The parties to this agreement, made as of the 1st day of January in the year 2020 are

THE CITY OF SUMMIT, UNION COUNTY, NEW JERSEY, a municipal corporation of the State of New Jersey,
("city")

and

**LOCAL 469, affiliated with INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS,
WAREHOUSEMEN AND HELPERS OF AMERICA**, ("union").

ARTICLE 1. RECOGNITION

Section 1.

The City of Summit hereby recognizes Local 469, pursuant to the Public Employment Relations Commission Docket No. RO-89-96, as the exclusive representative for the purposes of collective negotiations with respect to terms and conditions of employment for all blue collar employees of the City of Summit, but excluding supervisory employees within the meaning of the Public Employment Relations Act, confidential employees, police employees, managerial executives, craft employees, professional employees, white collar employees, and all other employees of the City of Summit.

Section 2.

The term "bargaining unit" as used herein shall pertain only to regular, fulltime employees.

Section 3.

The term "employee" as used herein shall mean a regular, fulltime employee working in a classification covered by this agreement.

Section 4.

All references in this agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

ARTICLE 2. MANAGEMENT RIGHTS AND RESPONSIBILITIES

Section 1.

Except as expressly modified or restricted by a specific provision of this agreement, the city retains and reserves unto itself, at its sole and exclusive discretion and judgment, all statutory and inherent powers, rights, authority, prerogatives, duties and responsibilities conferred upon or vested in it prior to the signing of this agreement, or which may hereafter be conferred upon and vested in it by the Laws and Constitution of the State of New Jersey and of the United States. These include, but are not limited to, the right to:

- a. Management and administrative control of the operation of the city and its properties and facilities and the activities of its employees;
- b. Hire all employees and to determine their qualifications and fitness for continued employment or assignment and to promote and transfer employees;
- c. Suspend, demote, discharge, or take other disciplinary action for cause;
- d. Determine the methods, means and personnel by which city operations are conducted;
- e. Determine the content of job qualifications and duties;
- f. Take all necessary actions to carry out its responsibilities in the conduct of regular business and in emergencies.

Section 2.

The management and direction of the workforce shall be at the sole discretion and the sole responsibility of the city, and except as otherwise provided herein, the city retains the sole and exclusive right to promulgate rules and regulations within applicable statutes; direct, designate, schedule and assign duties to the workforce; to subcontract; plan, direct and control the entire operation of the workforce; discontinue, consolidate or reorganize any department or division, move any or all operations to any location or discontinue the same in whole or in part; make technological improvement; install or remove equipment regardless of whether or not such action causes a reduction of any kind in the number of employees or transfers in the workforce, or requires the assignment of additional duties to the employees in the workforce, or causes the elimination or addition of titles or jobs; determine the amount and frequency of overtime to be worked and relieve employees from duty for reasons of economy or for other legitimate reasons; and carry out the ordinary and customary functions of management whether or not possessed or exercised by the city prior to the execution of this agreement, except as limited herein.

Section 3.

All rights, powers, discretion, authority and prerogatives possessed by the city prior to the execution of the agreement, whether exercised or not, are retained by and are to remain exclusively with the city, except as limited herein.

ARTICLE 3. NONDISCRIMINATION

Section 1.

The city and the union agree that the provisions of this agreement shall be applied equally to all employees and there shall be no discrimination as to age, sex, marital status, race, color, creed, national origin, union membership or non-membership, or political affiliation.

Section 2.

The city and union agree that neither the city nor the union shall interfere with the rights of employees covered by this agreement to be or not to be members of the union; and that there shall be no discrimination, interference, restraint or coercion by the city or any of its representatives against any such employee covered by this agreement because of membership or non-membership in the union or because of any lawful activity by such employee permissible under law or this agreement on behalf of the union.

Section 3.

The union, its members or agents, shall not discriminate against, interfere with, restrain, or coerce any employees covered by this agreement who are not members of the union.

ARTICLE 4. MAINTENANCE OF OPERATIONS

Section 1.

It is recognized that the need for continued and uninterrupted operation of the City of Summit is of paramount importance and that there shall be no interference with such operations either by a strike or other job action by the union or a lockout by the city.

Section 2.

The union covenants and agrees that neither the union nor any person acting in its behalf will cause, authorize, engage in, sanction, assist, or support, nor will any of its members take part in any strike, work stoppage, slowdown, walkout or other job action against the city.

