ARTICLE II

GRIEVANCE AND ARBITRATION PROCEDURE

A. Definition

A "grievance" is an appeal by a secretary upon the interpretation, application or violation of policies, agreements or administrative decisions affecting that secretary.

The association may file a class action grievance as soon as the grievance is signed by at least one of the offended parties on behalf of the group or class.

Grievances pertaining to Association rights may be initiated by a representative of the Association.

A secretary shall have the right to present his/her own appeal or to designate another person or representative of his/her own choosing to appear with him/her at any step in his/her appeal.

When a secretary is not represented by the Association, the Association shall have the right to be present at the Board of Education hearing and to state its views.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise affecting the terms and conditions of employment of secretaries. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing herein contained shall be construed as limiting the right of any secretary having a grievance to discuss the matter informally with the appropriate member of the administration, and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure

1. The secretary shall appeal, in writing, using grievance forms within ten (10) school days of the alleged grievance or within ten (10) school days of his/her knowledge of the alleged grievance, in sequence to the Supervisor, where applicable, Principal, and Superintendent of Schools. The secretary shall inform the Association at any step. A copy of the written grievance and responses shall be forwarded to the Association at each step of the grievance procedure.
 2. The secretary's request to the Board of Education for a hearing shall be submitted in writing through the designated representative(s) of the Association to the Superintendent of Schools and shall include a statement of the nature of the appeal and a detailed account of all the facts upon which the appeal is based.
 3. There shall be a period of not more than ten (10) school days in each appeal sequence as outlined above. The number of days may be extended by mutual agreement.
 4. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.
 5. Any and all secretary grievants shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.
- D. When the case is heard by the Board of Education, an opportunity shall be given to present any relevant and material evidence, and a full discussion shall take place. The Board of Education shall, at said hearing or by independent investigation, seek to secure all evidence pertinent to the appeal. Copies of the said proceedings shall be distributed to the secretary and his/her representatives. The Board of Education will forward, through the Superintendent of Schools, a written response to the secretary within ten (10) school days following the hearing.

- C. The President of the Association or his/her designee may be permitted to transact official Union business on school property at reasonable times provided that prior permission has been obtained from the Superintendent, in writing, when possible.
- D. The Association may have the right to use school buildings at reasonable hours for meetings provided that prior permission has been obtained from the Superintendent, in writing, when possible.

The Association shall advise the Board as to the identity of the officers.

ARTICLE V

MANAGEMENT RIGHTS

Nothing in this agreement shall be construed to diminish or remove from the Board the authority vested in it by the New Jersey Statutes Title 18A.

ARTICLE VI

HEALTH BENEFITS

Unit members who are regularly employed under ten-month or twelve-month contracts to work twenty (20) or more hours per week shall receive the following health benefits:

- A. Full coverage for medical-surgical, major medical, and Rider J, health insurance or its equivalent, as provided by the Board, is to be in effect for educational secretaries unit employees at Board of Education expense for the term of this Agreement.
- B. Dental Insurance Coverage will be full family coverage for 100% Preventive and Diagnostic Plan for the term of this Agreement.

ARTICLE VII

VACATION ALLOWANCES

- A. Secretarial (10-Month Employees) - September 1 to June 30

Ten-month employees will be granted vacations with full pay on all days when the schools are not in session for pupils, from the first to the last day of recorded attendance. Ten-month employees will work on all work days in September before and in June after, the first and last days of recorded pupil attendance, respectively.

- B. Secretarial (12-Month Employees) vacation entitlement for twelve-month employees, after one full year of service, shall be fifteen (15) days, with pay, for those employees with up to ten years of service and twenty days, with pay, for eleven or more years of service.

Twelve-month unit employees and ten-month unit employees who become twelve-month unit employees and who were in the employ of the Board prior to July 1, 1998 shall receive vacation benefits as set forth below.

