II. UNION DUES

- A. Pursuant to NJS 52:14-19.9(e), as amended, the Township agrees to deduct the union's monthly dues and initiation fees from the pay of the employees who authorize the Township in writing to do so. Deductions shall be made weekly. All amounts deducted shall be remitted to the union once a month no later than the tenth day of the month following deduction. The Township agrees to furnish the union upon request, monthly, with a list of all employees whose dues and initiation fees have been deducted. The Township also agrees to furnish the union upon request, not more than monthly, with a list of newly hired employees and terminated employees. The union will advise the Township in writing of the amount of the initiation fees and monthly dues.

- B. Pursuant to the "New Jersey Employer-Employee Relation Act" as amended, all non members of the Union shall pay to the Union a representation fee in lieu of dues for services rendered by the Union in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the Union to its own members, less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

STEP 3. If the grievance is not resolved through the above procedure, the Union may submit the dispute to binding arbitration, providing such request is made no later than thirty (30) working days after the decision at Step 2. This dispute shall be submitted to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission. The cost for the services of the arbitrator shall be borne equally by the Township and the Union. No employee shall be denied compensation for their appearance as a witness at any arbitration hearing. The arbitrator shall be bound by the provisions of this Agreement and the constitution and laws of the State of New Jersey, and be restricted to the application of the facts as presented to him. The decision of the arbitrator shall be in writing, setting forth the reasons therefore, and shall be final and binding upon the parties.

- C. Step 1 and Step 2 may be presented, and a mutually agreeable time will be arranged between the Department Head, the representative, the union committee, and the Township Manager. Nothing herein shall prevent the parties from mutually extending or reducing the time within which the grievance shall be processed, at any step in the grievance procedure. The Township and the Union further agree to give reasonable consideration to request of either party for meetings to discuss a pending grievance at any step.
- D. An aggrieved employee shall suffer no loss of pay as a result of work time spent in his own behalf in any hearing. The designated union representative shall be permitted to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein, During working hours, without loss of pay.
- E. Failure of an aggrieved party to pursue the grievance to the next step, in accordance with the time limits set forth herein, shall constitute abandonment of the grievance, unless both parties agree to a waiver.
