PREAMBLE

This Agreement (“Agreement”) is by and between the Monmouth County Board of Chosen Freeholders (“Employer” or “County”), and Local 1087 of the Communications Workers of America, AFL-CIO, (“Union”), and has as its purpose the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work and other conditions of employment.

**ARTICLE 1
RECOGNITION**

Section 1. The County recognizes the Union as the sole and exclusive representative of employees of the County at the Monmouth County Division of Social Services (“Agency”) in a unit of clerical and professional employees in the following titles, but excluding temporary employees of six (6) months or less, confidential employees, managerial executives, police, blue collar and supervisory employees:

Assistant Training Supervisor County Welfare Agency
Human Services Specialist 4
Network Administrator 1
Senior Investigator County Welfare Agency
Senior Systems Analyst
Social Work Supervisor
Supervising Coordinator of Volunteer Service Program
Supervisor of Housing Rehabilitation

Section 2. Any new title authorized for use by the Employer at the Agency will be negotiated for inclusion or exclusion from the bargaining unit. In the event that agreement between the Employer and the Union is not reached on a particular title, that title will be excluded from the bargaining unit pending resolution by the New Jersey Public Employment Relations Commission (“PERC”).

ARTICLE 2
UNION SECURITY

Section 1. The Employer agrees to deduct monthly, from the pay of each employee who furnishes a written authorization for such deduction, in a form acceptable to the Employer, the amount of monthly union dues. Monthly union dues shall be two (2) hours pay per month based on a forty (40) hour work week or such other amount as may be certified to the Employer by the Union at least thirty (30) days prior to the month in which the deduction of dues is to be made.

Section 2. Deduction of the union dues made pursuant to this Article shall be remitted by the Employer to the Union by the tenth (10th) day of the month following the calendar month in which such deductions were made, together with a list of employees from whose pay such deductions were made. The County will provide said report in electronic format if the County has a system capable of doing so.

Section 3. If an employee chooses not to become a member of the Union, then that employee will be required to pay a representation fee to the Union in lieu of dues. The purpose of this fee will be to offset the employee's cost of services rendered by the Union as majority representative. The representation fee to be paid by non-members will be equal to 85% of the regular membership dues charged by the Union to its own members as permitted by law under N.J.S.A. 34:13A-5.5 through 5.8, and as that law may be amended.

Section 4. The Union shall indemnify and hold the Employer harmless against any and all such claims, suits, orders of judgments brought or issued against the Employer that arise out of any of the provisions of the Article.

Section 5. Provided space continues to be available on the Employer's computer, payroll deductions will be made available to employees on a voluntary basis for the Committee on Political Education ("COPE").

Section 6. The Union will be permitted an aggregate of ten (10) days per calendar year of paid time off and ten (10) days per calendar year of unpaid time off for the purpose of conducting Union business. The CWA Local 1087 President will have an additional ten (10) paid days off per year to conduct Union business for both the Clerical/Professional and Supervisory Units. This time shall be used for any off-site Union activities as well as on-site meetings for which there is no provision elsewhere in the Agreement for the matter to be conducted on Employer paid time. These days shall not be cumulative.

Section 7. Any employee seeking to make use of such time shall notify the Employer and present an authorization form from the Union. The employee shall report to and from his or her normal work location before and after the Union activity. The Employer shall report all usage to the Agency's Personnel Officer, who shall maintain a record of the total time utilized.

Section 8. Up to four authorized Union representatives shall be released from duty for such collective negotiations sessions as are mutually scheduled to take place during work time and shall suffer no loss in regular pay.

ARTICLE 3
MANAGEMENT RIGHTS

Section 1. The Employer retains and reserves unto itself all rights, powers, duties, authority and responsibilities conferred upon and vested in it by the laws and Constitution of the State of New Jersey.

Section 2. All such rights, powers, authority and prerogatives of management possessed by the Employer are retained, subject to limitations imposed by law, except as they are specifically abridged or modified by this Agreement.

Section 3. The Employer retains the responsibility to promulgate and enforce rules and regulations governing the conduct and activities of employees, subject to limitations imposed by law and so long as they are not inconsistent with the express provisions of this Agreement.

Section 4. The Employer shall establish reasonable and necessary written rules of work and conduct for employees. Such rules shall be equitably applied and enforced.

