PREAMBLE:

THIS AGREEMENT entered into between the Board of Chosen Freeholders of the County of Burlington, hereinafter referred to as the "Employer" and P.B.A. Local #249 Superior Officers Committee, hereinafter referred to as the "Association", has as its purpose the promotion of harmonious relations between the Employer and the Association; the establishment of equitable and peaceful procedures for the work and other conditions of employment, whether such employees are of provisional or permanent status.

ARTICLE I RECOGNITION:

The Employer recognizes the Association as the bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment for all of its employees in the classifications listed herein, and for such additional classifications as the parties may later agree to include. This recognition, however, shall not be interpreted as having the effect of or in any way abrogating the rights of employees as established under Ch. 303, P.L. 1968, as amended. This Agreement shall include the following supervisory personnel titles: Sergeants to include Sr. I.D. Officers, and Lieutenants to include Chief I.D. Officers.

ARTICLE II SALARIES:

A. All salary adjustments of officers covered by this Agreement as outlined below shall be retroactive to January 1, 1991 effective at the execution of this Agreement by both parties.

B. It is agreed that to be covered by this Agreement an officer shall have maintained full-time employment as a superior officer up to and including the date of full execution of this Agreement by both parties.

C. On January 1, 1991 all officers who have been on the payroll and have maintained full-time employment as a superior officer since September 30, 1990 shall receive a \$2,141 salary adjustment added to their base pay.

D. On July 1, 1991 all officers who have been on the payroll and maintained full-time employment as a superior officer since September 30, 1990 shall receive a \$1,309 salary increment added to their base pay.

E. On January 1, 1992 all officers who have been on the payroll and have maintained full-time employment as a superior officer since September 30, 1991 shall receive a 3% salary adjustment added to their base pay.

F. The minimum and maximum salaries for Sergeants, Lieutenants and Chief I.D. Officers shall be as listed below:

SERGEANTS SALARY RANGES

	<u>Minimum</u>	<u>Maximum</u>
1991	\$29,000	\$37,000
1992	\$30,000	\$37,000

LIEUTENANTS & CHIEF I.D. OFFICER SALARY RANGES

	<u>Minimum</u>	<u>Maximum</u>
1991	\$33,000	\$39,000
1992	34,000	39,000

G. Any officer whose salary after receiving the salary adjustments and increments as set forth in paragraphs C, D, and E of this Article exceeds the maximums for his/her title as set forth in paragraph F of this Article shall receive a lump sum payment to the extent that said adjustments/increments cause the officer's proposed salary to exceed said maximums.

ARTICLE III PROMOTIONS:

A. Whenever an officer is promoted from one class or title to a class or title with a higher salary range, his/her salary shall be adjusted \$500 or to the minimum rate for the new class or title, whichever is greater.

ARTICLE IV UNIFORM ALLOWANCE:

A. The parties expressly recognize that it is the Employer's exclusive and unilateral right to determine whether any or all of its officers shall be required to wear uniforms or adhere to other dress requirements. Inspections may be conducted by the Jail Administrator or his designee to ensure compliance. All superior officers shall maintain and wear the proper uniform for superior officers as prescribed herein. Any and all new dress requirements shall be in writing prior to enforcement.

B. An inventory of available uniforms and equipment shall be maintained by the Jail Administrator or his designee and shall be checked prior to submitting a purchase order for new officers. Officers shall be required to exchange any items including shoes which need to be replaced.

C. Burlington County agrees to provide the initial issue of uniforms to all new officers in this unit as follows:

- 4 pairs of trousers
- 4 short sleeve shirts
- 3 long sleeve shirts
- 1 belt all leather Garrison belt with gold buckle
- 1 whistle (gold)
- 1 whistle clip (gold)
- 2 sets of collar pins (gold) distinguishing rank

- 1 winter jacket
- 1 raincoat
- 2 metal name plates (gold)
- 2 shields
- 1 pair black uniform shoes

Initial issue shall include shoes; however, boots may be substituted for shoes by the officer with the condition that reimbursement shall not exceed the amount allocated for shoes under the vendor's contract.

