2. Unless otherwise indicated, the terms "fireman," "firemen," "employee," or "employees" when used in this Agreement refers to all persons represented by the Union in the above-defined negotiating unit.

ARTICLE II - MAINTENANCE OF MEMBERSHIP

Employees covered by this Agreement at the time it is executed and who are members of the Union at that time shall be members for the duration of this Agreement and the City will not honor revocations from any employee covered by this provision, except as provided herein.

Employees not members of the Union and who desire membership shall confirm their desire to join for the duration of this Agreement by initiating their Union application form and dues deduction authorization forms.

ARTICLE III - CHECK OFF

Upon receipt of written authorization, the Employer shall deduct Union dues weekly, on a pro rata basis, and shall remit the monies collected to the Union once each month, not later than the 15th of the month. The Union agrees to indemnify and hold harmless the City from any causes of action, claims, loss or damages incurred as a result of this clause.

All deductions under this Article shall be subject to revocation at the termination of this Agreement by the employees who executed such assignments, upon giving written notice to that effect thirty (30) days prior to the expiration date of this Agreement. Such notice shall be given to the Union and the City Controller. The City Controller and the City Treasurer shall thereafter cease withholding any moneys whatever under such assignments.

Assignees shall have no right or interest whatsoever in any money authorized withheld until such money is actually paid over to them. The City or any of the officers and employees shall not be liable for any delay in carrying out such deductions, and upon forwarding check in payment of such deductions by mail to the assignees' last known address, the City and its officers and employees shall be released from all liability to the employee-assignors and to the assignees under such assignments.

ARTICLE IV - UNION BUSINESS LEAVE

1. Meetings between representatives of the City and of the Union for the negotiation of terms of the Agreement or the handling of grievances as prescribed herein should be scheduled, wherever practicable, during non-working time, of all affected employees.

Those eligible for Union leave shall be President, Vice President, Secretary and Treasurer. The President and State Delegate shall be permitted to attend all State meetings held during working hours.

2. Leave of absence with pay to attend and serve as delegates to conventions of the Union may be granted in writing to not more than six (6) unit employees during a calendar year, with the extent of the leave limited to four (4) days per delegate, contingent upon available manpower. Application for leave shall be made in writing not less than two (2) weeks in advance. The parties also agree to be bound by the provisions of New Jersey Statutes 11:26 C-4, where applicable.

3. Unjustified failure of an employee to return to work promptly upon the expiration of authorized leave may subject the employee to disciplinary action in accordance with Departmental rules and regulations.

ARTICLE V - BULLETIN BOARDS

The Union shall have the use of a single bulletin board in each Firehouse for the posting of notices relating to meetings and official business only. No notice shall be posted until it has been submitted to the Director.

ARTICLE VI - GRIEVANCE PROCEDURE AND ARBITRATION

In the event that any difference or dispute should arise between the City and the Union, or its members employed by the City, over the application and interpretation of the terms of this Agreement, an earnest effort shall be made to settle such differences immediately and in the following manner, provided the grievance is filed in writing within ten (10) calendar days of its occurrence or employee knowledge thereof:

Step 1. Between the aggrieved employee and his immediate superior. If no satisfactory agreement is reached within five (5) calendar days, then

Step 2. between an official of the Union, in conference with the Director or his designee. Should no acceptable agreement be reached within an additional five (5) calendar days

Step 3. the matter may be referred to arbitration, by the City or the Union only.

Either party may notify the other in writing, certified mail, not later than ten (10) calendar days after the Step 2 meeting, of the intention to proceed to arbitration. Failing to agree on a satisfactory arbitrator within five (5) calendar days, the moving party may request the American Arbitration Association to designate the arbitrator in accordance with AAA rules and regulations.

The arbitrator shall be limited to the issues presented, and shall have no power to add to, subtract from, or modify any of the terms of this Agreement, or to establish or change any wage rate. The decision shall be final and binding. The cost of the impartial arbitrator shall be borne equally by both parties.

Unless extended by mutual agreement, the failure to observe the time limits herein shall constitute abandonment of the grievance and settlement on the basis of the last City answer.

It is specifically understood and agreed that arbitration shall not be obtainable as a matter of right if the grievance (a) involves the existence of alleged violation of any agreement other than the present Agreement between the parties; (b) involves issues which were discussed at negotiations but not covered by the terms and conditions of this Agreement; (c) involves claims of violation of an allegedly implied or assumed obligation; (d) would require an arbitrator to rule on, consider or decide a modification of negotiated rates of pay, or the level, title, or other designation of an employee's job classification; (e) would require an arbitrator to consider, rule on, or decide the elements of a job assignment, or the right of management to assign or reassign work, provided such assignment or reassignment does not conflict with the provisions of Article XIX herein; (f) pertains

in any way to the administration, interpretation or application of insurance, pension, savings or other benefit plans in which covered employees are eligible to participate; (g) involves discipline or discharge of employees who have not satisfactorily completed the designated probationary period. 2. Vacations shall normally begin following the regular "days off" of the employee.

3. Vacation time must be used in the vacation year in which it is earned or it shall be forfeited. However, one year's accumulation may be carried into the next succeeding year. the reason for the leave and the time requested. Leaves may be granted or denied at the discretion of the Director. Extensions of such leaves may be granted providing that, at least two weeks prior to the date on which the initial and subsequent leave would terminate, the employee requests said extension of the Director. In granting leaves or extensions of leaves, approval will not be unreasonably withheld. Falsification of the reason for leave shall be considered reason for summary discharge. Leaves shall be granted or denied in writing. At the request of the Director, and where warranted by the circumstances, a returning employee may be required to undergo a physical examination by the Department physician prior to resuming duties.

