2014 - 2017 AGREEMENT

**MUNICIPAL EMPLOYEES ASSOCIATION
AND THE
TOWNSHIP OF EAST BRUNSWICK**

THIS AGREEMENT, made this 10th day of May in the year 2010 by and between the TOWNSHIP OF EAST BRUNSWICK, hereinafter referred to as the EMPLOYER and the EAST BRUNSWICK MUNICIPAL EMPLOYEES ASSOCIATION affiliated with the UNITED SERVICE WORKERS OF AMERICA, hereinafter referred to as the ASSOCIATION, has been created for the purpose of harmony and mutual understanding between the Employer and members of the Association, in order that continuous and efficient service be rendered to the community.

WITNESSETH:

WHEREAS, the Employer and the Association have conducted negotiations in good faith with respect to terms and conditions of employment;

IT IS AGREED AS FOLLOWS:

ARTICLE I

RECOGNITION

SECTION A: The employer hereby recognizes the Association as the exclusive representative for collective negotiations with respect to rates of pay, wages, hours of work, and other conditions of employment for all employees represented by said Association whose titles are set forth in Appendix A.

SECTION B: Included in the negotiating unit shall be all full-time regular employees classified in Grades one (1) through eleven (11) of the Salary Ordinance of the Township of East Brunswick and all regular part-time employees as defined hereafter in ARTICLE XXI, SECTION A; and excluding all other employees.

SECTION C: The following positions shall be held by confidential employees who shall be excluded from the bargaining unit:

Deputy Municipal Clerk (Clerk's Office)
Administrative Assistant (Office of the Mayor and Administrator)
Executive Secretary (Office of the Mayor & Administrator)

ARTICLE II

DUES CHECK-OFF AND REPRESENTATION FEE

SECTION A: The employer agrees to check off Association dues and assessments uniformly arrived at and turn over such money to the duly elected Treasurer of the Association bi-monthly. The Association will file authorization forms with the employer, signed by each employee prior to such deduction.

SECTION B - PURPOSE OF FEE: If a member of this bargaining unit does not become a member of the Association during any membership year which is covered by this Agreement, in whole or in part, said employee will be required to pay a representation fee to this Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

SECTION C - AMOUNT OF FEE:

Notification

Prior to the beginning of each membership year, the Association will notify the Finance Director in writing of the amount of regular membership dues, initiation fees, and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be up to eighty-five percent (85%) of the total amount of the regular union dues.

SECTION D - DEDUCTION AND TRANSMISSION OF FEE:

1. Notification

Once during each membership year covered in whole or in part by the Agreement, the Association will submit to the Finance Director a list of those employees who have not become members of the M.E.A. for the then current membership year. The Township will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule

The Township will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforementioned non-member list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- (a) Ten (10) days after receipt of the aforementioned non-member list by the Finance Director, or
- (b) Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a non-bargaining unit position and then became covered by this Agreement or was laid off, in which event the deductions will begin with the first paycheck paid to said employee after the resumption of the employee's employment in a bargaining unit position.

3. Termination of Employment

An employee who is terminated for any reason shall only pay that portion of the annual fees of the Association due in equal installments to the date of termination.

4. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues. The Township will provide a list with each transmission of fees listing current members and those paying the representation fee.

5. Changes

The Association will notify the Finance Director in writing of any changes in the list of non-members provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Finance Director received said notification.

6. New Employees

The M.E.A. will be informed of the employment of each individual eligible for membership in the Association.

7. Hold Harmless

Provided the employer has met its obligations pursuant to this Article, the Association shall hold the employer harmless against any and all claims.

ARTICLE III

NEGOTIATION PROCEDURE

SECTION A: The parties agree to enter into collective negotiations over a successor agreement in accordance with law.

SECTION B: No provision of this Agreement may be changed, supplemented or altered, except as agreed to by both parties in writing.

ARTICLE IV

DISCIPLINARY ACTION

SECTION A: No employee shall be disciplined or discharged without just cause.

SECTION B: In cases involving a written and/or oral reprimand an informal meeting will be held with the Business Administrator to review the discipline. In cases where the recommended discipline is a suspension, termination or demotion employees employed for one year are entitled to a hearing prior to any disciplinary action. A Notice of Charges will be provided within ten (10) working days after the incident leading to the charges or discovery of the incident or the completion of the investigation of the incident, whichever is greater. If an ongoing investigation requires more than ten days then a request for extension shall automatically trigger an extension of an additional 20 calendar days.

