The Township Manager may also grant an extension of a leave of absence for up to an additional ninety (90) days without pay, but only under unusual circumstances where denial would result in personal hardship and/or deprivation of opportunity to the requesting employee.

The Township shall continue all health benefits when the request for leave of absence is due to an illness in the immediate family, defined for this subsection as the employees spouse, child, parent or relative living in the employee's home. The Township shall pay the employee his/her regular pay until medically certified as fit for duty in accordance with applicable New Jersey State Statutes. In the event that the employee receives Workers' Compensation or other disability benefits, the Township's liability pursuant to this

section shall be to pay the difference between such benefits and the regular rate of pay for such employee. Alternatively, the Township may, at its election, continue to pay such employee full salary and the employee shall pay or cause to be paid to the Township such payments as may be made to him/her or to the Township in his/her name under Workers' Compensation for Temporary Total Disability Benefits.

C. **Death Leave:** A regular full-time employee who is excused from work because of death in his/her immediate family, as defined herein, shall be paid his/her regular rate of pay for eight or twelve working hours missed during the first five (5) scheduled working days (whether scheduled as an 8 hour and twenty minute day or a 12 hour and twenty minute day) following the death. Time off with pay as provided in this section shall be used for the purpose of handling necessary arrangements for and attendance at the funeral of the deceased member of the immediate family. For the purpose of this subsection, immediate family is defined as an employee's spouse, parents, children, brother, sister, ward, father-in-law, mother-in-law, sister-in-law, brother-in-law, grandparent. D. **Maternity Leave:** After pregnancy has been verified by a licensed physician, the female employee shall be taken off street duty immediately and placed on light duty. Upon completion of the sixth month of pregnancy, the employee may begin a leave of absence without pay and may continue this leave of absence until three (3) months after childbirth. The employee may renew this leave of absence, upon good cause, for up to an additional three (3) months leave. The Township shall continue health benefits on said employee when leave of absence is due to pregnancy. During maternity leave, female employees may use vacation, sick and personal leave, and any accumulated compensatory time. In addition, accumulated sick leave may be used for up to four (4) weeks before childbirth and six (6) weeks after, or eight (8) weeks in the event of a cesarean section delivery. Male employees may use their allotted sick time, up to a maximum of the scheduled work days in two (2) calendar work weeks upon the birth of their child.

Any employee utilizing the time off permitted in this section shall not be penalized for its use. This time shall be considered as honorable service time with respect to vacation and necessary service time towards retirement.

ARTICLE VII

HEALTH AND WELFARE:

A. The Township shall provide each and every employee and his/her immediate family with medical insurance coverage, which plan(s) provided may require an employee contribution for deductibles, co-payments or excess premium costs in the event the employee elects coverage in excess of the basic plan provided. The Township shall, at its election and with 45 day's notice to the MTSOA, provide coverage substantially equivalent to the New Jersey SHBP as then existing either directly through the SHBP or an independent carrier. Whenever the Township prepares a healthcare cost report of the previous year's health insurance cost, it will provide such report to the MTSOA within seven (7) days.

Beginning on January 1, 2013, employees shall contribute to the cost to their health insurance benefits in accordance with Chapter 78, as outlined in the chart attached as Addendum A. Each employee will contribute the percentage of the premium cost as set forth in the attached chart, or 1.5% of their annual base salary, whichever amount is greater, towards the cost of their health benefit premium.

The following health plans with the SHBP are offered at an employee contribution of 25% of the premium cost: Aetna Freedom2035 #066, NJ Direct2035 #056, Aetna Liberty Plan #067 and Omnia Health Plan #057.

Employees covered by this agreement hired on or before January 1, 2013 who retire with twenty five years of service in the New Jersey State Pension System and with twenty years of actual service with the Township shall receive retiree health benefits for the retiree and his/her spouse and dependents in accordance with the benefits provided by the plan in place for current employees. The retiree shall make health benefit contributions in accordance with the chart in Addendum A at the tier in effect upon their retirement as a percentage of the premium cost, or 25% of the cost of the premium, or 1.5% of the retiree's monthly retirement pension allowance including cost of living adjustment, whichever amount is greater. In accordance with Chapter 78, the retiree health insurance contribution does not apply to employees that had 20 years or more of service as of June 28, 2011.

Upon the retiree's eligibility for Medicare/Medicaid Part B coverage, the Township shall pay the Part B premium and provide supplemental health insurance or full insurance to provide coverage equivalent to the plan in place for current employees. The Township shall provide health insurance for the life of the retiree and for up to sixty days after the retiree's death for the retiree's spouse and dependents.

Employees covered by this agreement hired after January 1, 2013 who retire with twenty five years of service in the New Jersey State Pension System and with twenty five years of actual service with the Township shall receive retiree health benefits in accordance with the benefits provided by the plan in place for current employees until the retiree becomes eligible for Medicare/Medicaid or the

death of the retiree and shall contribute either (1) 50% of the cost of the coverage; (2) the percentage of premium cost contained in the schedule attached hereto as Addendum A, or 1.5% of the retiree's monthly retirement pension allowance including cost of living adjustment, whichever amount is greater. These benefits shall cease upon the retirees eligibility for Medicare/Medicaid Part B coverage at which point the Township shall pay the amount required for Part B coverage for the life of the retiree. All other benefits coverage, if any, shall be at the retiree's sole cost and expense.