After one full year's service, July 1 to June 30 of the succeeding year, a full-time employee will be entitled to four weeks vacation with pay. Up to three weeks vacation, but no less than two weeks vacation, should be scheduled by mutual agreement between the supervisor and the secretary during the period designated by the Superintendent, usually the month of July and the first two weeks in August. Twelve-month secretaries may take up to four (4) vacation days at any time during the school year with prior approval of their supervisor. Full-time employees, with part of the year service, will be allowed that proportion calculated on the basis of 1 and 2/3 days per month to which their employment prior to July 1 entitles them. An employee whose services are terminated by the employer prior to June 30 will be entitled to severance pay for that proportion of the vacation that has been earned. There will be no carry-over of vacation days from year to year and, if not taken, they are lost. Vacation days taken in excess of the prescribed proportionate allowances will be charged against the employee if he/she terminates his/her services of his/her own volition. Vacation periods must be scheduled so that they will cause the least practical interruption in the work program. As a general rule, vacation priorities will be granted on the basis of seniority. Deviations in the above listed vacation schedules, but not in the number of days allowed, may occur by prior agreement between the Superintendent's office and employees.

- C. Changing from a 10-month to a 12-month Position
When a member of the Caldwell-West Caldwell Educational Secretaries Association changes his/her position from a 10-month position to a 12-month position, he/she shall be entitled to an additional 10 days of paid vacation during the months of September to June, inclusive on days when the schools are not in session, and with the approval of his/her immediate supervisor.

ARTICLE VIII

ABSENCES

- A. Personal Illness and Personal Business Day

Less-than-full-time Unit employees shall be entitled to prorated personal illness days. The number of unused days in any year shall accumulate from year to year so long as employment is continuous.

Prior to September 30 of each contract year, employees shall be given a written accounting of accumulated unused sick leave days.

Upon request filed in advance (emergencies excepted), a maximum of two (2) days in a year of unused sick leave entitlement may be granted by the Superintendent or

2. When an employee becomes aware of her pregnancy, she shall notify the Superintendent of Schools, through the Board Secretary/Business Administrator, indicating the tentative birth date. Arrangements will then be made for the employee's leave of absence.

A maternity leave of absence shall begin and be for a period of time designated by the Superintendent of Schools, in consultation with the employee, and with the written approval of the employee's physician.

An employee who has been granted a maternity leave shall, before she is permitted to return to active duty, undergo examination by a physician of her choice certifying that she is able to perform her duties in a proper manner, which certification shall be forwarded to the Board of Education physician for review. Following any difference of medical opinion between the Board's physician and the employee's physician, the two physicians shall mutually select a third physician who shall review and decide the matter.

In the event of a miscarriage, still birth, or other unfortunate event, the employee shall have the right to return to work. If the employee on leave has been replaced by a person under contract, 60 days notice must be given to the Board of Education.

3. Maternity/Child Care Leave shall be granted for a period of up to the end of the contract year in which the child was born. An additional year shall be granted upon the request of a tenured employee.
4. Anyone who accepts Maternity/Child Care leave in any given year is given credit on the salary guide for a full year upon returning to the District provided that person has completed more than 50% of the work days in the year in which the leave was taken.
5. Any employee adopting a pre-school age child shall receive similar child care leave which shall commence upon receiving de facto custody of the child or earlier, if necessary, to fulfill the requirements for the adoption.

6. Paternity Leave - A male employee shall be granted one day's absence, with pay, at the time his wife gives birth to a child or a child is adopted.

C. In general, immediate family shall be defined as mother, father, wife, husband, son, daughter, brother, sister, or a member of the employee's household, and such other person as may be a close family relationship to the employee and is approved by the Superintendent or Board Secretary/Business Administrator as falling within this category.

D. Holidays The additional ten days paid vacation that the twelve-month employee is granted from July 1 to June 30 shall not be reduced by the specific days on which schools are closed, such as the day following Thanksgiving or other holidays.

When a legal holiday falls on a Monday during a school vacation, such as Presidents' Day, all twelve-month employees shall be given the holiday and not be charged a vacation day.

If a legal holiday falls on a Saturday or Sunday, the day before Saturday or the day after Sunday shall be given off and not charged as a vacation day.

E. In the event one of the emergency closing days shall not be used during the school year, ten-month secretaries shall be released one day prior to their last contract day of that year provided they have completed all their professional responsibilities to the satisfaction of their immediate supervisor.
