ARTICLE V - COLLECTIVE NEGOTIATIONS PROCEDURE

Section 1:

Collective negotiations with respect to rate of pay, hours of work or other conditions of employment shall be conducted by the duly authorized agent of each of the parties. Section 4:

Ordinarily, not more than six (6) representatives of each party plus legal counsel shall participate in collective negotiation meetings, but the number of such representatives shall be equal and agreed upon in advance of such meetings.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1:

To provide for the expeditious and mutually satisfactory settlement of grievances arising with respect to complaints occurring under this Agreement, the following procedures shall be used.

Section 2:

For purpose of this Agreement, the term "grievance" means any complaint, difference or dispute between the public employer and any employee with respect to the interpretation, application, or violation of any of the provisions of this Agreement.

Section 3:

The procedure for settlement of a grievance shall be as follows:

(A) STEP ONE

In the event that any employee covered by this Agreement has a grievance within ten (10) calendar days of the occurrence of the event being grieved, the employee shall present the grievance in writing to the Supervisor or the officer in charge in the event of the Supervisor's absence.

(B) STEP TWO

If the Association wishes to appeal the decision of the Supervisor (or officer in charge if the Supervisor is absent), it shall be presented in writing to the Sheriff or his designee within ten (10) calendar days. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Sheriff or his designee may give the Association the opportunity to be heard and will give his decision in writing within twenty (20) calendar days of receipt of the written grievance.

(C) STEP THREE

(1) If no satisfactory resolution of the grievance is reached at Step Two, then within ten (10) calendar days the grievance shall be referred to the Public Employment Relations Commission for the selection of an arbitrator, pursuant to the rules of said Commission.

The decision of the arbitrator shall be final and binding upon the parties. The expense of such arbitration shall be borne equally by the parties.

(2) It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) days after the decision rendered by the employer's governing body or its representative on the grievance.

(3) Employees covered by this Agreement shall have the right to process their own grievance without representation.

(4) The cost of the arbitrator shall be borne equally by the parties but each party shall be responsible for such other costs as he may incur.

ARTICLE VII - COMMITMENT TO INSURE UNINTERRUPTED COUNTY OPERATIONS

Section 1:

The Association acknowledges that the need for continued and uninterrupted operation of the County's departments and agencies is of paramount importance to the citizens of Morris County and that there should not be interference with such operation.

Section 2:

In light of the foregoing and the fact that adequate procedures exist for the peaceful and orderly resolution of grievances arising under this Agreement, the Association covenants and agrees that during the terms of this Agreement neither it nor any person acting on its behalf will cause, authorize, or support, nor will any of its members take part in any strike (including the concerted failure of four (4) or more employees to report for duty), mass resignation, mass absenteeism, work stoppage, slowdown, walkout or other job action or the invocation of sanctions against the County. The Association agrees that such action would constitute a material breach of this Agreement.

ARTICLE VIII - VACATIONS

Section 1:

Employees shall be granted vacation leave, pursuant to the following schedule, based upon length of service:

<u>Length of Service</u>	<u>Vacation Leave</u>
Less than 1 year	1 day for each month worked during first year of employment
From 1st anniversary to 6 th anniversary	12 days
From 6th anniversary to 12 th anniversary	15 days
From 12 th anniversary to 18 th anniversary	18 days
From 18 th anniversary to 24 th anniversary	21 days

Section 2:

The vacation period for employees shall begin January 1 of each year and continue in effect until December 31 of such year. Annual leave shall be taken, subject to the needs of the service, during the current vacation period.

Section 3:

Any vacation or portion thereof which is not taken or granted because of the pressure of work may be taken during the next calendar year. No employee shall have an accumulation on December 31st of any given year which exceeds the hours entitled to during the previous 18 months of employment. There will be no extensions granted to this policy.

Section 4:

Annual vacation shall be granted only with prior approval of the supervisor who may require six (6) weeks prior notice of extended vacation, and is authorized to plan vacation so as to not interfere with responsibility of orderly work. Selection of vacation periods shall be made according to seniority in rank.

Section 5:

An employee who during the calendar year returns from a continuous period of absence of more than six (6) months due to disability, leave of absence or layoff, shall not be eligible for a vacation in that year until the employee has completed six (6) months in the performance of duty after returning from such absence. These six

(6) months in the performance of duty need not be continuous, but periods of absence of eight (8) days or more shall not be credited in computing the required six (6) months. This section shall not deprive an employee of earned vacation time.

Section 6:

Upon termination of employment, an employee will be credited with annual vacation for only those months of the calendar year worked on a prorated basis of one (1) day's vacation for each month of actual service. Vacation will be calculated for terminated employees based on his vacation entitlement in accordance with length of service. If he is entitled to fifteen (15) days per year, a day will be calculated at the rate of 1.25 days per month. If he is entitled to twelve (12) days it will be calculated on the basis of one (1) day, per month. An employee who has, pro rata, used more annual vacation than entitled to at the time of termination, shall have an amount equal to his daily rate of pay deducted from his final pay for each day of annual vacation taken in excess of the number to which he was entitled.