Where the pension system will deduct the retiree's required health benefit contribution, such contribution will be made through the withholding of the amount from their monthly retirement allowance by applying the amount of their annual retirement allowance and any future cost of living adjustment thereto. Where the pension system will not deduct the retiree's contribution, the retiree must make timely payment directly to the Township or as otherwise directed by the Township. The continuation of health coverage is contingent upon the retiree making timely payments toward the health benefit premium.

B. All permanent full-time employees will have their dental premiums paid in full by the Township. Full-time employees with less than five (5) years service have the option of covering their dependents via a payroll deduction for dental insurance premiums. After five (5) years of continuous service, the Township shall pay premiums for full-time employees' dependents.

C. The Township shall provide life insurance for each employee in an amount equal to \$40,000.00 per employee. Said insurance coverage shall include a provision for double indemnity in the event of accidental death.

D. In the event of an employee's death due to a work related injury, the Township shall pay any reasonable funeral bill up to a maximum of \$7,500.00. This payment is only to be used for any balance remaining after all insurance coverage for burial expenses has been exhausted. The Township shall assist the primary beneficiary in seeking insurance claims and other lawful benefits, should the member die while an employee of the Township.

E. The Township shall continue to contribute annually the sum of \$100.00 per full time employee member to be used specifically for the premium for a Legal Defense Plan. The Legal Defense Plan is to be administrated by and paid by the Association for its members. Said plan shall provide benefits for legal defense in the event that the covered member employee is charged with the commission of a crime, offense or civil action for damages arising out of or in the course of employment as an employee of the Police Division. Said benefits for the legal defense in such circumstances shall be secondary to the Townships obligation to provide legal defense as provided for by New Jersey State statutes.

The Association shall furnish the Township with full and complete copies of the legal defense policies obtained, along with proof of yearly premiums paid by sworn police officers for whom the Township would be obligated to provide legal defense in accordance with New Jersey State Statutes.

Within thirty (30) days of presentation and review, the Township shall reimburse the annual contribution to the association, up to the amount listed per member in this section. In the event that the employee member or the association fails to purchase said legal defense plan coverage, the Township shall be relieved of its obligation under the provision of this section to make the annual contribution to the association for every/each respective member employee for which the legal defense plan was not obtained.

F. The Township shall continue to pay premium costs for the Basic Medical Benefit coverage for an employee permanently disabled during the performance of his/her duties, as well as the spouse and/or dependent children to age twenty six (26), unless the employee qualifies for substantially equivalent medical insurance/benefit coverage as may be provided by a State or Federal government, including, but not limited to, Social Security and/or Medicare/Medicaid.

G. The Township agrees to make a payment to any employee who elects to waive their rights to certain insurance coverage provided by the Township. The payment will be made semi-annually in July and December to those employees who sign a waiver for the coming year. The amount of payment per year for a medical insurance waiver will be 40% of the coverage premium if coverage was waived prior to 2010. If medical and/or dental coverage was waived after the effect of Chapter 2, P.L. 2010 the insurance waiver may not be more than 25% of the amount saved by the employer or \$5,000 whichever is less.

Should reinstatement in the medical or dental plan be necessary the employee should notify the personnel office immediately. Reinstatement is guaranteed.

H. The Township shall continue to pay premium costs for the Basic Medical Benefit coverage for the spouse and/or dependent children to age twenty six(26), of any employee killed while in the performance of his/her duties unless:

1. The spouse of the deceased police officer re-marries. Such re-marriage shall not affect continued coverage for the children of the marriage of the deceased employee; or

2. The spouse of the deceased police officer obtains substantially equivalent medical insurance/benefit coverage from an employer or any other source; or

3. The spouse qualifies for substantially equivalent medical insurance/benefit coverage as may be provided by a State or Federal government, including, but not limited to, Social Security and/or Medicare/Medicaid.

J. The Township shall maintain police professional liability insurance in the amount of five million **(\$5,000,000.00)** dollars.

The Association recognizes that the conditions set forth in this article shall be subject to the permission of the Township.

INVESTIGATIVE DUTY CALL:

Employees assigned to the Detective Bureau, who shall be required to cover investigative duty call in accordance with the schedule set forth by the Chief of Police or his designee, shall be entitled to the following compensation:

Reassignment shall include any assignment for duty, including court patrol duty, subsequent to the completion of the officer's court appearance. Officers shall be subject to court patrol duty without additional pay prior to the completion of their court appearance.

Should a retired officer be called to court in connection with a case the officer worked on while an active employee, he will be compensated at the current rate for an officer of equivalent rank or his rate at retirement, whichever is higher, for: reviewing the file in connection with his court appearance; case preparation with the prosecutor, and time spent in court. It is expressly understood that this work will be sporadic, unique to each officer as it is

dependent upon the existence of cases that are still active when an officer retires, and that a retired officer has no entitlement to this form of compensation for any cases other than ones he/she worked on when he/she was an active employee. Should PFRS modify or suggest modifications to the foregoing, the parties agree to undertake good faith efforts to conform the language to satisfy the modifications.
