0.00 PREAMBLE

0.01 **THIS AGREEMENT**, made this day of June, 2019, by and between the **BOROUGH OF LITTLE FERRY**, a body politic and corporate of the State of New Jersey, hereinafter referred to as “The Employer”, and **THE POLICE MEN’S BENEVOLENT ASSOCIATION, LOCAL 102** (Little Ferry Unit), hereinafter referred to as the “PBA”;

0.02 **WHEREAS**, the Employer and the PBA recognize that it will be to the benefit of both to promote mutual understanding and foster a harmonious relationship between the parties to that end that continuous and efficient service will be rendered to and by both parties.

NOW THEREFORE, it is agreed as follows:

1.00 EMPLOYEE'S BASIC RIGHTS

1.01 Pursuant to Chapter 303, Public Laws, 1968, the Employer hereby agrees that every Employee shall have the right freely to organize, join and support the PBA and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection.

1.02 The Employer further agrees that it shall not discriminate against any Employee with respect to hours and wages or any terms or conditions of employment by reason of his membership in the PBA or his participation in any activities of the PBA.

2.00 EXISTING LAW

2.01 The provisions of this agreement shall be subject to and subordinate to, and shall not annul or modify existing applicable provisions of State or Federal Law.

3.00 ASSOCIATION RECOGNITION

3.01 The Employer recognizes PBA Local 102 (Little Ferry Unit) as the exclusive bargaining representative for the purpose of collective negotiations with respect to all negotiable items of employment of all regular full time Police Officers employed by the Employer's Police Department except the Chief of Police.

3.02 No Employee shall be compelled to join the Association but shall have the option to voluntarily join said Association.

3.03 The term "Police Officer" or "Employee" as used herein shall be defined to include the plural as well as the singular, and to include females as well as males.

3.04 The Employer agrees that it will not enter into any contract or memorandum of Agreement with anyone but the recognized Association PBA Local 102, (Little Ferry Unit) with regard to the categories or personnel covered by said Memorandum of Agreement during the term of this Agreement.

4.00 ASSOCIATION REPRESENTATIVES

4.01 The Employer recognizes the right of the Association to designate representatives and alternates for the enforcement of this Agreement.

4.02 The Association shall furnish the Employer in writing the names of the representatives and alternates so designated by the Association which shall be limited to, and shall not exceed, the following duties and activities:

- (a) The investigation and representation of grievances in accordance with the provision of the collective bargaining Agreement.
- (b) The transmission of such messages and information which shall originate with, and are authorized by the Association or its officers.

4.04 The designated Association representatives shall be granted time with pay during working hours to investigate and seek to settle grievances when requested by the Chief of Police and to attend all meetings and conferences on collective negotiations with the Employer's officials when such meetings or conferences are scheduled by the Employer. All other investigation shall be on their own time.

5.00 MAINTENANCE OF OPERATIONS

5.01 The parties agree that there shall be no lockouts, strikes, work stoppages, job actions, or slow downs during the life of this Agreement. No officer or representative of the Association shall authorize, investigate, or condone such activity.

5.02 It is understood that violation of the provisions of this Article may subject any Employee participating in or condoning such activity to disciplinary action by the Employer. Such disciplinary action may include termination of employment, or any other appropriate lesser form of discipline, subject to applicable provisions of this Agreement.

6.03 The Employer agrees that all benefits, terms and conditions of employment relating to the status of Employees, which benefits, terms and conditions of employment are not specifically set forth in this Memorandum of Agreement, shall be maintained at not less than the highest standards in effect at the time of the commencement of the collective bargaining negotiations between the parties leading to the execution of this Memorandum of Agreement.

6.04 Unless a contrary intent is expressed in this Memorandum of Agreement, all existing benefits, rights, duties, obligations and conditions of employment applicable to any Employee pursuant to any rules, regulations, instruction, directive, memorandum, practice, statute or otherwise shall not be limited, restricted, impaired, removed or abolished.

