not be hired or retained if regular permanent employees are on temporary layoff due to reduction in force.

ARTICLE VI. PROBATIONARY PERIOD

All employees hired during the term of this Agreement shall serve a probationary period of one year. During this probationary period, the Borough reserves the right to terminate the employee in its sole subjective discretion. A probationary employee so terminated shall not have recourse under this Agreement.

ARTICLE VII. SENIORITY

- A. SENIORITY – Seniority is defined as employment based on length of continuous service with the Borough from the date of hire.
- B. SENIORITY LIST – A seniority list shall be made available to the Union twice a year – January 1 and July 1, showing the date of hire and rank or last date of rehire of all employees in the bargaining unit by the Borough Clerk's Office.
- C. Seniority shall prevail in all matters where a preference may be established, such as, without limiting the generality of the foregoing, economic layoff, recall and

- vacation choices. The person or persons last hired shall have the last preference. Employees who are laid off will be eligible for recall up to a maximum of 9 months from date of layoff. Employees shall be recalled in the inverse order of their layoff provided that the employee report for duty within forty-eight hours of this notice of recall which shall be by regular mail or certified mail addressed to the employees last address in the employer's file, a copy of which shall be given to the Union.
- D. An employee shall on the date worked immediately following successful completion of the probationary period be considered to have seniority as of the date of hire.
- E. LAYOFF – The Borough shall provide sixty (60) days notice of any layoff. The purpose of the notice is to allow Local 125 the opportunity to provide the Borough with alternatives to layoffs. In the event that the Borough does implement layoffs, it agrees to reopen negotiations regarding wages.

ARTICLE VIII. HOURS OF WORK

- A. The regular workweek shall consist of forty (40) working hours, Monday through Friday, inclusive. The regular workday shall consist of eight (8) working hours commencing no earlier than 7:00 a.m. and ending no later than 3:30 p.m., with one half (1/2) hour unpaid lunch break.
- B. During each regular workday, employees covered by this Agreement shall receive two (2) fifteen (15) minute duty-free breaks: one during the morning and one during the afternoon. The scheduling of these breaks shall be at the discretion of the Superintendent of the Department. In no instance may these breaks be scheduled to permit late arrival or early dismissal of any employee.
- C. The Borough of Norwood will pay Twenty (20.00) Dollars toward meals whenever any employee works twelve consecutive hours. In a call-out emergency situation when an employee is not scheduled to work, the employee is entitled to one (1) Twenty (\$20.00) Dollar meal payment per eight (8) hour shift. Payment can be made by the submission of a cash voucher.

ARTICLE IX. OVERTIME

- A. Work in excess of the employee's basic eight (8) hour or forty (40) week shall be overtime and shall be paid at time and one-half (1.5) rate in pay. For a consecutive period that includes more than eight (8) hours of overtime, any overtime hours worked beyond that period shall be paid at double (2) the straight hourly rate for snowplowing and emergency situations only.
- B. An employee may elect to receive compensatory (CTO) time in lieu of overtime pay at the rate of time and one-half for each hour worked. The maximum number of compensatory time at any one time shall be sixteen (16) hours.
- C. For time worked on a Sunday or Holiday, compensation shall be paid at the rate of two (2) times the above hourly rate of pay for each hour of work, provided that the Employee works all scheduled days during the work week on which the Sunday or Holiday falls.
- D. If an employee works twenty-four (24) hours without being relieved for the day, he or she shall receive overtime for his next contiguous shift as well.
- E. The approval for the use of compensatory time shall be scheduled in the same manner as vacation time.
- F. All overtime will be paid together with the regular paycheck, consistent with the Fair Labor Standards Acts.
- G. In snow emergencies, or other declared emergencies all employees are required to report for duty. Every effort will be made by the Superintendent, in good faith, to accommodate family or personal emergencies. Regular doctor or dental appointments, not of an emergency nature, ordinarily do not constitute a personal emergency justifying the refusal of work in an emergency situation. The part-time outside employment of a Department of Public Works employee, employed full-time by the Borough of Norwood, does not constitute justification for the refusal of mandatory overtime.
- H. It is recognized that as a condition of employment the employees of the Department of Public Works acquire and maintain commercial driver's license. It is recognized that the DWI standards for a commercial driving license are more stringent than the general requirements for a New Jersey driving license. If employees are called in on a snow or

other emergency, they shall advise the Superintendent if they are unable to meet the commercial driving license standards. It is expected that all employees arrive at work on their regular shift, 7:00 a.m. to 3:30 p.m., fit for work. When employees anticipate a snow emergency, it is the responsibility of the employees to conduct themselves in such manner as they will be fit for work when called in.

- I. Cash overtime payment shall be computed at one and one-half (1.5) times the employee's regular rate of pay. Compensatory time off shall be calculated at the rate of one and one-half (1.5) hours of CTO for each hour of overtime work. Compensatory time off shall be calculated at the rate of two (2) hours of CTO for each hour worked on a Sunday or Holiday. Paid leave time, including but not limited to vacation leave, sick leave, and CTO shall not be included when calculating hours worked for purposes of overtime eligibility.
- J. Each employee shall complete his/her own overtime voucher and have it signed by the Superintendent and it shall be the responsibility of the Superintendent to submit the voucher for payment.
- K. In the event of a threatened snow storm prior to the normal quitting time, the Superintendent with the consent of the shop steward may send employees home early. When the employees return after quitting time to resume working, the employees will be paid straight time for the same number of hours the employees were excused early before the payment of overtime is required. (Example: Employees are sent home 2 hours early. The employees return later that day and work 6 hours. The first two (2) hours are paid at straight time and the last four (4) hours are paid at time and one-half overtime.)

2. Any monies due employees by virtue of this clause shall be paid as soon after the execution of this Agreement as practicable.
3. Employees automatically move to the next highest step on their anniversary date of hire.

Overtime shall be rotated by seniority.