ARTICLE IX – HOLIDAYS

Section 1:

(A) All employees shall be granted the following paid holidays:

- (1) New Year's Day
- (2) Martin Luther King's Birthday

In addition, at the discretion of the Sheriff, employees may be granted any other days declared to be holidays by proclamation of The President or Governor.

(B) Those employees who work on Easter Sunday shall receive either compensatory time off or payment for said day in accordance with Section 3 of this Article.

(C) The Friday after Thanksgiving shall be granted as an approved leave day off with pay.

Section 2:

To be eligible for a paid holiday, an employee must have worked the last scheduled day before and after the holiday, unless on authorized leave.

Section 3:

(A) When an employee is required to work on a holiday, he shall be granted compensatory time off equivalent to two (2) additional days, or shall be paid equivalent sums of money for said days at the discretion of the employer.

(B) Whenever a holiday falls on an employee's scheduled day off, the employee shall be paid one (1) day's pay for the holiday in the pay period in which the holiday fell.

ARTICLE X - SICK LEAVE

Section 1:

Sick leave is hereby defined to mean absence from post duty of an employee because of illness, accident, exposure to contagious disease or attendance upon a member of the employee's immediate family who is seriously ill requiring the care of attendance of such employee.

Immediate family means father, mother, spouse, child, foster child, sister or brother of the employee. It shall also include relatives of the employee residing in the employee's household.

Section 2:

Each employee shall be entitled to sick leave credits at the rate of one (1) day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled.

Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full time employment, which is cumulative. Sick leave cannot be used as terminal leave. There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the Sheriff except and only as provided in Section 5 of this Article. If upon termination after a year's service an employee has used more sick leave than that to which he is entitled, he shall have deducted from his final pay an amount equal to his daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he is entitled.

Sick leave benefits shall be available to permanent employees.

Section 3:

Notice of absence is required as follows:

Illness: Each employee is required to notify his supervisor by one-half hour before starting time on each day of absence, provided, however, that shift personnel are required to so notify two (2) hours before starting time. Should the employee be unable to reach the supervisor, then the Division Taped Sick Line should be called. It is recognized that there may be instances when it is impractical or impossible to give daily notice as is the case when an employee is hospitalized or seriously disabled in which case it shall be sufficient that the employee or person designated to notify the supervisor giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances, the daily requirement of notice shall be enforced. Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive days shall constitute a resignation pursuant to New Jersey Department of Personnel (Civil Service) Rules and Regulations.

Section 4:

A certificate from a reputable physician in attendance shall be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. Where an employee is absent from duty due to illness less than five (5) days at one time, the Sheriff may not require production of the physician's certificate. However, in the event of absence from duty due to illness for

five (5) or more days at one time, the employee shall be required to submit a physician's certificate to his supervisor to justify payment of sick leave.

An accumulation of ten (10) sick occurrences where an occurrence is recognized as one (1) eight (8) hour day or more and the occurrences having been at various times during a calendar year (January through December) may be approved without a physician's certificate. All sick occurrences in excess of ten (10), must be accounted for with a physician's certificate if the time is to be approved with pay. An employee may request the Chief to review a sick occurrence requiring a physician's certificate. This request must be made in writing prior to the submission of the payroll in which the "sick occurrence" occurred. A copy of this request must also be given to the employee's supervisor. At the discretion of the Chief, sick leave in excess of ten (10) occurrences may not require a physician's certificate, depending on the submission of physicians' certificates submitted for prior occurrences and the employee's use of past sick leave.

In the instance of leave of absence due to contagious disease, a certificate from the Department of Health shall be required.

Section 5:

Upon retirement from service with the Morris County Sheriff's Office after twenty-five (25) years of service with the County, an employee shall be paid the equivalent of thirty-five (35%) percent of accumulated sick leave up to a maximum of \$10,000.

Section 6:

In case of death of any Sheriff's Officer with fifteen (15) years continuous service during the course of employment with the Morris County Sheriff's Office his/her spouse or designated heirs will receive, in addition to present allowances, compensation for accrued sick time the same as if that individual had retired from the office. This modification only applies to the death of an Association member while he/she is an employee of the Sheriff and does not apply to termination of employment for any reason other than retirement.

ARTICLE XI – MAINTENANCE OF CERTAIN PRACTICES

Section 1:

Choice of holiday allowances – When an employee wishes to use one or more of his holiday allowances, he may do so by submitting the dates when such allowances are requested to his supervisor at least three (3) days prior to the date requested. However, the combination of straight pay plus the four (4) hours at straight time rate shall not exceed the sergeant's rate of pay at Step 1 of the Salary Guide. If the acting sergeant is held over in the responsibility of a sergeant then there shall be no additional compensation as a sergeant for the first four (4) hours of hold-over, compensation shall be at the officers rate. If the acting sergeant is held over as an acting sergeant for more than four (4) hours then he/she shall be paid overtime at the sergeant's regular rate at Step 1 of the Salary Guide. If an officer commences a shift at a certain rank then he/she shall maintain that rank for the entire eight (8) hour shift.
