B. Procedure

1. An aggrieved employee shall institute action under the provisions hereof within thirty (30) calendar days of the occurrence complained of, or within thirty (30) calendar days after the aggrieved would reasonably be expected to know of its occurrence. Failure to act within said thirty (30) day period shall be deemed to constitute an abandonment of the grievance.
2. An employee processing a grievance shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal.
3. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement.
4. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

An employee with a grievance shall first discuss it with the principal or immediate superior with the objective of resolving the matter informally. The principal or immediate supervisor shall render an informal decision within ten (10) school days after the initial discussion.

Level 2

If, as a result of the informal discussion, the aggrieved is not satisfied with the disposition of the grievance, the aggrieved may formally file the grievance in writing with the principal within twenty (20) school days after the discussion at Level 1. The grievance in writing to the principal shall specify (a) the nature of the grievance, (b) whether it is claimed to be a Category I or Category II grievance, (c) the nature and extent of the injury, loss or inconvenience, and (d) the result of the previous discussions. Should the Association's Grievance Committee deem the grievance to be valid and meritorious, the chairperson of said committee shall, within five (5) school days after receiving the grievance, submit it to the Superintendent or the Superintendent's designee. Within ten (10) school days after receipt of the grievance, the Superintendent or the Superintendent's designee may confer jointly or severally with the parties involved and shall within, ten (10) school days after such conferences, submit the writing decision to the aggrieved and the Association's Grievance Committee, or, if no conference is held, the Superintendent or Superintendent's designee shall issue a written decision within twenty (20) school days after receipt of the grievance.

The grievance shall be submitted to the Board by the committee within fifteen (15) days after receipt of the decision of the Superintendent. A request for such binding arbitration shall be made no later than fifteen (15) days following the determination of the Board. Failure to file within the said time shall constitute a bar to such arbitration unless the parties have extended the time by mutual agreement. Pursuant to the procedure described above, if the Association chooses to seek arbitration, it will file its demand with the Public Employment Relations Commission. The parties shall be bound by the rule and procedures of PERC. The arbitrator so selected shall confer with representatives of the Board and the Association's Grievance Committee and hold hearings promptly. The arbitrator shall issue the decision not later than twenty (20) days from the date of the closing of the hearing unless the time shall be extended by mutual consent.