Section 5. The Employer shall permit the Union to use the interoffice mail system, but no use of metered postage will be permitted.

ARTICLE 4
PERSONNEL PRACTICES AND DISCIPLINARY ACTION

Section 1. Each employee may review the contents of his or her personnel file upon request and may authorize a Union representative to accompany the employee during this review. An employee shall have the right to respond to any document contained with his or her personnel file within thirty (30) working days of its receipt by the employee. A response shall be directed to the appropriate party and shall be included in the employee's personnel file.

Section 2. Client-Employee Records. Because of the confidential nature of client-employee records, they are to be kept in a separate file under lock and key and shall be accessible only to authorized personnel.

Section 3. Employees shall be given a copy of all memorandums and other documents that are to be included in the personnel file. This provision shall not apply to routine records, such as attendance records. Additionally, employees will be afforded the opportunity to initial all documents of a disciplinary nature prior to placement in the personnel file.

Section 4. Disciplinary action shall only be for just cause.

Section 5. Both parties recognize the preference for the use of progressive discipline, but also understand that such concepts must be applied flexibly, based upon the nature of the alleged infraction and the circumstances surrounding its occurrence.

Section 6. It is understood that the Employer has the final responsibility for discipline. However, it is necessary for bargaining unit members to participate in disciplinary hearings as part of their overall job responsibilities. During any disciplinary hearings the appropriate manager shall be present, if requested, to supply support and assistance to the supervisor at the hearing.

ARTICLE 5
GRIEVANCE PROCEDURE

Section 1. Purpose. The purpose of this grievance procedure is to secure, at the lowest possible level, equitable solutions to the problems that may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.

Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with a supervisor or other appropriate representative of management. However, if such discussion involves a matter within the definition of a “contractual grievance,” any resulting grievance shall be processed only through the Union.

Section 2. Definitions. The term “grievance” shall mean an allegation that there has been: (1) a misinterpretation or misapplication of the terms of this Agreement that is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a “contractual grievance,” or (2) inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Division of Social Services that shall be processed up to and including the Director of the Department of Human Services, and shall hereinafter be referred to as a “non-contractual grievance.”

Section 3. Presentation of a Grievance. The Employer agrees that at each step of the grievance procedure there shall be no loss of pay for the time spent in presenting the grievance by the grievant and one Union representative.

Section 4. Steps of the Grievance Procedure. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement:

STEP 1

The grievant shall present a written grievance to his or her administrative supervisor within fifteen (15) working days of the occurrence complained of, or within 15 working days after the grievant would reasonably be expected to know of its occurrence. Failure to act within fifteen (15) days shall be deemed to constitute an abandonment of the grievance. In the event the issue grieved is outside the authority of the administrative supervisor to resolve, the grievant shall file the grievance with the appropriate person as designated by the Agency's Personnel Officer. The administrative supervisor shall render a written decision within five (5) working days after receipt of the grievance.

STEP 2

If dissatisfied with the Administrative Supervisor's decision, then the grievant must file his or her complaint with the grievant's Division Director within five (5) working days. The Division Director will render a written decision within ten (10) working days after receipt of the grievance.

STEP 3

Should the grievant disagree with the decision of the Division Director, the grievant may, within five (5) working days, submit a statement to the Director of the Department of Human Services as to the issue in dispute. The Director shall review the decision of the Division Director together with the disputed areas submitted by the grievant. The grievant and/or the Union representative may request an appearance before the Director, who will render a written decision within twenty (20) working days after the matter has been reviewed. If the

decision involves a non-contractual grievance, the decision of the Director shall be final.

STEP 4

(a) Any unresolved contractual grievance, except matters involving appointment, promotion or assignment or matters within the exclusive province of New Jersey Civil Service Commission (“Civil Service Commission”), may be appealed to arbitration only by the Union. The Union must file the request for arbitration within twenty (20) working days after the receipt of the written decision of the Director of the Department Human Services on the grievance or lack thereof.

(b) Nothing in the Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union’s decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

(c) The grievant may pursue the Civil Service Commission procedure or the grievance procedure as herein provided. Once the grievant makes the selection of procedure, such election shall be deemed final and binding and constitute an absolute waiver of the procedure not selected.

(d) The arbitrator shall be selected on a case-by-case basis from the members of the arbitration panel maintained by PERC.