ARTICLE XVI - EXCHANGE OF SHIFTS

An employee may, with approval of the Captain not less than one (1) day in advance, arrange to exchange shifts with another employee so long as there is no additional cost to the City.

Immediate family is defined to mean parents, children, spouse, brother or sister, father-in-law or mother-in-law, as well as grandfather or grandmother. One (1) working day shall be allowed in the event of the death of an Aunt or Uncle. Special and other cases will be referred to the Director and acted on as heretofore.

ARTICLE XVIII - SENIORITY

Seniority is defined to mean the accumulated length of continuous service with the Department, computed from the last

date of hire. An employee's length of service shall not be reduced by time lost due to authorized leave of absence or absence for bona fide illness or injury certified by a physician not in excess of one (1) year. Seniority shall be lost and employment terminated if any of the following occur:

- (a) discharge
- (b) resignation
- (c) absence for five (5) consecutive calendar days without leave or notice or justifiable reason for failing to give same
- (d) absence for illness or injury for more than one (1) continuous year

ARTICLE XIX - BAN ON STRIKES

1. It is recognized that the need for continued and uninterrupted operation of the City's departments and agencies is of paramount importance to the citizens of the community and that there should be no interference with such operation.

Adequate procedures having been provided for the equitable settlement of grievances arising out of this Agreement, parties hereto agree that there will not be and that the Union, its officers, members, agents, or principals will not engage in, encourage, sanction, or suggest, strikes, slowdowns, lockouts, mass resignations, mass absenteeism, or other similar action which would involve suspension of or interference with normal work performance.

However, the Union and employees agree to perform all customary functions related to firefighting in such community.

4. In the event an employee wishes to leave the City during non-working hours, he will not be required to receive permission, but he should leave a telephone number or an address at which he can be contacted. Said employee is subject to emergency recall under the terms of this Agreement.

5. Firemen will not be subject to any hardship during any review, inspection or training period. When the temperature goes below 40 degrees Fahrenheit or above 80 degrees Fahrenheit, there shall be no outside training except in emergency situations.

ARTICLE XXI - RULES AND REGULATIONS

The City may establish and enforce reasonable rules and regulations in connection with its operation of the Fire Department and maintenance of discipline, provided such rules and regulations are not in conflict with the provisions of this

Agreement. Copies shall be furnished to the Union and opportunity for discussion of the rules and regulations shall be afforded to the Union.

Except as provided herein, it is understood that employees shall promptly comply with all reasonable rules, regulations, instructions and orders made by the City or the employee's officers and superiors. If an employee or employees believe a rule, regulation, instruction or order of an office or other superior is unreasonable or unjust, the employee or employees shall comply with the rule, regulation, order of instruction, but with the further provision that such employee or employees may regard the rule, regulation, order or instructions as a grievance which shall be handled in accordance with the grievance procedure set forth in Article VI of this contract. Employees shall have the right to refuse to comply with a rule, regulation, instruction or order of compliance as would endanger life or limb or be in violation of safe practices.

In the event that an employee or employees shall refuse to comply with a rule or regulation, or shall refuse to execute promptly and efficiently an instruction or order of an officer or other superior, the City shall have the right, at its option, to suspend, or discharge the offending employee or employees, subject only to the right of the employee or employees to have the suspension or discharge treated as a grievance. This shall not operate as a stay of the suspension or discharge.

ARTICLE XXII - EDUCATION

1. Employees taking courses in fire science shall be reimbursed for the cost of tuition, when approved in advance in writing by the Director. Such approval will not be unreasonably withheld. Whatever monies are to be allotted for taking science courses would be subject to agreement between the Director and the employee prior to any commitment.

2. Every effort will be made to adjust employees' schedules when necessary so that they may take advantage of available fire science courses.

3. The taking of any such courses shall be on a voluntary basis only. Reimbursement shall be forfeited if the course requirements are not satisfactorily and fully completed.

ARTICLE XXIV - INJURY LEAVE

1. Whenever an employee shall be injured, ill, or disabled from any cause so as to be physically unfit for duty during the period of such disability, except in connection with

off-duty employment, the City may grant a leave of absence with pay up to a maximum period of one (1) year commencing from the date of such injury, illness or disability.

2. Any payments from temporary disability insurance or workmen's compensation insurance received by the employee shall be credited toward the pay referred to above.

3. The employer may require that the injury, illness or disability be evidenced by a certificate of a physician designated by the Department to examine the employee.

4. In the event of an emergency, upon notification to the Chief in charge, an employee may receive two (2) tours for such emergency during any working period.

3. The minimum requirement of manpower is as follows:

Emergency Company	-	2 men
Truck Company	-	3 men
Engine Company	-	2 men

ARTICLE XXVII - DISCIPLINE AND DISCHARGE

It is agreed that nothing herein shall in any way prohibit the City from discharging or otherwise disciplining any employee, regardless of his seniority, for just cause.

Grounds for summary discharge shall include, but not be limited to, drunkenness on the job, dishonesty, careless use or abuse of City property, insubordination, negligence in the performance of duties, and incompetence.

In the event that a discharged employee feels that he has been unjustly dealt with, said employee or the Union, with permission of the employee, shall have the right to file a complaint, which must be in writing, with the City within ten (10) workdays from the time of discharge. Said complaint will be treated as a grievance, subject to the grievance and arbitration proceedings herein provided. Upon the termination of such service he will be reemployed at the rate of pay prevailing for work to which he is assigned at the time of his reemployment, provided, however, he has not been dishonorably discharged, there is work available, he is physically, mentally and emotionally able to perform such work, and he makes written application for reinstatement within ninety (90) days after discharge.

2.