The Notice of Charges will include the specific charges and the sought after penalty.

The employee shall be given the opportunity to request a hearing or to waive a hearing. If the employee elects a hearing it will be scheduled for a date no sooner than five working days and no later than 30 working days after the serving of the Notice of Charges, unless the parties agree otherwise. The MEA will be notified of the charges and the hearing date.

You may choose to be represented by your union representative or an attorney or both, at your expense. If any party will be represented by an attorney at the hearing, the other party must be notified in writing at least three (3) working days in advance of the hearing.

The hearing officer will be the Business Administrator or his/her designee. The hearing procedure shall be informal. Any party may produce witnesses and may interview any witnesses produced by the other party. Either party may request a verbatim transcript. The cost will be paid by the party requesting the transcript.

Within ten (10) working days of the completion of the hearing, the hearing officer will issue a decision which will include findings of fact and a determination of appropriate disciplinary action, if any.

The decision of the Business Administrator shall not proceed to the lower levels of the grievance procedure, but shall, however, if the Union desires, be appealed to binding arbitration. The arbitrator shall be selected through the Public Employment Relations Commission.

SECTION C: A five minute tolerance will be allowed to employees utilizing a time clock before any disciplinary action is instituted for lateness. This Section in no way precludes Management from taking disciplinary action for habitual tardiness.

ARTICLE V

GRIEVANCE PROCEDURE

SECTION A - DEFINITIONS:

1. A "grievance" shall be any difference of opinion, controversy, or dispute arising between parties involving interpretation or application of any provision of this Agreement, including Article XIX, Management Rights.
2. Grievances arising out of the application, interpretation, and alteration of managerial policies and rules and regulations which do not affect mandatorily negotiable terms and conditions of employment and are management prerogatives and non-mandatory subjects for negotiations and grievances arising out of the application or interpretation of statutes or administrative regulations expressly or impliedly incorporated in this Agreement may not proceed to binding arbitration.

SECTION B - PROCEDURE:

A grievance shall be processed as follows:

A grievance must be presented no later than twenty (20) working days after the grievance arises or after the aggrieved employee may reasonably be presumed to have knowledge of the matter causing the grievance, whichever occurs later. The time limitations in this Article are of the essence and not merely procedural. No grievance shall be entertained or processed unless it is filed within the time limits set forth in this Section.

All references to days herein shall mean working days except as set forth above, exclusive of Saturdays, Sundays, and holidays.

No response to a grievance at any Step in the procedure shall be deemed a denial entitling the Association to proceed to the next Step of the Procedure.

Grievances shall only be processed on the approved form mutually agreed upon by the parties for such purpose.

STEP 1:

The grievance shall be reduced to writing by the Association and submitted to the Department Director. The answer to such grievance shall be in writing to the Association and shall be provided within ten (10) days of the submission of the grievance. The written grievance must set forth in reasonable detail the facts underlying the grievance, related contract provisions at issue, and the relief sought.

STEP 2:

If the grievance is not settled at Step 1, then the Association shall, within ten (10) days of the due date of the Step 1 response or receipt of response, whichever is sooner, submit the grievance to the Business Administrator. The written grievance must set forth in reasonable detail the facts underlying the grievance, related contract provisions at issue, and the relief sought. A written response shall be provided by the Business Administrator within ten (10) days of its submission.

STEP 3:

If no settlement of grievance has been reached by the parties at Step 2, and the grievance is not within the meaning of Section A(2), the Association shall have the right to submit the unresolved grievance to binding arbitration. However, the request for arbitration must be initiated within twenty (20) days of the time the answer was received from the Business Administrator (or considered due in Step 2). The Association shall make written application to the New Jersey Public Employment Relations Commission requesting that an arbitrator be appointed to hear the grievance in accordance with its rules and make a final determination. The arbitrator can add nothing to nor subtract anything from the agreement between the parties. The decision of the arbitrator shall be in written form setting forth findings of fact, reasons, and conclusions and shall be submitted to the employer and to the Association. It shall be binding and final on the parties and the employees. All employees shall continue to observe all assignments and rules and regulations during the pendency of a grievance and until it is finally determined, except where an imminent danger to safety and health exists.