7.00 RIGHT OF EMPLOYEES

7.01 In an effort to insure that investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

- (a) The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the force should be employed. If any time is lost, the member of the force shall be compensated.
- (b) The interrogation shall take place at a location designated by the Chief of Police.
- (c) The member of the force shall be informed of the nature of the investigation before any interrogation commences, including the name of the Complainant. Sufficient information to reasonably apprise the member of the allegations should be provided. If it is known that the member of the force is being interrogated as a witness only, he should be so informed at the initial contact.
- (d) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and such rest periods as are reasonably necessary.

- (e) The member of the force shall not be subject to any offensive language, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions.
- (f) The complete interrogation of the member of the force shall be recorded mechanically or by a department stenographer. There will be no "off-the-record" questions. All recesses called during the questioning shall be recorded.
- (g) If a member of the force is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.
- (h) In all cases, and at every state of the proceedings, in the interest of maintaining the usual high morale of the force, the Department shall afford an opportunity for a member of the force, if he so requests, to consult with counsel and/or his Association representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the force.

8.00 DATA FOR FUTURE BARGAINING

8.01 The parties agree to make available to each other all relevant data the other may require to bargain collectively. This clause shall not include a work product or privileged communication.

8.02 The relevant data noted above shall include but shall not be limited to such items as salaries and benefits enjoyed by other Little Ferry Employee groups, the cost of various insurance and other programs, information concerning overtime worked by Employees, the total number of sick leave days utilized by Employees, the total number of injuries on duty, and total length of time lost as a result of injuries on duty and other data of a similar nature. Any attorney work product or work prepared specifically for negotiation shall be excluded from this clause. In any event, the parties shall not bear any additional expenses by virtue of the clause.

9.00 SALARIES

9.01 The base annual salaries of all Employees covered by this Agreement shall be set forth in Appendix "A".

9.02 Any monies due Employees by virtue of this clause shall be paid as soon after the execution of this Agreement as practicable.

9.03 The base annual salaries of all Employees covered by this Agreement as set forth in Appendix "A" of this Agreement shall include the Employee's thirteen (13) paid holidays per year.

9.04 Employee's annual salaries shall be paid over twenty-four (24) pay periods on the 15th and 30th/31st of each month. If either of the aforesaid dates falls on a weekend, the pay date will be the Friday before such date.

10.00 WORK DAY, WORK WEEK AND OVERTIME

10.01 The normal work day for the Patrol Division shall be twelve (12) hours, which shall include, within the twelve (12) hour span, two ten (10) minute breaks and one thirty (30) minute break for mealtime per day. The normal work day for Officers assigned to the Detective Bureau and others working an administrative schedule shall be eight (8) hours which shall include, within the eight (8) hour span, one thirty (30) minute break for mealtime per day.

10.02 The work schedule for the Patrol Division shall be a modified "Pittman" Schedule. The schedule will consist of two (2) days working, two (2) days off, three (3) days working, two (2) days off, two (2) days working, three (3) days off. The Detective Bureau and others assigned to the Administrative Schedule will work a schedule of five (5) days working, two (2) days off, forty (40) hours per week.

10.03 Officers assigned to the Patrol Division will continue to be scheduled for a total of 1950 hours per year, or approximately 37.5 hours per week. Since the Patrol Division schedule would result in two hundred and forty (240) additional hours of work beyond the total of 1950 hours per year, Officers assigned to the Patrol Division will receive two hundred and forty (240) hours of schedule adjustment time. The schedule adjustment time shall be allocated first to vacation time, such that Officers will continue to have the same number of vacation days under the Patrol Division schedule and the Administrative Schedule. Remaining

schedule adjustment time will be converted into Schedule Adjustment Days (SAD) which shall be granted as additional days off administered by the Chief of Police. A chart converting vacation and SAD days is appended to this Agreement in Appendix "D." The Detective Bureau and others assigned to the Administrative Schedule shall work a forty (40) hour week or 2,080 hours per year and will not be entitled to schedule adjustment time.