Section 3.

The union will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown, or other similar activity, or from supporting any such action by any other employee or group of employees of the city, and the union will disavow such action and order all such members who participate in such activities to cease and desist immediately and return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the union's order. In executing its obligations, the union will use such forms of communication with its members as it and the city deem most effective, including personal contact, telegram, registered or conventional mail, and so forth.

Section 4.

In the event of a strike, slowdown, walkout or other form of job action, it is covenanted and agreed that participation in any such activity by a union member shall entitle the city to take disciplinary action including termination of the employment of such employee or employees, and that the action taken by the city may vary from employee to employee, depending on the circumstances. The only question for arbitration under this article is whether the employee participated in prohibited conduct.

Section 5.

Nothing contained in this agreement shall be construed to limit or restrict the city in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity, or both, in the event of such breach by the union or its members.

ARTICLE 5. LEAD FOREMAN, FOREMEN AND, ASSISTANT FOREMEN

Section 1.

It is mutually recognized that the bargaining unit includes lead foreman, foremen and assistant foremen whose duties include direction of the operation and the activities of other employees within the unit. Nothing in this agreement shall prevent the city from requiring that lead foreman, foremen and assistant foremen impose disciplinary action upon other employees, provided that such disciplinary action is taken in accordance with prescribed rules and procedures and is of a ministerial, non-discretionary type. This shall not be construed to mean that lead foreman, foremen, or assistant foremen are supervisory employees within the meaning of the Public Employment Relations Act.

ARTICLE 6. GRIEVANCE PROCEDURE

Section 1. Purpose

- a. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this agreement. The parties agree that this procedure will be kept as informal as may be appropriate.
- b. Nothing contained herein shall be construed as limiting the right of any employee to discuss a matter informally with any appropriate member of his departmental supervisory staff, at a mutually convenient time, provided there is no undue interference with departmental operations.

Section 2. Definition

The term "grievance" means any controversy arising over the interpretation, application or adherence to the terms and conditions of this agreement, or to any matter concerning the administration of disciplinary action, and may be raised by an employee, or by the union at the request of and on behalf of an individual or group of individuals.

Section 3. Steps in the Grievance Procedure

All grievances are to be settled in the following manner:

Step 1

The grievance is presented to the employee's immediate supervisor within five (5) working days of the event, or within five (5) working days of the employee's becoming aware of the event. The grievance must be answered, in writing, within five (5) working days. If the employee's immediate supervisor is the department head, the grievance shall be submitted at Step 2.

Step 2

If the grievance is not satisfactorily resolved by the employee's immediate supervisor, it may be submitted, in writing, to the employee's department head. A meeting between the aggrieved employee and the department head will be held within five (5) working days. The written response to the grievance will be given to the employee within five (5) working days of the meeting.

Step 3

If the grievance is not satisfactorily resolved by the employee's department head, or if the initial grievance was presented directly to a department head and was not satisfactorily resolved, it may be submitted, in writing, to the city administrator within five (5) working days of the decision at the lower level. A meeting among the union business agent, the aggrieved employee, and the city administrator will be held within five (5) working days of the administrator's receipt of the grievance. The written response to the grievance will be given to the employee within five (5) working days of the meeting, and the decision of the City Administrator shall be final and binding in situations involving disciplinary action other than suspension, imposition of a fine, loss of time off or termination. (Also see Article 19, Section 5.)

Step 4 For use in non-disciplinary situations involving application or interpretation of the terms of this agreement, and in situations involving disciplinary action that includes suspension, imposition of a fine, loss of leave, or termination.

1. If the grievance is not satisfactorily resolved at Step 3, it may be submitted to binding arbitration by the union's serving notice on the city that it intends to appeal the administrator's decision. Failure of the union to serve notice on the city within fifteen (15) working days of the union's receipt of the administrator's decision at Step 3 shall constitute

waiver of the union's right to submit the matter to arbitration, and the administrator's decision at Step 3 shall be final and binding.