D. Vendor bidding shall be unisex for all items of clothing.

E. Each uniformed superior officer will be able to replace uniform components to include uniform maintenance and cleaning at the County's expense up to a maximum as listed below:

- 1) 1991 \$450.00
- 2) 1992 \$450.00

1). This right shall not be cumulative. Such replacement shall be on an as-needed basis after approval by the Jail Administrator. Such purchases shall be made by County standard purchasing procedures. Vouchers with appropriate documentation, including receipts, for maintenance and cleaning reimbursement shall be submitted to the Jail Administrator quarterly as follows: April 1, July 1, October 1, and December 31. Reimbursement for dry cleaning shall not exceed one hundred twelve dollars and fifty cents (\$112.50) per quarter.

F. If the County decides to change the style of the uniform, the County agrees to provide each officer with a complete set of uniforms pursuant to paragraph C above. This issue of new uniforms will not be charged against the officer's annual uniform/maintenance allowance.

G. All uniforms and other equipment that have been issued shall be turned in when the officer leaves the employ of the County. All officers shall be required to make restitution to the County for any property or equipment that is damaged from neglect or not returned.

H. Personal items destroyed or damaged by inmate contact while in the performance of duties shall be replaced or repaired by the County. Reimbursement shall be made to the officer based on voucher submission and proof of loss. Personal items are limited to prescription lenses, dentures, wedding bands, engagement rings and watches not issued but worn or carried by an officer in the performance of duties.

ARTICLE V HEALTH BENEFITS:

A. Family Hospital, Surgical and Major Medical or Health Maintenance Organization (HMO) Benefits shall be available for provisional and permanent full-time employees on the first of the

month after three (3) months of service. The Employer shall pay up to the same amount toward HMO coverage that it contributes toward alternative coverage. Any additional costs for HMO coverage shall be the sole responsibility of the employee.

1). It is understood that because of restricted open enrollment periods, some new employees may not be eligible to participate in HMO until the next open enrollment period. New employees will be so advised at the time of hire.

B. The County may extend to a maximum of thirty (30) days the health insurance coverage of eligible employees and their covered dependents upon exhaustion of such employee's accumulated sick leave and who are granted approved sick leave without pay, with the County paying the cost in accordance with paragraph A above. At its discretion, the Board of Freeholders may extend this coverage beyond the initial thirty (30) day period.

1). If the Freeholders do not extend the health insurance coverage, then the employee, if he/she so wishes, may opt to reimburse the County for continuous health insurance coverage as long as the employee is out on an approved sick leave without pay.

C. At the beginning of each enrollment period, permanent employees shall have the option to enroll in a contributory life insurance plan under which the Employer shall provide a \$5,000 life policy, premiums for the first \$1,000 of which shall be paid by the Employer. Premiums for the remaining \$4,000 coverage shall be paid by the employee through the payroll deduction plan.

D. During the term of this Agreement, there shall be no change in the Group Hospital Medical Plan or any type of insurance presently maintained and paid for by the Employer on behalf of the employees as shown above. However, this shall not prevent the Employer from substituting new and equivalent or more beneficial plans for the ones now in effect.

E. The family program of dental care shall include orthodontics for children only and prosthodontics. Employee eligibility shall be determined in accordance with paragraph A (Health Benefits).

1). The maximum payable by the carrier for services other than orthodontic benefits is \$1,000 per eligible patient in any calendar year.

2). Orthodontic benefits are subject to a \$1,000 maximum per lifetime which is separate from the maximum mentioned above.

F. Disability Plan

All employees in the bargaining unit will be covered by the New Jersey State Temporary Disability Plan. A copy of the plan is to be provided to each employee. It is understood that this plan or a plan with equivalent benefits requires the employee

to make a contribution of at least fifty percent (50%) of the cost.

G. Prescription Plan

1). All full-time employees who are presently receiving employee health care benefits will be eligible to participate in the Burlington County Prescription Plan. This benefit is subject to a minimum of seventy five percent (75%) of eligible employees electing to participate under the conditions outlined. Additionally, of those employees who elect to participate, fifty-one percent (51%) must cover any and all dependents.