10.04 The work schedule in the Patrol Division shall be based upon a two (2) platoon system, each of which shall have two squads: one assigned to 0630 to 1830 hours and the other assigned to 1830 to 0630 hours. Platoons will rotate between day and night assignments every twenty-eight (28) days.

10.05 Work in excess of the Employee's basic work week or tour for a day is overtime and shall be computed at the time and one-half hourly rate of pay (one hundred fifty (150%) percent of the Employee's base hourly rate).

10.06 Overtime Compensation shall be provided either in cash or in time due with a limit upon time due of two-hundred (200) hours. Each officer may use time due based upon overtime hours worked provided thirty-six (36) hours notice is given and the approval of the Chief of Police is obtained. Time due may be taken in hours with no minimum time necessary, however, time due must be taken at the beginning or end of a tour. All overtime beyond the ceiling of two-hundred hours shall be paid in cash.

11.00 HOURLY RATE

11.01 To compute the base hourly rate of Employees on a patrol schedule, the Employee's yearly base salary shall be divided by 1950 hours. Employees on an administrative schedule (8 hour work schedule) shall have their hourly rate computed by dividing their base annual salary by 2080 hours.

12.00 COURT TIME

12.01 Court time, as referred to in this Article, shall consist of all time, excluding regular tours of duty, during which any Employee covered under this Agreement shall be required to attend a Municipal Court, (except Little Ferry Municipal Court), County Court, Superior Court, Grand Jury proceeding, or other Courts or Administrative Bodies. Court time in Little Ferry Municipal Court, while not on a regular tour of duty, shall be paid at the Employee's time and one-half hourly rates, and each officer shall be paid, at his time and one-half rate, for not less than two hours for an off-duty appearance in the Little Ferry Municipal Court.

12.02 As such required Court time shall be considered as overtime and shall be compensated at the time and one-half hourly rate of pay.

12.03 When an Employee covered under this Agreement shall be required to travel to and from any of the Courts or Administrative Bodies as noted in this Article, such travel time shall be considered and included in the computation of the amount of overtime to which the Employee is entitled, provided, however, that such travel time shall be computed between the Employer's Police Headquarters and the pertinent Court or Administrative Body.

13.00 TRAINING PAY

13.01 Training time, other than for training received while on duty, shall be compensated at the Employee's time and one-half rate of hourly pay.

14.00 RECALL

14.01 Any covered Employee who is called back to work after having completed his regular tour duty shall be compensated at his time and one-half rate of hourly pay with a minimum guarantee of three hours at such rate.

15.00 PRIORITY FOR OVERTIME

15.01 Officers of the Little Ferry Police Department assigned to the Patrol Division will be permitted to volunteer for overtime assignments on the Employee's scheduled days off. One voluntary overtime list will be maintained for Lieutenants and Sergeants and one for patrol officers. The volunteer, who has had the least amount of overtime opportunities in a given year, will be the first on the overtime list and will be the first to be offered the opportunity to work overtime, whenever the Borough incurs the need for an Employee from that list to work overtime. If, in following the above procedure in an attempt to obtain overtime coverage, the Borough reaches a point on any of the two lists where the amount of overtime worked by the remaining Patrol Officers or Sergeants and Lieutenants on that list is equal, then overtime will be distributed on the basis of seniority of the remaining Employees on that list.

15.02 There may be certain situations in which the Department, because of special skills or other attributes of a particular officer, determines that it is in the best interest of the Employer to bypass an Employee or Employees on the seniority list.

15.03 While this Agreement contemplates the possibilities noted in section 15.02, it is agreed and understood that such bypassed Employee or Employees must become next on the list for the purpose of the overtime roster. If an Employee

refuses overtime on two consecutive occasions when it is his turn as number one on the rotating seniority list, then the Employer may in such occasion skip that Employee's turn and proceed to the next Employee on the rotating overtime list.

15.04 The purpose of this section is to equalize overtime among Employees and same shall not be defeated by the Employer's selection of special persons for special details as set forth herein.