(e) The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

(f) The decision or award of the arbitrator shall be final and binding on the Employer, the Union, and the grievant to the extent permitted by and in accordance with applicable law and this Agreement.

(g) The arbitrator may prescribe an appropriate back pay remedy when a violation of this Agreement is found, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except no award may be made which exceeds the authority of the Employer.

(h) The arbitrator shall have no authority to prescribe a monetary award as a penalty for violation of this Agreement.

(i) The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement. The arbitrator shall confine any decision solely to the interpretation and application of this Agreement and to the precise issue submitted for arbitration. The arbitrator shall have no authority to determine any other issues not so submitted nor shall observations or declarations of opinions, which are not essential in reaching this determination, be submitted.

(j) The costs and services of the arbitrator shall be borne equally by the Employer and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.

(k) The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.

(l) The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible and shall issue a decision, in writing, within thirty (30) days after the close of the hearing.

(m) Grievance resolutions or decisions at Steps 1 through 4 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence as to the prior conduct of the other party.

ARTICLE 6
SALARY

There shall be no step increments paid as a result of the agreed upon across-the-board wage increases. Base wage rates for all unit employees shall be increased over the term of this agreement as follows:

Section 1. 2011. All employees in the bargaining unit employed by the County on or before December 31, 2010, shall receive a raise of one and one quarter percent (1.25%), effective the first pay period of January 2011.

Section 2. 2012. All employees in the bargaining unit employed by the County on or before December 31, 2011, shall receive a raise of one and one quarter percent (1.25%), effective the first pay period of January 2012.

Section 3. All entry-level salaries shall remain unchanged during the duration of the Agreement.

ARTICLE 7
PROMOTIONS AND DEMOTIONS

Section 1. Promotions. Employees who are promoted or reclassified to another title with a higher salary range shall have their salary adjusted so that it provides an increase in pay of six percent (6%) over their present salary or increased to the entry level salary for the new title, whichever is greater.

Section 2. Demotions. If an employee is subsequently appointed to another title with a lower salary range, his or her salary will be reconstructed, or equalized, on the basis of the employee's previous employment record.

Section 3. Job Postings. The following job openings, except entry-level clerical positions, shall be posted on all official bulletin boards for a period of five (5) working days: a newly created position, a vacancy that occurs through a leave of absence, resignation, termination or the first vacancy resulting from a promotion. No vacancy shall be deemed to exist where one or more employees have bumping rights to a job in accordance with Civil Service Commission regulations. Posting a temporary position or a position reclassified by a desk audit will be at the option of the Employer.

The Union President shall receive a copy of all notices, selections, non-posted bumping changes, reclassification, and letters of hire, with the hired employee's address redacted.

Section 4. Transfers. Employees who are interested in being transferred may send a memo to their Section/Office head so that their interest in a transfer will be known and taken into consideration in the event of future non-posted vacancies.

Section 5. Transfers and Reassignments. Employees selected for transfer or reassignment will be given five (5) days notice by the Human Resources Administrator or the

Administrative Supervisor. The Employer agrees not to routinely involuntarily transfer the Local Union President, Branch President, and chief Shop Steward.

Section 6. The Human Resources Administrator will send Civil Service Commission promulgated examination results to the Union President upon receipt.

ARTICLE 8
HOURS OF WORK AND OVERTIME

Section 1. All full-time employees agree to work a thirty-five (35) hour week with 15 minute breaks in the morning and in the afternoon. The normal workweek shall consist of five (5) consecutive seven (7) hour days, Monday through Friday.

Section 2. Overtime is defined as all work performed in excess of the thirty-five (35) hour workweek. The Employer agrees to compensate employees for overtime at the rate of one and one half (1 ½) their regular rate of pay. Compensation may be in the form of time off or in the form of a cash payment. All overtime must be authorized by the Employer.

Section 3. In the event of inclement weather, employees may leave their areas of work early, at the discretion of the Monmouth County Administrator. If there arises a need for a skeleton crew, volunteers shall be solicited first. In the event no volunteers are forthcoming, those assigned shall be given priority for early release the next time an inclement weather situation arises. Employees remaining for a skeleton crew shall be give compensatory time off on an hour – for – hour basis.

Section 4. The Agency will close on Christmas Eve at 2:00 p.m.