2). Once the above conditions have been met Burlington County will pay for the cost of single coverage. Each of the eligible employees who elects to participate shall be required to pay the cost of the appropriate family coverage by payroll deduction. This coverage shall not include payment for contraceptives of any type.

3). In addition, the employee will be obligated to pay a \$3.00/6.00 co-payment fee as requested by the carrier's policy. Such co-payment fee is based upon the purchase of a generic prescription drug (\$3.00) or a name brand prescription drug (\$6.00).

ARTICLE VI SICK LEAVE:

Full-time employees in the County service shall be entitled to sick leave with pay in accordance with the following schedule:

A. New employees shall receive one (1) working day for the initial month of employment if they begin work on the 1st through the 8th day of the calendar month. Employees who begin work on the 9th through the 23rd day of the month shall receive one half (1/2) working day for that month. Employees who begin work after the 23rd day of the month shall not receive any paid sick leave for that month. All such time shall be credited on the first day of the following month.

B. After the initial month of employment and up to the end of the first calendar year, employees shall receive one (1) working day credited the first day of the next month for each month of service. Thereafter, employees shall receive fifteen (15) sick days for each year of service.

C. Sick leave may be taken as credited. Although each employee is credited with fifteen (15) sick days after the first calendar year, sick time is earned at one and one quarter (1 1/4) days per month for purposes of computing time owed to the County in the event an employee should leave prior to the completion of that calendar year and having used all credited sick time. Employees who at the end of the calendar year have been paid more sick days than those earned shall have the excess payment deducted from their last pay check. Employees who leave the employ of the

County prior to the end of the calendar year and who have been paid more sick days than those actually earned shall similarly reimburse the County.

D. An employee who exhausts all accumulated paid sick days in any one (1) year shall not be credited with additional paid sick leave days until the beginning of the next calendar year.

E. Paid sick days shall not accrue during a leave of absence without pay.

F. Sick leave is defined as absence of an employee from duty because of personal illness by reason of which the employee is unable to perform the usual duties of his position, or exposure to contagious disease. Sick leave may also be requested for the following reasons:

1). Up to ten (10) working days of emergency attendance upon an immediate family member who is seriously ill and requires the presence of such employee. Immediate family shall be defined as set forth in section G below.

2). Up to five (5) working days may be requested for a death in the immediate family as defined in section G below. Upon written request of the employee and approval of the Jail Administrator this time may be expanded. The granting of such an expansion of time is at the sole discretion of the Jail Administrator and shall not be grievable under Article XXI, Grievance and Arbitration Procedures of this Agreement.

G. Immediate family is defined as an employee's spouse, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother, brother, sister, father-in-law, mother-in-law, and other relatives residing in the employee's household.

H. If an employee is absent for five (5) consecutive working days for any of the reasons set forth in paragraph F of this Article, the Jail Administrator shall require acceptable medical evidence on the form prescribed.

I. If it is reasonably suspected that the employee is abusing the sick leave privilege, or the employee has been absent on sick leave for an aggregate of more than fifteen (15) days in a twelve (12) month period the Jail Administrator may require the employee seeking leave to submit proof of illness. If the employee fails to provide proof of illness, the employee shall suffer loss of pay for such time.

J. An employee who does not expect to report for work because of personal illness or for any of the reasons included in the definition of sick leave set forth above shall notify his immediate supervisor by telephone or personal message two (2) hours prior to the normal starting time or he shall suffer loss of pay for the absence. It is agreed, however, that the aforesaid two (2) hours notice requirement may be waived in the event of a bona fide emergency.

K. Sick days may accumulate.

L. If an employee becomes ill while on duty and is unable to complete his tour of duty as determined by the on duty nurse, he shall be released from duty and required to submit a doctor's certificate upon return to duty.

M. Employees who have exhausted their sick leave benefit due to an extended illness certified by the employee's treating physician and who wish to substitute vacation, holiday, personal leave or any other compensable time shall make such a request to the Jail Administrator who may approve the request based upon the specific circumstances.