15.05 Officers of the Little Ferry Police Department assigned to the Patrol Division will be subject to a call out list for involuntary overtime assignments on the Employee's scheduled days off. One call out list will be maintained for Lieutenants and Sergeants and one for patrol officers. Each list will be in reverse seniority order and for the Lieutenants and Sergeants will be listed in job seniority order without regard to rank. The call out list will be used to order Employees to work overtime when no volunteer is available to work. Once an Employee works an involuntary overtime assignment, that Employee will be dropped to the bottom of the respective call out list until all Employees on the call out list have worked an involuntary overtime assignment or the calendar year is completed whichever comes first. At the commencement of the calendar year or once all Employees on the respective call out list have worked an involuntary overtime assignment; the call out list will begin again in reverse seniority order.

15.06 Employees assigned to the Administrative Schedule may not volunteer for Patrol Division overtime and will not be listed on the Patrol Division call out list.

15.07 Employees assigned to the Patrol Division may not engage in outside employment on any day on which the Employee is scheduled to work or within eight (8) hours prior to the commencement of any scheduled tour of duty.

15.08 Employees shall not be permitted to work more than sixteen (16) hours in a twenty-four (24) hour period. Employees assigned to the Patrol Division schedule may work up to four (4) hours of overtime prior or subsequent to any twelve (12) hour tour of duty. Employees assigned to the Administrative Schedule may work up to eight (8) hours of overtime prior or subsequent to any eight (8) hour tour of duty. The foregoing shall not limit the Chief of Police's discretion to order Employees to work overtime as necessary to meet emergency conditions.

15.09 This clause shall not apply to church crossings details, summer park patrols, little league crossings and school dances.

16.00 SHIFT CHANGES

16.01 The Employer agrees that it will not indiscriminately adjust shifts so as to avoid overtime payment to Employees covered by this Agreement. A minimum of forty-eight (48) hours notice shall be given on any change of shift. Any change of shift on less than forty-eight (48) hours notice shall entitle the Employee to two (2) additional hours of pay at the straight time rate. This clause shall not be interpreted so as to limit the Employer's duties of manning and staffing.

16.02 Employees shall be permitted to mutually exchange tour(s) of duty with other members of the bargaining unit provided such is done with the approval of the Chief of Police.

17.00 LONGEVITY

17.01 In addition to all wages and other benefits, Employees hired on or before February 1, 2019 shall be entitled to a longevity payment as set forth in Appendix "B".

17.02 The said payments for longevity shall be paid on the same schedule as set forth in Section 9.04 to the Employees entitled to same. Further, entitlement to said payments shall be determined and provided on a quarterly basis.

17.03 Employees hired after February 1, 2019 shall not be entitled to longevity payments.

18.00 UNIFORMS

18.01 Each new Employee shall receive from the Employer, free of charge in lieu of a clothing allowance, a complete uniform.

18.02 Any Employee's uniform or uniform equipment as defined by the Chief, which may be damaged during the course of his employment, shall be replaced at the expense of the Employer, except where such damage is caused by negligence of the Employee.

Any Employee's personal non-uniform equipment which is required by him in his capacity as a police officer, which may be damaged as a result of a single episode during the course of his employment, shall be replaced at the expense of the Employer, except where such damage is caused by the negligence of the Employee, subject to the limitation that the Employer is only liable for an amount up to One Hundred (\$100.00) Dollars per occurrence.

18.03 Claims for damaged equipment which the Employee asserts should be replaced by the Employer because it was damaged in the line of duty are to be presented to the Chief of Police.

18.04 All new hires shall be responsible for purchasing clothing as required by the respective police academy. Upon successful completion of the academy, the Borough shall reimburse the new hire \$2,000.00. Individuals who have completed

the "alternate route" process are not entitled to retroactive reimbursement. Receipts must be provided before payment can be processed.

19.00 EDUCATION INCENTIVE

19.01 In addition to all other wages and benefits provided in this Agreement each Employee shall be entitled to an additional payment, if the Employee is qualified for same, pursuant to the qualifications and limitations as set forth in Appendix "C".