2. Notice to the city under this section shall be by photocopy of submission to the Public Employment Relations Commission of the forms appropriate to request appointment of an arbitrator. An arbitrator shall be selected and appointed in accordance with the rules of PERC. If the city and the union can agree in advance that a particular arbitrator should be appointed, notice to PERC may be waived by mutual agreement and the union shall submit written notice to the city of its intent to appeal to arbitration and confirmation of the agreement on the arbitrator to be appointed.
3. The jurisdiction and authority of the arbitrator and the arbitrator's opinion and award shall be confined exclusively to the interpretation and/or application of the express provisions of this agreement at issue between the union and the city. The arbitrator shall be restricted to the applications of the facts presented and shall have no authority to add to, detract from, alter, amend or modify any provision of this agreement, to impose on either party a limitation or obligation not explicitly provided for in this agreement, or to establish or alter any wage rate or wage structure. The arbitrator shall not hear or decide more than one (1) grievance without the mutual consent of the union and the city. The written award of the arbitrator on the merits of any grievance adjudicated within the arbitrator's jurisdiction and authority shall be final and binding on the aggrieved employee, the union and the city.
4. The fees and expenses of the arbitrator shall be shared equally by the city and the union; otherwise, each party shall bear its own expenses of the arbitration.
5. The arbitrator shall render his decision within 30 calendar days of the end of the hearing.

Section 4. Employee participation in the grievance procedure

An aggrieved employee may participate in all steps of the grievance procedure without loss of regular pay, but shall not be eligible for any premium-rate pay if adjustment of the grievance requires his presence outside normal working hours. The shop steward or one alternate may participate in Steps 1, 2 and 3 under the same conditions. The union business representative shall participate at Step 4; the shop steward or an alternate may also participate without loss of regular pay, but shall not be eligible for any premium-rate pay if adjustment of the grievance requires his presence outside normal working hours.

Section 5. Time limits

- a. Time limits may be extended by the mutual consent of the parties in writing.
- b. Failure of the city to respond to a grievance within the time limit shall be deemed a denial of the grievance. The city shall make every reasonable effort to respond to a grievance.
- c. Failure of the union to proceed to the next step within the time limit shall be deemed abandonment of the grievance and the decision of the city shall be deemed the final and binding resolution of the grievance.

ARTICLE 7. DUES CHECK OFF

Section 1.

The city agrees to deduct dues for the union from the wages of an employee who is a member of the union and whose position is covered by this agreement in accordance with NJSA 52:14-15.9E, as amended, provided that at the time of such deduction there is in possession of the city a current "checkoff authorization" form, individually and voluntarily executed by the employee; said "checkoff authorization" form to be provided by the union. The union shall be responsible for securing the signatures of its members on said forms and delivering same to the city. The city will deduct these amounts in two equal monthly installments.

Section 2.

All sums deducted by the city shall be remitted to the treasurer, Local 469, not later than the 15th day of the calendar month subsequent to the month in which such deductions are made, together with a list of individuals for whom deductions have been made.

Section 3.

If during the life of this agreement there shall be any change in the rate of membership dues, the union shall notify the city by certified letter of any changes in union dues at least thirty (30) calendar days in advance of the effective date.

Section 4.

The union shall indemnify and hold the city harmless against any and all claims, demands, suits, or other forms of liability, including reasonable attorney's fees, that shall arise out of or by reason of action taken or not taken by the city for purpose of complying with any of the provisions of this Article.

ARTICLE 8. INSPECTION PRIVILEGES

Section 1.

A representative designated by the union shall be permitted to visit union members on city property for the purpose of adjusting disputes and investigating working conditions only after prior notice to the city of the proposed visit is made, and after authorization is given by the city, and further provided that said visit will not interfere with the conduct of city business, or with the duties of any of its employees.

ARTICLE 9. JOB STEWARDS

Section 1.

The union may designate one (1) job steward and two (2) alternate stewards selected from the bargaining unit. The authority of the job steward and alternates so designated by the union shall be limited to, and not exceed, the following duties and activities:

- a. Investigation and presentation of grievances in accordance with the provisions of the agreement;
- b. Transmission of such messages and information which shall originate with, and are authorized by, the local union or its officers, provided such messages and information: (1) have been reduced to writing, or (2) if not reduced to writing, are of a routine nature and do not involve work stoppages, slowdowns, refusal to handle goods, or any other interference with the city's business.

Section 2.

Prior to engaging in activity permitted by this article, the job steward or alternate shall make arrangements with his supervisor for released time from work, which shall not be denied unreasonably.

Section 3.

