Professional Staff: Supervisors

- B. Unless otherwise indicated, the term "supervisor" when used hereinafter in the Agreement, shall refer to all members of the negotiating unit, and references to male supervisors shall include female supervisors.

ARTICLE 2  
GRIEVANCE PROCEDURE

A. Definition

1. A grievance shall mean a complaint by a member of the unit or the Association that there has been to him or to it a personal loss, injury, or inconvenience resulting from a violation, misinterpretation, or inequitable application of any of the provisions of this Agreement, Board policies, or administrative decisions affecting him or the Association.
2. A grievance to be considered under this procedure must be initiated in writing within fifteen (15) calendar days from the date when the grievant knew or should have known of its occurrence.
3. The "grievant" is the person or persons or the Association making the complaint.
4. A "party in interest" is the person or persons making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the complaint.

B. Rights of Members to Representation

1. Any party in interest may be represented at all stages of the grievance procedure by himself, or at his option, by a representative of his own choosing.
2. When an employee is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the written grievance to the Superintendent or at any later level, be notified by the Superintendent that the grievance is in existence and shall be notified of the result.

C. Procedure

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the employee grievant to proceed to the next step. In an emergency situation such as illness, vacation, death in family, this time limit may be extended by mutual agreement between the parties involved.
- b. It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.
- c. A grievance shall be initiated at the lowest level at which a decision can be made, except that no grievance may be initiated at a level higher than the Superintendent of Schools.

2. Level One

Any employee grievant who has a grievance shall discuss it first with the appropriate administrator in an attempt to resolve the matter informally at that level. A decision shall be given within five (5) school days.

3. Level Two

The employee grievant, no later than five (5) school days after receipt of the decision of his immediate superior, may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing specifying: (a) the nature of the grievance; (b) the nature and extent of the injury, loss or inconvenience; (c) the results of previous discussions; (d) his dissatisfaction with decisions previously rendered; (e) remedy sought. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the date of receipt of the appeal. The Superintendent shall communicate his decision in writing to the employee grievant, to the Association, and to the immediate superior.

4. Level Three

If the grievance is not resolved to the grievant's satisfaction, he, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, or at the request of the employee grievant, hold a hearing with the employee grievant and render a decision in writing and

forward copies thereof to the grievant and to the Association within twenty (20) calendar days of receipt of the appeal by the Superintendent, or if a hearing is held, within twenty (20) calendar days of the date of the hearing. The referred to hearing shall be held within thirty (30) calendar days after receipt of the appeal notice.

5. If the decision of the Board does not resolve the grievance to the satisfaction of the employee grievant and if the grievance pertains to a matter of previous formal agreement between the Board of Education and the Association, the Association may request the appointment of an arbitrator, such request to be made known to the Superintendent within twenty (20) school days of receipt of the Board's decision. However, the Board's decision shall be final and binding on any grievances concerning:
  - a. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Board or State Commissioner of Education; or
  - b. A complaint of a non-tenure employee which arises by reason of his not being re-employed; or
  - c. A complaint by certificated or other specially licensed personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position for which tenure is not possible or not required.
  - d. Any matter which according to law is either beyond the scope of Board authority or limited to unilateral action by the Board alone.
6. A request for arbitration will be honored only if the employee grievant, his representative and the Association waive the right, if any, in writing to submit the matter at issue to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's recommendation.
7. The following procedure shall be used to secure the services of an arbitrator:
  - a. Either party may request the Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the matter at issue.
  - b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted roster, they may request the Public Employment Relations Commission to submit a second roster of names.
  - c. If the parties are unable to determine within the ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted roster, the Public

Employment Relations Commission may be requested by either party to designate an arbitrator.

8. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties, or any policy of the Board of Education. The arbitrator shall have only the power to interpret what the parties to the Agreement intended by the specific clause in the Agreement or Board Policy which is at issue. The recommendations of the arbitrator shall be binding on both parties.
9. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

### ARTICLE 3 RIGHTS OF THE PARTIES

- A. Whenever any supervisor is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of that supervisor in his office, position, or employment or the salary or any increments pertaining thereto, then he shall be given three (3) school days prior written notice of the reasons for such meeting or interview and shall be entitled to have a person or persons of his own choosing present to advise him and represent him during such meeting or interview.