SECTION C:

The cost of fees and expenses of the Arbitrator shall be shared equally by the Association and the employer. It is agreed that any arbitrator appointed pursuant to this Agreement may not in any way alter the provisions of this Agreement. Furthermore, the right to request arbitration shall be limited to the Association.

SECTION D:

If either or both parties desire a verbatim record of the proceedings, it may cause a record to be made, and the cost of such record shall be either equally borne by the parties or borne by the party requesting the record.

ARTICLE VI

STATEMENT OF POLICY AGAINST DISCRIMINATION

SECTION A: The Employer and Association both agree that they shall not discriminate against any employee because of race, color, sex, marital status, military service, religion, national origin, political affiliation, age, physical or mental disablement (except where age, physical or mental disablement constitute a bona fide occupational qualification) and the parties further agree that no employee shall be discriminated against or interfered with because of Association activities or the lack thereof.

ARTICLE VII

SENIORITY

SECTION A:

1. Seniority shall be defined as an employee's term of continuous service with the Township within their bargaining unit and calculated as full-time equivalent service, including prorated part-time service. Seniority may not be carried over from one bargaining unit to another.
2. Seniority shall be lost by a "break in service." A break in service shall occur whenever an employee resigns, is discharged for cause, or retires. Seniority shall not be earned during a period of layoff, but a layoff shall not be deemed a break in service resulting in the loss of seniority. In the event an employee returns to the employ of the Township following a break in service no credit for any prior seniority shall be awarded.
3. Seniority shall be earned during military service as required by the prevailing law at the time of the military service.
4. Seniority shall not be earned during any period of suspension from employment, whether with or without pay, by reason of disciplinary action, unless said suspension is reversed and disciplinary action rescinded.
5. Whenever a job title is eliminated, and the employee affected by that action is transferred or accepts a different position in any grade, in the event the job title is re-instated then that employee shall have the right to transfer back to said job title, without being subject to the posting and bidding, and testing requirements of this Agreement. In the event the employee no longer wishes to transfer back to their original job title, then that vacancy shall be subject to the posting and bidding procedures of this agreement.

SECTION B: Probationary employees shall have no seniority and may be terminated during their probationary period without recourse. Upon completion of the probationary period, employees shall be credited with Township and Job Title seniority retroactive to the date of initial hire.

SECTION C: All full-time, part-time, or temporary positions including regular positions funded by grants shall be posted for employee bidding. The three (3) most qualified employees with passing test scores shall be given preference for appointment to vacant or new positions. The areas of evaluations and interview process being equal, seniority will prevail. If a regular full-time or regular part-time employee has performed the posted job on a temporary basis, and in the Administrator's sole opinion has performed the job satisfactorily, then the employee shall not be required to take a written test for appointment to that vacant position, but will be required to complete all other requirements.

SECTION D:

1. Each new employee shall serve a probationary period of twelve (12) months. No new employee may bid on any positions until they have completed a 6 month probationary period.
2. Each probationary employee shall be evaluated at least twice during their probationary period; the first evaluation shall occur during the employee's first six (6) months of employment.
3. Evaluations shall be reviewed with the employee. The employee shall sign for receipt of each evaluation form and be given a copy.
4. The employee shall have the right to submit a written response to the evaluation. Said response shall be attached to and become a part of the evaluation.
5. After the completion of the twelfth month, the employee shall be deemed regular.
6. A probationary employee may be discharged without the application of Article IV, Section A.
7. All employees shall be evaluated on an annual basis.

SECTION E:

1. Promoted employees shall serve a three (3) month probationary period. If an employee receives an unsatisfactory evaluation after a 3-month work test period then the employer may request a 3-month extension.
2. Such employee shall be evaluated monthly in writing.
3. During the promotional probationary period, the employee shall retain all seniority rights of the job title from which they were promoted. Seniority shall accrue in the job title from which the employee is promoted during the promotional probationary period.
4. Whenever practicable, within each department, seniority shall prevail in connection with vacation schedules, shift assignments, sectional assignments or holidays.

SECTION F: An employee who has achieved regular full-time employment status shall receive credit for time worked for the Township as a temporary, seasonal and/or "co-op" employee. This time for which credit is granted must be continuous and contiguous to appointment to regular full-time employment status and be not less than 400 hours.

SECTION G: When an employee is on unpaid leave of absence for a period in excess of 22 work days or 30 calendar days, the employee will not accrue time towards seniority for the period equal to the unpaid leave.