The job steward and alternate shall have no authority to take or counsel or condone any job action or any other action interrupting the city's business in contravention of the provisions of this agreement. The city recognizes these limitations upon the authority of the job steward and alternates and shall not hold the union liable for any unauthorized acts on the part of the aforementioned individuals. The city shall have the authority to impose discipline, including discharge, in the event the job steward or any alternates have taken strike action, slowdown or work stoppage in violation of this agreement or law. Recognizing the special responsibilities running with the office of shop steward and alternate, it is specifically agreed that the city may impose differential disciplinary action on those officers in the event of the violation of this section of the agreement.

Section 4.

The job steward or alternates will be permitted to investigate, present and process grievances without loss of regular straight-time pay, provided prior arrangements are made with the department head, or his designee, and further provided that there is no interference with the conduct of city business.

Section 5.

No union member or officer or job steward shall conduct any union business on city time except as specified in this agreement.

Section 6.

No union meetings shall be held on city time unless specifically authorized by the city.

ARTICLE 10. NOTIFICATION TO UNION

Section 1.

In addition to notification provided for elsewhere in this agreement, the city will:

- a. Notify the union in writing 45 calendar days in advance of all layoffs;
- b. Provide the union semiannually with an updated list of employees covered by this agreement indicating name, address, classification and social security number.

ARTICLE 11. UNION BULLETIN BOARD

Section 1.

The city will provide the union with a bulletin board in a conspicuous place in the city garage (in the common area), and at the transfer station (foreman's office).

Section 2.

This bulletin board may be utilized by the union for the posting of union announcements and other information of a non-controversial nature. Prior to posting announcements, the union representative shall show the announcement to the department head or his designee, who shall ensure that the announcement or information meets the requirements of this section. In addition, the department head or his designee may remove from the bulletin board any material, which does not conform with the intent and provisions of this article.

ARTICLE 12. JOB CLASSIFICATION

Section 1. Job Descriptions

Job descriptions will be maintained for all positions covered by the terms of this agreement. Formulation and approval of the job descriptions shall be the exclusive right of the city.

Section 2. Position classification

Nothing in this agreement shall, in any way, interfere with or alter the city's practice of providing for a program of overall position classification and annual position classification appeals, conducted by a person or firm designated by the city. The classification of positions shall be the exclusive right of the city. Nothing in this section shall, in any way, interfere with or alter the city's obligation to bargain with the union about the pay and terms of employment for each classification of employees covered by this agreement.

If an employee's position classification appeal to the city's salary and classification consultant results in a recommendation for an upward reclassification, and if the Common Council concurs, a promotional opportunity will be posted in the department.

Section 3. New classifications

- a. At least thirty (30) days before establishing a new classification, the union will be provided a job classification sheet for the purpose of negotiating a rate of pay.
- b. If, after thirty (30) days, the union and the city have not reached agreement on a rate of pay, the city may establish the new rate of pay, which shall be reasonably related to the job requirements and/or the rate schedule established under this agreement.
- c. The union may grieve the rate of pay established by the city solely on the basis of whether or not the newly established rate of pay is reasonably related to the job requirements and/or rate schedule established under this agreement, and the arbitrator's authority shall be limited accordingly.

ARTICLE 13. LAYOFF AND RECALL

Section 1.

In the event the city reduces the workforce, the following procedure shall apply:

- a. Employees will be given forty-five (45) calendar days' notice prior to reduction of workforce due to lack of work or other reasons.
- b. Among equally qualified employees, the order of layoff shall be determined by a "modified seniority" system, consisting of
 1. The employee's total seniority within the bargaining unit, calculated in months, less
 2. One month of seniority for each sick leave incident over the past five years, less
 3. One month of seniority, multiplied by the factors in this table, for disciplinary action during the last three years.

<u>Type of disciplinary action</u>	<u>Factor</u>
Suspension under 3 days	5
Suspension, 3 - 5 days	8
Suspension over 5 days	10

- c. A laid-off employee shall have preference for re-employment for a period of two (2) years.
- d. The city will rehire qualified laid-off employees in the reverse order of their layoff.
- e. Notice of re-employment to an employee who has been laid off shall be made by registered or certified mail to the last known address of such employee. In order to take advantage of his preferential status, an employee must affirmatively answer this notice of re-employment within five (5) working days. The employee must return to work within ten (10) working days unless extended by the city.
- f. An employee returning from layoff may be required to take a physical examination from a city physician, paid for by the city. It is the responsibility of the employee to keep the city advised of his current address.
- g. In the event of the employee's refusal to work upon recall, or in the event the employee cannot be contacted by certified mail, returned receipt requested, or in the event the employee fails to respond to such mailed notice, his recall rights shall be terminated.

