NEGOTIATIONS PROCEDURE

In accordance with the provisions of the New Jersey Employer-Employee Relations Act (N.J.S.A. 34:13A-1 and 34:13A-13) representatives of the Asbury Park Education Association and the Asbury Park Board of Education agree to commence negotiations on a successor agreement no later than January 1st of the year in which this Agreement terminates.

ARTICLE III
GRIEVANCE PROCEDURE

1. Under the Binding Arbitration Grievance Procedure, a grievance is defined to mean an alleged violation of the contract or Board policy.

3. **General**

1. A grievance to be considered under this procedure shall be presented by the grievant or his representative not later than thirty (30) calendar days following its alleged occurrence.
2. The Association shall have the right to have up to two (2) representatives present at all steps.

3. **Procedure**

1. Level One

Any employee who has a grievance shall discuss it first with his immediate supervisor in an attempt to resolve the matter informally at that level.

2. Level Two

If, as a result of the informal discussion with the immediate supervisor, the matter is not resolved to the satisfaction of the grievant within five (5) school days of the informal conference, the grievant shall set forth his complaint in writing to his immediate supervisor. The statement shall include the nature of the grievance, the loss to the grievant, the result of his previous discussion, and his dissatisfaction with the decision previously rendered. The immediate supervisor shall communicate his decision to the grievant in writing within five (5) school days of receipt of the written complaint.

3. Level Three

The grievant may appeal the Level Two decision to the Superintendent of Schools. The appeal to Level Three must be made in writing and within five (5) school days of the grievant's receipt of the Level Two decision. The Superintendent of Schools shall render his decision in writing within ten (10) school days.

4. Level Four

If the grievance is not resolved at Level Three, the grievant may submit his grievance to the Board of Education no later than ten (10) days after receipt of the Superintendent's decision in Level Three. The Board of Education shall review the grievance and render a decision in writing within thirty (30) calendar days of its receipt of the grievance.

5. Level Five

a. If the grievance is not resolved at Level Four, the grievant may request that the matter be submitted to arbitration. Such request for arbitration must be submitted to the Superintendent of Schools not later than fifteen (15) days after receipt of the decision by the Board.

The Association shall determine what grievances shall be submitted for arbitration. Individuals do not have the independent right to file for arbitration. The APEA Executive Committee shall make this determination.

b. The parties shall attempt to mutually agree upon arbitrator, but if they are unable to reach agreement, they shall request that the Public Employment Relations Commission appoint an arbitrator in accordance with PERC's rules.

c. The arbitrator shall confer with the representatives of the parties and hold appropriate hearings and submit his decision in accordance with the rules of PERC. The arbitrator shall be without power or authority to make any decision, which modifies any provision of this Agreement or Board policy. The decision of the arbitrator shall be binding both parties.

d. The following matter shall not be subject to binding arbitration except as specifically provided for in this paragraph. The nonrenewal of a nontenure teacher contract shall not be subject to binding arbitration except as follows—at the conclusion of the first nontenure year in Asbury Park, the Board of Education shall have in its sole discretion the right to grant either a "probationary" contract or a "permanent nontenure" contract; if the Board of Education grants a "permanent nontenure" contract and then, at the conclusion of that second year, elects to terminate that teacher, said teacher may grieve to final and binding arbitration the nonrenewal; if the teacher at the conclusion of the first year is granted a "probationary" second year contract, and the Board of Education elects at the conclusion of this second year

probationary contract not to renew for a third year to said probationary teacher, then such teacher shall have the right, at the conclusion of the third year, to take a nonrenewal for a contract to final and binding arbitration.

Miscellaneous

1. The Association may commence grievances at the level that can render the relief sought, but in no case shall this be higher than the Superintendent.
2. The costs for the services of the arbitrator shall be equally borne by the Board and the grievant.
3. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
4. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