This will not apply to an employee who is out on Maternity Leave. Defined Maternity Leave is that period of time the employee is under the doctor's care. Once the employee is released from the care of the doctor and desires additional time off for child care, the employee must request a Family Leave. During this voluntary period of Family leave, the employee will not accrue his/her time towards seniority.

Said Family leave may or may not affect the longevity and/or vacation accrual of the employee. The determining factor shall be whether or not said leave takes the employee beyond the benchmark date for accrual (July 1 or October 1 depending on date of hire). Should the leave extend beyond such date, accrual should be postponed for one year.

The employee requesting Family Leave must provide the employer (.Human Resources) 30 calendar days advance notice when the leave is, "foreseeable."

Copies of the Family Leave Act are available in Human Resources; and in the Township of East Brunswick Personnel Policies.

This provision becomes operational as of the date the contract is signed and shall be prospectively applied.

SECTION H: Overtime shall be distributed equitably on the basis of seniority and job description. Should volunteers be unavailable for overtime, the Township shall have the right to direct overtime in inverse order of seniority on a rotating basis. During an emergency, as declared by the Township Administrator or the department head, it will not be necessary to request volunteers for overtime. Employees will be directed to work overtime in order of seniority on a rotating basis. An emergency shall include snow and/or ice storms, water main breaks, hurricanes, spills, or other disasters that result in damage or hazardous conditions that may impede or affect public safety. In order to be eligible for any overtime, the employee must be qualified to perform the work. A check-off list will be posted showing times and dates of every call.

Whenever a full-time employee leaves the Township's employ for active duty in the military service of the United States or receives a leave of absence with pay, the period of active duty or leave of absence shall be included in computing years of service. With regard to unpaid leaves of absence, accrual shall be determined as set forth in Article VII, Section G.

SECTION C: Vacation leave for the forthcoming year shall be accrued and be credited to each regular employee on January 1 of each year.

SECTION D: Accumulation of vacation leave beyond that earned in a twelve (12) month period shall be permitted only with the consent of the Administrator. No employee shall be permitted to accumulate more than 30 days of unused vacation leave. Vacation leave, subject to the approval of the department head, may be taken from time to time in units of full or half days.

SECTION E: At the time of separation, an employee shall be entitled to payment for unused vacation as follows:

Effective 1/1/14, it is understood and agreed that at the time of separation, no employee shall be paid for any accumulated leave in excess of 30 days plus any current year unused days which shall be pro-rated.

SECTION F: An employee shall not be eligible for vacation leave unless he has been employed for six (6) consecutive months or more. New employees whose total service date is on or after July 1, 1997 shall be entitled to .83 working days of vacation leave for each month of their probationary time up to a maximum of ten (10) days.

SECTION G: If Management has any resources available, the employee shall have the right to sell back unused vacation days at 50% of the employee's current rate of pay. This program shall be initiated, if at all, solely at the discretion of Management on or about November 1 of each calendar year.

ARTICLE IX

DEATH IN FAMILY

SECTION A: The employer agrees that immediately upon a death in the employee's immediate family, the employee will be granted four (4) working days off with pay.

SECTION B: The definition of immediate family includes the employee's spouse, child, mother or step-mother, father or step-father, brother, sister, grandparent, great-grandparent, grandchild, son-in-law, daughter-in-law, and the brother, sister, parent, and grandparent of their spouse.

SECTION C: The employer agrees that upon death of the employee's or their spouse's aunt, uncle, brother-in-law, sister-in-law, niece, or nephew, the employee will be granted one (1) day off with pay to be in attendance at those activities involved in the interment of and mourning for the deceased.

ARTICLE X

HEALTH AND INSURANCE BENEFITS

SECTION A:

1. Current levels of health, hospitalization, and major medical insurance will be maintained.
2. Management reserves the right to utilize managed health care; case management when deemed necessary and pre-admission review as stated in the addendum to the employee health care booklet. Surgeries that require second opinion are listed in an addendum in the IDA employee health care booklet. Chiropractic use will be subject to case management and limited to 30 visits per person per year.

In-patient mental health and substance abuse treatment at the facilities listed on the addendum in the IDA employee health care booklet will be without limit subject to the same considerations as in the current program. The list of the approved facilities is subject to change by mutual agreement of the Township and the MEA. Treatment at facilities other than those listed in the health care booklet shall be subject to \$25,000 per stay per person annual limit and a \$50,000 lifetime limit per person. Out patient treatment limits shall be \$5,000 per person per year.