ARTICLE 14. POSTING AND PROMOTIONS

Section 1. Posting

All new and vacant positions above the entry level, which are covered by this agreement, will be posted on the union bulletin board at least fifteen (15) days prior to the application deadline. An employee applying for a posted vacancy shall submit a signed application in writing to the department head or his designee, by the deadline. The City may engage in an interview process with applicants which shall be completed within 60 days after posting the promotional opportunity. The city shall make its selection for promotion within 60 days after completion of the interview process. An employee may not apply for transfer to a lower-paying position without the written permission of the city administrator.

If an employee applies for a lateral transfer, the city reserves the right to refuse the transfer, even if the employee is qualified for the position and has seniority rights, if the city believes the transfer would disrupt its operations.

Section 2. Preference

Preference to fill a job vacancy will be given to a qualified bargaining unit employee before hiring a new employee.

Section 3. Promotions

The city, at its sole discretion, may determine the qualifications for promotion to a position and whether an applicant meets those qualifications. The most qualified employee, as determined by the city, who applies for a vacant position will receive a trial period. Among equally qualified applicants, preference shall be given to the applicant with the greatest seniority within the work unit where the vacancy exists, and thereafter to the most senior applicant within the bargaining unit. (For purposes of this section, "work unit" means the individual units of sanitation, sewers and maintenance, garage, roads, recreation, parks and shade trees, buildings and grounds and transfer station/compost area.) The trial period will be for a period of not less than ten (10) working days.

- a. The maximum trial period for a successful applicant will be three (3) calendar months, which may be extended at the sole discretion of the city for an additional thirty (30) days.
- b. At the conclusion of the trial period, the employee will either be returned to his former position or will receive appointment to the higher position.
- c. However, the city reserves the right to terminate the trial period after the tenth (10th) day and return the employee to his former position in the event the city, at its sole discretion, believes that the employee is not able to do the job, provided such discretion is not exercised arbitrarily. The union and the employee will be kept advised monthly in writing of the progress made in learning the new assignment. The employee will be given assistance to successfully meet the requirements of the job. If the employee fails to successfully meet these requirements within the trial period, the employee shall be returned to his former classification and shall assume seniority and pay as though the employee had not left his old classification.

Section 4. Temporary Promotions

The maximum period for a temporary promotion for any individual employee is six months. The city must declare a vacancy for the position or appoint another temporary promotion after each six month period.

ARTICLE 15. PROBATIONARY PERIOD

Section 1.

- a. All newly hired employees in positions covered by this agreement shall serve a probationary period of three (3) calendar months. The probationary period may be extended an additional calendar month at the discretion of the city, if it believes the probationary employee has not shown full and complete aptitude for the job at the end of the initial probationary period. A further one-month extension may be granted upon mutual consent of the city and the union.
- b. During the probationary period, the city reserves the right to terminate a probationary employee, and such termination shall not be grievable.

ARTICLE 16. SAFETY

Section 1.

The city shall not require, direct, or assign any employee to work under unsafe or hazardous conditions without the use of approved and proper safety equipment and methods. An employee, upon discovering an unsafe or hazardous condition, will immediately inform his foreman. The foreman will either determine and advise the manner in which the work can be performed safely or direct that the work stop and summon a supervisor or department head.

Section 2.

Where protective devices are required for the safety of the employee, the employee must utilize the safety devices while working or while in the designated areas.

Section 3.

Violation of city safety rules and regulations subjects the offending employee to disciplinary action, up to and including termination.

Section 4. Department safety committee

The union may designate not more than three employees to serve on a safety committee within the department of community services. The employees designated by the union shall represent different units, skills and levels of experience within the department.

Section 5. City safety committee

The union may designate one member of the city's safety committee. If the member fails to perform safety committee duties properly, as determined by the city administrator, the union will designate another member.

ARTICLE 17. SENIORITY

Section 1.

- a. An employee must be a regular, fulltime employee in order to be eligible to accrue seniority;
- b. An employee's seniority shall be determined on the basis of his total period of continuous employment in classifications covered by this agreement since the last date of hire.
- c. Seniority of an employee who is reinstated after a period of layoff shall be continued retroactively, not including periods of layoff.