Section 5. Sick leave shall not count as hours worked for overtime purposes. Employees who utilize sick leave on a day when they are assigned to work overtime assignments shall be paid for those overtime assignments at straight time.

ARTICLE 9
TEMPORARY ASSIGNMENT

Section 1. When an employee works outside a classification at the request of the Employer for a period of five (5) or more consecutive working days, he or she shall receive the rate of pay for whichever job classification is the higher rate for the period of time worked.

Section 2. An employee must actually work in the higher title for five (5) or more consecutive working days. In the event of a break due to a holiday, that day shall be counted towards the consecutive work days needed to qualify for payment under this Article, as will a holiday at the beginning or end.

Section 3. In the event of a break due to an emergency closing, holiday or authorized sick leave, the employee shall be paid at the higher rate for the days actually worked, the holiday and any emergency closing, but excluding sick leave.

ARTICLE 10
EXTENDED HOURS PROGRAM

Section 1. Management Rights. The Employer reserves to itself the complete authority, power and duty to establish, maintain, modify and terminate an Extended Hours Program; and the same is reserved to designate such of its agents as it deems necessary to exercise its authority to administer, manage and supervise the program.

Section 2. Continuation of Terms of Employment and Benefits. Except as modified by the specific terms of this Agreement, all terms and conditions of employment applicable to employees participating in the Extended Hours program and remaining in effect at the conclusion of the program's experimental status shall continue in full force and effect. A specific inclusion into this Agreement of a prior benefit enjoyed by bargaining unit members shall not in any way be interpreted as an intent to limit, modify or discontinue non-referenced prior, existing benefits.

Section 3. Employee Participation. Employee participants shall be sought on an annual basis, commencing June of each year, by requesting interested employees to submit a showing of interest in participating in the Extended Hours Program. In the event the program is expanded and additional participation is sought during the year, there shall be a similar notice posted for a two week period. Employee selection shall be made by August of each year and extended hour service shall commence September of each year, or, in the case of additional participation, within a reasonable time after posting is completed.

Only full-time employees may participate in the Extended Hours Program. Employee participant selection shall be in accordance with the following preferences, with seniority with the Employer used to break any ties:

1. new applicant to the Extended Hours Program;

2. prior participant in the Extended Hours Program; and
3. current participant in the Extended Hours Program.

Employees who have volunteered to participate but were not selected shall be placed on a “replacement list” for use in the event a vacancy occurs in the Program.

If there are an insufficient number of volunteers who meet the criteria of a job assignment, qualified volunteers with work experience in the job assignment, including volunteers from another office site, may be considered for selection. In the continuing event that there is insufficient employee participation on a volunteer basis, the Employer retains the right to appoint any qualified employee to participate in the Extended Hours Program.

It is understood that participation in the Extended Hours Program shall be for a one-year period of commitment. A participating employee may withdraw from participation only if there are serious, extenuating circumstances which would make continued participation a hardship to the employee.

The Employer may deny participation or discontinue participation of an employee for administrative or performance reasons, including, but not limited to the following: disciplinary history, poor evaluations, performance, attendance, reasonable needs of the unit, promotions, demotions, transfers, reassignments, or extended leaves with or without pay.

Section 4. Hours of Work. The schedule of employment hours for participants within a pay period shall be seven working days of 8:30 a.m. to 4:30 p.m. and two working days of 8:30 a.m. to 8:00 p.m. (extended days) on the same day of each week, comprising a total of 70 work hours in a pay period. The immediate supervisor will approve the scheduled day off and forward it to the Extended Hours Administrator for final approval. If there is a conflict over scheduling the day off, seniority with the Employer shall be the deciding factor.

Participant meal breaks on Extended Days shall be completed no later than 4:30 p.m., except in unusual circumstances when approved by the Extended Hours Administrator and the Administrator. A participant shall be entitled to an additional 15 minute break on extended days.

Section 5. Absences. The Union and the Employer both recognize that attendance on extended days is critical to the success of the program and it is understood that participant use of all forms of leave time on those days is discouraged and may require verification. If a participant must be absent on an extended day, the immediate supervisor and the Extended Hours Administrator must be notified as soon as the absence is known.

(a) Personal, Sick and Vacation Days. Personal days may be utilized on extended days only in emergent circumstances and will be charged at the rate of 1 ½ days each. Sick and vacation days taken on extended days will be charged at the rate of 10 ½ hours each.