Employees covered by the EPO program will continue to be covered by the current benefits of the EPO contracts.

Effective 1/1/2006, the insurance deductible shall be \$250 for single coverage, and \$500 for family coverage.

3. If at retirement an employee moves out of New Jersey, the employee is responsible to inform the employer of their new residence. The employer will then investigate a mental health facility of comparable or better rating to those utilized within the jurisdiction of New Jersey, in the State in which the retired employee is residing.

SECTION B: Current levels of dental and orthodontia insurance will be maintained.

The dental maximum is \$1,500.

SECTION C. For 2005, the prescription plan shall include a \$5.00 co-pay on all brand name prescription drugs; \$3.00 co-pay on all generic prescription drugs; and no co-pay on all mail order prescription drugs of ninety (90) days or longer.

Effective 1/1/06, the co-pay for brand name prescriptions shall increase to \$10.00 and generic shall increase to \$5.00.

- a. After 25 years or more service (based on total service date) with the Township, or
- b. After having reached the age of 62 or older with at least 15 years of service (based on total service date) with the Township.
- c. The Township will provide secondary coverage for eligible retirees when coverage by Medicare or another carrier including Veterans benefits is available.

It is understood that should the statute be amended during the term of the contract to permit payment for said benefits with less than 25 years service, the contract shall be so amended provided that the minimum years of service shall not be less than 20 years.

Current levels of benefits under Section A, B and C shall be provided to the employee's dependents in the event the employee:

- a. Dies in the line of duty, or
- b. Dies after twenty-five (25) years municipal service with the Township of East Brunswick.

This Section (E) applies:

1. If no comparable health insurance is available from any other source (spouse's employment, post-retirement employment, etc.), or
2. If coverage is available from another source other than the Employer, the Employer reserves the right to either reimburse the employee for the cost of coverage not provided by the Employer or to continue enrollment in the Employer's plan.

For purposes of this section, it is understood that the definition of years of service refers to an employee's "total service date" as computed by the Division of Human Resources.

SECTION F: Healthcare Contribution

Effective September 1, 2010 all employees shall contribute 1.5% of their salary toward healthcare coverage in accordance with State guidelines.

SECTION G: The Township agrees that in the event that there are savings in healthcare claims when comparing 2010 claims with 2009 claims, the employees shall be entitled to 20% of those savings, distributed equally among the members in the form of a non-pensionable stipend. This stipend shall be distributed on or about April 1 of the succeeding year.

Effective May 10, 2010 the Township will no longer reimburse employees for any out-of-network costs.

ARTICLE XI

SALARY AND WAGES

SECTION A: Full-time and part-time regular employees covered by this Agreement shall be paid in accordance with the Salary Schedules in Appendices A & B. The following wage increases shall be effective:

January 1, 2014	2%
January 1, 2015	2%
January 1, 2016	2%
January 1, 2017	2%

SECTION B: An employee's scheduled work hours cannot be changed without the payment of overtime unless there is a seven (7) calendar day notice of change. When an employee's scheduled work hours are changed without said notice, the employee is to receive base pay plus time and one-half (1-1/2) for the newly scheduled hours. This shall not be construed to limit or affect the transfer of an employee from one job assignment to another. This paragraph shall not apply to snow emergencies or other states of emergency as may be declared by the Mayor or his/her designee from time to time.

SECTION C: The Township agrees that employees covered by this Agreement shall be compensated for overtime work when such work has been authorized by the department head or his/her representative at an hourly rate equal to one and one-half (1-1/2) times his/her regular hourly rate. Departmental employees on a 35-hour work week shall receive pay for the eight (8) hours in any work day at straight time rates exclusive of lunch. Those departments on a forty (40) hour work week shall receive one and one-half (1-1/2) pay for any hours worked in excess of eight (8) hours per day. Whenever an employee is required to work the sixth and/or seventh day and/or holiday, time and one-half (1-1/2) shall be paid such employees for all hours worked on the sixth and/or seventh day and/or holiday. Once overtime is earned it is secured. In all instances, however, overtime compensation shall commence only after the employee has worked eight (8) hours in any one work day.