Section 2.

An employee shall lose seniority rights and shall terminate his employment relationship with the city upon:

1. Resignation;
2. Discharge;
3. Failure to report to work after a layoff within the recall period provided by this agreement;
4. Expiration of recall rights.

ARTICLE 18. SUSPENSION AND DISCHARGE

Section 1.

For cause, the city may take disciplinary action against an employee, in the form of an informal warning, formal warning, demotion, suspension, fine, loss of leave, or dismissal.

Section 2.

The causes sufficient for disciplinary action shall include, but are not limited to:

1. Neglect of duty.
2. Absence without leave.
3. Incompetence, inefficiency.
4. Insubordination or serious breach of discipline.
5. Possession or being under the influence of alcohol or drugs while on duty
6. Conviction of a criminal act.
7. Participation in any political activity prohibited by federal or state law or municipal ordinance.
8. Violation of safety rules.
9. Conduct that jeopardizes the safety, health or welfare of a fellow employee.
10. Excessive absenteeism or tardiness.
11. Negligent or willful damage to city equipment or property, or waste of city supplies.
12. Failure to report outside employment, or continuation of unacceptable outside employment which is determined to interfere or conflict with city employment.
13. Conflict of interest.
14. Other sufficient causes not prohibited by law.

Section 3. Suspension and Other Actions

- a. Disciplinary action such as suspension and loss of leave up to five days may be imposed by the employee's department head. More serious disciplinary action may be imposed only with the approval of the city administrator. If a department head wishes to impose longer suspension or termination, the employee may be suspended in anticipation of further action.
- b. An employee is entitled to a hearing before the city administrator prior to termination, and may be represented by the union business manager at such a hearing. The employee may be suspended pending the outcome of the hearing.
- c. The city administrator shall render his decision as soon as practicable after the hearing.

Section 4. Limitation on Application of Notices

If an employee's record is free of disciplinary action for a period of twelve (12) consecutive months, the city will not rely on any prior warnings or prior formal actions concerning absence or tardiness when it determines what action it will take in response to an incident or activity that subjects the employee to further disciplinary action.

Section 5. Time to Act

The city shall initiate disciplinary action within thirty (30) days of the event, or within thirty (30) days of becoming aware of the event.

ARTICLE 19. HOURS OF WORK

Section 1. Normal workweek

- a. The normal, regular-time workweek shall include eight (8) hours of work each day and forty (40) hours of work each week. The determination of schedule and the assignment of employees shall be at the discretion of the city. The parties agree that the nature and variety of the work of the bargaining unit and the services provided by the city do not permit use of a single, uniform workweek, and that there are existing exceptions to the "normal" workweek described above, and that those exceptions may continue, at the city's discretion, and that additional exceptions may become necessary in response to conditions, law, or the desires of the community. The workweeks for various units and employees as of the date of execution of this agreement are contained in Schedule "A", which is incorporated herein by reference.
- b. Summer hours will be undertaken during the period beginning the week of Memorial Day and ending the week immediately prior to Labor Day. Summer hours will be evaluated throughout the summer, if at any time the summer hours are not meeting the operational needs of the City, the work schedule can be reverted to normal operating hours at the sole discretion of the City. Any decision to revert to normal operating hours shall not be grievable under the terms and conditions of the collective bargaining agreement between the City of Summit and Teamsters Local 469. The workweek will remain 40 hours; the workday will be 6:30 AM to 3:30 PM, Monday through Thursday, with half hour (1/2) unpaid lunch, and 6:30 AM to 12:30 PM on Friday with no lunch period. Employees using vacation, personal or sick leave on Monday through Thursday will not be required to adjust the schedule to fulfill the required 40 hour workweek. Employees using a vacation, personal or sick leave on Friday will be charged a full day leave. Based on operational needs of the City, alternate arrangements will be made during the "Summer Hour" period for certain DPW functions.

Section 2. Wash-up period

Employees shall be allowed a paid ten (10) minutes wash-up break at the end of the workday. No employee may leave any remote or field worksite more than ten (10) minutes prior to the start of the wash-up break.

Section 3. Lunch break

Employees shall be allowed an unpaid one-half (1/2) hour lunch period each day.

Section 4. Other breaks

Employees shall be allowed a paid fifteen (15) minute break once during the first half of the workday and once during the second half.

Section 5. Leaving the worksite