(b) Jury Duty. A participant who is scheduled for jury duty on an extended day shall report to work at the conclusion of court proceedings. A participant who is scheduled for jury duty on a scheduled day off will receive an alternate day off.

(c) Conference Attendance. A participant in a conference on an extended day will report to work at the conclusion of the conference and, unless the conference was mandated, such attendance shall require approval by the Extended Hours Administrator in addition to the normal approvals. If a conference is mandated for a scheduled day off, another day off shall be scheduled.

(d) Civil Service Examinations. Where a Civil Service Commission examination for a job title in use by the Employer is scheduled on an extended day, a participant shall be permitted to leave work at the regular close of business on that day and shall not lose his or her scheduled day off. Participants will be permitted to take one (1) hour vacation time.

(e) Unpaid Leave of Absence. A participant who goes on an extended leave may be removed from the program and upon return be required to assume a regular work schedule of 10 work days per payroll period. If a participant is continued on the Extended Hours Program following an extended leave, that employee shall resume the extended hours schedule at the beginning of the first pay period following his or her return.

Section 6. Holidays. When a holiday falls on a scheduled day off, the regular work day as near to the holiday as possible will be utilized as the holiday, subject to supervisory approval. When a holiday falls on an extended day, the employee shall be entitled to his or her regularly scheduled day off during that pay period.

Section 7. Emergency Closings. Emergency closings affecting participants in the Extended Hours Program shall be handled in accordance with the following:

(a) Closing on a Scheduled Day Off. If the Agency is closed the whole day, another day off shall be scheduled. If the agency is closed for only part of a day, a participant shall receive credit for the number of hours closed, unless the agency is “closed with a skeleton crew,” in which case no alternate hours will be credited.

(b) Closing on an Extended Hours Day. If the agency is “closed with a skeleton crew” on an extended hours day, participants serving as part of the skeleton crew shall receive compensatory time on an hour-for-hour basis. In all cases of closing on an extended hours day, participants shall be entitled to their regularly scheduled day off.

Section 8. Renewal. The terms and conditions of the Extended Hours Program shall not be changed during the life of this Agreement, unless the Employer, at its discretion, terminates the Program. If the Program is terminated, then the Employer and the Union agree to reopen this Agreement to explore options.

Posting of notices shall occur in June of each year.

ARTICLE 11

Martin Luther King's Birthday	Veterans Day
President's Day	General Election Day
Good Friday	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day
Labor Day	

Section 2. When a holiday falls on a Saturday, it will be celebrated the preceding Friday.

When a holiday falls on a Sunday, it will be celebrated on the following Monday.

Section 3. Employees shall be granted an additional floating holiday, which shall be taken with prior supervisory approval.

Section 4. Employees shall be granted any additional days declared to be holidays by proclamation of the Governor of the State of New Jersey or by the Monmouth County Board of Chosen Freeholders. This provision shall not apply to emergency or other special purpose closings.

Employees shall pay 1.5% of their annual base salary as a contribution towards defraying the County's cost of providing this plan. The parties agree that should an employee voluntarily waive all coverage under the County's health plan, and provide proof of coverage from a source other than the County, the County will waive that 1.5% contribution for the employee. The 1.5% contribution shall be placed by the County into an IRS type 125 cafeteria plan so that it shall be tax free for Federal tax purposes.

All existing prescription drug co-pays shall remain unchanged unless and until such time as these co-pays are increased for the County's employees not represented

Temporary employees are not eligible for these benefits.

Section 6. The County agrees that it will cooperate with employees to arrange for a payroll deduction from electing employees so that they might purchase additional TDI coverage on the open market.

Section 7. Employees shall be provided at a minimum with the full amount of statutory compensation established by N.J.S.A. 34:15-12(a) and/or applicable law. The terms and conditions of an Employee's entitlement to benefits due to a work-incurred injury or disability shall be identical to those set by existing general County policy or any future amendments thereto.