19.02 The Employer agrees to pay the Educational Incentive no later than June 15, of that calendar year; provided, however, that Little Ferry's budget has been APPROVED BY THE STATE by that date. In the event that the yearly budget has not been APPROVED BY THE STATE by June 15 of the calendar year, the Employer agrees to pay the Education Incentive, pursuant to the Borough's processing and payment of bills, on the next payment date after the budget has been approved.

20.00 WORK IN HIGHER RANK

20.01 When a Patrolman works as a Tour Commander, he shall receive the Sergeant's rate of pay and the Employer shall not defeat the intent of this clause by shifting two or more Employees to cover the higher rank in question.

20.02 This clause shall apply only to Patrolman and no other officer is entitled to receive the pay of a higher rank.

21.00 VACATIONS

21.01 The vacation allowance shall be as set forth in this Agreement in Appendix "D".

21.02 When in any calendar year, the vacation or any part thereof is not granted by reason of pressure of police activity; such vacation periods not granted shall accumulate and shall be granted during the next succeeding year. All vacation time shall be utilized in the year for which it is allowed unless special permission is received from the Chief of Police. Entitlement to vacation shall be on a calendar year basis. For purpose of calculating each officer's entitlement with respect to amount of vacation, the Employee's anniversary date shall be utilized.

21.03 If an Employee is on vacation and becomes sufficiently ill so as to require in-patient hospitalization, he may have such period of illness and post hospital recuperation period charged against sick leave at his option upon proof of hospitalization and a physician's certificate.

21.04 No Employee who is on vacation shall be recalled except in a case of the full mobilization of the Department by the Chief of Police to meet a clear and present danger confronting the Employer.

21.05 Eighty (80) hours of vacation time may be utilized by each member of the bargaining unit on an individual day basis rather than in weekly blocks. Said days will be allowed provided at least seventy-two (72) hours notice is given by the police officer and, based upon adequate manpower, the Chief grants his approval, which approval shall not be unreasonably withheld.

21.06 Vacations shall be selected on a rotating seniority basis which shall be established by the Department. Once an Employee selects two or more consecutive weeks of vacation under this clause, the next senior man shall make his selection, and so on, until the seniority list is exhausted, at which time, the process shall be continued. The sequence of vacation selection shall be based on overall Little Ferry Police Department time in service.

21.07 The cut-off date for determining entitlement to vacation shall be June 30th of the current year. Any newly hired patrolman whose hiring date is after June 30th of the current year shall not receive his first vacation until the year following his first anniversary.

22.00 SICK LEAVE

22.01 All Employees covered by this Agreement shall be granted sick leave with pay as set forth in Appendix "E".

22.02 To qualify for payment while absent on sick leave each Employee who will be absent from duty on sick leave shall so notify the Chief of Police or the officer in charge. Notification under this clause shall be given no less than three hours prior to the Employee's scheduled tour of duty where possible. Said notice shall state the nature of the cause of the absence from duty. An Employee who is absent without such notification shall be charged with an unpaid day for each day absent and will be subject to appropriate disciplinary action.

23.00 WORK INCURRED INJURY

23.01 Where an Employee covered under this Agreement suffers a work-connected injury or disability, the Employer shall continue such Employee at full pay, during the continuance of such Employee's inability to work, for a period of up to one year. During this period of time, all temporary disability benefits accruing under the provisions of the Workers' Compensation Act shall be paid over to the Employer.

23.02 The Employee shall be required to present evidence by a certificate of a responsible physician that he is unable to work and, the Employer may reasonably require the said Employee to present such certificate from time to time.

23.03 In the event the Employee contends that he is entitled to a period of disability beyond the period established by the treating physician, or a physician employed by the Employer or by its insurance carrier, then, and in that event, the burden shall be upon the Employee to establish such additional period of disability by obtaining a judgment in the Division or Workers' Compensation or by the final decision of the last reviewing court which judgment shall be binding upon the parties.