1). If an employee submits a doctor's note requiring the employee to be absent from duty for a period of time and this period of time overlaps into a pre-approved time off, the pre-approved time off shall not be changed to sick leave without the approval of the employee.

ARTICLE VII SICK LEAVE PREGNANCY DISABILITY:

A. An employee who requests leave with or without pay for reason of disability due to pregnancy shall be granted leave under the same terms and conditions as sick leave or leave without pay. The Jail Administrator may request acceptable medical evidence that the employee is unable to perform her work because of disability due to pregnancy.

B. An employee may use accrued leave time (for example, sick, vacation, personal) for pregnancy-disability purposes but shall not be required to exhaust accrued leave before taking a leave without pay. However, the employee must exhaust all accrued sick leave to be eligible for New Jersey Temporary Disability Insurance benefits.

ARTICLE VIII FAMILY LEAVE:

Family Leave as set forth in N.J.S.A. 34:11B-1 et seq. and N.J.A.C. 4A:6-1.21 or any amendments thereto shall be available to all employees covered under this Agreement pursuant to the terms of that Act and/or regulations.

ARTICLE IX WORKER'S COMPENSATION:

A. When an employee is injured on duty, he shall notify the Jail Administrator immediately so that a Departmental report may be prepared. The employee and his immediate supervisor are also required to prepare an accident report.

B. Any employee who is temporarily or permanently disabled as a result of work-related injury or illness shall be covered by the provisions of the New Jersey Worker's Compensation Law and the provisions of this Article from the date of the injury or illness.

Said employee shall be entitled to a leave of absence for the entire period of such disability. During such leave, said employee shall also continue to accrue credit for sick and vacation leave; however, such credit shall be actually added to the employee's account upon return to work. Further, employees on such leave shall suffer no loss of seniority.

C. Employees on a leave of absence pursuant to paragraph B herein, shall have the option to utilize earned sick, vacation, holiday and personal leave time while on said disability leave. In the event an employee exercises this option, said employee shall receive from the County the difference between the employee's regular salary and the Worker's Compensation wage benefits the employee is receiving. Said payment shall be charged against the employee's accumulated leave on a pro-rata basis.

Notwithstanding any language in this Article to the contrary, an employee who has not yet been determined to be eligible to receive Worker's Compensation benefits may elect to draw on earned sick, vacation, holiday and personal leave time. At such time as the employee is determined to be eligible for Worker's Compensation wage benefits, the employee shall be placed on a leave of absence pursuant to paragraph B of this Article and appropriate adjustments shall be made to reduce the salary payments made by the County, under this option, to the difference between the employee's normal pay and the Worker's Compensation wage received. The employee shall also have the option at such time to assign over to the County any retroactive Worker's Compensation wage benefits received so as to restore, on a pro-rata basis, that portion of the employee's earned sick, vacation, holiday or personal leave time which has been utilized to date and the employee shall have the further option to draw on such time pursuant to the first sub-paragraph of this paragraph C.

All wage payments set forth hereunder shall be charged against the employee's earned sick, vacation, holiday and personal leave time in that order. If accumulated leave time is completely used up before Worker's Compensation benefits terminate, the employee shall thereafter receive only his Worker's Compensation benefits.

The employee shall provide written notice of his election to exercise any of the options set forth herein.

D. Notwithstanding any terms to the contrary in paragraph C above, an employee who is injured while acting in the proper and lawful performance of his duties as a result of the direct action, effort, interference or activity of an inmate or prisoner shall be entitled to a leave of absence in accordance with the terms of paragraph B herein, and such leave shall be granted with pay for the period of disability or up to one (1) full year whichever is less. In the event the employee is determined to be eligible for Worker's Compensation wage benefits, such pay shall not be in addition to any such benefits and the employee shall be obligated to assign to the County any such wage benefits which are received as a condition of receiving the wage payments set forth herein.

The benefits provided for under this paragraph shall not be applicable to, and specifically exclude any inmate prisoner related incidents which occur prior to the execution of this Agreement.