ARTICLE 15
HEALTH AND SAFETY

Section 1. The Employer and the Union agree that maintenance of a healthy and safe working environment is in their mutual best interest. The Employer agrees to the formation of a Health and Safety Committee to be composed of two members designated by the Union, and two members and a Chairperson designated by the Director of the Department of Human Services. The Committee will meet not more than monthly, and for not more than two hours, upon either the Employer or the Union presenting the other with a written agenda of items sought to be discussed. The Committee shall have the function of advising the Employer as to safety and health issues involving employees and it will propose solutions for those problems. The Employer reserves to itself the final determination regarding any action to be taken.

Section 2. When a health and safety violation occurs that requires corrective action by a landlord, the Director of the Department of Human Services, or a designee, will promptly notify the landlord of the problem, and provide the Union with a copy of the notice. The Union will be informed of the response of the landlord within two working days after receipt.

Section 3. The Employer will make every reasonable attempt to:

- (1) Maintain comfortable room temperatures;
- (2) Maintain adequate humidity levels; and,
- (3) Maintain and clean the ventilation system on a regular basis; and,
- (4) Provide and maintain adequate security for all employees and notify the Union of any serious security problems.

Section 4. If the parties are unable to resolve issues which arise under this Article, such issues may be submitted to the grievance procedure contained in Article 5 of this Agreement.

Section 5. The Employer will provide the Union with a list of products that it uses for cleaning, exterminating and its duplicating equipment.

ARTICLE 16
RETIREMENT

Section 1. Any permanent employee shall be entitled upon retirement from the Public Employees' Retirement System to receive a lump sum payment for earned and unused sick leave. The payment shall be one-half of the eligible employee's daily rate of pay for each day of earned and unused sick leave based upon the average compensation received during the last year of their employment prior to the effective day of retirement, to a maximum of \$15,000.00.

Section 2. An employee who has incurred or shall incur a break in service, as a result of a separation due to layoff shall be credited with sick leave accrued both before separation and after return to employment. An employee incurring a break in service for any other type of separation shall have his or her sick leave computed from the date of return to employment.

Section 3. Any employee who elects a deferred retirement benefit shall not be eligible for such payment. This payment shall not affect any pension benefits under any other statute. In the event of the employee's death within one year after the effective date of retirement, but before payment has been made, payment shall be made to the employee's estate.

Section 4. To the extent provided by law, and subject to Freeholder Resolution #94-267, the Employer will pay for health insurance for employees who retire with twenty-five (25) years service or under a disability retirement. In accordance with Resolution #94-267, any new employee hired after July 1, 1994 will not, regardless of their years of service anywhere, be allowed to retire from Monmouth County with any health benefits at no cost.

ARTICLE 17
AUTOMOBILE EXPENSES

Section 1. The parties agree that each employee who is authorized and required to use a personal automobile for the Employer's business shall be reimbursed at a rate of \$0.35 per mile; and automobile business insurance of \$25.00 per month providing the employee is assigned by the employer to Travel Category B or C and shows proof of coverage. These amounts are to be paid after the filing of a monthly voucher.

Section 2. Employees will not be required to transport minor children in a personal automobile. The Employer will provide a vehicle for this purpose.

Section 3. The Employer will endeavor to assign at least one vehicle to each site at which 12 or more non-Income Maintenance field service workers (Social Workers, Social Work Specialists, Coordinators of Volunteers) are assigned. This clause shall not diminish the Employer's right to maintain, service and/or reassign all vehicles in its motor pool in the best interest of the Agency.

ARTICLE 18
LEGAL REPRESENTATION

Section 1. The Employer extends to all employees the same rights and benefits enjoyed by State employees under N.J.S.A. 59:10A-3, with the exception that the duty and authority of the Attorney General described in that statute shall be exercised by the Employer under the direction of the Monmouth County Counsel.

Section 2. It is understood that the Employer's insurance coverage will not only pay damages or claims, but will also defend that person in court if an employee acts negligently within the scope of his or her employment.

ARTICLE 19

The Employer and the Union hereby agree that they shall not discriminate against any employee because of race, creed, color, national origin, sex, ancestry, religion, marital status, domestic partnership status, sexual or affectional orientation, gender identity or expression, political affiliation, mental or physical or perceived disability, age, familial status, liability for service in the Armed Forces of the United States, union membership, union non-membership, or union activity, in compliance with all applicable federal and state statutes, rules, and regulations.

Section 2. Alleged violations of this Article by either the Union or the Employer shall be pursued before the appropriate administrative or judicial forum, rather than through the grievance procedures contained in this Agreement.