23.04 For the purpose of this Article, injury or illness incurred while the Employee is acting in an Employer-authorized activity shall be considered in the line of duty.

23.05 In the event a dispute arises as to whether an absence shall be computed or designated as a sick leave or an injury on duty, the parties agree to be bound by the decision of an appropriate Workers' Compensation judgment, or, if there is an appeal therefrom, the final decision of the last reviewing court.

23.06 An injury on duty requiring time off for treatment, recuperation or rehabilitation shall not be construed as sick leave or a sick leave occasion under the terms of the sick leave policy heretofore agreed upon between the parties.

24.00 PERSONAL LEAVE

24.01 Each Employee assigned to the Patrol Division shall have sixty (60) hours of personal leave per year. Each Employee assigned to the Administrative Schedule shall have forty (40) hours of personal leave per year. For the purposes of this clause, an Employee shall not be required to advise his superior of the reason for the use of personal leave.

24.02 Employees shall give the Chief of Police forty-eight (48) hours notice of their request to take a personal day where such notice is practicable. In any event, the Employee shall give the Chief all possible notice if emergent circumstances make 48 hours notice impossible. The Chief shall not reasonably deny permission to take a personal day. The parties recognize that manning considerations or emergency conditions may lead to a denial of personal leave. However, the required use of overtime for coverage shall not be a basis for denial of personal leave.

24.03 A denial of an application for personal time under this section by the Chief shall only be made for sufficient cause and any such denial may become the subject of a Grievance Procedure under this Agreement.

24.04 The Chief may deny additional applications for personal time under this section if two (2) or more Employees have been granted personal leave days on a shift.

24.05 Personal leave time under this article shall be granted in units of not less than half of a tour of duty (six (6) hours for patrol, four (4) hours for administrative) for each occasion and any personal leave time taken in less than a full day must be taken at the commencement or conclusion of the work day.

25.00 BEREAVEMENT LEAVE

25.01 All permanent full time Employees assigned to the Patrol Division shall be entitled to leave with pay from the day of death to the day after burial of a member of his immediate family within the State of New Jersey not to exceed thirty-six (36) working hours. All permanent full time Employees assigned to the Administrative Schedule shall be entitled to leave with pay from the day of death to the day after burial of a member of his immediate family within the State of New Jersey not to exceed four (4) working days and up to five (5) working days leave if beyond 100 miles.

25.02 Immediate family shall include spouse, children, parents, brothers, sisters, and grandparents of Employee or spouse.

25.03 Such funeral leave shall not be charged against the Employee's vacation or sick leave.

25.04 Any extension of absence under this Article, however, may be at the Employee's option and with the consent of the Chief of Police, be charged against available vacation time or be taken without pay for a reasonable period.

25.05 In the case of unusual circumstance not specifically covered in this Article, funeral leave may be granted or extended at the discretion of the Chief of Police.

26.00 LEAVE OF ABSENCE

26.01 All permanent full time Employees covered by this Agreement may be granted a leave of absence without pay for a period of time not to exceed six months. Said leave shall be renewable after six (6) months with approval of the Employer.

26.02 The Employee shall submit in writing all facts bearing on the request to the Chief of Police or his designated representative who shall append his recommendations and forward the request to the governing body. The governing body shall consider each case on its merits without establishing a precedent. The Employer will not unreasonably deny an Employee's request for a leave of absence.

26.03 The Employee's leave is subject to renewal for reasons of personal illness, disability or other reasons deemed proper and approved by the Employer. Normally, it shall be granted only when the Employee has used his accumulated sick and vacation leave in the case of illness or his vacation leave if leave without pay is requested for reasons other than illness.

26.04 At the expiration of such leave, the Employee shall be returned to the position from which he is on leave and will receive as of the date of his return all benefits he would have received had he not taken the leave.

26.05 Seniority shall be retained and shall accumulate during all leaves.

27.00 MEDICAL COVERAGE

27.01 The Employer shall provide and pay for the New Jersey State Health Benefits Program and New Jersey State Health Benefits Employee Dental Plan for Employees covered by this Agreement and their families pursuant to provisions of the Statutes and Laws of the State of New Jersey.