1). Eligibility Determination - Whether or not an employee is deemed to be eligible for the benefits provided for under paragraph D of this Article shall be determined in accordance with the procedure set forth as follows:

a). Upon the occurrence of an inmate/prisoner related incident which results in an injury believed by the employee to be covered by the provisions of this paragraph D, the employee shall submit to the Jail Administrator a medical certificate from the employee's treating physician certifying that the employee's disability is the result of a work-related injury or illness. The Jail Administrator shall have the right to require the employee to be evaluated by the County's treating physician pursuant to the provisions of paragraph E of this Article.

b). If, after the requirements set forth under sub-paragraph D (1)(a) are fulfilled by the employee, a dispute develops as to whether or not the employee's disability was a result of a work-related injury or illness, said dispute shall be resolved in accordance with procedures as provided under the New Jersey Worker's Compensation Law and the employee shall not be eligible for the benefits set forth under this paragraph D until such dispute is resolved.

c). If the County does not dispute that the employee's disability is work related, but a dispute develops as to whether or not the disability resulted from injuries suffered by an employee while acting in the proper and lawful performance of his duties as a result of the direct action, effort, interference, or activity of an inmate or prisoner, the Association shall have twenty (20) working days from the date of notice of such dispute to submit the same directly to binding arbitration through the Public Employment Relations Commission, with the cost thereof to be borne equally by the Employer and the Association.

d). During the resolution of any disputes under subsections 1(a) and (b) above, an employee may elect to draw on benefits available under paragraph C of this Article.

E. Medical Verification. To the extent permitted under the New Jersey Worker's Compensation Law, the Jail Administrator may require that an employee receiving benefits under this Article provide adequate and acceptable certification from the County's treating physician as to the nature of the condition, injury, illness or other disability from performance of duties and treatment thereof and such demand for certification may be repeated on a reasonable periodic basis during the period of disability to the extent permitted by the New Jersey Workers Compensation Law.

F. Employees returning from an authorized leave of absence as set forth in paragraphs B, C, and D above shall be restored to their original job classification at the appropriate rate of pay with no loss of seniority, sick days or other employee rights, privileges and benefits except as modified above.

G. In the event the coverages or benefits available to other employees under the above Plan are increased or expanded, or the County adopts a broader or more favorable plan of disability insurance for any of its employees, such increase or improvement in benefits shall also apply to all employees covered by this Agreement.

ARTICLE X PERSONAL LEAVE:

A. Each employee shall be eligible for three (3) personal leave days with pay for personal business with no accumulation of such leave from year to year. At the option of an employee, personal leave days may be utilized in half-day increments to be taken solely during the last four (4) hours of a shift.

B. An employee shall give no less than twenty-four (24) hours advance notice of his/her request to take a personal leave day. Such request shall be made through the Jail Administrator or his designee.

C. In the event of emergent situations, the Jail Administrator or his designee may grant permission to an employee to take a personal leave day with less than the required notice as set forth in paragraph B of this Article.

D. In the event of retirement or termination, or at the end of the calendar year, deductions will be made from the final pay of the employee for used but unearned personal leave time.

E. New employees in County service shall be accorded one (1) personal leave day for each four (4) months of service in the first calendar year of employment.

ARTICLE XI HOLIDAYS:

A. The following paid holidays will be observed:

1. January 1, known as New Year's Day
2. Third Monday in January, known as Martin Luther King's Birthday
3. February 12, known as Lincoln's Birthday
4. Third Monday in February, known as Washington's Birthday

B. Holidays need not be given to employees on the specific day on which the holiday falls; instead, a compensatory day off must be scheduled by an employee with the approval of the Jail Administrator, within one (1) year of the holiday's accrual. The said compensatory day must be taken within that time period and shall not accumulate beyond said time period. There shall be no accumulation of holidays from year to year.

C. If an employee is scheduled to work a holiday, another day shall be allowed in its place. If an employee is not scheduled to work on a holiday, but is called in, such employee shall be paid at the rate of one and one half (1 1/2) times his normal salary, in addition to which he shall receive straight time pay for the holiday in lieu of a day off.