If an employee works 16 consecutive hours during an overtime emergency, if said emergency ends during an employee's regularly scheduled work day/time, that employee shall be permitted to clock out, and be paid for their regular shift.

The parties agree to re-open this provision on or about April 15, 2007.

SECTION D. In lieu of overtime, an employee, with the approval of their department head, may choose compensatory time. One and one half (1-1/2) hours of compensatory time shall be granted for each hour of overtime worked when this option is exercised. In all instances, however, such compensatory time shall commence only after the employee has worked eight (8) hours in any one work day.

SECTION E: The Township may institute twice monthly pay periods effective 1/1/14.

1. No employee is eligible for a salary increase on January 1 of any Agreement year unless their total service date is prior to July 1 of the preceding year. This applies to all employees whose total service date is after January 1, 1986.

2. In the event a new employee is hired for a position, the salary shall not exceed 70% of the maximum salary for the appropriate grade. In the event the Township deems it necessary to pay higher than 70% of the maximum salary rate, the Township shall negotiate such change with the MEA.

3. **Reclassification and Promotions**

If the Township decides to do a systematic reclassification or a total review of all classifications for all civilian employees of the Township the provisions of Section F3 (a) and (b) shall not apply.

a. Reclassification by Petition. In the event an employee upon petition is reclassified upward in grade, the employee's salary shall be adjusted by providing a 3% to 10% increase per grade changed. The new salary shall fall within the new grade's minimum and maximum. The specific increase within the range shall be determined by the employer and shall take effect immediately.

b. Systematic Reclassification. In the event an employee is reclassified in grade as the result of a systematic reclassification the following shall occur.

i. If the employee is reclassified upward in grade, the employee's salary shall be adjusted by providing a 5% increase per grade changed, except in those instances where an employee was already classified in the higher wage classification and was reclassified to a lower classification with no loss of pay. In those instances, an employee's salary shall only be adjusted five percent (5%) per grade over and above the grade from which the employee was originally reclassified.

The Union agrees to withdraw its demand for arbitration Docket No. AR-97-278 with prejudice.

ii. If the employee is reclassified downward in grade and

-If the employee's salary is within the range of the new grade, then no change will occur.

-If the employee's salary is than the maximum of the new grade, then the employee will receive 50% of the increase available to other employees at maximum until the employee's salary is equal to the maximum permitted in the new grade.

-If the employee moves from another sector of Township government and if the employee's salary exceeds the maximum of the grade by less than \$1,500, the procedure set forth in the previous paragraph applies.

-If the employee moves from another sector of Township government and if the employee's salary exceeds the maximum of the grade by \$1,500 or more, the employee's salary shall not increase, no matter what other contractual provisions may exist until it is less than \$1,500 above the maximum of the range at which time the procedure in 3(b) ii, subparagraph 2 above shall apply.

c. Promotions. In the event an employee is promoted to a position of a higher grade, the salary shall be set by providing a 5% to 10% increase per grade changed. The new salary shall fall within the new grade's minimum and maximum. The specific increase within the range shall be determined by the employer and shall take effect immediately. In the event an employee is voluntarily demoted, their salary shall decrease by no more than 5% per grade. The Township may propose more than 5% per grade in certain cases.

SECTION F:

1. Individual salary adjustments may be considered through a bilateral negotiation process between the MEA and the Township.
2. The primary reason for consideration of any salary adjustment request is the recognition that the salary is significantly at variance with the job market, making the retention and/or hiring of personnel difficult or if an employee is reclassified, promoted, transferred, or otherwise moved to a new grade, and the employee's salary is significantly less than the median for that grade.

3. The Township and/or the MEA may request such an adjustment and both parties must agree on the resolution. No member of the MEA may be considered for an adjustment more than once a year without approval of the Business Administrator. Individual MEA members may not make an adjustment request. The MEA is permitted this process through its right to negotiate with the Township with regard to wages, hours and other terms of employment.
4. All discussions are confidential and no membership votes will take place on individual salary adjustment decisions.

SECTION G:

1. Employees working "special assignments" (ie hydrant flushing) shall continue to receive shift differential of 25 cents for the second shift (4 P.M. to 12 Midnight) and 30 cents for the third shift (12 Midnight to 8:00 A.M.).
2. Employees in the Division of Recreation and the Department on Aging with the job title of Recreation Supervisor and Program Coordinator are exempt from the shift differential clause in this Article.

