ARTICLES OF AGREEMENT

THIS AGREEMENT made as of this ____ day of January, 2016, between the TOWNSHIP OF WEST ORANGE, a municipality in the County of Essex, State of New Jersey, hereinafter referred to as the "TOWNSHIP," and SUPERIOR OFFICER'S ASSOCIATION, WEST ORANGE FIRE DEPARTMENT, or its successor in interest, hereinafter referred to as the "UNION."

WHEREAS, the terms and conditions of employment, wages, fringe benefits, grievance and arbitration procedures, and other provisions pertaining to working conditions of employees within the jurisdiction of the UNION are hereby embodied within the four-corners of this Collective Bargaining Agreement.

NOW, THEREFORE, in consideration of the mutual promises herein contained and the receipt of other good and valuable consideration, the receipt of which is hereby mutually acknowledged, it is hereby mutually agreed, bargained, covenanted, and promised as follows:

ARTICLE I
RECOGNITION

The TOWNSHIP recognizes the UNION as the sole and exclusive representative and agent of all paid employees of the Fire Department of the TOWNSHIP with the rank of Deputy Fire Chief and Fire Captain for the purposes of bargaining with the TOWNSHIP with respect to wages, working conditions, and hours of work.

ARTICLE II
MEMBERSHIP

All Deputy Fire Chiefs and Fire Captains may maintain membership in the UNION; however, such membership in the UNION shall in no way be construed so as to be a condition of employment.

A representation fee shall be paid as follows:

A. Amount of fee. If an employee in the bargaining unit is not a member of the UNION during the term of this agreement and during the period, if any, between successive agreements, such employee shall be required to pay a representation fee to the UNION during such term or period. The purpose of the representation fee is to provide for payment to the UNION of a fee in lieu of dues for services rendered by the UNION, and thereby to offset the cost of services rendered by the UNION as majority representative. In order to adequately offset the cost of services rendered by the UNION, the representation fee shall be eighty-five percent (85%) of the amount of the regular membership dues, initiation fees and assessments charged by the UNION to its own members. The foregoing eighty-five percent (85%) is set forth solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be changed to the maximum allowed.

B. Notice. The UNION shall be entitled to an up to date list of all employees in the unit. The UNION shall submit to the TOWNSHIP a list of those employees in the unit who are not members of the UNION. The TOWNSHIP shall deduct from the salary of such employee in accordance with "C" below, the full amount of the representation fee and shall transmit promptly the amount so deducted to the UNION. The UNION shall notify the TOWNSHIP in writing of

any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction.

C. Payroll Deduction Schedule. The TOWNSHIP shall deduct a representation fee in equal installments as nearly as possible, from the pay checks paid to each employee on the aforesaid list during the membership period fixed by the UNION. The deduction will begin with the first pay check paid ten days after the employee begins his or her employment in the bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the TOWNSHIP in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first pay check paid ten days after the resumption of the employee's employment in a bargaining unit position, whichever is later. Except as otherwise provided herein, the mechanics for the deduction of the representation fees and the transmission of such fees to the UNION will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the UNION by payroll deduction.

D. The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey law or any amendments thereto, and anything herein, which may be inconsistent with said law, shall be deemed to be changed to conform with said law.

ARTICLE III

CHECK-OFF

Upon the written authorization by an employee and approval by the UNION President, the TOWNSHIP agrees to deduct from the salary of each such employee covered by the terms of this Agreement the sum certified as initiation fees, assessments, and weekly UNION dues, and delivery the sum to the UNION Treasurer, who shall upon said delivery of UNION dues forthwith issue a receipt for said UNION dues, to the TOWNSHIP OF WEST ORANGE or any of its authorized agents or employees. The TOWNSHIP shall at all times be saved harmless for any UNION dues that cannot be deducted from an employee's wages by virtue of his income not being large enough to satisfy and pay any such dues.

ARTICLE IV
PROBATION PERIOD

All newly promoted employees shall serve a probationary period pursuant to the provisions of the N.J.S.A. Title 11A and Title 4A of the New Jersey Administrative Code.

Any objections to the seniority list as posted shall be reported to the Fire Department, subject, however, to the provisions of the N.J.S.A. 40A:14-25 encaptioned, "Decrease of Fire Force for Reasons of Economy."

In the event of the TOWNSHIP for reasons of economy and/or efficiency, decreases the number of employees of the Department, said reduction and any replacement subsequent to said reduction shall be accomplished by seniority pursuant to the provisions of N.J.S.A. Title 11A (Civil Service) and/or Title 4A of the New Jersey Administrative Code.

ARTICLE VI

VACANCIES – PROMOTIONS

All appointments and promotions shall be made pursuant to the provisions of the N.J.S.A. Title 11A and/or provisions of Title 4A of the New Jersey Administrative Code and as soon as practicable and fiscally feasible.