D. Employees must work the day prior to and the day after the holiday as indicated in paragraph A above in order to receive a compensatory day off for that holiday. Only scheduled and authorized time off shall be considered as time worked for this purpose.

E. At the election of the employee, and upon request, said employee may buy back up to ten (10) earned and unused holidays per year.

1). Employees who elect to buy back 1991 earned/unused holidays in compliance with this paragraph shall submit their request no later than September 1, 1992. Payment shall be made at the employee's compensation rate as of July 1, 1991.

2). Employees who elect to buy back 1992 earned/unused holidays in compliance with this paragraph shall submit their request no later than December 1, 1992. Payment shall be made at the employee's compensation rate as of January 1, 1992.

VACATION LEAVE:

Full-time employees in the County service shall be entitled to the following annual vacation with pay subject to scheduling approval by the Jail Administrator.

A. New employees shall receive one (1) working day for the initial month of employment if they begin work on the 1st through the 8th day of the calendar month. Employees who begin work on the 9th through the 23rd day of the month shall receive one half (1/2) working day for the month. Employees who begin work after the 23rd day of the month shall not receive any paid vacation for that month. All such time shall be credited on the first day of the following month.

B. After the initial month of employment and up to the end

of the first calendar year, employees shall receive one (1) working day credited the first day of the next month for each month of service. Thereafter, employees shall receive paid vacation days as follows:

1 year and up to 5 years	12 days
6 years and up to 12 years	15 days
13 years and up to 20 years	20 days
after 21 years and over	25 days

Additional days based upon years of service are credited on January 1 in the calendar year of the employee's anniversary.

C. When in any calendar year the vacation, or part of thereof is not granted by reason of necessity if work, that part of the vacation period not granted shall accumulate to the next succeeding calendar year only.

D. All vacation leave is to be taken only as credited. Although each employee is credited with his vacation time at the beginning of the calendar year, vacation time is earned on a pro rated basis. Employees who at the end of the calendar year have been paid more vacation days than those earned shall have the excess payment deducted from their last pay check. Employees who leave the employ of the County prior to the end of the calendar year and who have been paid more vacation days than those actually earned shall similarly reimburse the County.

Requests for vacation time will be taken, beginning with the most senior (County seniority) superior officer. Vacation time will be taken in blocks of five (5) days, with a minimum of five (5) and a maximum of ten (10) consecutive days off. Lesser or greater amounts of vacation may be taken with the approval of the Jail Administrator or his designee. Vacations will begin on Monday and end on Friday. To give more officers an opportunity to have off on Thanksgiving, Christmas or New Year's, officers should not request more than one (1) of these holidays off for vacation. If the situation does arise that scheduling can satisfy all leave requests, then and only then will an officer be permitted to have off more than one (1) of these holidays. Where the vacation schedule is established but there is a need to adjust the schedule due to unforeseen pressure of the work, voluntary changes shall be made first. Other employees named and required to make a change will be in inverse order of their seniority except that consideration will be given to a substantial financial commitment made by the employee involved. Vacation schedules shall not be changed later than thirty (30) days prior to the vacation unless mutually agreed upon or in case of emergency. All vacation

decisions are final.

G. All vacation requests shall be forwarded to the Jail Administrator or his designee in writing and in accordance with the policy established by the Jail Administrator. Written verification of vacation time shall be forwarded to each officer within fifteen (15) days from date of receipt as to whether the requested vacation time has been granted or denied. Time worked over the normal forty (40) hour work week will be paid at one and one half (1 1/2) times the employee's normal salary and included in the next paycheck for the payroll period in which the overtime was worked, whenever possible. Effective upon the signing and full execution of this Agreement, time worked over the normal forty (40) hours will be paid at one and one half (1 1/2) times the employee's normal salary retroactive to January 1, 1991 at the new salary.

B. No overtime shall be authorized or approved for payment unless the individual making the application for overtime pay has in fact worked at his designated position for forty (40) hours during any given week. Sick or personal leave shall not be considered as time worked for this purpose; however, holiday and vacation time shall.