#### ARTICLE 4

#### PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- A. The Board of Education Agrees:
  - 1. To pay full cost of tuition, textbook and other materials required for any courses, workshops, seminars, conferences, in-service training sessions or other such sessions, which a supervisor is required and/or requested by the administration to take.
  - 2.
    - a. To reimburse the full cost of tuition, registration fees, service fees and laboratory fees of an approved graduate course or other alternative permitted under this Article. In order to be eligible for this reimbursement, the course or other alternative must be approved in advance by the Superintendent.
    - b. The foregoing reimbursement arrangement shall not cover courses required for certification purposes unless a change in field of certification is requested by the Superintendent, or the Superintendent, at his discretion, determines that regardless of whether such course is required for certification, the course will be of benefit to the District. Parking fees and fees of a similar nature shall not be reimbursable.
    - c. In order to be eligible for reimbursement, an employee must successfully complete a course.
- B. The Board of Education will not honor credits for the above reimbursement, which are required for certification to hold or retain a position. In the event the State Department of Education or the Legislature changes the certification requirements for any area, Unit members already employed by the Board of Education will receive the above reimbursement for the courses taken to meet the new certification requirements.

C. Tuition Reimbursement

1. Effective July 1, 1997, there shall be a tuition reimbursement plan to cover tuition and registration fees for graduate courses taken by a Unit member provided that the courses taken by the Unit member are:
  - a) directly related to the assignment of the Unit member at the time the course is taken or,
  - b) a course which is approved by the degree-granting institution and is applicable to the Doctorate in education.
2. Reimbursement shall be limited to \$2,500 per year. A year is defined as courses completed between July 1 and the following June 30.
3. In order to be eligible for reimbursement, prior approval of the graduate course by the Superintendent of Schools is necessary. If prior approval is not granted, payment will not be given.
4. In order to be eligible for reimbursement an Unit member must receive at least a "B" in an approved graduate course.

ARTICLE 5  
INSURANCE PROTECTION

A. The Board of Education shall provide the health care insurance protection designated below.

1. Health/hospitalization insurance for all eligible unit members and his/her dependents. Effective with the 1994-1995 contract, covered employees shall pay 20% of the next \$5000 medical expenses in any year after meeting their insurance deductible.
  - a. The Board will pay 100% of the premium for the "\$5/\$15/70" Plan for all eligible unit members. If an eligible unit member chooses to enroll in any other plan offered by the Board, and if that plan cost exceeds the cost of the "\$5/\$15/70" plan at the relevant enrollment level, the employee shall pay the difference between the "\$5/\$15/70" plan premium and the premium of the plan selected. Employee payment shall be made through regular payroll deductions.
  - b. Eligible unit members who are covered by some other health insurance program are encouraged not to sign for double coverage.

2. Prescription Insurance

The Board shall provide a prescription drug insurance plan, without contraceptives. The employee co-pay shall be \$0 mail order; \$10 generic; and \$20 brand name. Effective July 1, 2006, the enrolled employee covered by single coverage shall pay \$300 per year toward the premium; and the enrolled employee covered by an enrollment level above single coverage shall pay \$375 per year toward the premium. During the term of the Agreement, the Board shall assume the balance of the premium. The actual contribution to the premium paid by the Board at each future enrollment level shall be the same as per the PEA contract.

3. The Board will provide full family dental insurance coverage with a limit not to exceed \$500 per member. The dental plan shall include a \$25 annual deductible per individual and a \$75 annual deductible per family.
4. The parties agree that otherwise-eligible employees may voluntarily waive their entitlement to any or all insurances under Article 5, A. 1., A. 2. and A. 3. Those employees who do so shall receive 30% of the premium required to be paid by the Board each year.

In order to waive insurance under A. 1. above, the Board shall require an employee to provide proof of coverage (i.e. a copy of the medical insurance card or a letter from the medical insurance provider), before an employee may waive such insurance.

Re-enrollment shall occur on a July 1st or be consistent with the requirements of COBRA.

The above provisions shall expire on June 30, 2012, unless continued by the parties in writing before that date. In addition, with reasonable notice in writing from the Board, the above provisions will expire if there is evidence that premium rates have increased because of the waiver incentive system or if the carrier(s) do not permit such an incentive system.

5. The parties will implement a Section 125 account program in which employees may voluntarily make contributions to their own account. The foregoing is contingent on the parties agreeing on all the particulars, including proof that the plan is legal and that the plan imposes no additional costs on the Board. The employee may annually contribute up to the dollar maximum set forth in Federal law and regulation. At the time of enrollment the employee agrees to assume responsibility for all claims in excess of their deducted contributions. If a participating employee separates from the District prior to the end of the contribution year and makes claims in excess of the actual contribution he/she has made, the Board may recoup such excess claims first by withholding any compensation owed (for example, the last paycheck and/or payment for

sick leave, or unused vacation compensation); and, second, by collecting directly from the employee the remaining difference between the claim and the actual employee contributions.

- B. On or after July 1, 2010, the parties' agreement on insurances shall be governed by the ratified Agreement covering the PEA unit. It is understood by the parties that the preceding sentence does not extend to this unit any reference to PEA unit members' responsibilities vis-à-vis the State's imposed 1.5% of base salary premium sharing mandate.