27.02 All increases in premiums during the term of this Agreement shall be borne entirely by the Employer.

27.03 All benefits set forth in this section shall be paid, even after an Employee retires provided the Employee meets the requirements as set forth in N.J.S.A. 40A:10-23.

27.04 Employees who are not otherwise grandfathered from contribution by law shall pay a contribution towards benefits received under 27.03 and 28.01 herein during the Employee's retirement in accordance with this paragraph. Employees hired on or before February 1, 2019 shall pay a contribution toward benefits in the amount of 1.5% of the Employee's Police and Fire Retirement System benefit. Employees hired on or after February 1, 2019 shall pay contribution toward benefits in accordance with the percentages set forth in Tier 4 of P.L. 2011, Chapter 78, or pursuant to applicable state law at the time of the Employee's retirement, whichever is less.

27.05 The Employer may change insurance carriers provided equivalent benefits are maintained. The Employer shall notify the Employee organization at least 30 days prior to the proposed implementation of such change.

27.06 All benefits set forth in this Article shall also be paid to a surviving spouse, and children through their 18th year of age, for such children, when the deceased Employee spouse shall have died in the line of duty or otherwise pursuant to provisions of the Statutes and Laws of the State of New Jersey.

28.00 DENTAL COVERAGE

28.01 The Employer agrees to provide and maintain the New Jersey State Health Benefits Employee Dental Plan for all Employees covered by this Agreement and their families pursuant to provisions of the Statutes and Laws of the State of New Jersey. Employees hired after January 1, 2004 will not have dental coverage upon retirement.

29.00 INSURANCE

Two (2) days per month will be granted to the canine team so as to keep a dual purpose canine in accordance with the Attorney General's Guidelines. These days are to be granted by the Chief of Police and Borough of Little Ferry. Such training time will be done on the Canine Officer's regular tour of duty. If an emergency situation arises wherein a Canine Officer is needed past his regular tour of duty, he will be compensated at time and a half, compensatory time.

The Employer shall provide Canine Officers with a canine equipped police cruiser on a twenty-four (24) hour basis for the duration of the assignment to the canine unit, provided that the canine officer resides within a ten (10) mile radius of the Borough. If the Canine Officer resides outside a ten (10) mile radius of the

Borough, the Employer may provide the Canine Officer with a canine equipped police cruiser on a twenty-four (24) hour basis for the duration of the assignment to the canine unit, subject to the approval of the Mayor and Council.

In the event the Canine Program is disbanded, or a canine is retired from the program, the Canine Officer assigned to a particular canine shall have a right of first refusal to take ownership of the canine at no cost. Assuming the officer does not take ownership of the canine, the canine shall be put up for bid, pursuant to State Bidding Laws to effect the transfer of ownership of the canine.

The Canine Unit has represented that it expects it will spend three (3) hours per week in the care and maintenance of the canine on a continuous basis. Based upon such representation, the Employer has agreed to compensate the Canine Officer for the care and maintenance of the canine on a continuous basis three (3) hours per week, compensatory time. Should the Canine Officer determine that he/she is spending more than (3) hours per week in the care and maintenance of the canine on a continuous basis, it is the obligation of the Canine Officer to notify the Employer in writing of the additional time spent by the Canine Officer. Upon such notification, the Employer shall determine, in its sole discretion, whether to disband the Canine Unit or compensate the Canine Officer for any additional time spent by way of additional compensatory time.

The Employer shall not be responsible to pay for any additional time spent by the Canine Officer in the care and maintenance of the canine on a continuous basis over and beyond the (3) hours per week, unless and until the Canine Officer notifies the Employer in writing of the said additional time and the Canine Officer

affirmatively waives any and all compensation for any additional time over and beyond the (3) hours per week prior to such notification in writing.

Any dispute concerning an interpretation, application or violation of this provision shall be governed by the grievance and arbitration provisions of the parties' collective negotiations Agreement.
