GRIEVANCE PROCEDURE

A. Definition

1. A “Grievance” shall mean a complaint by a member in the bargaining unit that there has been to him/her a violation, misinterpretation or inequitable application of any of the provisions of the agreement.
2. A member in the bargaining unit shall have the right to grieve administrative decisions, not arising out of the agreement, which are inequitable to him/her. Notwithstanding anything in this article to the contrary the right to appeal such administrative decisions shall terminate at Board of Education level.
3. A “party in interest” is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim including the association.

B. Procedure

1. It is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement.
2. A member who claims to be aggrieved shall first discuss the complaint with the appropriate supervisor with the object of resolving the matter informally. A request for such discussion shall be made within five (5) working days after the treatment, act or condition which is the basis of the claim. Any such informal resolution of a grievance shall be consistent with this agreement.
3. If no informal resolution has been reached within five (5) working days following the request, the member shall present the complaint in writing to the appropriate

supervisor within five (5) working days following expiration of the time limit for informal resolution.

- a. This initial written complaint shall make known the full details of the matter so that any decision can be based on total pertinent information. In no case shall such written complaint be filed later than fifteen (15) working days following the treatment, act, or condition that is the basis of the claim. The supervisor's written decision shall be made in writing to the member within seven (7) working days.
4. If the member is dissatisfied with the supervisor's response, or if no written decision has been rendered after seven (7) working days after the appeal was delivered to the supervisor, the member may appeal the matter to each next higher supervisor, as may be appropriate depending upon the member's organizational position. Each appeal shall be presented to the next higher administrative level within five (5) working days of either the date of a decision at the previous level or the expiration of the seven (7) working days allowed for the supervisor's response.
 5. To carry an appeal to the Board, the Association shall submit to the Board Secretary and Superintendent the complete records thus far accumulated plus its written reason for forwarding the appeal within eight (8) working days of the Superintendent's decision and notify the Superintendent of its action. The Secretary shall promptly notify the Board. The Board may, in its sole discretion, invite the member and his/her Association representative to meet with the Board or a committee thereof to discuss the grievance, but in any event shall render a decision, in writing, not later than five (5) working days following one (1) regular Board meeting after receipt of appeal at the regular Board meeting.
 6. If the decision of the Board of Education does not resolve the grievance to the satisfaction of the Association, notice of intention to proceed to arbitration shall be given to the Board through the Superintendent within ten (10) days after the receipt of the decision that is being appealed.
 7. Arbitration Procedure
 - a. Selection of Arbitrator

The Board and the Association shall attempt to agree on the arbitrator to determine the particular grievance being submitted. If no agreement on an arbitrator is reached within ten (10) calendar days of the date that the request for arbitration is received, then the parties shall jointly request that the Public Employment Relations Commission submit a list of five (5) names of qualified arbitrators. Upon receipt of the list, the Association shall strike two names, the Board two names and the remaining arbitrator on the list shall then be designated as the arbitrator to hear the grievance.

b. Rights, Duties and Jurisdiction of Arbitrator

- 1) Before the submission of a grievance to arbitration, each party shall, in writing, set forth the issue or issues to be determined and/or considered by the arbitrator.
- 2) Arbitrator must be limited to a consideration of the issues presented.
- 3) Arbitrator can neither alter, modify, add to, nor subtract from any of the provisions of the agreement.
- 4) The determination of the arbitrator must be limited to the expressed terms and/or conditions of the agreement, which are the subject of grievance.
- 5) Notwithstanding any provision of this agreement to the contrary, the arbitrator shall assume no jurisdiction over any dispute arising out of any provision of this agreement which may quote, paraphrase or otherwise pertain to any local, county, state or federal law or legislative regulations, the Constitution of the State of New Jersey or the United States or any right arising therefrom; any question or negotiability; or any unfair labor practice; nor shall the arbitrator be empowered to hear any grievance concerning the non-renewal of a member; or disciplinary actions limited to an oral reprimand.
- 6) The decision of the arbitrator shall be binding upon both parties.

c. Costs

The Board and the Association shall share equally the cost of the arbitrator.

C. Rights of Members to Representation

J. Payment For Unused Sick Leave Upon Retirement

1. One hundred and ten dollars (\$110) per day for all days accumulated for members who held a bargaining unit position prior to June 30, 2007. Employees who become members of the bargaining unit on or after July 1, 2007, shall be paid for accumulated sick leave based on the total created by multiplying the number of days accumulated as a teacher by thirty-four dollars (\$34) per day plus multiplying the number of days accumulated as an administrator/supervisor by one hundred and ten dollars (\$110) per day. The maximum payment shall be limited as set forth in subsection 3. below.

Upon becoming a member of the bargaining unit the employee's total sick leave day accrual as a teacher, if any, shall be identified in the employee's personnel records. Once the employee is in a position within the bargaining unit sick days shall be charged against the most recently credited sick leave entitlement. When all current year sick leave days are exhausted sick leave shall be charged against the most recently accumulated sick leave days. When all sick leave days accumulated in a position included within this bargaining unit have been exhausted, sick leave will be charged against sick leave accumulated as a teacher, if any, in the district.

2. No payment shall be made upon deferred retirement.
3. Effective July 1, 2006, the maximum payment for unused sick leave upon retirement shall be twenty thousand dollars (\$20,000) for all employees except Aquila, Conway, Eyler, Jackey, Mammon, and Regnaud. The maximum payment for the employees specified herein shall be determined by multiplying the employee's accumulated sick leave days as of June 30, 2006, by one hundred dollars (\$100). The product shall become the employee's lifetime maximum payment. At the time of retirement the then current per day multiplier shall be multiplied by the accumulated sick leave days. The maximum amount payable to any employee specified herein shall not exceed the employee's lifetime maximum.
4. In the event of the death of a member while actively employed, payment for the unused sick leave shall be payable to the member's estate at the rate specified in J.1. and J.3.

K. Professional Associations

The Board of Education will reimburse each administrator the full cost of membership in one state and one national non-affiliated bargaining professional organization. Total payment for membership for each member shall not exceed five hundred dollars (\$500) per contract year.