SECTION H: Pay days shall be bi-weekly on Friday; unless the Friday is a holiday, in which case pay day shall be the last work day preceding the holiday.

SECTION I: The rate of pay shall be determined by dividing the employee's weekly rate, including longevity, by the number of hours in the employee's prescribed normal weekly schedule.

SECTION J: The salary of an employee who is absent from work due to an unpaid leave of absence shall be frozen at the time the employee begins the unpaid leave of absence. Upon return to work, the employee shall be placed in a grade appropriate to the position to which he is returning and at the employee's prior salary. This provision shall not apply to those employees who take an unpaid leave of absence for purposes of maternity leave.

SECTION K: The parties will abide by the Fair Labor Standards Act (FLSA) requirements governing administration of overtime and standby pay. For purposes of this Article, all contractual days off and/or time off shall be considered as time worked.

SECTION L: If an employee works on a holiday, in addition to compensation for the holiday, (Article XIII, Section C) and as specified in Section C of this Article (Overtime Compensation), he or she shall be entitled to an additional day off or additional time off, with pay in accordance with the following:

1. An employee working any amount of time on the following holidays shall receive an additional seven (7) or eight (8) hour day off with pay, depending on the work schedule. Said day shall be administered as any other compensatory day off:

Independence Day	(Day of Occurrence)

Said time shall be administered as any other compensatory time off.

SECTION M: Any employee scheduled or called into work on Easter Sunday, shall receive holiday pay for all hours worked, or two hours, whichever is greater.

SECTION N: All full-time subcode officials and inspectors shall receive an additional \$500 stipend for each certification, provided the employee utilizes said license on a regular basis. Recognized licenses includes: building, electrical, plumbing, fire, and C.O. Employees shall be eligible for a maximum of three (3).

SECTION O: When management determines that an employee is required to perform some or all of the duties of another employee on a leave of absence, that employee shall be eligible for fill-in pay. Employees approved for fill-in pay shall receive a minimum of 3% increase in pay, and a maximum of 10% increase in pay. An employee may receive more than the minimum based upon such factors as the nature and amount of the duties assigned, number of grades working out of title, the difference between the pay of the two employees or other such factors as determined by the Administrator. Agreement for out of title pay shall be made prior to the commencement of the employee beginning their leave of absence. In the event the fill-in duties are determined to be required after an employee commences their leave of absence, the determination for the fill in pay shall be made within 5 days of the assignment and the implementation of the minimum increase.

That "bumped" employee shall then be afforded the same rights as the employee who has bumped him, and so on down the line, until such time as the least senior employee within an affected job classification has been laid off.

In the event an employee bumps down a grade or grades due to a layoff and the employee's current salary exceeds the maximum of the new grade, he/she will be paid no more than the maximum salary range of the new grade.

6. Should no employee with less seniority exist within the same job classification as the employee to be laid off, the said employee may "bump" a less senior employee within a lower job classification, provided that the Township determines that the employee is bumping into a job classification which is related or within a job classification which has similar or less requirements, or is a job classification which the employee had previously held with the Township. This paragraph is subject to the provisions of Article V - Grievance Procedure.
7. The subject matter of bumping outside of the MEA bargaining unit is a non-negotiable management prerogative.

SECTION B: Recall Rights: Recalls shall be accomplished in accordance with the following procedures:

1. The most senior former employee laid off shall be the first employee recalled to work when a position is to be filled in which management determines the employee is qualified.
2. A laid off employee shall have recall rights for a period of two (2) years from the date of layoff.
3. Notice of recall to work shall be addressed to the employee's last address appearing in Township records, by certified mail, return receipt requested. It shall be the responsibility of the employee to notify the Township of any change of address. The employer shall provide said notice of recall at least two (2) weeks prior to the commencement of the recall offer. The employee shall respond, in writing, to the notice within ten (10) working days from the date of receipt or be presumed to have refused the opening. If the employee refuses two (2) recall opportunities, the employee shall be removed from the recall list, lose all seniority and recall rights, and the employment relationship shall have been terminated.
4. No new regular employee shall be hired into any job classification while an employee is on layoff and possesses recall rights within that job classification.

SECTION C: Prior to a layoff, the employer shall provide the Association with the sixty (60) days notice and during that interim period, the parties shall meet and review the affected positions and discuss prior to implementation the bumping order and mechanisms to be utilized.
