### GRIEVANCE PROCEDURE

#### 5.1 DEFINITION

A "grievance" is an appeal of the interpretation, application or violation of policies, agreements and administrative decisions affecting an employee or a group of employees.

#### 5.2 PURPOSE

A. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or the terms and conditions of employment of employees, except that this procedure shall not apply to non-renewal of non-tenure contracts or appointments. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without participation by the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

#### 5.3 PROCEDURE

A. All grievances must be filed within 60 days of the date of the cause of the grievance or within 60 days of the time the Association or grievant became aware of the complaint exclusive

at breaks in the school calendar. In the case of a grievance seeking monetary awards, the parties are limited to monetary adjustments for the school year in which the grievance is adjudicated. For the purpose of this Article, the term "school year" shall be September 1st of each contract year for the term September 1, 1985 to August 31, 1988.

B. All members of the bargaining unit are required to follow grievance procedure policies as published by the Association. No bargaining unit member may grieve or file a grievance without knowledge and approval of the Association. All grievances must be filed on the official EAF grievance form. If a grievance affects a group or class of employees the Association may process such grievances or grieve as a single grievant. The Association may be required by the Board to produce individual grievants who may be affected by a class action grievance.

C. All grievances are to be filed at the lowest appropriate level. For the purpose of this Agreement, the lowest appropriate level shall be the level at which the grievance was created or the level which has the authority to resolve the grievance. The Association in concert with the Superintendent shall determine the level at which a grievance shall be filed. No grievance shall be filed directly into arbitration unless both parties mutually agree.

D. LEVEL ONE: Should level one be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the immediate superior within five (5) calendar days of the date of the grievance form. In the event of dual superiors (i.e. a building principal and a supervisor or director), the Association will determine which has the authority to resolve the grievance

and submit the official grievance to that party with a courtesy photo copy to the other superior(s). The immediate superior shall return the grievance to the Association by U.S. Mail within five (5) calendar days of the receipt of the grievance.

E. LEVEL TWO: Should level two be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the Superintendent of Schools within five (5) calendar days of the date of the grievance form, or if the grievance has passed through level one, it shall be presented to the Superintendent within five (5) calendar days of being returned to the Association. In either case, the Superintendent shall render his decision and return the grievance to the Association by U.S. Mail within seven (7) calendar days.

F. LEVEL THREE: If the grievance is not resolved to the satisfaction of the grievant at level two, or if no decision has been rendered by the Superintendent within seven (7) calendar days of his receipt of the grievance, the grievance shall be scheduled for binding arbitration. Arbitration shall be conducted according to procedures G (1) or G (2) as outlined below.

G. (1) CONTRACT ARBITRATOR: The parties agree that JEFFREY TENER shall be the permanent arbitrator for the duration of this Agreement. He shall operate in an expedited arbitration format under the rules of "Common Laws of Arbitration" as outlined by the American Arbitration Association. Either party may bypass the contract arbitrator by notifying the other party of its intent to request the appointment of a formal P.E.R.C. arbitrator within fifteen (15) calendar days of the date upon which the Superintendent lost jurisdiction of the grievance. The contract arbitrator will meet with the parties on the next-to-the-last

working day of each school month during the life of this Agreement. These meetings will be held at the administrative offices of the Passaic Board of Education at 9:00 a.m. of each arbitration date. Either party may cancel the arbitration date for that month due to lack of grievances. The Association will be entitled to have present for these hearings its president and one other officer with no loss of pay or leave days. No individual grievants shall be required to be present at these expedited hearings, unless requested by the Board.

G. (2) P.E.R.C. APPOINTED ARBITRATOR: Either party may elect to select or recommend an arbitrator from the Public Employment Relations Commission (P.E.R.C.). The following procedures will be used to secure the services of an arbitrator:

(a) A request will be made to P.E.R.C. to submit a roster of persons qualified to function as an arbitrator in the dispute in question.

(b) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request P.E.R.C. to submit a second roster of names.

(c) If the parties are unable to determine, within 10 school days of the initial request for arbitration a mutually satisfactory arbitrator from the second submitted list, P.E.R.C. may be requested by either party to designate an arbitrator.

#### G. (3) RESTRICTIONS FOR A P.E.R.C. ARBITRATOR

(a) The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education.

(b) Arbitration is limited to the interpretation of the written Agreement between the parties.

(c) The arbitrator may not render a decision contrary to any decision of the Commissioner of Education of the State of New Jersey.

(d) The findings of the arbitrator shall be binding on the parties.

(e) Only the Board and the aggrieved and his representatives shall be given copies of the arbitrator's report of findings. This shall be accomplished within 30 days of the completion of the arbitration hearings.

(f) In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

#### 3.4 COSTS

A. Each party will bear the total cost incurred by themselves.

B. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

#### 3.5 MISCELLANEOUS

A. During the processing of a grievance or after a final decision, all documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

B. Forms for filing grievances, serving notice, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

C. The arbitration hearings will be scheduled so as not to interfere with the working hours of the employees required to be present at the hearings. However, should circumstances necessitate hearings during school hours, there shall be no loss of pay suffered by reason thereof by the aggrieved or his representatives, if they should be employees of the Board.
