1. The purpose of this procedure is to provide an orderly internal mechanism for the settlement of grievances.

2. Definitions

A. A grievance is a complaint, unresolved on an informal basis, based upon an event or condition which affects terms and conditions of employment of an administrator or administrators relating to the interpretation, application, or violation of policies, agreement, or administrative decisions.

B. The aggrieved is the person or persons making a complaint.

C. A grievance to be considered under this procedure must be initiated by the aggrieved within thirty (30) calendar days from the date of the occurrence under complaint. Failure to process the grievance to the next step of the procedure within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3. Procedures: Step One

A. An administrator having a grievance shall discuss it with his/her immediate superior within fifteen (15) calendar days. A written record of this discussion, signed by both parties, shall be made and filed.

### Step Three

Within twenty (20) calendar days after receipt of the grievance, the Board or a designated committee thereof shall hold a hearing in executive session. Both the aggrieved and Superintendent of Schools may be present at such hearing. The Board will issue written decision within seven (7) calendar days after the hearing.

### Step Four

A. Within fourteen (14) calendar days after receipt of the Board's decision, the aggrieved, if not satisfied, may notify the Board, in writing, of his/her intent to proceed to Step Five.
